

Freedom of Information Request

Request:

Please confirm the NHS Pension increase for 2010/11.

Status: Complete

Response Date: 26/10/2009

In common with other public sector pension schemes, annual pensions increase factors are applied to NHS pensions with effect from April each year. Although pension increase factors are applied by our paying agents, Xafinity Paymaster, and NHS Pensions is advised shortly beforehand, we have yet to be advised of any details for 2010/2011.
