Request:

what was the NHS pension fund growth for 2006,2007 and 2008

Status: Complete

Response Date: 24/03/2009

NHS Pension Scheme Growth in Liability

The NHS Pension Scheme is an unfunded defined benefit final salary scheme. Growth in fund has been interpreted to mean growth in the estimated closing scheme liability.

Movements in the scheme liability for the periods requested are detailed below :-.

Closing liability

Date/fin year	£bn	Growth £bn
31/03/2005	149.6	
31/03/2006	165.4	15.8
31/03/2007	218.0	52.6
31/03/2008	212.5	-(5.5)
