

Freedom of Information Request

Request:

I require information as to how many pension repayment orders were issued in 1976 and 2006.

Further how many such repayment orders were not cashed in the same two years.

Status: Complete

Response Date:

In the year 2006 there were 7,198 payable orders issued that related to refunds of contributions (pension repayment orders). Of the number issued, 170 were not cashed.

With regards to the information relating to 1976, as advised in our letter to you of 2 July 2008, we are only required to hold such records for 6 years and therefore records for 1976 are no longer available.
