

Freedom of Information Request

Request:

Any estimates you may have made on the number of jobs to be lost over the next 4 years - or failing this, any details of the budget reductions being faced over this timescale.

Status: Complete

Response Date: 14 December 2010

1. We are unable to assist at this time, as NHS Pensions does not hold such data. Most forecasting & budget planning will be conducted on an annual basis & ultimately relies on the budget set by the Department of Health for the forthcoming year. However the attached table shows details of fixed term contracted staff and the dates their contracts are due to end. It is possible that the Department of Health may hold some or all of the information you require.

	Fixed Term Staff	
Date of contract end	Number of contracts ending	
31/03/2011	125	
18/07/2011	1	
14/09/2011	1	
21/09/2011	1	
31/03/2012	2	
	Agency Staff
