

Pharmacy NHS Hormone Replacement Therapy Prescription Prepayment Certificate (HRT PPC) process

Before selling an HRT PPC, remind patients to check if:

- they are eligible for free NHS prescriptions at www.nhsbsa.nhs.uk/check
- their HRT medicine is covered by the certificate at www.nhsbsa.nhs.uk/hrt-ppc-medicines

Please remember

Pharmacy teams must ensure all HRT PPCs sold in pharmacy are processed on MYS within one month.

When using HRT PPC exemption patient can only claim for HRT items. A separate prescription must be used for other items.

If the HRT PPC covers the date of dispensing, the patient can collect listed NHS HRT prescription for free.

They should mark box 'W' on the prescription and sign the declaration.
