

Freedom of Information Request

Request:

Is there a date that form SD86c have to given out by?

They are always so much in arrears I want to know if there is a legal requirement date.

Status: Complete

Response Date: 08/07/2009

There is no legal requirement under the NHS Pension Scheme Regulations for a Primary Care Trust or a Local Health Board to issue a form SD86c however many still do on a voluntary basis.

Some PCTs and LHBs do not issue SD86s anymore by virtue that, as from April 2004, GP Providers are legally required to declare their Practice based NHS pensionable income on an end of year Certificate.
