How are Total Reward and Annual Benefit Statements produced?

- **31 March**
  - End of Scheme year

- **31 May**
  - Deadline for employers to submit their year end updates to NHS Pensions.

- A snapshot of the data is taken.

- Assurance testing is carried out.

- Errors with the data are identified and amended by a given deadline (subject to change each year).

- Pension calculations are performed for over 2 million active and deferred members.

- Calculations are merged into the statements.

- Refreshed statements go live.
