[Exit Online Services](#) The following list contains details of all contact names and addresses held in our records for EA 2523 - NHS Dental Services

We use emails to notify contacts of changes in the scheme and procedures and to give general information. This information is becoming increasingly important as the Pensions Modernisation programme and new scheme etc progress, and it is vital that we hold the correct address.

Before you continue could you therefore please check all the email addresses held and amend them where necessary
