Title (Mr, Mrs, Dr)  
Surname  
Other names  

I wish to have my age retirement benefits paid as a once and for all lump sum.

I understand that this lump sum payment will not affect any benefits that may become payable to my dependants. A pension or allowance will be paid to them in the normal way.

I understand that if the payment of the lump sum causes me to exceed the lifetime allowance, then the amount in excess if the lifetime allowance will be taxed at 55%.

Please attach this form to the application form AW8 and return it to the Pension Officer at your place of employment. You can return this form in a sealed envelope attached to the AW8 form if you wish.
