For support E-Mail: DentalData@dpb.nhs.uk or Phone: 01323 433 219

View Dashboards

Dashboards show high level information in a graphical format to help identify key performance information.
Click on View Dashboards to see key data for your PCO in from the dashboards

Homepage

Click on the Contract Management, Finance Reports, FP17s, Risk Management and Migrated Templates to access template reports on those areas

View Templates

We have created a range of templates/reports covering Contract Management, Finance Reports, FP17s, Risk Management and Migrated Templates to give more detailed information to answer your business questions.

Create or Modify Reports or Templates
This facility gives you the option to develop your own reports using the full range of information available to you on E Reporting.

Create your own or modify existing reports by clicking here

Homepage

Click on the Contract Management, Finance Reports, FP17s or Risk Management to access your standard reports

See when the reports were last updated

View Standard Reports & Guidance

(Updated on 12/08/2010. To include Latest Reports for July 2010)

Standard reports are pre-run by Dental Services and rigorously quality checked to give core information about Vital Signs, Contract Management, Financial Management, Risk Management, Guidance and Notes

View Migrated Report Templates

A number of standard reports have been reproduced as templates and will no longer be available as pre-run standard reports.

Click here to access templates of standard reports
