

Leaving the Scheme - Opting out

1 Think carefully about what you would be giving up. Watch the video and read the factsheet on our website to understand more.

2 Use the Opt Out calculator on our website to understand the impact on your take home pay.

3 Print off form SD502 and complete part 1.

4 Give the form to your employer to complete part 2. They will either update your records or send the form to us so we can update your records.
