## PREFACE

# AMENDMENTS TO THE DRUG TARIFF

## February 2016

1. In accordance with regulation 89(3) of the National Health Service (Pharmaceutical and Local Pharmaceutical Services) Regulations 2013 (“the 2013 Regulations”), the Secretary of State for Health as respects England and in accordance with regulation 41(4) of the National Health Service (Pharmaceutical Services) (Wales) Regulations 2013, the Welsh Ministers\* as respects Wales have amended the Drug Tariff and determinations made in respect of the amendments to the Drug Tariff shall have effect from 1 August 2015.

For England, by virtue of regulation 91(1) of the 2013 Regulations, the NHS Commissioning Board (“the Board”) has been appointed as a determining authority in relation to the pharmaceutical remuneration listed Schedule 8 to the 2013 Regulations (ie types of service remuneration) and remuneration for advanced services. This means that both the Secretary of State and the Board are able to determine remuneration in these areas, although if the Secretary of State determines remuneration in these areas, he is required to notify the Board of his intention to do so before doing so. As part of a phased transfer of responsibilities between the Secretary of State and the Board, the Board will be acting as the lead determining authority in relation to the following Parts:

- Part IIIA
- Part IIIB
- Part VIA
- Part VIB
- Part VIC (up to Pharmaceutical Services (Advanced and Enhanced Services)(England) Directions 2013)

By virtue of Part VIE, the Board is also a determining authority for England for the remuneration for enhanced services and acts as the lead determining authority in that area.

The Secretary of State is the sole determining authority for all other Parts.

Part VII, XI, XIIA, XIVD, XVIIIID and XXI are rescinded in this edition of the Drug Tariff.

Before the Secretary of State, NHS Commissioning Board and the Welsh Ministers make further determinations they will consult with such organisations as appear to be representative of persons to whose remuneration the determination would relate and such other persons as they consider appropriate in respect of determinations which relate to persons providing pharmaceutical services, or a category of such services in accordance with section 165 of the National Health Service Act 2006 and section 89 of the National Health Service (Wales) Act 2006, regulations made under those sections and under section 164 of the National Health Service Act 2006 and section 88 of the National Health Service (Wales) Act 2006.

**PREFACE**

---

2. Please note that you are now being supplied each month with the Drug Tariff which incorporates all amendments to date. All entries showing a change in price are not specifically included in this preface but are indicated in the Drug Tariff by  $\nabla$  for price reduction and  $\Delta$  for price increase; changes to the text relating to code, product description, or the inclusion of a new product are indicated by a vertical line in the margin.
3. While every effort is made to ensure that each monthly publication of the Drug Tariff includes all amendments made by the Secretary of State and the Welsh Ministers to the price applicable to the relevant period, the need to observe printing deadlines sometimes defeats those efforts. Any omitted amendments will be effective from the date on which they came into force, even if publication of the details is unavoidably delayed.

\* Functions of the National Assembly for Wales have transferred to Welsh Ministers in accordance with section 162 of and paragraph 30 of Schedule 11 to the Government of Wales Act 2006.

## DEFINITIONS

---

- (a) Except where the context otherwise requires, the terms to which a meaning is assigned by the Regulations or the Terms of Service have the same meaning in this Tariff.
- (b) The term 'contractor' has for Wales the same meaning as 'chemist' as defined in the National Health Service (Pharmaceutical Services) Regulations 1992 and for England the same meaning as 'NHS chemist' as defined in the National Health Service (Pharmaceutical and Local Pharmaceutical Services) Regulations 2013. LPS chemists will also need to be paid at least part of their remuneration (depending on the terms of their scheme) in accordance with the Drug Tariff, and so at least some references to 'contractor' will apply equally to them.
- (c) A pharmacy contractor is a person with whom the NHS Commissioning Board (NHSCB) for England and Local Health Board (LHB) for Wales has made arrangements for the provision of pharmaceutical services in respect of the supply of drugs, appliances and chemical reagents.
- (d) An appliance contractor is a person with whom the NHSCB for England and LHB for Wales has made arrangements for the provision of pharmaceutical services so far as it relates to the supply of appliances included within Part IXA/B/C of this Tariff.
- (e) The term persons includes a body of persons corporate or unincorporate.
- (f) The term Pricing Authority means, as the case may require, the NHS Business Services Authority (NHSBSA) or the NHS Wales Shared Services Partnership (NWSSP).
- (g) The term appliances as used in this Tariff includes dressings.
- (h) The term prescription refers to an item on a prescription form or dispensed in accordance with a repeatable prescription.
- (i) The term prescription form includes, where appropriate, a repeatable prescription.
- (j) The term pharmacy means any premises where drugs are provided by a pharmacist or pharmacy business as part of pharmaceutical services under section 126 (arrangements for pharmaceutical services) for England of the National Health Service Act 2006 and Section 80 of the National Health Service (Wales) Act 2006.
- (k) Specials are unlicensed medicinal products manufactured in the UK for human use which have been specially prepared to meet a prescription ordered for individual patients without the need for the manufacturer to hold a marketing authorisation for the medicinal product concerned.
- (l) Imported products are unlicensed medicinal products sourced from outside the UK under an importers licence issued by the MHRA. These products have been specially sourced to meet a prescription ordered for individual patients without the need for the importer to hold a marketing authorisation for the medicinal product concerned.

In the preparation of this Tariff the Secretary of State for Health and the Welsh Ministers have consulted the Pharmaceutical Services Negotiating Committee.

**REQUIREMENTS FOR THE SUPPLY OF DRUGS, APPLIANCES AND CHEMICAL REAGENTS****CLAUSE 1 DRUGS**

Any drug included in this Tariff or in the British National Formulary including the Nurse Prescribers' Formulary, Dental Practitioner's Formulary, European Pharmacopoeia, British Pharmacopoeia or the British Pharmaceutical Codex, supplied as part of pharmaceutical services, must comply with the standard or formula specified therein unless the prescriber has indicated to the contrary. Any drug supplied which is not so included must be of a grade or quality not lower than that ordinarily used for medicinal purposes.

**CLAUSE 2 APPLIANCES**

The only appliances which may be supplied as part of the pharmaceutical services are those listed in Part IXA/B/C, and Part X (see Clause 4 below), of the Tariff and which comply with the specifications therein. The items within Part IXA which are **not** prescribable on Forms FP10(CN) and FP10(PN) are annotated ☒

**CLAUSE 3 CHEMICAL REAGENTS**

The only chemical reagents which may be supplied as part of the pharmaceutical services are those listed in Part IXR of the Tariff. The items within Part IXR which are **not** prescribable on forms FP10(CN) and FP10(PN) are annotated ☒

**CLAUSE 4 DOMICILIARY OXYGEN THERAPY SERVICE**

The requirements for the supply of domiciliary oxygen and its associated appliances together with the arrangements for reimbursement of those contractors included on the CCG's for England and LHB's for Wales lists of contractors authorised to provide this service, are set out in Part X of the Tariff.

**CLAUSE 5 PAYMENTS FOR PROVIDING PHARMACEUTICAL SERVICES****CLAUSE 5A CLAIMS FOR PAYMENTS**

## 1. Contractors shall:

- (a) endorse prescription forms as required in Clause 9 (Endorsement Requirements) of this Tariff; and
- (b) despatch the forms to the relevant division of the NHS Business Service Authority: NHS Prescription Services for England, or Primary Care Services (PCS) for Wales:
  - (i) with the appropriate claim form;
  - (ii) sorted as appropriate;
  - (iii) in a secure manner that enables tracking and tracing of the delivery; and
  - (iv) not later than the 5th day of the month following that in which the supply was made. Pharmacy contractors in England that are enrolled in the Pharmacy Earlier Payment Scheme (as outlined in Clause 5C) will need to secure delivery to NHS Prescription Services by the 3rd or 8th day of the month to be able to access funds early.

## 2. Claims for payment - repeat dispensing services

- (a) endorse batch issues (rather than repeatable prescriptions) as required in Clause 9 (Endorsement Requirements) of this Tariff. In addition, batch issues relating to drugs, appliances or chemical reagents which have been dispensed shall be stamped with the contractor's stamp and dated with the date on which the items were dispensed
- (b) despatch the batch issues relating to drugs, appliances or chemical reagents which have been dispensed to the NHS Prescription Services for England or PCS for Wales:
  - (i) with the appropriate claim form;
  - (ii) sorted as appropriate;
  - (iii) in a secure manner that enables tracking and tracing of the delivery; and
  - (iv) not later than the 5th day of the month following that in which the supply was made. Pharmacy contractors in England that are enrolled in the Pharmacy Earlier Payment Scheme (as outlined in Clause 5C) will need to secure delivery to NHS Prescription Services by the 3rd or 8th day of the month to be able to access funds early.
- (c) destroy any batch issues relating to drugs, appliances or chemical reagents which are not required, or which should not be dispensed because the contractor has been notified to that effect by the doctor who issued them or because the relevant repeatable prescription has expired; and
- (d) retain repeatable prescriptions until they have expired or are no longer required and then despatch them to the NHS Prescription Services for England or PCS for Wales:
  - (i) sorted as appropriate separate from the batch issues;
  - (ii) in a secure manner that enables tracking and tracing of the delivery; and
  - (iii) in the month following that in which they expired or the contractor became aware that they were no longer required.

**REQUIREMENTS FOR THE SUPPLY OF DRUGS, APPLIANCES AND CHEMICAL REAGENTS****CLAUSE 5B      \*\*CALCULATION OF PAYMENTS****1.      Pharmacy Contractors**

Payment for services provided by pharmacy contractors in respect of the supply of drugs, appliances and chemical reagents supplied against prescriptions at each separate place of business shall comprise:-

- (i)      (a) The total of the prices of the drugs, appliances and chemical reagents so supplied calculated in accordance with the requirements of this Tariff.  
LESS  
\* (b) An amount, based on the total of the prices at (i)(a) above, calculated from the table at Part V ("Deduction Scale").  
AND
- (ii)      The appropriate professional fee as set out in Part IIIA  
AND
- (iii)      The allowance for consumables and containers as set out in Part IV.

**\*NOTE 1**

No deduction will be made in respect of prescriptions for items listed on page 10 to page 24 for which the contractor has not been able to obtain a discount.

**\*\*NOTE 2**

(Wales only) Payments in respect of October 1999 to March 2000.

Contractors in agreement with LHBs in Wales who have notified the LHB that they accept the revised basis of calculation of payments for the period 1 October 1999 to 31 March 2000 set out in the National Assembly's offer letters on 20 November 2000 and 3 April 2001 shall be paid in accordance with the provisions of these letters.

**\*\*\*NOTE 3**

(Wales only) Payments in respect of 1 October 2008 to 31 October 2008.

Contractors in agreements with LHBs in Wales will be paid in accordance with the provisions of:

Part VIA - Payment for Essential Services (Pharmacy Contractors),

Part VIC - Advanced Services (Pharmacy Contractors), Medicines Use Review and Prescription Intervention Service, and

Part XIII - Payments in respect of Pre Registration Trainees

of the October 2008 edition of this Tariff as they apply in relation to England.

**2.      Appliance Contractors**

Payment for services provided by appliance contractors in respect of the supply of appliances so supplied against prescriptions at each separate place of business, shall comprise:-

- (i)      The total of the prices of the appliances, calculated in accordance with Part IXA/B/C  
PLUS
- (ii)      The appropriate professional fee as set out in IIIB  
PROVIDED THAT
  - (a)      Where prescription forms are received by the Pricing Authority from two or more contractors whose names are separately entered on the pharmaceutical list for the supply of appliances only in respect of the provision of services at the same place of business, all such prescription forms shall be aggregated for the purpose of the calculation as at (ii) above and the professional fees so calculated shall be applied to the total number of appliances supplied by each of those persons.
  - (b)      A contractor's name shall not be entered on the Pharmaceutical List separately for the same place of business in respect of (1) the supply of appliances, (2) the supply of drugs and appliances, or (3) the supply of drugs, except in the case of a contractor for whom separate entries on the Pharmaceutical List relating to the same place of business were allowed prior to the first day of November 1961.
  - (c)      Where a contractor's name is entered on the Pharmaceutical List in respect of the provision of services at more than one place of business, the calculation as at (ii) above shall be made separately in respect of prescriptions received in respect of the services provided at each place of business.
- PLUS
- (iii)      The appropriate fees as set out in IIIB  
PLUS
- (iv)      An infrastructure payment as set out in VIB.

**REQUIREMENTS FOR THE SUPPLY OF DRUGS, APPLIANCES AND CHEMICAL REAGENTS****CLAUSE 5C TIMETABLE FOR PAYMENTS FOR ENGLAND****1. Pharmacy Contractors**

Pharmacy Contractors will be paid monthly via NHSBSA. Payments will be detailed in the FP34 Schedule of Payment, which pharmacy contractors will receive approximately 5 working days before payment.

Payments will be made monthly and comprise of the following elements:

1. An estimated 100% advance payment for prescriptions submitted one month earlier (dispensed two months earlier). This payment is based on the total items declared on the FP34C submission document and the latest available average Net Ingredient Cost (NIC) for that pharmacy, less the value of prescription charges collected and declared on the FP34C submission document;

Formula for calculating estimated advance payment

Average Net Ingredient Cost of the prescriptions \* x number of items declared on submission document less the value of prescription charges declared as collected at the rate payable on the date of dispensing

2. plus the full value of the priced prescriptions submitted two months earlier (dispensed three months earlier);
3. minus the recovery of the estimated 100% advance payment paid the previous month related to the prescriptions submitted two months earlier (dispensed three months earlier).

For example, August's payment will comprise the 100% advance payment for prescriptions submitted in July (dispensed in June) with the full value of the priced prescriptions less the recovery of the estimated 100% advance payment for prescriptions submitted in June (dispensed in May).

NOTE: for the purposes of explanation, part 1 of the payment will be called 'the advance payment' and parts 2 and 3 together will be called the 'reconciliation'.

From April 2013, contractors will be paid according to either of two payment timetables available. All pharmacy contractors will be paid to timetable A unless they have enrolled in the Pharmacy Earlier Payment Scheme (timetable B).

**Timetable A:**

Pharmacy contractors will be paid a single payment, which will comprise of all the elements outlined above.

*Table 1 Payment timetable for 2013/14*

\*Due to the transition to the new payment system, in June 2013's payment only, contractors will receive circa 120% payment.

\*\*The value of (-) could be a positive, negative or zero.

**REQUIREMENTS FOR THE SUPPLY OF DRUGS, APPLIANCES AND CHEMICAL REAGENTS****Timetable B:**

The Pharmacy Earlier Payment Scheme (the 'Scheme'), introduced for prescriptions dispensed in April 2013 and onwards, is a privately financed, voluntary arrangement between pharmacy contractors and Citibank and facilitated by NHSBSA.

Under the scheme, pharmacy contractors may choose to access their 100% advance payment earlier than timetable A at the cost of interest paid. They can use either automatic financing or manual financing. Under automatic financing, pharmacy contractors will automatically be paid their 100% advance payment (less interest) by Citibank. Under manual financing, pharmacy contractors will need to request the funds each time they wish to access the early financing. Further information on the scheme can be found at [http://www.citibank.com/transactionservices/home/supplier\\_finance/pharmacypayment/](http://www.citibank.com/transactionservices/home/supplier_finance/pharmacypayment/)

**ALL payments to those contractors enrolled in the Scheme will be made through Citibank.**

Pharmacy contractors enrolled in the Scheme may access the 100% advance payment prior to the date outlined in timetable A. Depending on whether the reconciliation element of the payment is positive, a pharmacy contractor may receive a further payment in a month.

- Advance payment - 100% advance payment for prescriptions dispensed one month earlier may be accessed from day 8 or 12 of the month the prescriptions are submitted for pricing. To access the funds from:
  - Day 8 - Pharmacy contractors must ensure delivery of the prescription forms with the correctly completed FP34C to the NHSBSA by the 3rd day of the month.
  - Day 12 - Pharmacy contractors must ensure delivery of the prescription forms with the correctly completed FP34C to the NHSBSA by the 8th day of the month.

Where the 3rd/8th day of the month falls on a weekend or bank holiday, delivery must be secured on the next working day following this date. Where the NHSBSA receives delivery after the 8th day of the month (or the next working day where this falls on a weekend or bank holiday), all payments for the month will be paid according to timetable A.

- Reconciliation payment:
  - Positive reconciliation - Pharmacy contractors will be paid the reconciliation payment according to timetable A.
  - Negative reconciliation - NHSBSA will recover the value of the overestimate from the 100% advance payment paid the following month.

Where a pharmacy contractor using manual financing does not access the advance payment prior to the date outlined in timetable A, all payments for the month will be paid according to timetable A.

*Table 2 - The table below provides a summary of key submission and payment dates.*

Prescriptions received by NHSBSA	Pharmacy receives advance payment element from Citibank	Pharmacy receives positive reconciliation payment from Citibank	NHSBSA recover negative reconciliation payment from Pharmacy through Citibank
3rd of the month*	8th of the month*	Normal payment date, usually 1st of following month	As a deduction from next available advance payment
No later than the 8th of the month*	12th of the month*	Normal payment date, usually 1st of following month	As a deduction from next available advance payment
After 8th of the month*	Normal payment date, usually 1st of following month	Normal payment date, usually 1st of following month	As a deduction from next available advance payment

\*If days referred to above fall on a weekend or bank holiday, the next available working day will be applied.

## 2. **Appliance Contractors**

Appliance contractors will be paid as outlined in Clause 5B(ii) on the first day of every month unless the payment date falls on a weekend or bank holiday. In these instances, the payment date is brought forward to the nearest working day except when 1 April falls on a weekend or bank holiday. In this instance, the payment date is moved to be the first working day of April

## REQUIREMENTS ENABLING PAYMENTS TO BE MADE FOR THE SUPPLY OF DRUGS, APPLIANCES AND CHEMICAL REAGENTS

### CLAUSE 6 INFORMATION RELATING TO THE IDENTIFICATION OF THE PRESCRIBER

Where a contractor provides the drugs or appliances ordered on any NHS prescription form, except forms issued by a Dental Practitioner, the Pricing Authority may return the prescription form to the contractor (as a referred back) if there is no prescriber code(s) present on the prescription form and request that the contractor seek the appropriate code(s).

Where the contractor is able to identify the appropriate code(s), they shall endorse the prescription with the code and return it to the Pricing Authority. Where the contractor is unable to identify the appropriate code(s), they shall endorse the prescription to indicate that they have been unable to locate the code and return it to the Pricing Authority to be paid. Returned prescriptions shall be priced using the Drug Tariff relevant to the month in which the prescription is returned to the Pricing Authority.

### CLAUSE 7 PAYMENTS FOR DRUGS, APPLIANCES AND CHEMICAL REAGENTS

- A The price on which payment is based for a quantity of a drug, appliance or chemical reagent supplied is calculated proportionately from the basic price (see Clause 8 - Basic Price).
- B Subject to the provisions of Clause 10 (Quantity to be supplied) payment will be calculated on the basis that the exact quantity ordered by the prescriber has been supplied.
- C Where a prescription form has been returned to the contractor for endorsement or elucidation and it is returned to the Pricing Authority unendorsed, or incompletely endorsed, or without further explanation, then the price for the drug, appliance or chemical reagent which it orders shall be determined by the Secretary of State for Health and the Welsh Ministers.

### CLAUSE 8 BASIC PRICE

- A The basic price for those drugs, appliances and chemical reagents ordered by a name, or a synonym of that name, included in Parts VIII or IX shall be the price listed in the Drug Tariff.
- B In exceptional circumstances, where, in the opinion of the Secretary of State for Health and the Welsh Ministers, there is no product available to contractors, at the price in Part VIII, claims for reimbursement for a product with a higher price than that listed may be accepted. Such claims shall be made by endorsement as set out in Clause 9C but only in the circumstances described in that Clause. If the Secretary of State for Health and the Welsh Ministers are satisfied that the contractor was not able reasonably to obtain the product at a lower price, the basic price shall be the list price, for supplying to contractors, of the product and pack size so used, or such other price as the Secretary of State for Health and the Welsh Ministers shall determine.  
The Secretary of State for Health and the Welsh Ministers will publish details of any preparations to which this applies and the month(s) in which it applies. The Secretary of State for Health and the Welsh Ministers may in addition specify the products for which endorsement will be accepted.
- C The basic price for a drug which is not listed in Part VIII of the Tariff shall be the list price, for supplying to contractors, of the pack size to be used for a prescription for that quantity, published by the manufacturer, wholesaler or supplier. In default of any such list price, the price shall be determined by the Secretary of State for Health and the Welsh Ministers.

### CLAUSE 9 ENDORSEMENT REQUIREMENTS

- A Contractors shall endorse prescription forms for drugs, appliances and chemical reagents listed in this Tariff as required by this Clause and when so required by the provisions of Part II Clauses 10 (Quantity to be Supplied) and 11 (Broken Bulk), Part III (Fees), Notes to Part VIII B and Note 2 to Part IX A/B/C (Appliances).
- B Prescriptions for drugs not listed in Part VIII of the Tariff shall be endorsed by the contractor with the pack size from which the order was supplied and, if the order is in pharmacopoeial or 'generic' form, with the brand name or the name of the manufacturer or wholesaler from whom the supply was purchased. Where the preparation is in Part VIII A of the Tariff, endorsement of pack size is not necessary except for products in Category C that have more than one pack size listed. Where additional specific endorsement is necessary, contractors shall endorse prescription forms when so required by the provisions of Part II Clauses 10 (Quantity to be Supplied) and 11 (Broken Bulk), Part III (Fees) and Notes to Part VIII B.
- C Where the preparation is in Part VIII of the Tariff and, as described in Clause 8B, in the opinion of the Secretary of State for Health and the Welsh Ministers there is no product available to contractors at the appropriate price, endorsements of brand name or of manufacturer or wholesaler of the product and pack size so used may be accepted. Contractors shall not so endorse unless they have made all

## REQUIREMENTS ENABLING PAYMENTS TO BE MADE FOR THE SUPPLY OF DRUGS, APPLIANCES AND CHEMICAL REAGENTS

reasonable efforts to obtain the product at the appropriate price but have not succeeded. The endorsement shall be initialled and dated by or on behalf of the contractor, and shall be further endorsed "no cheaper stock obtainable" or "NCSO" to indicate that the contractor has taken all such responsible steps.

- D Where insufficient information is available to enable the Pricing Authority to process the prescription, the form (or a copy of the original form) shall be returned to the contractor who shall endorse the prescription form (or copy) with the information requested. Returned prescriptions shall be priced using the Drug Tariff relevant to the month in which the prescription is returned to the Pricing Authority.
- E Where a contractor supplies a quantity at variance with that ordered, ie under the provisions set out in Clause 10 (Quantity to be Supplied), the prescription shall be endorsed with the quantity supplied.

### CLAUSE 10 QUANTITY TO BE SUPPLIED

- A Subject to the requirements of the Weights and Measures (Equivalent for Dealing with Drugs) Regulation, 1970, with regard to the supply in metric quantities of orders expressed in imperial quantities, payment will normally be calculated on the basis that the exact quantity ordered by the prescriber has been supplied, except only of those preparations referred to in B below:

#### B Drugs and Chemical Reagents in Special Containers.

Where the quantity ordered by the prescriber does not coincide with that of an original pack and the drug or chemical reagent is:

- (i) Sterile
- (ii) Effervescent or hygroscopic, or
- (iii)
  - (a) Liquid preparations for addition to bath water
  - (b) Coal Tar preparations
  - (c) Viscous external preparations
- (iv) Packed in a castor, collapsible tube, drop-bottle, pressurised aerosol, puffer pack, roll-on bottle, sachet, shaker, spray, squeeze pack, container with an integral means of applications, or any other container from which it is not practicable to dispense the exact quantity:

the contractor shall supply in the special container or containers the quantity nearest to that ordered and endorse the prescription form with the number and size of those containers. Although payment will normally be based on the quantity nearest to that ordered, some items are available in a larger size pack or container than that normally required pursuant to orders on prescription forms. Where the amount ordered on a prescription form, or the frequency of supply, justifies supply from such larger size pack or container, payment will be based on the cost of that larger size in the absence of endorsement.

\* Products included in Clause 10B(iii) are listed on page 24 and page 25.

### CLAUSE 11 BROKEN BULK

- A This clause applies to drugs (including ingredients used when preparing a special under the manufacturing part of the Section 10 exemption from the Medicines Act 1968 on the pharmacy premises), incontinence and stoma appliances in Part IXB and IXC, chemical reagents, with the following exceptions: items supplied in special containers covered by Clause 10B, drugs listed in Category A and M whose smallest pack size has a price of less than £50 and specials and imported products covered by Part VIII B.
- B When the quantity ordered on a prescription form is other than the minimum quantity the manufacturer, wholesaler or supplier is prepared to supply and the contractor, having purchased such minimum quantity as may be necessary to supply the quantity ordered cannot readily dispose of the remainder, payment will be made for the whole of the quantity purchased. Subsequent prescriptions, received during the next six months, will be deemed to have been supplied from the remainder and no further payment will be made to drug costs other than fees and consumables and container allowances until that remainder has been or is deemed to have been used up. Thereafter, contractors must endorse prescription forms to indicate when a claim for payment is being made. The prescription form must be endorsed 'BB' and with the pack size supplied to claim payment.

**CLAUSE 12 OUT OF POCKET EXPENSES**

Where, in exceptional circumstances, out-of-pocket expenses have been incurred in obtaining a drug, appliance or chemical reagent other than those priced in Part VIIIA Category A and M, Part VIIIB, Part IXA, Part IXR of the Tariff and all other specials and imported products not listed and not required to be frequently supplied by the contractor, or where out-of-pocket expenses have been incurred in obtaining oxygen from a manufacturer, wholesaler or supplier specially for supply against a prescription, where such expenses on any occasion exceed 50p payment of the full amount may be made where the contractor sends a claim giving particulars to the Pricing Authority on the appropriate prescription form. The endorsement shall be 'XP' or 'OOP' to indicate the contractor has taken all reasonable steps to avoid claiming.

**CLAUSE 13 RECONSTITUTION OF CERTAIN ORAL LIQUIDS**

- A This clause applies to antibacterial, antiviral or antifungal preparations listed in 5.1, 5.2 and 5.3 (except 5.3.1) of the British National Formulary (BNF), which are for oral administration and requires reconstitution from granules or powder.
- B When the quantity reconstituted from an original pack or packs is unavoidably greater than the quantity ordered and it has not been possible for the contractor to use the remainder for or towards supplying against another prescription, payment will be calculated from the Basic Price of the preparation and will be based on the nearest pack or number of packs necessary to cover the quantity ordered.

## REQUIREMENTS ENABLING PAYMENTS TO BE MADE FOR THE SUPPLY OF DRUGS, APPLIANCES AND CHEMICAL REAGENTS

### 3. **Additional fee for March 2015 for pharmacy contractors**

In the month of March 2015 only, pharmacy contractors (England and Wales) will receive an additional fee. This fee is to be paid according to their dispensing activity from April 2014 to December 2014.

An additional fee of 3.3p will be paid for every professional fee the pharmacy contractor received during the period April 2014 to December 2014.

The additional fee will be applied to the final payment for March 2015 and no endorsement will be required.

Ceased or closed accounts prior to 1 March 2015 and contractors not submitting any claim for March 2015 will not be entitled to a payment.

Where contractor F codes (England) or CP codes (Wales) have changed, the contractor will need to contact the NHSBSA (England) or NHS Wales Shared Services Partnership (Wales) at the addresses below to ensure all their professional fees are considered.

**CONSUMABLES AND CONTAINERS**

---

---

**See Part I Clause 5B 1 (iii)**

---

1. A Pharmacy Contractor shall supply in a **suitable container** any drug which he is required to supply under Part II of Schedule 2 to the Regulations.

Capsules, tablets, pills, pulvules etc shall be supplied in airtight containers of glass, aluminium or rigid plastics; card containers may be used only for foil/strip packed tablets etc.  
For ointments, creams, pastes, card containers shall not be used

Eye, ear and nasal drops shall be supplied in dropper bottles, or with a separate dropper where appropriate.

2. Payment for **consumables** used when dispensing is at the average rate of **1.24p** per prescription for every prescription (except an oxygen prescription) supplied by contractors.

This payment includes

- Provision for supply of either a 5ml plastic measuring spoon (which shall comply with BS 3221:Part 6:1987), or a 1ml, 5ml or 10ml plastic oral syringe measure with every oral liquid medicine, except where the manufacturer's pack includes one. Plastic oral syringe measures must be clearly labelled 'oral' and/or 'enteral' in a large font size, comply with appropriate British or European Standards (BS 3221:Part 7:1995 or an equivalent European Standard for the 5ml syringe) and be wrapped together with a bottle adaptor and instructions. Choice of whether a spoon or syringe (and its size) is supplied will depend on the nature of the medication regime.
  - In very exceptional circumstances, or where specifically requested by the prescriber, dilution may still take place. The prescription should be endorsed accordingly.
  - Provision for supply of a dropper bottle or separate dropper with every prescription for a medicine which is for administration to or via the ear, eye or nose, or a vaginal applicator with every prescription for contraceptive gel or cream, except where the manufacturer's pack includes one.
3. Payment for **containers** will be at the rate of 10p for every prescription (except special containers) supplied where the quantity ordered is outside of the pack size (or a multiple of the pack size) for products:
- Listed in Part VIIIA of the Tariff.
  - Not listed in Part VIIIA of the Tariff, the pack size published by the manufacturer, wholesaler or supplier is endorsed by or on behalf of the contractor.
  - Where the pack size is unknown by the Pricing Authority, the pack size endorsed by the contractor.

For contractors who have dispensed any drug except for oral liquid methadone against an FP10MDA prescription form, as a temporary measure, for prescriptions dispensed from April 2013, this payment will be made once per instalment ie per dispensing to the patient, regardless of whether the quantity ordered per dispensing was available as a listed pack size. For oral liquid methadone, this payment will only be made where the total volume prescribed is outside a pack size listed in Part VIIIA Drug Tariff listed pack (or a multiple of).

4. Payment for consumables and containers is payable to pharmacy contractors only.

- 1.1 Pharmacy contractors who dispense the stated number of prescription items or more in any month will receive an Establishment Payment from 1 April 2005.
- 1.2 In England and Wales, pharmacy contractors who dispense 2,500 prescription items or more in any month from 1 April 2015 to 31 March 2016 will receive an Establishment Payment as set out in the table below:

Number of items per month for 1 April 2015 to 31 March 2016	Establishment Payment for 1 April 2015 to 31 March 2016
2,500 - 2,829	£23,278
2,830 – 3,149	£24,190
3,150+	£25,100

- 1.3 The Establishment Payment will be paid monthly, calculated as 1/12<sup>th</sup> of the payment, on the basis of the number of prescription items submitted, and reimbursed by the Pricing Authority, in the relevant month.
- 1.4 Where total monthly payments in relation to prescriptions passed for pricing for the period April to March are less than the amount which would have been paid had the payment been calculated on an annual basis, pharmacy contractors may make a claim for a top up payment to the NHSCB for England and LHB for Wales. They should submit, by the following 30 November, copies of FP/WP34 statements for the relevant period (April to March) as evidence of the total number of prescription items passed for pricing during this period.

### 2. Practice Payments

- 2.1 All pharmacy contractors will receive a Practice Payment from 1 April 2005.
- 2.2 In England and Wales, Practice Payments from 1 April 2015 to 31 August 2015, which includes a contribution for provision of auxiliary aids for people eligible under the Equality Act 2010 (EA), are set out in the table below:

Number of items per month	Practice Payment for 1 April 2015 to 31 August 2015	Contribution in Practice Payment for EA for 1 April 2015 to 31 August 2015
Up to 1,099	£250	£250
1,100 - 1,599	£2,283	£500
1,600 - 2,499	£3,196	£625
2,500+	53.5p per item	6.6p per item

**PAYMENT FOR ESSENTIAL SERVICES (PHARMACY CONTRACTORS)**

- 2.3 In England and Wales, Practice Payments from 1 September 2015 to 31 October 2015 are set out in the table below:

Number of items per month	Practice Payment for 1 September 2015 to 31 October 2015	Contribution in Practice Payment for EA for 1 September 2015 to 31 October 2015
Up to 1,099	£100	£100
1,100 - 1,599	£934	£200
1,600 - 2,499	£1,307	£250
2,500+	54.7p per item	6.6p per item

- 2.4 In England and Wales, Practice Payments from 1 November 2015 to 31 March 2016 will be as set out in the table below:

Number of items per month	Practice Payment for 1 November 2015 to 31 March 2016	Contribution in Practice Payment for EA for 1 November 2015 to 31 March 2016
Up to 1,099	£250	£250
1,100 - 1,599	£2,407	£500
1,600 - 2,499	£3,369	£625
2,500+	56.4p per item	6.6p per item

- 2.5 Practice Payments will be paid monthly, calculated, subject to 2.6 to 2.9, as a proportion of the payment according to the number of months covered (ie 1/5<sup>th</sup>, 1/2 and 1/5<sup>th</sup> for 2.2, 2.3 and 2.4 respectively), on the basis of the number of prescription items submitted, and reimbursed by the Pricing Authority, in the relevant month.
- 2.6 From 1 October 2005, in order to receive the full Practice Payment pharmacy contractors must have, and must have declared to the Pricing Authority on the appropriate claim form for the relevant month minimum dispensing staff levels as set out in the table below:

**PAYMENT FOR ESSENTIAL SERVICES (PHARMACY CONTRACTORS)**

Number of items per month	Minimum dispensing staff level (Hours per week)*
2,000 - 3,499	40 hours
3,500 - 4,999	56 hours
5,000 - 6,499	75 hours
6,500 - 7,999	94 hours
8,000 - 9,499	112 hours
9,500 - 10,999	131 hours
11,000**	150 hours

\* Dispensing staff include: a pharmacist; a non-practising pharmacist working as a dispenser; a pre-registration trainee (only half of the pre-registration trainees hours should be counted for this purpose) or an assistant trained to undertake the functions being performed. Where a staff member has multiple roles, only the number of hours spent supporting the dispensing process may be counted in the staffing declaration.

In determining the dispensing staff level to declare on the appropriate claim form the number of hours should be rounded as follows:

0.5 or less round down to the nearest whole number of hours

Above 0.5 round up to the nearest whole number of hours.

\*\*Pharmacy Contractors will be required to employ a staff member for an extra 19 hours per week for each additional 1,500 items the pharmacy contractor dispensed per month above 11,000 items.

- 2.7 From 1 October 2005, where for any month a pharmacy contractor has declared to the Pricing Authority dispensing staff levels lower than those set out in the table in 2.6 above, the Practice Payment for the relevant month will be paid at the level that would be paid if the pharmacy only dispensed the number of items at the lowest level in the band that corresponds in the above table to its declared dispensing staff levels. (Example: A pharmacy contractor dispensing 7,000 prescription items a month who employs dispensing staff for only 75 hours per week, including a pharmacist, would receive the Practice Payment for 5,000 prescriptions items per month, ie based on 2.2, 5,000 x 53.5p = £2,675).
- 2.8 From 1 October 2005, where for any month a pharmacy contractor has not declared dispensing staff levels to the Pricing Authority, the Practice Payment for the relevant month will be paid at the minimum level (ie based on 2.2, 1/5<sup>th</sup> of £250).
- 2.9 Subject to 2.9.1 and 2.9.2, where total monthly payments in relation to prescriptions passed for pricing for the period April to March are less than the amount which would have been paid had the payment been calculated on the basis of the total of the relevant payments set out in the tables in 2.2, 2.3 and 2.4, pharmacy contractors may make a claim for a top up payment to the NHSCB for England and LHB for Wales. They should submit, by 30 November, copies of FP/WP34 statements for the relevant period (April to March) as evidence of the total number of prescription items passed for pricing during this period.
- 2.9.1 Where, in any month, Practice Payments were paid at a lower level because minimum dispensing staff levels were not met, those months shall be disregarded (in terms of both the number of items passed for pricing and the payments received) when calculating the amount of any top up payment which may be payable.
- 2.9.2 Where, in any month, Practice Payments were paid at a lower level because a pharmacy contractor did not declare dispensing staff levels, those months shall be disregarded (in terms of both the number of items passed for pricing and the payments received) when calculating the amount of any top up payment which may be payable, unless the pharmacy contractor can satisfy the NHSCB for England and LHB for Wales that their dispensing staff levels were sufficient in respect of the table in 2.6 for the relevant month.

## PAYMENT FOR ESSENTIAL SERVICES (PHARMACY CONTRACTORS)

### 3. Repeat Dispensing

- 3.1 All pharmacy contractors will receive a repeat dispensing annual payment of £1,500 from 1 April 2005. The payment will be paid monthly calculated as  $1/12^{\text{th}}$  of the annual payment (£125 per month).
- 3.2 Pharmacists undertaking repeat dispensing should undertake appropriate training. Appropriate training for these purposes includes successful completion of the Centre for Pharmacy Postgraduate Education's (CPPE) NHS repeat dispensing 'focal point' programme. For pharmacists in Wales, suitable training would be 'Repeat Dispensing', a programme available from the Welsh Centre for Postgraduate Pharmaceutical Education.

### 4. Electronic Transmission of Prescriptions Allowances

- 4.1 The Electronic Prescription Service will be deployed in phases with two releases (Release 1 and Release 2) of ETP compliant pharmacy systems. Further details of service implementation and deployment can be found at <http://www.hscic.gov.uk>.
- 4.2 In order to be able to use the Electronic Prescription Service pharmacy contractors will need to have:
- An ETP compliant pharmacy system accredited as such by the Health and Social Care Information Centre (either Release 1 or Release 2)
  - Appropriate network connectivity to be able to operate the Electronic Prescription Service
  - Staff operating the service who are registered users and have been issued with smart cards and PIN numbers under the NHSCB's registration authority arrangements.
- 4.3 LPS Contractors that are in a position to operate Release 1 of the Electronic Prescription Service, will need to agree with the NHSCB whether it is appropriate for them to claim up to £2600.
- 4.4 The Release 1 allowances are paid only once, in relation to pharmaceutical services provided at the same premises irrespective of any subsequent merger or sale; or where there has been a relocation, there is no right to claim further Release 1 allowances for the new relocated premises.
- 4.5 An allowance of £1000 will be paid linked to the pharmacy deploying Release 2 of the Electronic Prescription Service. Payment will be automatically triggered, when a pharmacy submits a synthetic reimbursement endorsement message to NHS Prescription Services. This synthetic reimbursement endorsement message must be submitted to NHS Prescription Services by a date yet to be determined of which three months notice will be given, in order for the allowance to be paid.
- 4.6 The Release 2 allowance is paid only once, in relation to pharmaceutical services provided at the same premises irrespective of any subsequent merger or sale; or where there has been a relocation, there is no right to claim further Release 2 allowance for the new relocated premises.
- 4.7 Subject to the conditions in 4.2, a pharmacy contractor who operates Release 1 or Release 2 of the service if an appropriate prescription is presented or requested, shall be entitled to an ETP monthly allowance of £200 per calendar month from the NHSCB for each month that he is able to operate the service.
- 4.8 A contractor must submit an ETP Monthly Allowance Claim Form (previously known as form PPAETP1) to the NHSCB by the end of the first month that he is able to operate the service to receive the monthly allowance for that month and subsequent months. If at a later date the pharmacy contractor becomes unable to operate the Electronic Prescription Service, the contractor must inform the NHSCB in writing immediately so that the NHSCB can determine whether payment of the ETP monthly allowance should be stopped on a permanent basis or suspended for a month (or other period as specified by the NHSCB). When the EPS service is resumed, a completed ETP Monthly Allowance Claim Form will need to be resubmitted.

### 5. IM&T Services and Allowances (Wales)

- 5.1 The NHS Wales Informatics Service (NWIS) sets and delivers the strategic direction and corporate IM&T policy for Community Pharmacy in Wales.

## PAYMENT FOR ESSENTIAL SERVICES (PHARMACY CONTRACTORS)

- 5.2 There are parallel strategic developments within England and Wales in relation to the technical architectures that underpin the 'NHS Care Records Service' (England) and the 'Individual Health Record' (Wales).
- 5.3 However, differences in direction and pace of these respective programmes have meant that Wales, via a national community pharmacy IM&T programme board of representative stakeholders, has determined appropriate and comparable solutions, deliverable through a pragmatic, phased approach.

### Phase 1 - IT Infrastructure and Connectivity Services

- 5.4 In 2005/06, two allocations of £1,300 (ie a total of £2,600) were paid to all pharmacy contractors included, at that time, in a pharmaceutical list maintained by a Local Health Board in Wales. Pharmacy contractors were directed to ensure investment in systems support the Programme's key objectives associated with Phase 1; specifically, that funding must be targeted to ensure any investment in IT is "fit for purpose" and capable of running the latest version of the pharmacy contractors' PMR system. The allocations applied only to pharmacy contractors included, at that time, in a pharmaceutical list maintained by a Local Health Board.
- 5.5 In addition, from 2007, a recurring 'connectivity' payment of £200pcm is made available to all contractors capable of secure/managed access to the NHS Wales network and its connectivity services, such as web eMail and HOWIS (Health of Wales Information Services).
- 5.6 With effect from 30 September 2010 the recurring 'connectivity' payment of £200pcm, include Phase 1 and Phase 2 services

### Phase 2 - Release 1 - 3

- 5.7 Phase 2 is being addressed as three 'Releases', consisting of:

Release Number	Service/System	Available Date	Maximum Deployment Timescale
1	NHS Wales-compliant Email service ( <i>ENAS-Electronic NHS Alerts Service</i> )	1 April 2010	30 September 2010
2	ETP - 2D-Barcoded Prescription service	30 September 2010	30 September 2011
3	Electronic Transmission of Claims service	TBC	TBC

- 5.8 With effect from 30 September 2011 all Pharmacy Contractors are required to be compliant with Phase 2 Releases 1&2.

*Pharmacy contractors will be given at least three months' notice of their pharmacy IT system's capability to access each respective release of Phase 2. The following website shows the current status for each of the accredited systems/suppliers for Wales and status of all the Phase 2 Releases:*

<http://howis.wales.nhs.uk/wmss>.

- 5.9 Pharmacy Contractors **are required to** inform the NHS-Shared Services Partnership-Contractor Services division whenever: 1) they commence connectivity to their individual premises, 2) have a change of system supplier, 3) have a change of accredited connectivity provider. This advice must be submitted using the ETP1 or ETP2 Claim Form, as appropriate.
- 5.10 A pharmacy contractor must submit the appropriately completed ETP Monthly Allowance Claim Form to **NWIS** not later than the last day of the first that the premises can demonstrate that it is able to operate the services in Phase 2 Releases 1&2. This will instigate receipt of the monthly allowance for that month and subsequent months. The monthly recurring payment is subject to the pharmacy premises' ongoing compliance with the specified services and their terms. If at a later date a pharmacy premises becomes unable to comply with the requirements of this part they must as soon as is practicable notify their LHB and NWIS in writing of the date from which the pharmacy ceased to be compliant. The LHB may then determine whether payment of the recurring connectivity payment should be stopped on a permanent basis or suspended for a month (or period specified by the LHB). On resumption of the service, an updated ETP Monthly Allowance Claim Form should be submitted and

**PAYMENT FOR ESSENTIAL SERVICES (PHARMACY CONTRACTORS)**

connectivity and compliance to the services will have to be demonstrated by the pharmacy contractor.

- 5.11 LHBs may monitor and audit pharmacy contractor and individual premises compliance with the services in Phase 2 Releases 1&2. Where NHS Wales audit and monitoring identify a pharmacy premises to be non compliant with the services in Phase 2 Release 1&2, and where that non compliance is within the control of the pharmacy contractor, action may result in the suspension of the recurring connectivity payment and NHS connectivity.
- 5.12 In 2007/08, to support the implementation requirements of Phase 2, an additional one-off payment of £1,000 was paid to all pharmacy contractors included, at that time, in a pharmaceutical list maintained by a Local Health Board in Wales. The allocation applied only to pharmacy contractors included, at that time, in a pharmaceutical list maintained by a Local Health Board.
- 5.13 Failure to place an order for respective Releases of an NHS Wales compliant system or service within three months following the maximum deployment date advised could result in the £1,000 allowance also being reclaimed.

**Further Information**

- 5.14 These allowances and guidelines will be published in Part VIA of the Drug Tariff, the most recent edition of which can be found online at: [http://www.ppa.org.uk/ppa/edt\\_intro.htm](http://www.ppa.org.uk/ppa/edt_intro.htm)
- 5.15 Further supplementary guidance on procedures to support the implementation of forthcoming developments will be provided, as appropriate.

**6. Scheme to engage Community Pharmacy in a proportionate response to the emerging pandemic Influenza infection (Wales only)**

- 6.1 Pharmacy Contractors in Wales who engage in the delivery of arrangements to enable the dispensing of antiviral medication from the national stockpile will receive the fee of £4 per item of this stock dispensed. No other fees or allowances will be payable for or in respect of items dispensed under this scheme.

- 6.2 This applies to stocks of antiviral medication delivered by Local Health Boards (LHBs) to each community pharmacy across Wales in a pandemic situation namely:

**Oseltamivir (Tamiflu) all presentations****Oseltamivir Oral solution (NHS manufactured special) 15mg in 1ml****Zanamivir (Relenza)**

- 6.3 Under the scheme GPs will write WP10 prescriptions for patients as outlined in the Chief Medical Officers letter dated 2 July 2009 and community pharmacists will dispense these prescriptions in accordance with the essential services element of their contract.
- 6.4 The prescriptions for this treatment will be processed in the usual way through the prescription pricing system.
- 6.5 The £4 per item of stock dispensed fee has been agreed in collaboration with Community Pharmacy Wales upon the principle that participation in the scheme should not afford the Pharmacy Contractor any loss of income nor should participation afford an opportunity to profit as a result of assisting in the delivery of services during a pandemic.
- 6.6 Fees and allowances as described above shall only be payable during an influenza pandemic and subject to notification of pharmacy contractors by the Welsh Government.
- 6.7 In situations other than an influenza pandemic, where a pharmacy contractor dispenses antiviral medication in accordance with the conditions described in Part XV/III B, normal remuneration and reimbursement mechanisms shall apply. Pharmacy contractors should not normally dispense antiviral medication from the national stockpile other than in those circumstances described above.
- 6.8 This provision applies to prescriptions dispensed on or after 1 December 2010.

## PAYMENT FOR ESSENTIAL SERVICES (APPLIANCE CONTRACTORS)

### 1. Infrastructure Payments

- 1.1 Appliance contractors who dispense a stated number of prescription items in any month will receive an Infrastructure Payment from 1 April 2010.
- 1.2 Except where paragraph 1.4 applies the level of infrastructure payment will be as follows:
- within the first band, all Appliance Contractors will receive a fixed monthly payment of £150.00; and
  - in the remaining bands, Appliance Contractors will be paid a fee per each Part IXA, Part IXB and Part IXC item dispensed in that month

Band identifier	Number of Part IX prescription items dispensed in one month	Infrastructure payment
A	1 - 10	£150.00 fixed
B	11 - 1,000	£13.60 per item
C	1,001 - 35,000	£2.40 per item
D	35,000 +	£2.30 per item

- 1.3 Infrastructure payment does not have to be claimed but will be paid automatically each month.
- 1.4 Appliance contractors who have been added to the pharmaceutical list following a successful application which was granted after 1 July 2010 on the basis of the exemptions set out in regulation 13 of the NHS (Pharmaceutical Services) Regulations 2005 will not receive any infrastructure payment if they dispense less than 2,240 items in any month. If they dispense 2,240 items or more, they will receive £2.40 per item for items dispensed between 2,240-35,000 and £2.30 per item for items dispensed above 35,000. Similar applications are not possible under the NHS (Pharmaceutical Services) Regulations 2012.

### 2. Electronic Transmission of Prescriptions Allowances

- 2.1 The Electronic Prescription Service will be deployed in phases with two releases (Release 1 and Release 2) of ETP compliant pharmacy systems. Further details of service implementation and deployment can be found at <http://www.hscic.gov.uk>.
- 2.2 In order to be able to use the Electronic Prescription Service Appliance contractors will need to have:
- an ETP compliant dispensing system accredited as such by the Health and Social Care Information Centre (either Release 1 or Release 2)
  - appropriate network connectivity to be able to operate the Electronic Prescription Service (details of connectivity arrangements for appliance contractors will be made available by the Health and Social Care Information Centre)
  - staff operating the service who are registered users and have been issued with smart cards and PIN numbers under the NHSCB's registration authority arrangements.
- 2.3 The release 1 allowance is paid only once, in relation to pharmaceutical services provided at the same premises irrespective of any subsequent merger or sale; or where there has been a relocation, there is no right to claim a further Release 1 allowance for the new relocated premises
- 2.4 A further allowance of £1,000 will be paid linked to the appliance contractor deploying Release 2 of the Electronic Prescription Service. Payment will be automatically triggered, when an appliance contractor submits a synthetic reimbursement endorsement message to NHS Prescription Services. This synthetic reimbursement endorsement message must be submitted to NHS Prescription Services by a date yet to be determined of which three months notice will be given, in order for the allowance to be paid.

## PAYMENT FOR ESSENTIAL SERVICES (APPLIANCE CONTRACTORS)

- 2.5 The Release 2 allowance is paid only once, in relation to pharmaceutical services provided at the same premises irrespective of any subsequent merger or sale; or where there has been a relocation, there is no right to claim further Release 2 allowance for the new relocated premises.
- 2.6 Subject to the conditions in 2.2, an appliance contractor who operates Release 1 or Release 2 of the service if an appropriate prescription is presented or requested, shall be entitled to an ETP monthly allowance of £200 per calendar month from the NHSCB for each month that he is able to operate the service.
- 2.7 A contractor must submit an ETP Monthly Allowance Claim Form (previously known as form PPAETP1) to the NHSCB by the end of the first month that he is able to operate the service to receive the monthly allowance for that month and subsequent months. If at a later date the appliance contractor becomes unable to operate the Electronic Prescription Service, the contractor must inform the NHSCB in writing immediately so that the NHSCB can determine whether payment of the ETP monthly allowance should be stopped on a permanent basis or suspended for a month (or other period as specified by the NHSCB). When the EPS service is resumed, a completed ETP Monthly Allowance Claim Form will need to be resubmitted.
3. **Electronic Transfer of Prescriptions (Wales)**
- 3.1 The Electronic Transfer of Prescription (ETP) service for Wales will be deployed in phases with two separate releases (Release 1, 2D Barcoded Prescriptions and Release 2, Electronic Transmission of Claims) of ETP compliant pharmacy systems. Further details of service implementation and deployment can be found at <http://howis.wales.nhs.uk/wmss>.
- 3.2 In order to be able to use the full Electronic Transfer of Prescription service, Dispensing Appliance Contractors will need to have:
- an ETP compliant dispensing system, accredited as such by the NHS Wales (firstly Release 1 and then Release 2)
  - appropriate NHS Wales accredited network connectivity (details of which will be made available to Dispensing Appliance Contractors by NHS Wales), to be able to operate the full Electronic Transfer of Prescription service (specifically Release 2)
  - designated staff to operate the service who are registered users and have been notified to NHS Wales authorities.
- 3.3 Any Dispensing Appliance Contractors who have dispensed more than 1200 items in the 12 months preceding 1 April 2010 will be paid an allowance of £2,600 in their June 2010 payment. Payment will automatically be triggered and no claim form needs to be submitted. If an Appliance Contractor dispenses less than 1200 items in the 12 months before 1 April 2010 or they open after 1 April 2010, if they are in a position to operate Release 1 of the Electronic Transfer of Prescription service, they may claim the allowance of £2,600 by submitting an ETP3 Claim Form to the NHS Wales Business Services Centre. Claims must be made by 31 March 2011. After this date no further payments will be made in respect of Release 1.
- 3.4 The Release 1 allowance is paid only once, in relation to pharmaceutical services provided at the same premises irrespective of any subsequent merger or sale; or where there has been relocation, there is no right to claim a further Release 1 allowance for the new relocated Premises.
- 3.5 A further allowance of £1,000 will be paid linked to the Dispensing Appliance Contractor deploying Release 2 of the Electronic Transfer of Prescription service. Payment will be automatically triggered, when a Dispensing Appliance Contractor submits a synthetic reimbursement endorsement message to NHS Wales Prescription Services Unit. This synthetic reimbursement endorsement message must be submitted to NHS Wales Prescription Services Unit by a date yet to be determined of which three months' notice will be given, in order for the allowance to be paid.
- 3.6 The Release 2 allowance is paid only once, in relation to pharmaceutical services provided at the same premises irrespective of any subsequent merger or sale; or where there has been a relocation, there is no right to claim further Release 2 allowance for the new relocated premises.

**PAYMENT FOR ESSENTIAL SERVICES (APPLIANCE CONTRACTORS)**

---

- 3.7 Subject to the conditions in 3.2, a Dispensing Appliance Contractor who operates Release 1 or Release 2 of the service if an appropriate prescription is presented, shall be entitled to an ETP monthly allowance of £200 per calendar month from the LHB for each month that he is able to operate the service.
- 3.8 A Dispensing Appliance Contractor must submit an ETP1 Claim Form to the NHS Wales Business Service Centre by the end of the first month that he is able to operate the service to receive the monthly allowance for that month and subsequent months. If at a later date the Dispensing Appliance Contractor becomes unable to operate the Electronic Transfer of Prescription Service, the contractor must inform the LHB in writing immediately so that the LHB can determine whether payment of the ETP monthly allowance should be stopped on a permanent basis or suspended for a month (or other period as specified by the LHB). When the ETP service is resumed, a completed ETP1 Claim Form will need to be resubmitted.

**ADVANCED SERVICES (PHARMACY AND APPLIANCE CONTRACTORS)(ENGLAND)****MEDICINES USE REVIEW, PRESCRIPTION INTERVENTION SERVICE, NEW MEDICINE SERVICE, STOMA CUSTOMISATION, APPLIANCE USE REVIEW AND NATIONAL INFLUENZA ADULT VACCINATION SERVICE****Advanced Services (Pharmacy and Appliance Contractors)(England)**

1. The Medicine Use Review and Prescription Intervention Service (MUR), New Medicine Service (NMS), Stoma Customisation, Appliance Use Review and the National Influenza Adult Vaccination Service form part of the Advanced Services within the community pharmacy contractual framework. Stoma Customisation and Appliance Use Reviews are applicable to appliance contractors as well as pharmacy contractors. The relevant directions are now set out in the Pharmaceutical Services (Advanced and Enhanced Services)(England) Directions 2013, referred to in this Part as 'the principal Directions'.

**Medicine Use Review and Prescription Intervention Service**

2. A fee of £28 per MUR service consultation is payable with effect from 1 October 2011 to all pharmacy contractors meeting the requirements for this service. These are set out in directions 4 and 5 of the principal Directions.
3. Payment will be made up to a maximum of 400 MURs per pharmacy for the period commencing on 1 April and ending on 31 March in any year, with the exception of pharmacies that only start providing MURs after the start of the financial year but who do not notify the NHSCB that they are intending to start providing MURs and provide the NHSCB with the requisite MUR certificates before 1 October, in which case payment will be made to a maximum of 200 MURs per pharmacy.
4. Contractors will be paid monthly via the Pricing Authority. The claim for activity for each month must be made by submitting the appropriate form to the Pricing Authority no later than 5<sup>th</sup> of the following month.

**New Medicine Service****Monthly Fee**

5. A monthly payment will be paid for each completed full service intervention. The fee per intervention will be dependent on the number of interventions achieved for the month and whether any target has been achieved based on the monthly prescription volume of the pharmacy. The amount paid per service intervention starts at £20, but will increase with the volume of interventions subject to a target level being achieved and an overall cap of 0.5% of monthly prescription volume.
6. The payment to be made per service intervention and the number of interventions required per month to reach a target can be found in Table 1 below. If contractors fail to reach the first target level (20%) then all full service interventions provided will be paid at £20 each.
7. Where a target level is reached, all of the full service interventions provided up to that point are paid at the rate corresponding to the target. For example, where a pharmacy with a monthly prescription volume between 3501 to 4500 delivers 10 service interventions in the month (achieving the 40 per cent target rate) all 10 interventions will be reimbursed at the 40 per cent rate of £26 each.

**ADVANCED SERVICES (PHARMACY AND APPLIANCE CONTRACTORS)(ENGLAND)****Table 1**

Volume of prescription items per month	Number of full service interventions per month necessary to achieve each target				Maximum number of full service interventions per month for which payment will be received
	20% target £25 per full service intervention	40% target £26 per full service intervention	60% target £27 per full service intervention	80% target £28 per full service intervention

+1000	(+1)-(+2)	(+2)-(+3)	(+3)-(+4)	(+4)-(+5)	(+5)

8. The claim for activity for each month must be made by submitting the appropriate form to the Pricing Authority no later than 5<sup>th</sup> of the following month.

**Stoma Customisation**

9. In England, from 1 April 2010 a fee of £4.32 is payable for every Part IXC prescription item that can be customised<sup>1</sup>. The fee does not have to be claimed and will be paid automatically to those pharmacy and appliance contractors who in England have informed the NHSBSA of their intention to provide stoma appliance customisation services as an advanced service by the end of the month before they start providing the service.
10. Contractors are however required to meet certain preconditions, set out below in direction 9 of the principal Directions, before the NHSCB is able to enter into arrangements with them to provide the service - and their ongoing entitlement to provide the service is subject to compliance with the conditions that the NHSCB is required to impose on them by virtue of direction 10 of the principal Directions.

**Appliance Use Review**

11. In England, from 1 April 2010 a fee is payable to all pharmacy and appliance contractors meeting the requirements for this service for each Appliance Use Review they have carried out. The requirements they have to meet are also set out below in directions 11 to 13 of the principal Directions. As with the stoma customisation, there are both preconditions that the contractor has to meet before the NHSCB is able to enter into arrangements with them (set out in direction 11 of the principal Directions), and ongoing entitlement to provide the service is subject to compliance with the conditions that the NHSCB is required to impose on them (see directions 12 and 13 of the principal Directions)
12. A Fee of £28 is payable for an Appliance Use Review conducted at premises managed by the pharmacy or appliance contractor. A fee of £54 is payable for a review conducted at the user's home. If, within a 24 hour period, reviews are conducted for several users living at the same location, the appliance or pharmacy contractor may claim £54 for the first review and £28 for each subsequent review.

**ADVANCED SERVICES (PHARMACY AND APPLIANCE CONTRACTORS)(ENGLAND)**

---

13. In England, the total number of Appliance Use Reviews that an appliance or pharmacy contractor may claim fees for will be limited to one for every 35 Part IXA (qualifying items), Part IXB and Part IXC prescription items dispensed for the period commencing on 1 April and ending on 31 March in any one year (see direction 13 of the principal Directions).
14. In England contractors will be paid monthly, via the Pricing Authority on receipt of the appropriate claim form in the relevant month.

**National Influenza Adult Vaccination Service**

15. A fee of £7.64 will be paid for each adult flu vaccination administered by a pharmacy contractor. An additional fee of £1.50 will be paid to cover training and clinical waste costs associated with the vaccination.
16. Pharmacy contractors will be reimbursed the cost of the vaccine in accordance with Part II, Clause 8C (Basic Price) of the Drug Tariff. An allowance at the applicable VAT rate will also be paid.
17. The fees will be payable only to contractors meeting the requirements of the service. These are set out in directions 7A and 7B of the principle Directions and the service specification.
18. Payments will be made monthly, via NHS Prescription Services on receipt of the Community Pharmacy Seasonal Influenza Vaccination claim form. The form must be sent with the FP34C reimbursement and remuneration claim form and received no later than the 5<sup>th</sup> day of the month following that in which the vaccination was administered.

<sup>1</sup>Products that qualify for the stoma customisation fee have been annotated in the Drug Tariff.

### **Revocation and saving**

**3.—(1)** The Pharmaceutical Services (Advanced and Enhanced Services) (England) Directions 2012(a) are revoked.

(2) Notwithstanding the revocation in paragraph (1)—

- (a) the 2012 Directions continue to have effect for the purposes of the resolution, in accordance with paragraph 13 of Schedule 9 to the Pharmaceutical Services Regulations (transitional provisions – service provision issues: NHS chemists), of any matter relating to compliance with the terms of service of NHS chemists included in the 2012 Directions which is outstanding on 1st April 2013; and
- (b) for these purposes, the continuity principles (as defined in paragraph 1(8) of Schedule 9 to the Pharmaceutical Services Regulations (transitional provisions – the continuity principles)) apply to the 2012 Directions as if those Directions were provisions of the National Health Service (Pharmaceutical Services) Regulations 2012(b), as in force on 31st March 2013, for the purposes of paragraph 1 of Schedule 9 to the Pharmaceutical Services Regulations.

## **PART 2**

### **Advanced services: pharmacy contractors only**

#### **MUR services: general matters and pre-conditions for making arrangements**

**4.—(1)** The NHSCB must make arrangements for the provision of medicines use review and prescription intervention services (“MUR services”) with any pharmacy contractor (P) who—

- (a) meets the conditions set out in paragraphs (3) to (5); and
- (b) wishes to enter into such arrangements or is required to do so by virtue of regulation 66 of the Pharmaceutical Services Regulations (conditions relating to providing directed services).

(2) The underlying purpose of MUR services is, with the patient’s agreement, to improve the patient’s knowledge and use of drugs by in particular—

(a) Signed on 20th July 2012.

(b) S.I. 2012/1909. These Regulations, and the amendments to them, were revoked by S.I. 2013/349.

- (a) establishing the patient's actual use, understanding and experience of taking drugs;
- (b) identifying, discussing and assisting in the resolution of poor or ineffective use of drugs by the patient;
- (c) identifying side effects and drug interactions that may affect the patient's compliance with instructions given to them by a health care professional for the taking of drugs; and
- (d) improving clinical and cost effectiveness of drugs prescribed to patients, thereby reducing the wastage of such drugs.

(3) Condition 1 is that P is satisfactorily complying with P's obligations under Schedule 4 to the Pharmaceutical Services Regulations (terms of service of NHS pharmacists) in respect of the provision of essential services and an acceptable system of clinical governance.

(4) Condition 2 is that—

- (a) if P is a registered pharmacist—
  - (i) P has an MUR certificate, or
  - (ii) if P intends to employ or engage a registered pharmacist to perform MUR services, that registered pharmacist has an MUR certificate; or
- (b) if P is not a natural person, any registered pharmacist P intends to employ or engage to perform MUR services has an MUR certificate,

and P has supplied a copy of such certificates to the NHSCB (or supplied them to the relevant Primary Care Trust before 1st April 2013) prior to entering into an arrangement to provide MUR services.

(5) Subject to paragraph (6), condition 3 is that the MUR services are provided at an acceptable location, and for these purposes, "acceptable location" means—

- (a) an area for confidential consultations at P's pharmacy premises, which is—
  - (i) clearly designated as an area for confidential consultations,
  - (ii) distinct from the general public areas of the pharmacy premises, and
  - (iii) an area where both the person receiving MUR services and the registered pharmacist providing those services are able to sit down together and talk at normal speaking volumes without being overheard by any other person (including pharmacy staff),
 except that paragraphs (i) and (ii) shall not apply in circumstances where the pharmacy premises are closed to other members of the public;
- (b) an area for confidential consultations which is not at P's pharmacy premises, which is—
  - (i) clearly designated as an area for confidential consultations,
  - (ii) distinct from the general public areas of the premises in which it is situated, and
  - (iii) an area where both the person receiving MUR services and the registered pharmacist providing those services are able to sit down together and talk at normal speaking volumes without being overheard by any other person,

and the NHSCB (or before 1st April 2013 the relevant Primary Care Trust) has approved the premises where the area is situated as being premises at which MUR services may be provided (and that approval has not been withdrawn); or

- (c) premises to which neither sub-paragraph (a) or (b) applies, but which are—
  - (i) premises as regards which P has obtained the approval of the NHSCB to provide MUR services to a particular patient on a particular occasion, or
  - (ii) premises or a category of premises as regards which P has obtained the approval of the NHSCB (or before 1st April 2013 the relevant Primary Care Trust) (which has not been withdrawn) to provide MUR services to a particular category of patients, in such circumstances and subject to such conditions as the NHSCB (or before 1st April 2013 the relevant Primary Care Trust) may have specified (which the NHSCB may vary without withdrawing its approval).

(6) A registered pharmacist who is, or who is employed or engaged by, P may provide MUR services other than at an acceptable location if that registered pharmacist does so—

- (a) by telephone to a particular patient on a particular occasion; and
  - (b) in circumstances where the telephone conversation cannot be overheard (except by someone whom the patient wants to hear the conversation, for example a carer),
- but only if P has obtained the approval of the NHSCB to do so on that particular occasion.

**MUR services: ongoing conditions of arrangements**

5.—(1) The NHSCB must ensure that arrangements pursuant to direction 4(1) with a pharmacy contractor (P) provide that—

- (a) only a registered pharmacist with an MUR certificate, a copy of which has been supplied to the NHSCB (or before 1st April 2013 the relevant Primary Care Trust), may perform MUR services;
- (b) MUR services are only provided—
  - (i) at an acceptable location within the meaning given in direction 4(5), excepted in the circumstances provided for in direction 4(6), and
  - (ii) at a location for which the NHSCB's approval is required by virtue of direction 4(5)(b) or (c), if the necessary approval has been given by the NHSCB (or, in the case of approvals under direction 4(5)(b) or (c)(ii), before 1st April 2013 by the relevant Primary Care Trust) and has not been withdrawn;
- (c) where MUR services are provided other than at an acceptable location within the meaning given in direction 4(5), they are only provided—
  - (i) by telephone to a particular patient on a particular occasion, and
  - (ii) in circumstances where the telephone conversation cannot be overheard (except by someone whom the patient wants to hear the conversation, for example a carer), with P having obtained the approval of the NHSCB to do so on that particular occasion;
- (d) subject to paragraph (2), no more than 400 MUR services consultations are carried out under the arrangements in any financial year (whether at an acceptable location or by telephone);
- (e) an MUR services consultation which is not triggered by concerns over patient adherence must not be offered to a patient unless the patient has been receiving pharmaceutical services from P at or from the pharmacy premises for a period of at least 3 consecutive months;
- (f) a patient must not have—
  - (i) more than one MUR service consultation in any period of 12 months unless in the reasonable opinion of a registered pharmacist the patient's circumstances have changed sufficiently to justify one or more further consultations during this period, or
  - (ii) an MUR service consultation within 6 months of a consultation as part of a New Medicine Service, unless in the reasonable opinion of a registered pharmacist there are significant potential benefits to the patient which justify providing MUR services to them during this period;
- (g) at least 50% of the MUR services consultations carried out by P at or from pharmacy premises in any financial year are to be carried out with patients who are in one or more of the national target groups set out in Schedule 1;
- (h) P ensures that a written record of each MUR service consultation carried out by or on behalf of P is prepared by the registered pharmacist who carried out the consultation, on the approved form or in the approved manner and including the approved data ("approved" for these purposes means approved by the NHSCB);

**ADVANCED SERVICES (PHARMACY AND APPLIANCE CONTRACTORS)(ENGLAND)**

- (i) where the record mentioned in sub-paragraph (h) has to be on an approved form, P provides a copy of that form to the patient with whom the consultation to which it relates was carried out;
  - (j) P provides information from the record mentioned in sub-paragraph (h) to the NHSCB or the Secretary of State, on request, in the manner approved for this purpose, and for the purposes approved, by the NHSCB;
  - (k) P ensures that where—
    - (i) MUR services are provided to a patient by or on behalf of P, and
    - (ii) a registered pharmacist providing those services is of the opinion that it is appropriate to provide feedback about the consultation to any provider of primary medical services of which that patient is a registered patient,
 

that feedback is provided on the approved form or in the approved manner (“approved” for these purposes means approved by the NHSCB);
  - (l) P keeps a copy of the record mentioned in sub-paragraph (h) for at least two years after the date on which the consultation to which the record relates is carried out;
  - (m) the NHSCB must terminate the arrangements if it is on notice that P is not, or no longer, satisfactorily complying with P’s obligations under Schedule 4 to the Pharmaceutical Services Regulations (terms of service of NHS pharmacists) in respect of the provision of essential services and an acceptable system of clinical governance;
  - (n) MUR services are only to be provided to patients who are being prescribed more than one drug, unless the only drug they are being prescribed is a high risk medicine; and
  - (o) P must obtain from each patient to whom P provides MUR services a signed consent form to receiving those services, which—
    - (i) includes the approved wording as regards consent (“approved” for these purposes means approved by the NHSCB), and
    - (ii) amongst other matters, indicates the patient’s consent to particular information, specified in the form, relating to MUR services provided to the patient being handled in the manner specified in the form (for example, for the purposes of post payment verification),
 

and P must not provide MUR services to a patient unless the patient’s consent to that information being handled in the manner specified has been obtained.
- (2) As regards the first financial year during which any arrangements made with a pharmacy contractor to provide MUR services have effect, paragraph (1)(d) shall apply as if for “400” were substituted “200” if the arrangements only take effect on or after 1st October of that financial year.
- (3) For the purposes of paragraph (2), arrangements with P to provide MUR services at or from a particular location are to be treated as taking effect once P has—
- (a) notified the NHSCB (or before 1st April 2013 the relevant Primary Care Trust) in writing that P intends to start providing the MUR services; and
  - (b) supplied the NHSCB (or before 1st April 2013 the relevant Primary Care Trust) with copies of any MUR certificates that P is required to supply in order to satisfy the condition in direction 4(4).
- (4) For the purposes of paragraph (1)(f)(i), a patient’s circumstances are to be treated as having changed sufficiently to justify one or more further consultations if the patient—
- (a) has been discharged from hospital; and
  - (b) has had changes made to the drugs they are taking while they were in hospital.
- (5) A consultation as part of a New Medicine Service is not to be taken into account for the purposes of paragraph (1)(f)(ii) if since that consultation the patient—
- (a) has been discharged from hospital; and
  - (b) has had changes made to the drugs they are taking while they were in hospital.

(6) A form approved by the NHSCB pursuant to paragraph (1)(h) may be in the form of an electronic record and may be sent or stored electronically (an approved manner may also provide for electronic storage and transmission of the approved data set).

(7) Any approval of the Secretary of State under direction 5(1)(h), (j), (k) or (o)(i) of the 2012 Directions (MUR services: ongoing conditions of arrangements) continues in effect under the corresponding provision of paragraph (1), unless or until the approval is revoked or superseded by an approval of the NHSCB under that corresponding provision.

#### **New Medicine Service: general matters and preconditions for making arrangements**

6.—(1) The NHSCB must make arrangements for the provision of a New Medicine Service with any pharmacy contractor (P) who—

- (a) meets the conditions set out in paragraphs (3) to (9); and
- (b) wishes to enter into such arrangements or is required to do so by virtue of regulation 66 of the Pharmaceutical Services Regulations (conditions relating to providing directed services).

(2) The underlying purpose of a New Medicine Service is to promote the health and well being of patients prescribed with new medicines for long term conditions, in order—

- (a) as regards the long term conditions—
  - (i) to help reduce symptoms and long term complications, and
  - (ii) in particular by intervention post dispensing, to help identification of problems with management of the condition and the need for further information or support; and
- (b) to help the patients—
  - (i) make informed choices about their care,
  - (ii) self-manage their long term conditions,
  - (iii) adhere to agreed treatment programmes, and
  - (iv) make appropriate life style changes.

(3) Condition 1 is that P has notified the NHSCB (or before 1st April 2013 the relevant Primary Care Trust) of P's intention to provide services as part of a New Medicine Service, in the form approved for that purpose by the NHSCB.

(4) Condition 2 is that P is satisfactorily complying with P's obligations under Schedule 4 to the Pharmaceutical Services Regulations (terms of service of NHS pharmacists) in respect of the provision of essential services and an acceptable system of clinical governance.

(5) Condition 3 is that—

- (a) if P is a registered pharmacist—
  - (i) P has an MUR certificate, or
  - (ii) if P intends to employ or engage a registered pharmacist to perform services as part of a New Medicine Service, that registered pharmacist has an MUR certificate; or
- (b) if P is not a natural person, any registered pharmacist P intends to employ or engage to perform services as part of a New Medicine Service has an MUR certificate.

(6) Condition 4 is that—

- (a) if P is a registered pharmacist—
  - (i) P completes in the approved manner the approved form warranting that P is competent to perform services as part of a New Medicine Service, or
  - (ii) if P intends to employ or engage a registered pharmacist to perform services as part of a New Medicine Service, that registered pharmacist completes in the approved manner the approved form warranting that they are competent to perform services as part of a New Medicine Service; or

- (b) if P is not a natural person, any registered pharmacist P intends to employ or engage to perform services as part of a New Medicine Service completes in the approved manner the approved form warranting that they are competent to perform services as part of a New Medicine Service,

and “approved” for these purposes means approved by the NHSCB.

(7) Condition 5 is that P has in place a standard operating procedure, at the pharmacy premises at or from which services as part of a New Medicine Service is to be delivered, for delivery of the service—

- (a) which has been notified to the pharmacy staff;
- (b) which explains the service, eligibility criteria for it and the roles that pharmacy staff may be required to perform as part of it; and
- (c) about which staff have received appropriate training, if there is any role that they may be asked to perform as part of the service.

(8) Condition 6 is that P must have notified providers of primary medical services in their locality of P’s intention to provide services as part of a New Medicine Service.

(9) Subject to paragraph (10), condition 7 is that second and third stage services provided as part of the New Medicine Service are provided at an acceptable location, and for these purposes, “acceptable location” means an area for confidential consultations at P’s pharmacy premises, which is—

- (a) clearly designated as an area for confidential consultations;
- (b) distinct from the general public areas of the pharmacy premises; and
- (c) an area where both the person receiving services as part of the New Medicine Service and the registered pharmacist providing those services are able to sit down together and talk at normal speaking volumes without being overheard by any other person (including pharmacy staff),

except that sub-paragraphs (a) and (b) shall not apply in circumstances where the pharmacy premises are closed to other members of the public.

(10) A registered pharmacist who is, or who is employed or engaged by, P may provide second and third stage services as part of a New Medicine Service other than at the acceptable location at P’s pharmacy premises if that registered pharmacist does so—

- (a) by telephone to a particular patient on a particular occasion;
- (b) with the agreement of that patient, that patient having expressed a preference for that contact to be by telephone on that occasion; and
- (c) in circumstances where—
  - (i) the registered pharmacist is at P’s pharmacy premises, and
  - (ii) the telephone conversation cannot be overheard (except by someone whom the patient wants to hear the conversation, for example a carer).

(11) Any approval of the Secretary of State under direction 6(3) or (6) of the 2012 Directions (New Medicine Service: general matters and preconditions for making arrangements) continues in effect under the corresponding provision of this direction, unless or until the approval is revoked or superseded by an approval of the NHSCB under that corresponding provision.

#### **New Medicine Service: ongoing conditions of arrangements**

7.—(1) The NHSCB must ensure that arrangements pursuant to direction 6(1) with a pharmacy contractor (P) provide that—

- (a) only a registered pharmacist—
  - (i) with an MUR certificate, and
  - (ii) who has completed in the approved manner the approved form warranting that they are competent to perform services as part of a New Medicine Service,

- may perform services as part of a New Medicine Service;
- (b) second and third stage services are only provided as part of a New Medicine Service at an acceptable location at P's pharmacy premises, within the meaning given in direction 6(9), except in the circumstances provided for in direction 6(10);
  - (c) where second and third stage services are provided as part of a New Medicine Service other than at the acceptable location at P's pharmacy premises, they are only provided—
    - (i) by telephone to a particular patient on a particular occasion, and
    - (ii) with the agreement of that patient, that patient having expressed a preference for that contact to be by telephone on that occasion; and
    - (iii) in circumstances where—
      - (aa) the pharmacist is at P's pharmacy premises, and
      - (bb) the telephone conversation cannot be overheard (except by someone whom the patient wants to hear the conversation, for example a carer);
  - (d) P maintains and keeps under review its standard operating procedure, at the pharmacy premises at or from which services as part of a New Medicine Service are to be delivered, for delivery of those services, and—
    - (i) any changes to it are notified to the pharmacy staff,
    - (ii) the procedure explains the service, eligibility criteria for it and the roles that pharmacy staff may be required to perform as part of it, and
    - (iii) staff receive appropriate training about the service, if there is any role they may be asked to perform as part of the service;
  - (e) P only offers to provide first stage services as part of their New Medicine Service (and so only offers to provide any part of the service) to persons who have, for the first time, been prescribed a particular NMS medicine (Schedule 2 lists these drugs) for the medical condition or therapy in relation to which the NMS medicine is listed in Schedule 2, and—
    - (i) the prescription is on a prescription form (within the meaning given in the Pharmaceutical Services Regulations<sup>(a)</sup>) and is presented at the pharmacy premises at or from which the service is to be provided, or
    - (ii) the prescribing occurred while the patient was at a hospital (whether as an inpatient or an outpatient), but—
      - (aa) as part of a course of treatment that is to continue once the patient is no longer at the hospital, and
      - (bb) the patient was referred to P by a health care professional at the hospital who is (partly) responsible for that course of treatment;
  - (f) the first stage services that P provides as part of the New Medicine Service (either with the patient at P's pharmacy premises or, provided that the registered pharmacist is at P's pharmacy premises and to the extent possible, by telephone) must comprise—
    - (i) agreeing with the patient who is being offered the service (whether as a consequence of prescriber referral or of P's own motion)—
      - (aa) when P dispenses the newly prescribed NMS medicine to the patient, or
      - (bb) in a case to which sub-paragraph (e)(ii) applies, when the patient contacts P about the service as a consequence of the referral mentioned in sub-paragraph (e)(ii)(bb),
- a time and location for the second stage intervention services (which may be a split location),

---

(a) See regulation 2(1) of those Regulations.

- (ii) providing the patient with sufficient information about the New Medicine Service (for example, in a leaflet) to enable them to give their informed consent to receiving the service,
  - (iii) obtaining from the patient a signed consent form to receiving services as part of P's New Medicine Service, which—
    - (aa) includes the approved wording as regards consent ("approved" for these purposes means approved by the NHSCB), and
    - (bb) amongst other matters, indicates the patient's consent to particular information, specified in the form, relating to services provided to the patient as part of the New Medicine Service being handled in the manner specified in the form (for example, for the purposes of post payment verification), and
  - (iv) as appropriate, providing the patient with information relevant to the objectives listed in direction 6(2) (where this is not already required under Part 2 of Schedule 4 to the Pharmaceutical Services Regulations (terms of service of NHS pharmacists – essential services);
- (g) P must discontinue providing services to a patient as part of the New Medicine Service if the patient refuses to consent to the information mentioned in sub-paragraph (f)(iii)(bb) being handled in the manner specified in the form mentioned in that sub-paragraph, or if that consent is withdrawn prior to the completion of a full service intervention;
- (h) the second stage services that P provides as part of their New Medicine Service must comprise—
- (i) a discussion with the patient about whether or not they wish to withdraw the consent attested to in the form mentioned in sub-paragraph (f)(iii),
  - (ii) assessment by the registered pharmacist performing the second stage services of the adherence by the patient to their treatment programme for the relevant NMS medicine,
  - (iii) identification of any problems either with the treatment (including any adverse drug reactions) or otherwise in relation to the patient's self-management of their long term condition, and identification of any need of the patient for further information and support in relation to the treatment or the long term condition,
  - (iv) agreement (where possible) between the registered pharmacist and the patient of the next steps, that is—
    - (aa) if the patient is adhering to the treatment programme for the relevant NMS medicine and no problems are identified under paragraph (iii), agreeing with the patient a time and location for third stage services (which may be a split location),
    - (bb) if any problems are identified under paragraph (iii) and it is the clinical judgement of the registered pharmacist that intervention by the patient's general practitioner is warranted, explaining that to the patient, completing the NMS feedback form (which is in a format approved by the NHSCB) and referring the matter to the patient's general practitioner (which amounts to a full service intervention in respect of that patient, unless the second stage services are being provided in respect of more than one medicine and the referral to the general practitioner does not relate to the use of every medicine in respect of which the service is being provided),
    - (cc) if any problems are identified under paragraph (iii) but it is the clinical judgement of the registered pharmacist that intervention by the patient's general practitioner is not warranted (or not warranted in relation to every medicine in respect of which the second stage services are being provided), agreeing with the patient a time and location for third stage services (which may be a split location in the event of an intervention by telephone) and any appropriate remedial steps to be taken prior to that intervention, and

- (v) as appropriate, providing the patient with other information relevant to the objectives listed in direction 6(2) (where this is not already required under Part 2 of Schedule 4 to the Pharmaceutical Services Regulations);
- (i) P must discontinue providing services to a patient as part of the New Medicine Service if, as a consequence of an act or omission of the patient, the patient does not receive the second stage services at the agreed time and P is unable, having made reasonable efforts to do so, to rearrange and provide those second stage services on another occasion;
- (j) the third stage services that P provides as part of their New Medicine Service must comprise—
- (i) assessment by the registered pharmacist performing the third stage services of the adherence by the patient to their treatment programme for the relevant NMS medicine,
  - (ii) identification of any new or continuing problems either with the treatment (including any adverse drug reactions) or otherwise in relation to the patient's self-management of their long term condition, and identification of any need of the patient for further information and support in relation to the treatment or the long term condition,
  - (iii) if any problems are identified under paragraph (ii) and it is the clinical judgement of the registered pharmacist that intervention by the patient's general practitioner is warranted, explaining that to the patient, completing the NMS feedback form (which is in a format approved by the NHSCB) and referring the matter to the patient's general practitioner, and
  - (iv) as appropriate, providing the patient with other information relevant to the objectives listed in direction 6(2) (where this is not already required under Part 2 of Schedule 4 to the Pharmaceutical Services Regulations),
- unless a full service intervention has been completed prior to P being able to make the assessment referred to in paragraph (i);
- (k) the NHSCB must terminate the arrangements if it is on notice that P is not, or no longer, satisfactorily complying with P's obligations under Schedule 4 to the Pharmaceutical Services Regulations in respect of the provision of essential services and an acceptable system of clinical governance;
- (l) P ensures that a written record (which may be an electronic record) of each consultation carried out by or on behalf of P as part of P's New Medicine Service is prepared by the registered pharmacist who carried out the consultation and includes the approved data ("approved" for these purposes means approved by the NHSCB);
- (m) P provides information from those records to the NHSCB or the Secretary of State, on request, in the manner approved for this purpose, and for the purposes approved, by the NHSCB; and
- (n) P keeps a copy of the record mentioned in sub-paragraph (l) for at least 2 years from the date on which the service intervention is completed or discontinued.
- (2) For the purposes of paragraph (1)(g) and (j), a full service intervention has been completed—
- (a) once a patient is referred to their general practitioner as mentioned in paragraph (1)(h)(iv)(bb);
  - (b) following the assessment made under paragraph (1)(j)(i)—
    - (i) if the patient is adhering to the treatment programme for the relevant NMS medicine and no problems are identified under paragraph (1)(j)(ii), once the assessment has been made and (where applicable) any further information has been provided as mentioned in paragraph (1)(j)(iv), or
    - (ii) if problems are identified under paragraph (1)(j)(ii), if—
      - (aa) it is the clinical judgement of the registered pharmacist that intervention by the patient's general practitioner is warranted, once that referral has been made, or

- (bb) it is the clinical judgement of the registered pharmacist that intervention by the patient's general practitioner is not warranted, once any appropriate advice in relation to the new or continuing problems has been given and (where applicable) any further information has been provided as mentioned in paragraph (1)(j)(iv); or
  - (c) if, as a consequence of an act or omission of the patient, the patient does not receive the third stage services at the agreed time and P is unable, having made reasonable efforts to do so, to rearrange and provide those third stage services on another occasion, once those reasonable efforts have been made.
- (3) Any approval of the Secretary of State under direction 7(1)(f)(iii)(aa), (h)(iv)(bb), (j)(iii), (l) or (m) of the 2012 Directions (New Medicine Service: ongoing conditions of arrangements) continues in effect under the corresponding provision of paragraph (1), unless or until the approval is revoked or superseded by an approval of the NHSCB under that corresponding provision.

**Duration of New Medicine Service**

8. Directions 6 and 7 cease to have effect at the end of 30th September 2013.

**PART 3**

## Advanced services: appliances

**Establishing and maintaining stoma appliance customisation services**

- 9.—(1) The NHSCB must make arrangements for the provision of stoma appliance customisation services by any pharmacy contractor (P) or appliance contractor (S)—
- (a) who supplies stoma appliances listed in Part IXC of the Drug Tariff in the normal course of business;
  - (b) who either wishes to enter into the arrangements or is required to do so by virtue of regulation 66 of the Pharmaceutical Services Regulations (conditions relating to providing directed services); and
  - (c) in relation to whom—
    - (i) Conditions 1, 2 and 3 are met, and
    - (ii) if services are to be provided elsewhere than at P's or S's listed chemist premises, Condition 4 is also met.
- (2) The underlying purpose of a stoma appliance customisation service is to—
- (a) ensure the proper use and comfortable fitting of the stoma appliance by a patient; and
  - (b) improve the duration of usage of the appliance, thereby reducing wastage of such appliances.
- (3) Condition 1 is that, before any arrangements are entered into, the NHSCB (or before 1st April 2013 the relevant Primary Care Trust) and the NHS BSA have each been supplied with notice that P or S wishes to provide stoma appliance customisation services.
- (4) Condition 2 is that P or S—
- (a) is satisfactorily complying with P's obligations under Schedule 4 to the Pharmaceutical Services Regulations (terms of services of NHS pharmacists) or S's obligations under Schedule 5 to those Regulations (terms of service of NHS appliance contractors), as the case may be; and
  - (b) has procedures in place to ensure referral of a patient to the prescriber of the appliance in any case where—
    - (i) a customised stoma appliance is not suitable for further customisation, or
    - (ii) a stoma appliance has been customised and is not a proper fit for the patient.

(5) Condition 3 is that stoma appliance customisation services must be provided at an acceptable location and, for these purposes, an “acceptable location” means—

- (a) an area within P’s or S’s listed chemist premises which—
  - (i) is distinct from the general public areas,
  - (ii) at all times when stoma appliance customisation services are being provided, is clearly designated as a private area,
  - (iii) is suitable and designated for the retention of the appropriate equipment for stoma appliance customisation,
  - (iv) is suitable and designated for the carrying out of modification of stoma appliances, and
  - (v) is suitable and designated for the volume of stoma appliances that may be customised at any given time; or
- (b) an area elsewhere than at P’s or S’s listed chemist premises which—
  - (i) is distinct from the general public areas of the premises in which it is situated, and
  - (ii) meets the requirements of paragraph (a)(i) to (v).

(6) Condition 4 is that, in any case where any stoma appliance customisation services are to be provided elsewhere than at P’s or S’s listed chemist premises, procedures must be in place to ensure co-operation with any reasonable inspection or review of the premises by the NHSCB.

#### **Requirements applying to stoma appliance customisation services**

**10.—**(1) This direction has effect in relation to any arrangements with a pharmacy contractor (P) or appliance contractor (S) which are made pursuant to direction 9.

(2) The NHSCB must ensure that the arrangements provide that—

- (a) only appropriately trained and qualified persons are permitted to customise a stoma appliance;
- (b) a record of each stoma customisation must be completed;
- (c) each record must include the information listed in paragraph (3);
- (d) each record must be retained for a minimum period of 12 months or such longer period as the NHSCB may reasonably require;
- (e) a copy of the record must be supplied to the patient or, if requested by the patient, to the prescriber or another health care professional; and
- (f) unless prevented from doing so by illness or other reasonable cause, P or S must give at least 3 months’ notice in writing to both the NHSCB (or if it was before 1st April 2013, the relevant Primary Care Trust) and the NHS BSA in advance of ceasing to provide any stoma appliance customisation services.

(3) Each stoma customisation record must include—

- (a) details of advice given;
- (b) the type of stoma appliance customised;
- (c) dimensions used in respect of the modification of parts of the appliance;
- (d) measurements of the patient (if taken);
- (e) dimensions of any template made or modification of any existing template;
- (f) any referrals made to the prescriber; and
- (g) such other details as may be specified in the arrangements made with P or S.

(4) Stoma customisation records may be in the form of an electronic record and may be stored electronically.

**Establishing and maintaining appliance use review services for specified appliances**

11.—(1) The NHSCB must make arrangements for the provision of appliance use review services (“AUR services”) by any pharmacist (“P”) or supplier of appliances (“S”)—

- (a) who supplies specified appliances in the normal course of business;
- (b) who either wishes to enter into the arrangements or is required to do so by virtue of regulation 66 of the Pharmaceutical Services Regulations (conditions relating to providing directed services); and
- (c) in relation to whom—
  - (i) Conditions 1, 2 and 3 are met, and
  - (ii) if services are to be provided at listed chemist premises, Condition 4 is also met.

(2) The underlying purpose of an AUR service is, with a patient’s agreement, to improve the patient’s knowledge and use of any specified appliance by, in particular—

- (a) establishing the way the patient uses the specified appliance and the patient’s experience of such use;
- (b) identifying, discussing and assisting in the resolution of poor or ineffective use of the specified appliance by the patient;
- (c) advising the patient on the safe and appropriate storage of the specified appliance; and
- (d) advising the patient on the safe and proper disposal of specified appliances that are used or unwanted,

and an AUR service may be provided either when a pharmacist or specialist nurse visits a patient at home or when a patient visits listed chemist premises.

(3) Condition 1 is that, before any arrangements are entered into, the NHSCB (or before 1st April 2013 the relevant Primary Care Trust) and the NHS BSA have each been supplied with—

- (a) notice that P or S wishes to provide AUR services;
- (b) a statement of whether or not P or S proposes to provide any services to patients at home; and
- (c) unless services are to be provided solely during visits to a patient at home, a statement of each location (which must be listed chemist premises) at which services are to be provided.

(4) Condition 2 is that, before any arrangements are entered into, the NHSCB (or before 1st April 2013 the relevant Primary Care Trust) has also been supplied with the following information in relation to each pharmacist or specialist nurse who, as part of the AUR services to be provided by P or S, is to review the use of specified appliances—

- (a) full name;
- (b) documentary evidence of qualifications; and
- (c) details as to competency in respect of the use of specified appliances.

(5) Condition 3 is that P or S—

- (a) is satisfactorily complying with P’s obligations under Schedule 4 to the Pharmaceutical Services Regulations (terms of service of NHS pharmacists) or S’s obligations under Schedule 5 to those Regulations (terms of service of NHS appliance contractors), as the case may be; and
- (b) has procedures in place to ensure referral of a patient to the prescriber of the appliance in any case where a matter relating to a patient’s use of a specified appliance arises in the course of an AUR service but falls outside the scope of the service.

(6) Condition 4 is that, where any AUR services are to be provided at listed chemist premises, there is a consultation area at the premises which—

- (a) is distinct from the general public areas;

- (b) at all times when a pharmacist or specialist nurse is reviewing the use of specified appliances, is clearly designated as an area for confidential consultation;
- (c) allows all persons taking part in the review to sit down together and talk at normal speaking volumes without being overheard by other visitors to, or staff at, the premises; and
- (d) having regard to the nature of specified appliances and the underlying purpose of AUR services, is suitable for a consultation to determine how a patient uses an appliance and the extent of the patient's knowledge about it.

#### **Requirements applying to appliance use review services**

**12.**—(1) This direction has effect in relation to any arrangements with a pharmacy contractor (P) or supplier of appliances (S) which are made pursuant to direction 11.

(2) The NHSCB must ensure that the arrangements include such provision about—

- (a) the qualifications of persons who review a patient's use of specified appliances;
- (b) the delivery of each AUR service; and
- (c) the administration of AUR services,

as is set out in the following provisions of this direction.

(3) The provision referred to in paragraph (2)(a) is that—

- (a) only a pharmacist or specialist nurse is permitted to review the use of specified appliances; and
- (b) the NHSCB must be sent (unless before 1st April 2013 the relevant Primary Care Trust was sent) the following information in relation to each pharmacist or specialist nurse who, as part of the AUR services provided by P or S, reviews the use of specified appliances—
  - (i) full name,
  - (ii) documentary evidence of education, training or experience in respect of the use of specified appliances, and
  - (iii) details as appropriate of relevant clinical training and practice in respect of the use of specified appliances.

(4) The provision referred to in paragraph (2)(b) is that—

- (a) where reasonably possible, an AUR service must be provided within 2 working days of the day on which a patient requests a review or agrees to one at the suggestion of P or S;
- (b) the pharmacist or specialist nurse who reviews the patient's use of a specified appliance must obtain the patient's prior written consent to receiving the service;
- (c) a record of each service must be completed;
- (d) each record must include—
  - (i) the date of the review of the patient's use of the specified appliance,
  - (ii) the name of the pharmacist or specialist nurse who carried out the review,
  - (iii) the name of the patient and the address at which the review took place,
  - (iv) the name of any other person present (and their relationship with the patient),
  - (v) the reason why a review is required,
  - (vi) the advice given to the patient, and
  - (vii) any intervention made; and
- (e) the patient must be informed in writing that the record will be kept and that information from it will be forwarded in accordance with paragraphs (5)(a) to (d); and

- (f) a patient must not be refused delivery of an AUR service by reason solely of the patient's location if P or S would, in the normal course of business, dispense the related specified appliance to that location.
- (5) The provision referred to in paragraph (2)(c) is that—
- (a) a copy of each record of an AUR service must be provided by the pharmacist or specialist nurse to P or S;
  - (b) if the patient is a registered patient, the information referred to in paragraph (4)(d)(i), (ii) and (iii) must be forwarded to any provider of primary medical services with which the patient is a registered patient;
  - (c) if the patient is a registered patient and the pharmacist or specialist nurse considers it necessary for the provider of primary medical services with which the patient is registered to be aware of other information from the record, all such information must be forwarded to that provider;
  - (d) any information forwarded to any provider of primary medical services under this paragraph must be copied to any nurse who is—
    - (i) employed or engaged by a provider, under arrangements with a clinical commissioning group, of services as part of the health service, and
    - (ii) providing relevant health care services to the patient, if it is known that there is such a nurse;
  - (e) each record must be retained for a minimum period of 12 months or for such longer period as the NHSCB may reasonably require; and
  - (f) information about the number of AUR services provided in any financial year must be submitted in accordance with any arrangements for payment of which P or S is notified.
- (6) The record of an AUR service may be in the form of an electronic record and may be stored electronically.

#### **Maximum number of appliance use review services eligible for payment**

13. The maximum number of AUR services for which a pharmacy contractor (P) or an appliance contractor (S) is eligible for payment in any financial year is not more than 1/35th of the aggregate number of specified appliances dispensed during that financial year by P or S (as the case may be).

## **PART 4**

### **Enhanced services: pharmacy contractors only**

#### **Enhanced services provided by pharmacy contractors**

14.—(1) The NHSCB is authorised to arrange for the provision of the following additional pharmaceutical services with a pharmacy contractor (P)—

- (a) an Anticoagulant Monitoring Service, the underlying purpose of which is for P to test the patient's blood clotting time, review the results and adjust (or recommend adjustment to) the anticoagulant dose accordingly;
- (b) a Care Home Service, the underlying purpose of which is for P to provide advice and support to residents and staff in a care home relating to—
  - (i) the proper and effective ordering of drugs and appliances for the benefit of residents in the care home,
  - (ii) the clinical and cost effective use of drugs,
  - (iii) the proper and effective administration of drugs and appliances in the care home,
  - (iv) the safe and appropriate storage and handling of drugs and appliances, and

**ADVANCED SERVICES (PHARMACY AND APPLIANCE CONTRACTORS)(ENGLAND)**

- (d) a Gluten Free Food Supply Service, the underlying purpose of which is for P to supply gluten free foods to patients;
- (e) an Independent Prescribing Service, the underlying purpose of which is to provide a framework within which pharmacist independent prescribers may act as such under arrangements to provide additional pharmaceutical services with the NHSCB;
- (f) a Home Delivery Service, the underlying purpose of which is for P to deliver to the patient's home—
  - (i) drugs, and
  - (ii) appliances other than specified appliances;
- (g) a Language Access Service, the underlying purpose of which is for a registered pharmacist to provide, either orally or in writing, advice and support to patients in a language understood by them relating to—
  - (i) drugs which they are using,
  - (ii) their health, and
  - (iii) general health matters relevant to them,and where appropriate referral to another health care professional;
- (h) a Medication Review Service, the underlying purpose of which is for a registered pharmacist—
  - (i) to conduct a review of the drugs used by a patient, including on the basis of information and test results included in the patient's care record held by the provider of primary medical services that holds the registered patient list on which the patient is a registered patient, with the objective of considering the continued appropriateness and effectiveness of the drugs for the patient,
  - (ii) to advise and support the patient regarding their use of drugs, including encouraging the active participation of the patient in decision making relating to their use of drugs, and
  - (iii) where appropriate, to refer the patient to another health care professional;
- (i) a Medicines Assessment and Compliance Support Service, the underlying purpose of which is for P—
  - (i) to assess the knowledge of drugs, the use of drugs by and the compliance with drug regimens of vulnerable patients and patients with special needs, and
  - (ii) to offer advice, support and assistance to vulnerable patients and patients with special needs regarding the use of drugs, with a view to improving their knowledge and use of the drugs, and their compliance with drug regimens;
- (j) a Minor Ailment Scheme, the underlying purpose of which is for P to provide advice and support to eligible patients presenting with a minor ailment, and where appropriate to supply drugs to the patient for the treatment of the minor ailment;
- (k) a Needle and Syringe Exchange Service, the underlying purpose of which is for a registered pharmacist—
  - (i) to provide sterile needles, syringes and associated materials to drug misusers,
  - (ii) to receive from drug misusers used needles, syringes and associated materials, and
  - (iii) to offer advice to drug misusers and where appropriate refer them to another health care professional or a specialist drug treatment centre;

**ADVANCED SERVICES (PHARMACY AND APPLIANCE CONTRACTORS)(ENGLAND)**

---

- (l) an On Demand Availability of Specialist Drugs Service, the underlying purpose of which is for P to ensure that patients or health care professionals have prompt access to specialist drugs;
  - (m) Out of Hours Services, the underlying purpose of which is for P to dispense drugs and appliances in the out of hours period (whether or not for the whole of the out of hours period);
  - (n) a Patient Group Direction Service, the underlying purpose of which is for P to supply or administer prescription only medicines to patients under patient group directions;
  - (o) a Prescriber Support Service, the underlying purpose of which is for P to support health care professionals who prescribe drugs, and in particular to offer advice on—
    - (i) the clinical and cost effective use of drugs,
    - (ii) prescribing policies and guidelines, and
    - (iii) repeat prescribing;
  - (p) a Schools Service, the underlying purpose of which is for P to provide advice and support to children and staff in schools relating to—
    - (i) the clinical and cost effective use of drugs in the school,
    - (ii) the proper and effective administration and use of drugs and appliances in the school,
    - (iii) the safe and appropriate storage and handling of drugs and appliances, and
    - (iv) the recording of drugs and appliances ordered, handled, administered, stored or disposed of;
  - (q) a Screening Service, the underlying purpose of which is for a registered pharmacist—
    - (i) to identify patients at risk of developing a specified disease or condition,
    - (ii) to offer advice regarding testing for a specified disease or condition,
    - (iii) to carry out such a test with the patient's consent, and
    - (iv) to offer advice following an test and refer to another health care professional as appropriate;
  - (r) a Stop Smoking Service, the underlying purpose of which is for P—
    - (i) to advise and support patients wishing to give up smoking, and
    - (ii) where appropriate, to supply appropriate drugs and aids;
  - (s) a Supervised Administration Service, the underlying purpose of which is for a registered pharmacist to supervise the administration of prescribed medicines at P's pharmacy premises; and

## SCHEDULE 1

Direction 5(1)(g)

### National Target Groups for MUR services

1. Patients taking a high risk medicine, and for these purposes, “high risk medicine” is a medicine included in the BNF subsections referenced in the table in this paragraph—

<i>BNF reference</i>	<i>BNF subsection descriptor</i>
BNF 10.1.1	NSAIDs
BNF 2.8.2 and 2.8.1	Anticoagulants (including low molecular weight heparin)
BNF 2.9	Antiplatelets
BNF 2.2	Diuretics

2. Patients recently (that is, within the previous 8 weeks) discharged from hospital who had changes made to the drugs they are taking while they were in hospital (it is anticipated that patients in this target group will generally be offered an MUR services consultation within 4 weeks of discharge).

3. Patients prescribed a respiratory drug included in the BNF subsections referenced in the table in this paragraph—

<i>BNF Reference</i>	<i>BNF subsection descriptor</i>
3.1.1	Adrenoceptor agonists
3.1.2	Antimuscarinic bronchodilators
3.1.3	Theophylline
3.1.4	Compound bronchodilator preparations
3.2	Corticosteroids
3.3	Cromoglicate and related therapy, leukotriene receptor antagonists and phosphodiesterase type-4 inhibitors

## SCHEDULE 2

Direction 7(1)(e)

### NMS medicines

1. For the purposes of these Directions, an “NMS medicine” is a drug included in the BNF subsections referenced in the tables in this paragraph (which are headed with the conditions or therapies to which they relate)—

#### *Asthma and Chronic Obstructive Pulmonary Disease*

<i>BNF Reference</i>	<i>BNF subsection descriptor</i>
3.1.1	Adrenoceptor agonists
3.1.2	Antimuscarinic bronchodilators

3.1.3	Theophylline
3.1.4	Compound bronchodilator preparations
3.2	Corticosteroids
3.3	Cromogliclate and related therapy, leukotriene receptor antagonists and phosphodiesterase type-4 inhibitors

#### Type 2 Diabetes

<i>BNF Reference</i>	<i>BNF subsection descriptor</i>
6.1.1.1	Short acting insulins (where the community pharmacist can determine that the medicine has been newly prescribed for a patient with Type 2 diabetes)
6.1.1.2	Intermediate and long acting insulins (where the community pharmacist can determine that the medicine has been newly prescribed for a patient with Type 2 diabetes)
6.1.2	Antidiabetic drugs

#### Antiplatelet/Anticoagulant therapy

<i>BNF Reference</i>	<i>BNF subsection descriptor</i>
2.8.2	Oral anticoagulants
2.9	Antiplatelet drugs

#### Hypertension

<i>BNF Reference</i>	<i>BNF subsection descriptor</i>
2.2.1	Thiazides and related diuretics
2.4	Beta-adrenoceptor blocking drugs (where the community pharmacist can determine that the medicine has been newly prescribed for a patient with hypertension)
2.5.1	Vasodilator antihypertensive drugs
2.5.2	Centrally acting antihypertensive drugs
2.5.4	Alpha-adrenoceptor blocking drugs (where the community pharmacist can determine that the medicine has been newly prescribed for a patient with hypertension)
2.5.5	Drugs affecting the renin-angiotensin system (where the community pharmacist can determine that the medicine has been newly prescribed for a patient with hypertension)

## THE NATIONAL HEALTH SERVICE ACT 2006

## The Pharmaceutical Services (Advanced and Enhanced Services) (England) (Amendment) Directions 2015

The Secretary of State gives the following Directions in exercise of the powers conferred by sections 127, 128, 272(7) and (8) and 273(1) of the National Health Service Act 2006(a).

**Citation, commencement, application and interpretation**

1.—(1) These Directions may be cited as the Pharmaceutical Services (Advanced and Enhanced Services) (England) (Amendment) Directions 2015.

(2) These Directions come into force on the day after the day on which they are signed.

(3) These Directions apply in relation to England.

(4) In these Directions, “the 2013 Directions” means the Pharmaceutical Services (Advanced and Enhanced Services) (England) Directions 2013(b).

**Amendment of direction 2 of the 2013 Directions**

2. In direction 2 of the 2013 Directions (interpretation), insert each of the following definitions at the appropriate place in the alphabetical order—

““care home” means a care home within the meaning of the Care Standards Act 2000(c) in respect of which an organisation is registered under Chapter 2 of Part 1 of the Health and Social Care Act 2008(d) (the Care Quality Commission – registration in respect of the provision of health or social care) in respect of a regulated activity (within the meaning of that Part) carried on in the home;”;

“National PGD” means the Patient Group Direction developed by Public Health England in respect of the administration of intramuscular inactivated influenza vaccine for the national immunisation programme for active immunisation against influenza, which has the published expiry date of 31st August 2016(e) (and which may be revised by Public Health England from time to time);”;

“NIAVS” means the National Influenza Adult Vaccination Service, described in direction 7A(2);”;

(a) 2006 c. 41. Section 127 has been amended by the Health and Social Care Act 2012 (c. 7) (“the 2012 Act”), Schedule 4, paragraph 64; and section 128 has been amended by the 2012 Act, Schedule 4, paragraph 65.

(b) Signed on 12th March 2013, and amended by: the Pharmaceutical Services (Advanced and Enhanced Services) (England) (Amendment) Directions 2013, signed on 16th September 2013; the Pharmaceutical Services (Advanced and Enhanced Services) (England) (Amendment) (No. 2) Directions 2013, signed on 6th December 2013, which also revoked the Pharmaceutical Services (Advanced and Enhanced Services) (England) (Amendment) Directions 2013; the Pharmaceutical Services (Advanced and Enhanced Services) (England) (Amendment) Directions 2014, signed on 12th March 2014; and the Pharmaceutical Services (Advanced and Enhanced Services) (England) (Amendment) (No. 2) Directions 2014, signed on 5th December 2014.

(c) 2000 c. 14. See section 3 of that Act, which defines what a care home is for the purposes of that Act.

(d) 2008 c. 14.

(e) Publications gateway reference 04038.

“relevant NHS BSA online gateway” means the service provided for on the NHS BSA website<sup>(a)</sup> which allows pharmacy contractors to submit online the information referred to in directions 7A(3) and 7B(13);” and

“working day” means any day from Monday to Friday except Good Friday, Christmas Day or any day that is specified or proclaimed as a bank holiday in England pursuant to section 1 of the Banking and Financial Dealings Act 1971<sup>(b)</sup> (bank holidays).”.

### **New directions 7A and 7B of the 2013 Directions**

3. In Part 2 of the 2013 Directions (Advanced services: pharmacy contractors only), after direction 7 (New Medicine Service: ongoing conditions of arrangements) insert the following directions—

#### **National Influenza Adult Vaccination Service: general matters and preconditions to making arrangements**

7A.—(1) Until the end of 29th February 2016, the NHSCB must make arrangements for the provision of services as part of the NIAVS with any pharmacy contractor (P) who—

- (a) meets Conditions 1 to 6 set out in this direction; and
- (b) wishes to enter into such arrangements or is required to do so by virtue of regulation 66 of the Pharmaceutical Services Regulations (Conditions relating to providing directed services).

(2) The underlying purpose of the NIAVS is to enable pharmacy contractors to participate in arrangements for the administration of intramuscular inactivated influenza vaccine to patients aged 18 and over, in accordance with the National PGD, as part of the national immunisation programme for active immunisation against influenza.

(3) Condition 1 is that P has notified the NHSCB, via the relevant NHS BSA online gateway, of P’s intention to provide services as part of the NIAVS.

(4) Condition 2 is that P is satisfactorily complying with P’s obligations under Schedule 4 to the Pharmaceutical Services Regulations (Terms of service of NHS pharmacists) in respect of the provision of essential services and an acceptable system of clinical governance.

(5) Condition 3 is that—

- (a) in respect of any registered pharmacist that P intends to employ or engage as part of the NIAVS, an approved form—
  - (i) has been completed, in the approved manner, warranting that the pharmacist is competent to perform services as part of the NIAVS, and
  - (ii) is held (or a copy of it is held) at the pharmacy premises at or from which the services which are part of the NIAVS are to be provided; and
- (b) if P is a registered pharmacist, P completes, in the approved manner, an approved form—
  - (i) warranting that P is competent to perform services as part of the NIAVS, and
  - (ii) which is held (or a copy of it is held) at the pharmacy premises at or from which the services which are part of the NIAVS are to be provided,

and “approved” for these purposes means approved by the NHSCB.

(6) Condition 4 is that P has in place at the pharmacy premises at or from which the services which are part of the NIAVS are to be provided standard operating procedures —

- (a) which have been notified to the pharmacy staff;

<sup>(a)</sup> The website address is [www.nhsbsa.nhs.uk](http://www.nhsbsa.nhs.uk).

<sup>(b)</sup> 1971 c. 80.

- (b) which explain—
    - (i) the services to be provided as part of the NIAVS,
    - (ii) the preconditions for providing the services (in this direction),
    - (iii) the ongoing conditions under which they have to be provided (in direction 7B), and
    - (iv) the roles that pharmacy staff may be required to perform as part of the services;
  - (c) which provide that registered pharmacists who may be required to administer vaccines as part of the service are advised that they should consider being vaccinated against Hepatitis B;
  - (d) which, if vaccines are to be administered at a care home, set out the standard operating procedures in respect of performing that activity away from the pharmacy premises; and
  - (e) about which pharmacy staff have received appropriate training, if there is any role that they may be asked to perform as part of the services.
- (7) Condition 5 is that, if P is intending to administer vaccines at a care home as part of the NIAVS, P must in respect of each occasion on which P intends to do so—
- (a) have notified the general practitioners of the patients to whom P is intending to administer vaccines of P's intention to do so; and
  - (b) obtain the agreement of the NHSCB to P doing so.
- (8) Condition 6 is that P must be able to provide the services which are part of the NIAVS at an acceptable location, and for these purposes "acceptable location" means—
- (a) a room for confidential consultations at P's pharmacy premises which is—
    - (i) clearly designated as a room for confidential consultations,
    - (ii) distinct from the general public areas of the pharmacy premises, and
    - (iii) a room where both the person receiving the services which are part of the NIAVS and the registered pharmacist who is to administer the vaccine are able to sit down together and talk at normal speaking volumes without being overheard by any other person (including pharmacy staff),
 except that paragraphs (ii) and (iii) do not apply in circumstances where the pharmacy premises are closed to other members of the public; or
  - (b) if, with the agreement of the NHSCB, P is to provide services as part of the NIAVS at a care home on a particular occasion, then for the purposes of that particular occasion only, a room—
    - (i) which is at that care home, and
    - (ii) where both the person receiving the services and the registered pharmacist who is to administer the vaccine are able to sit down together and talk at normal speaking volumes without being overheard by any other person, other than a person whose presence the person receiving the service requests or consents to (such as a carer).

#### **National Influenza Adult Vaccination Service: ongoing conditions of arrangements**

**7B.**—(1) The NHSCB must ensure that arrangements pursuant to direction 7A(1) with a pharmacy contractor (P) include terms equivalent to Conditions A to O set out in this direction.

(2) Condition A is that P has in place and keeps under review at the pharmacy premises at or from which services are to be provided standard operating procedures—

- (a) which have been notified to the pharmacy staff (including any changes to the procedures);

- (b) which explain—
- (i) the services to be provided as part of the NIAVS,
  - (ii) the preconditions for providing them (under direction 7A),
  - (iii) the ongoing conditions under which they have to be provided (under this direction), and
  - (iv) the roles that pharmacy staff may be required to perform as part of the services;
- (c) which provide that registered pharmacists who may be required to administer vaccines as part of the service are advised that they should consider being vaccinated against Hepatitis B;
- (d) which, if vaccines are to be administered at a care home, set out the standard operating procedures in respect of performing that activity away from the pharmacy premises; and
- (e) about which pharmacy staff have received appropriate training, if there is any role that they may be asked to perform as part of the services.
- (3) Condition B is that intramuscular inactivated influenza vaccine must only be administered under the arrangements to persons aged 18 and over.
- (4) Condition C is that intramuscular inactivated influenza vaccine must only be administered under the arrangements by an appropriately trained registered pharmacist (notwithstanding that other health care professionals may administer the vaccine under the National PGD), and for these purposes, “appropriately trained” is to be construed in accordance with the “additional requirements” and “continued training requirements” in the National PGD.
- (5) Condition D is that a registered pharmacist administering the intramuscular inactivated influenza vaccine must adhere to the National PGD and, as appropriate, to the standard operating procedures referred to in condition A.
- (6) Condition E is that, in respect of each registered pharmacist who administers vaccines under the arrangements, an approved form—
- (a) has been completed, in the approved manner, warranting that the pharmacist is competent to perform services as part of the NIAVS; and
  - (b) is held (or a copy of it is held) at the pharmacy premises at or from which the services which are part of the NIAVS are to be provided.
- (7) Condition F is that, in respect of each occasion on which P intends to administer vaccines at a care home as part of the NIAVS, P must—
- (a) notify (if P has not already done so under Condition 5 in direction 7A(7)) the general practitioners of the patients to whom P is intending to administer vaccines of P’s intention to do so; and
  - (b) obtain the agreement of the NHSCB to P doing so.
- (8) Condition G is that P must only provide the services which are part of the NIAVS at an acceptable location, and for these purposes, “acceptable location” has the same meaning as in Condition 6 in direction 7A(8).
- (9) Condition H is that P must record the patient’s consent to the administration of the intramuscular inactivated influenza vaccine (which is a requirement of the National PGD) on the consent form approved for this purpose by the NHSCB.
- (10) Condition I is that the NHSCB must terminate the arrangements if it is on notice that P is not, or no longer, satisfactorily complying with P’s obligations under Schedule 4 to the Pharmaceutical Services Regulations (terms of service of NHS pharmacists) in respect of the provision of essential services and an acceptable system of clinical governance.
- (11) Condition J is that P must ensure that the patient’s general practitioner is notified, in the manner approved by the NHSCB (which may include approval of methods of transmission of the information as well as of the form in which the information is to be

transmitted) before the end of the working day after the day on which the patient is vaccinated.

(12) Condition K is that if—

- (a) a patient vaccinated under the arrangements presents with an adverse drug reaction which is or may be linked to that vaccination; and
- (b) a pharmacist who is P or who is employed or engaged by P believes the adverse reaction is of significance,

P or a person employed or engaged by P must ensure that the patient's general practitioner is notified (either as part of the notification in accordance with Condition J or separately).

(13) Condition L is that if P is to terminate the arrangements, P must notify the NHSCB of that via the relevant NHS BSA online gateway.

(14) Condition M is that once P has begun to provide services under the arrangements at P's pharmacy premises, then until P or the NHSCB has terminated the arrangements, P must ensure, in so far as is practicable, that services which are part of the arrangements are available at P's pharmacy premises throughout its core opening hours and supplementary opening hours (as defined in the Pharmaceutical Services Regulations(a)).

(15) Condition N is that each patient vaccinated under the arrangements must be asked to complete a patient questionnaire, approved for this purpose by the NHSCB, and thereafter P must process the information contained in any completed patient questionnaires in the manner requested by the NHSCB.

(16) Condition O is that NHSCB must terminate any arrangements that are entered into or still in force on 29th February 2016 with effect from the end of 29th February 2016.”.

**ADVANCED SERVICES (PHARMACY AND APPLIANCE CONTRACTORS)(WALES)****MEDICINES USE REVIEW, PRESCRIPTION INTERVENTION SERVICE, NEW MEDICINE SERVICE, STOMA CUSTOMISATION AND APPLIANCE USE REVIEW****Advanced Services (Pharmacy Contractors)(Wales)**

1. The Medicine Use Review and Prescription Intervention Service (MUR) form part of the Advanced Services within the community pharmacy contractual framework.

**Medicine Use Review and Prescription Intervention Service**

2. A fee of £28 per MUR is payable with effect from 1 October 2011 to all pharmacy contractors meeting the requirements for this service. These are set out below in the principal Directions to LHBs (as amended by the Amendment Directions of 11 December 2006) in Wales.
3. Payment will be made up to a maximum of 400 MURs per pharmacy for the period commencing on 1 April and ending on 31 March in any year, with the exception of pharmacies who have not made arrangements before 1 October, in which case payment will be made to a maximum of 200 MURs per pharmacy (see Amendment Directions dated 11 December 2006 (Wales) below).
4. Contractors will be paid monthly, via the NHS Wales Shared Services Partnership, on the basis of the number of MURs declared by the pharmacy to the NHS Wales Shared Services Partnership in the relevant month. The pharmacy must submit all declarations of the number of MURs provided through the National Electronic Claim and Audit Form (NECAF) system.
5. All claims relating to MURs provided in the period commencing on 1 April and ending on 31 March of any financial year must be made by 5 May of the following financial year. For example claims relating to the financial year ending 31 March 2015 must be made by 5 May 2015.

**The Discharge Medicines Review Service**

6. A fee of £37 per DMR full service intervention is payable from 1 April 2012 to all pharmacy contractors meeting the requirements to provide the service. A pharmacy contractor will be eligible for payment up to a maximum of 140 DMRs per pharmacy for the period commencing 1 April and ending 31 March of any financial year.
7. Contractors will be paid monthly via the NHS Wales Shared Services Partnership on the basis of the number of completed DMR claims submitted to NHS Wales Shared Services Partnership in the relevant month. From April 2012 both the DMR claim and DMR summary form were replaced by an electronic summary form which is accessed through the NECAF system. All claims must be submitted using the NECAF system.
8. Where a contractor initiates DMR service consultations in any financial year but is not able to complete the full service intervention before 31 March of that financial year they shall be eligible to receive payment provided that they initiate a claim using the NECAF system not later than 5 April of the following financial year. The payment will be made on completion of the DMR full service intervention.

Stoma customisation and Appliance Use Reviews form part of the Advanced Services within the community pharmacy contractual framework and are also applicable to appliance contractors

**Stoma Customisation**

9. In Wales, from 1 April 2010 a fee of £4.32 is payable for every Part IXC prescription item that can be customised<sup>1</sup>. The fee does not have to be claimed and will be paid automatically to those pharmacy and appliance contractors who in Wales have informed their Local Health Board of their intention to provide stoma appliance customisation services as an advanced service by the end of the month before they start providing the service.
10. Contractors are however required to meet certain preconditions, set out below in direction 3 Pharmaceutical Services (Advanced Services) (Appliances) (Wales) Directions 2010, ("the Appliances Directions") before their Local Health Board is able to enter into arrangements with them to provide the service - and their ongoing entitlement to provide the service is subject to compliance with the conditions that Local Health Boards are required to impose on them by virtue of direction 4 of the Appliances Directions.

**Appliance Use Review**

11. In Wales, from 1 April 2010 a fee is payable to all pharmacy and appliance contractors meeting the requirements for this service for each Appliance Use Review they have carried out. The requirements they have to meet are also set out below in the Appliances Directions. As with the stoma customisation, there are both preconditions that the contractor has to meet before the Local Health Board is able to enter into arrangements with them (set out in direction 5 of the Appliances Directions), and ongoing entitlement to provide the service is subject to compliance with the conditions that the Local Health Board is required to impose on them (see direction 6 of the Appliances Directions).
12. A Fee of £28 is payable for an Appliance Use Review conducted at premises managed by the pharmacy or appliance contractor. A fee of £54 is payable for a review conducted at the user's home. If, within a 24 hour period, reviews are conducted for several users living at the same location, the appliance or pharmacy contractor may claim £54 for the first review and £28 for each subsequent review.
13. In Wales, the total number of Appliance Use Reviews that an appliance or pharmacy contractor may claim fees for will be limited to one for every 35 Part IXA (qualifying items), Part IXB and Part IXC prescription items dispensed for the period commencing on 1 April and ending on 31 March in any one year (see direction 7 of the Appliances Directions)
14. In Wales contractors will be paid monthly via the NHS Wales Shared Services Partnership on behalf of LHBs on receipt of the appropriate claim form in the relevant month

<sup>1</sup>Products that qualify for the stoma customisation fee have been annotated in the Drug Tariff.

“MUR certificate” means a statement of satisfactory performance awarded or endorsed by a higher education institute being evidence that a person has satisfactorily completed an assessment relating to the competency framework for chemists providing MUR services approved by the National Assembly for Wales;(3)

“out of hours period” means, in relation to a pharmacy, the days and times at which the pharmacy is not obliged to remain open by virtue of paragraph 21(1) (pharmacy opening hours: general) of Schedule 2 to the Pharmaceutical Services Regulations;

“patient’s care record” means the patient records kept by the person or body who is providing the patient with GMS contract essential services or their equivalent;

“pharmaceutical essential services” has the same meaning as that given to essential services in the Pharmaceutical Services Regulations;

“Pharmaceutical Services Regulations” means the National Health Service (Pharmaceutical Services) Regulations 1992(4);

“chemist” means, except where the context otherwise required—

- (a) a registered pharmacist; or
- (b) a person lawfully conducting a retail pharmacy business in accordance with section 69 (general provisions) of the Medicines Act 1968(5),

whose name is included in the pharmaceutical list of a Local Health Board (including a chemist who is suspended from such a list), but does not include a supplier of appliances only;

“pharmacy” has the meaning given to it in the Pharmaceutical Services Regulations;

“the POM Order” means the Prescription Only Medicines (Human Use) Order 1997(6); and

“supplementary prescriber” has the meaning given to it in the Pharmaceutical Services Regulations.

### **Advanced Services: Medicines Use Review and Prescription Intervention Service**

3.—(1) Each Local Health Board must make arrangements for the provision of medicines use review and prescription intervention services (“MUR services”) for persons within or outside its area with any pharmacist on its pharmaceutical list who—

- (a) meets the conditions set out in paragraphs (3), (4) and (5); and
- (b) wishes to enter into such arrangements.

(2) The underlying purpose of MUR services is, with the patient’s agreement, to improve his or her knowledge and use of drugs by, in particular—

- (a) establishing the patient’s actual use, understanding and experience of taking drugs;
- (b) identifying, discussing and assisting in the resolution of poor or ineffective use of drugs by the patient;

(1) SI 2004/478 (W.48) to which there are no relevant amendments.

(2) 2002 c.17

(3) A copy of the document “Competency Framework for the Assessment of Pharmacists Providing the Medicines Use Review (MUR) and prescription intervention service” dated 19th April 2005 is available on the NHS Wales website – [www.wales.nhs.uk](http://www.wales.nhs.uk)

(4) SI 1992/662; for relevant amendments see SI 2005/1013 (W.67)

**ADVANCED SERVICES (PHARMACY AND APPLIANCE CONTRACTORS)(WALES)**

---

- (c) identifying side effects and drug interactions that may affect the patient's compliance with instructions given to him or her by a health care professional for the taking of drugs; and
  - (d) improving the clinical and cost effectiveness of drugs prescribed to patients thereby reducing the wastage of such drugs.
- (3) The first condition is—
- (a) if the chemist is a registered pharmacist, that he or she has an MUR certificate;
  - (b) if the chemist is a registered pharmacist, but he or she intends to employ or engage a registered pharmacist to provide MUR services, that that registered pharmacist has an MUR certificate;
  - (c) if the chemist is not a natural person, that any registered pharmacist that it intends to employ or engage to provide MUR services has an MUR certificate,

and the chemist has supplied a copy of the relevant certificates to the Local Health Board prior to entering into an arrangement to provide MUR services.

(4) The second condition is that the pharmacy meets the following requirements, namely that it has a consultation area which—

- (a) must be a clearly designated area for confidential consultations which is distinct from the general public areas of the pharmacy; and
- (b) must be an area where both the person receiving MUR services and the registered pharmacist providing MUR services can sit down together and talk at normal speaking volumes without being overheard by other visitors to the pharmacy or by any other person, including pharmacy staff.

(5) Subject to direction 6(2), the third condition is that the chemist is satisfactorily complying with his or her obligation under Schedule 2 to the Pharmaceutical Services Regulations to provide pharmaceutical essential services and has a system of clinical governance that is acceptable.

(6) The Local Health Board must ensure that the arrangements made pursuant to paragraph (1) provide—

- (a) only a registered pharmacist who has an MUR certificate may perform MUR services;
- (b) MUR services that are provided in a pharmacy may only be provided from a consultation area that meets the requirements set out in paragraph (4) unless the pharmacy is closed to other members of the public in which case the consultation may take place in another part of the pharmacy provided that the condition in paragraph (4)(b) is met;
- (c) MUR services may be provided outside the pharmacy or exceptionally by telephone only where the Local Health Board consents;
- (d) no more than 200 MUR services consultations may be carried out in each pharmacy (or outside it in accordance with sub-paragraph (c)) in any one period of twelve months under the arrangements;
- (e) an MUR service consultation must not be offered to a patient unless the patient has been receiving pharmaceutical services from the pharmacy for a period of at least three consecutive months;
- (f) a patient may not have more than one MUR service consultation in any one period of twelve months unless in the reasonable opinion of the registered pharmacist the patient's circumstances have changed sufficiently to justify one or more further consultations during this period;
- (g) where the Local Health Board has notified chemists in its area of the categories of patients who would benefit from the provision of MUR services, the chemist must have regard to the notification in determining to whom to offer a MUR service consultation;

**ADVANCED SERVICES (PHARMACY AND APPLIANCE CONTRACTORS)(WALES)**

- (h) the chemist must ensure that a written record of each MUR service consultation held with a patient is prepared by the registered pharmacist carrying out the consultation on a form approved by the National Assembly for Wales(1);
- (i) the chemist must provide a copy of the record prepared pursuant to sub-paragraph (h) to the patient and to a person with whom the patient is registered for the provision of GMS contract essential services or their equivalent;
- (j) the chemist must keep a copy of the record prepared pursuant to sub-paragraph (h) for such period as the Local Health Board may reasonable require; and
- (k) the arrangements will be terminated where after 1 October 2005 the chemist is not satisfactorily complying with his or her obligation under Schedule 2 to the Pharmaceutical Services Regulations to provide pharmaceutical essential services and to have an acceptable system of clinical governance.

**Enhanced services**

4.—(1) Each Local Health Board is authorised to arrange for the provision of the following additional pharmaceutical services to persons within or outside its area with chemists included in its pharmaceutical list or in the pharmaceutical list of a neighbouring Local Health Board—

- (a) an Anticoagulant Monitoring Service, the underlying purpose of which is for the chemist to test the patient's blood clotting time, review the results and adjust (or recommend an adjustment to) the anticoagulant dose accordingly;
- (b) a Care Home Service, the underlying purpose of which is for the chemist to provide advice and support to residents and staff in a care home relating to—
  - (i) the proper and effective ordering of drugs and appliances for the benefit of residents in the care home,
  - (ii) the clinical and cost effective use of drugs,
  - (iii) the proper and effective administration of drugs and appliances in the care home,
  - (iv) the safe and appropriate storage and handling of drugs and appliances, and
  - (v) the recording of drugs and appliances ordered, handled, administered, stored or disposed of;
- (c) a Disease Specific Management Service, the underlying purpose of which is for the chemist to advise on, support and monitor the treatment of patients with specified conditions, and where appropriate, to refer the patient to another health care professional;
- (d) a Gluten Free Food Supply service, the underlying purpose of which is for the chemist to supply gluten free foods to patients;
- (e) a Home Delivery Service, the underlying purpose of which is for the chemist to deliver drugs and appliances to patients at their home;
- (f) a Language Access Service, the underlying purpose of which is for the chemist to provide, either orally or in writing, advice and support to patients in a language understood by them relation to—
  - (i) drugs which they are using,
  - (ii) their health, and
  - (iii) general health matters relevant to them,
 and where appropriate referral to another health care professional;
- (g) a Medication Review Service, the underlying purpose of which is for the chemist to—
  - (i) conduct a review of the drugs used by a patient on the basis of information and test results included in the patient's care record, with the objective of considering the continued appropriateness and effectiveness of the drugs for the patient,

- (ii) advise and support a patient regarding the use of his or her drugs including encouraging the active participation of the patient in decision making relating to his or her use of drugs, and
- (iii) where appropriate, refer the patient to another health care professional;
- (h) a Medicines Assessment and Compliance Support Service, the underlying purpose of which is for the chemist to—
  - (i) assess the knowledge of, compliance with and use of, drugs by vulnerable patients and patients with special needs, and
  - (ii) offer advice, support and assistance to vulnerable patients and patients with special needs regarding the use of drugs with a view to improving the patient's knowledge of, compliance with and use of, such drugs;
- (i) a Minor Ailment Scheme, the underlying purpose of which is for the chemist to provide advice and support to eligible patients complaining of a minor ailment, and where appropriate, to supply drugs to them for the treatment of the minor ailment;
- (j) a Needle and Syringe Exchange Scheme, the underlying purpose of which is for the chemist to—
  - (i) to provide sterile needles, syringes and associated materials to drug misusers,
  - (ii) receive from drug misusers used needles, syringes and associated materials, and
  - (iii) offer advice to drug misusers and where appropriate referral to another health care professional or a specialist drug treatment centre;
- (k) an On Demand Availability of Specialist Drugs Service, the underlying purpose of which is for the chemist to ensure that patients or health care professionals have prompt access to specialist drugs;
- (l) Out of Hours Services, the underlying purpose of which is for the chemist to dispense drugs and appliances in the out of hours period (whether or not for the whole of the out of hours period);
- (m) a Patient Group Direction Service, the underlying purpose of which is for the chemist to supply a prescription only medicine to a patient under a Patient Group Direction;
- (n) a Prescriber Support Service, the underlying purpose of which is for the chemist to support health care professionals who prescribe drugs, and in particular to offer advice on—
  - (i) the clinical and cost effective use of drugs,
  - (ii) prescribing policies and guidelines, and
  - (iii) repeat prescribing;
- (o) a Schools Service, the underlying purpose of which is for the chemist to provide advice and support to children and staff in schools relating to—
  - (i) the clinical and cost effective use of drugs in the school,
  - (ii) the proper and effective administration and use of drugs and appliances in the school,
  - (iii) the safe and appropriate storage and handling of drugs and appliances, and
  - (iv) the recording of drugs and appliances ordered, handled, administered, stored or disposed of;
- (p) a Screening Service, the underlying purpose of which is for the chemist to—
  - (i) identify patients at risk of developing a specified disease or condition,
  - (ii) offer advice regarding testing for a specified disease or condition,
  - (iii) carry out such a test with the patient's consent, and
  - (iv) offer advice following a test and referral to another health care professional where appropriate;
- (q) a Stop Smoking Service, the underlying purpose of which is for the chemist to—

**ADVANCED SERVICES (PHARMACY AND APPLIANCE CONTRACTORS)(WALES)**

---

- (i) advise and support patients wishing to give up smoking, and
  - (ii) where appropriate, to supply appropriate drugs and aids;
  - (r) a Supervised Administration Service, the underlying purpose of which is for the chemist to supervise the administration of prescribed medicines in the pharmacy; and
  - (s) a Supplementary Prescribing Service, the underlying purpose of which is for the chemist who is a supplementary prescriber to implement with an independent prescriber a clinical management plan for a patient with that patient's agreement.
- (2) The Local Health Board must ensure that the arrangements for the services referred to in paragraph (1) make provision for those services to be provided—
- (a) only by appropriately trained and qualified persons
  - (b) in accordance with relevant national guidelines or standards;
  - (c) from premises that are suitable for the purpose; and
  - (d) using the appropriate or necessary equipment.

## The Pharmaceutical Services (Advanced and Enhanced Services) (Wales) (Amendment) Directions 2008

*Made* - - - - 3<sup>rd</sup> March 2008

*Coming into force* - - 3<sup>rd</sup> March 2008

The Welsh Ministers, in exercise of the powers conferred by sections 12(3), 81 and 203(9) and (10) of the National Health Service (Wales) Act 2006 (1) hereby give the following Directions.

**Title, commencement, application and interpretation**

1.—(1) The title of these Directions is the Pharmaceutical Services (Advanced and Enhanced Services) (Wales) (Amendment) Directions 2008.

(2) These Directions come into force on 3<sup>rd</sup> March 2008.

(3) These Directions are given to Local Health Boards and apply in relation to Wales.

(4) In these Directions “the principal Directions” means the Pharmaceutical Services (Advanced and Enhanced Services) (Wales) Directions 2005(2).

**Amendment of direction 2 of the principal Directions**

2. In direction 2 (interpretation) insert the following definition in the appropriate place in the alphabetical order—

““financial year” means the period of twelve months ending on the 31<sup>st</sup> March in any year;”.

(1) The National Health Service (Wales) Act 2006 (c.42) (“the 2006 Act”) is a consolidation Act which repeals and re-enacts in its entirety the National Health Service Act 1977 (c.49) (“the 1977 Act”) and incorporates some of the provisions from the National Health Service and Community Care Act 1990 (c.19), the Health Act 1999 (c.8), the Health and Social Care Act 2001 (c.15), the National Health Service Reform and Health Care Professions Act 2002 (c.17), the Health and Social Care (Community Health and Standards) Act 2003 (c.43) and the Health Act 2006 (c.8).

Sections 12(3), 81 and 203(9) and (10) of the 2006 Act are respectively equivalent to sections 16BB(4), 41A and 126(4) of the 1977 Act.

The functions of the “Welsh Ministers” in the 2006 Act were transferred to the Welsh Ministers after the end of the “initial period” (as defined by section 161(5) of the Government of Wales Act 2006) in accordance with section 5 of and paragraph 10 of Schedule 3 to the National Health Service (Consequential Provisions) Act 2006 (c.43) and section 162 of and paragraph 30 of Schedule 11 to the Government of Wales Act 2006 (c.32).

(2) Signed on 4<sup>th</sup> May 2005. These Directions were amended by the Pharmaceutical Services (Advanced and Enhanced Services)(Wales) Amendment Directions 2006, signed on 15<sup>th</sup> December 2006.

**Amendment of direction 3 of the principal Directions**

3.—(1) In direction 3 (Advanced Services: Medicines Use Review and Prescription Intervention Service) for sub-paragraph (i) of paragraph 6 substitute the following—

“(i) the pharmacist must provide a copy of the record prepared pursuant to sub-paragraph (h) to the patient;

(i)(a) the pharmacist must provide to a person with whom the patient is registered for the provision of GMS contract essential services or their equivalent—

(i) a copy of the record prepared pursuant to sub-paragraph (h);

(ii) a copy of part of that record; or

(iii) a notification that the patient has received MUR service,

such copy or notification to be provided in the circumstances and in accordance with the time limits set out in Schedule A to these Directions;”.

**Insertion of Schedule A into the principal Directions**

4. Schedule A which is set out in the Schedule to these Directions is inserted into the principal Directions.

**Transitional Provision**

5. Direction 3 does not apply in the case where the record prepared pursuant to direction 3(6)(h) is on the form which was approved by the National Assembly for Wales on 4<sup>th</sup> May 2005 and that form is provided to the patient before 1<sup>st</sup> October 2008.

Signed by Peter Lawler, Acting Director of Community Primary Care and Health Services Policy Directorate, under the authority of the Minister for Health and Social Services, one of the Welsh Ministers

Date: 3 March 2008

## SCHEDULE

Direction 4

## “SCHEDULE A

**Requirements for the provision of MUR service consultation records**

1. Where as a result of the MUR<sup>1</sup> service consultation, a recommendation is to be made to a person with whom the patient is registered for the provision of GMS contract essential services (or their equivalent), the pharmacist must provide to that person within seven days of the MUR consultation a copy of the overview page<sup>2</sup> of the MUR form or, if in the opinion of the pharmacist it is more appropriate to do so, a copy of the whole MUR form.
2. Where as a result of the MUR service consultation, no recommendation is to be made to a person with whom the patient is registered for the provision of GMS contract essential services (or their equivalent), the pharmacist must notify that person within one month of the date of the MUR consultation that the patient has received an MUR consultation. There is no need to send to that person a copy of the overview page or the whole MUR form unless the pharmacist considers that it is appropriate to do so.
3. Where following the MUR service consultation, a person with whom the patient is registered for the provision of GMS contract essential services (or their equivalent) requests a copy of the overview page or complete MUR form, the pharmacist must supply a copy to that person within a reasonable time. This requirement applies even where a recommendation has not been made.

---

<sup>1</sup> “MUR form” is the form that was approved by the National Assembly for Wales on 4<sup>th</sup> May 2005 and which can be used until 30<sup>th</sup> September 2008.

<sup>2</sup> “overview page” is the page of the MUR form marked ‘overview page’.”.

The Pharmaceutical Services (Advanced and Enhanced Services)  
(Wales) (Amendment) Directions 2011

*Made* - - - - 31 October 2011

*Coming into force* - - 1 November 2011

The Welsh Ministers, in exercise of the powers conferred on them by sections 12(3), 81, 82, 203(9) and (10) and 204(1) of the National Health Service (Wales) Act 2006(1), hereby give the following Directions—

**Title, commencement, application and interpretation**

1.—(1) The title of these Directions is the Pharmaceutical Services (Advanced and Enhanced Services) (Wales) (Amendment) Directions 2011.

(2) These Directions come into force on 1 November 2011.

(3) These Directions are given to Local Health Boards and apply in relation to Wales.

(4) In these Directions “the principal Directions” means the Pharmaceutical Services (Advanced and Enhanced Services) (Wales) Directions 2005(2).

**Amendment of Direction 2 of the principal Directions**

2. In Direction 2 (interpretation) of the principal Directions insert the following definitions in the appropriate place in the alphabetical order—

““BNF” means the British National Formulary No.62 published September 2011(3);”,

““high risk medicine” has the meaning given in paragraph 1 and 2 of Schedule B;”, and

““NHS Wales Shared Services Partnership” means the NHS bodies that are the parties to the arrangements made pursuant to the NHS Wales Shared Services Directions 2011(4);”.

**Amendment of Direction 3 of the principal Directions**

3.—(1) Direction 3 (Advanced Services: Medicines Use Review and Prescription Intervention Service) of the principal Directions is amended as follows.

(2) In paragraph (6) after the words “pursuant to paragraph (1) provide” insert the word “that”.

(3) For sub-paragraph (f) of paragraph (6) substitute the following—

(1) 2006 c.42.

(2) The Pharmaceutical Services (Advanced and Enhanced Services) (Wales) Directions 2005 have been amended by the Pharmaceutical Services (Advanced and Enhanced Services) (Wales) (Amendment) Directions 2006 (2006 No.88) and the Pharmaceutical Services (Advanced and Enhanced Services) (Wales) (Amendment) Directions 2008 (2008 No.11).

(3) The British National Formulary is one of the specified publications mentioned in section 103(1) of the Medicines Act 1968 (c.67). The Formulary is available at [www.bnf.org](http://www.bnf.org).

(4) 2011 No.13.

**ADVANCED SERVICES (PHARMACY AND APPLIANCE CONTRACTORS)(WALES)**

- “(f) a patient must not have —
- (i) more than one MUR service consultation in any period of 12 months unless in the reasonable opinion of a registered pharmacist the patient’s circumstances have changed sufficiently to justify one or more further consultations during this period, or
  - (ii) an MUR service consultation within 6 months of a consultation as part of a Discharge Medicines Review Service, unless in the reasonable opinion of a registered pharmacist there are significant potential benefits to the patient which justify providing MUR services to them during this period;”
- (4) In sub-paragraph (j) of paragraph (6) after the semicolon omit the word “and”.
- (5) In sub-paragraph (k) of paragraph (6) for the full stop at the end of the sub-paragraph substitute “; and”.
- (6) After sub-paragraph (k) of paragraph (6) insert the following —
- “(l) subject to paragraph (7), at least 50% of the MUR services consultations carried out by the chemist at or from a pharmacy in any financial year are to be carried out with patients who are in one or more of the national target groups set out in Schedule B;
  - (m) the chemist provides information from the record mentioned in sub-paragraph (h) to the Local Health Board or the NHS Wales Shared Services Partnership on request, in the manner approved for this purpose, and for the purposes approved, by the Welsh Ministers;
  - (n) the chemist keeps a copy of the record mentioned in sub-paragraph (h) for at least two years after the date on which the consultation to which the record relates is carried out;
  - (o) MUR services are only to be provided to patients who are being prescribed more than one drug, unless the only drug they are being prescribed is a high risk medicine; and
  - (p) the chemist must obtain from each patient to whom he or she provides MUR services a signed consent form to receiving those services, which —
    - (i) includes the approved wording as regards consent which indicates that the patient has consented to receive those services (“approved” for these purposes means approved by the Welsh Ministers), and
    - (ii) amongst other matters indicates that the patient has either consented or does not consent to particular information, specified in the form, relating to MUR services provided to the patient being handled in the manner specified in the form (for example, for the purposes of post payment verification), and
 the chemist must not provide MUR services to a patient unless the patient has consented to receive those services in accordance with sub-paragraph (p)(i); and may only handle particular information, specified in the form, in the manner specified in the form where the patient has provided consent in accordance with sub-paragraph (p)(ii).”
- (7) After paragraph (6) insert the following —
- “(7) As regards the financial year ending 31st March 2012, the chemist need only ensure that at least 50% of the MUR services consultations carried out by the chemist at or from the pharmacy on and after 1 December 2011 are carried out with patients who are in one or more of the national target groups set out in Schedule B.”

**Insertion of Direction 5, Direction 6 and Direction 7 into the Principal Directions**

4. After Direction 4 (Enhanced Services) of the Principal Directions insert the following —

**“Advanced Services: Discharge Medicines Review Service general matters and preconditions for making arrangements**

- 5.—(1) Each Local Health Board must make arrangements for the provision of a discharge medicines review service (“DMR service”) for persons within and outside its area with any chemist included in its pharmaceutical list who —
- (a) meets the conditions set out in paragraphs (3) to (9); and
  - (b) wishes to enter into such arrangements.

**ADVANCED SERVICES (PHARMACY AND APPLIANCE CONTRACTORS)(WALES)**

(2) The underlying purpose of the DMR service is, with the patient's agreement, to contribute to a reduction in risk of medication errors and adverse drug events by, in particular —

- (a) increasing the availability of accurate information about a patient's medicines;
- (b) improving communication between healthcare professionals and others involved in the transfer of patient care, and patients and their carers;
- (c) increasing patient involvement in their own care by helping them to develop a better understanding of their medicines; and
- (d) reducing the likelihood of unnecessary or duplicated prescriptions being dispensed thereby reducing wastage of medicines.

(3) The first condition is that the chemist has notified the Local Health Board of his or her intention to provide services as part of the DMR service, in the form(1) approved for that purpose by the Welsh Ministers.

(4) The second condition is that the chemist is satisfactorily complying with his or her obligations under Schedule 2 to the Pharmaceutical Services Regulations(2) in respect of the provision of essential services and an acceptable system of clinical governance.

(5) The third condition is that —

- (a) if the chemist is a registered pharmacist, that he or she has an MUR certificate;
- (b) if the chemist is a registered pharmacist, but he or she intends to employ or engage a registered pharmacist to perform services as part of the DMR service, that registered pharmacist has an MUR certificate; or
- (c) if the chemist is not a natural person, any registered pharmacist he or she intends to employ or engage to perform services as part of the DMR service has an MUR certificate.

(6) The fourth condition is that —

- (a) if the chemist is a registered pharmacist, that he or she completes in the approved manner the approved form warranting that the chemist is competent to perform services as part of the DMR service; or
- (b) if the chemist is a registered pharmacist, but he or she intends to employ or engage a registered pharmacist to perform services as part of the DMR service, that registered pharmacist completes in the approved manner the approved form warranting that they are competent to perform services as part of the DMR service; or
- (c) if the chemist is not a natural person, any registered pharmacist he or she intends to employ or engage to perform services as part of the DMR service completes in the approved manner the approved form warranting that they are competent to perform services as part of the DMR service,

and "approved" for these purposes means approved by the Welsh Ministers.

(7) The fifth condition is that the chemist has in place a standard operating procedure, at the pharmacy at or from which services as part of the DMR service are to be delivered, for delivery of the service —

- (a) which has been notified to the pharmacy staff;
- (b) which explains the service, eligibility criteria for it and the roles that pharmacy staff may be required to perform as part of it; and
- (c) about which staff have received appropriate training, if there is any role that they may be asked to perform as part of the service.

(8) Subject to paragraph (9), the sixth condition is that the services provided as part of the DMR service are provided at an acceptable location, and for these purposes, "acceptable location" means an area for confidential consultations at the chemist's pharmacy, which is —

(1) Advanced services specifications and forms can be accessed at <http://www.wales.nhs.uk/sites3/page.cfm?orgid=498&pid=7551>

(2) "Pharmaceutical Services Regulations" are defined in Direction 2 of the principal Directions as the National Health Service (Pharmaceutical Services) Regulations 1992.

**ADVANCED SERVICES (PHARMACY AND APPLIANCE CONTRACTORS)(WALES)**

- (a) clearly designated as an area for confidential consultations;
- (b) distinct from the general public areas of the pharmacy; and
- (c) an area where both the person receiving services as part of the DMR service and the registered pharmacist providing those services are able to sit down together and talk at normal speaking volumes without being overheard by any other person (including pharmacy staff),

except that sub-paragraphs (a) and (b) shall not apply in circumstances where the pharmacy is closed to other members of the public.

(9) A registered pharmacist who is, or who is employed or engaged by the chemist may provide services as part of the DMR service other than at the acceptable location at the chemist's pharmacy if that registered pharmacist does so —

- (a) by telephone to a particular patient on a particular occasion,
- (b) with the agreement of that patient, that patient having expressed a preference for that contact to be by telephone on that occasion, and
- (c) in circumstances where —
  - (i) the registered pharmacist is at the chemist's pharmacy, and
  - (ii) the telephone conversation cannot be overheard (except by someone whom the patient wants to hear the conversation, for example a carer); or
- (d) in a location other than the chemist's pharmacy only with the consent of the Local Health Board.

**Advanced Services: Discharge Medicines Review Service ongoing conditions of arrangements**

6.—(1) A Local Health Board making arrangements pursuant to direction 5(1) with a chemist must ensure that those arrangements provide that —

- (a) only a registered pharmacist —
  - (i) with an MUR certificate, and
  - (ii) who has completed in the approved manner the approved form warranting that they are competent to perform services as part of the DMR service, may perform services as part of the DMR service;
- (b) the services are only provided as part of the DMR service at an acceptable location at the chemist's pharmacy, within the meaning given in direction 5(8), except in the circumstances provided for in direction 5(9);
- (c) where services are provided as part of the DMR service other than at the acceptable location at the chemist's pharmacy, they are only provided —
  - (i) by telephone to a particular patient on a particular occasion,
  - (ii) with the agreement of that patient, that patient having expressed a preference for that contact to be by telephone on that occasion, and
  - (iii) in circumstances where —
    - (aa) the pharmacist is at the chemist's pharmacy, and
    - (bb) the telephone conversation cannot be overheard (except by someone whom the patient wants to hear the conversation, for example a carer); or
- (iv) in a location other than the chemist's pharmacy only with the consent of the Local Health Board.
- (d) the chemist maintains and keeps under review its standard operating procedure, at the pharmacy at or from which services as part of the DMR service are to be delivered, for delivery of those services, and —
  - (i) any changes to it are notified to the pharmacy staff,
  - (ii) the procedure explains the service, eligibility criteria for it and the roles that pharmacy staff may be required to perform as part of it, and

**ADVANCED SERVICES (PHARMACY AND APPLIANCE CONTRACTORS)(WALES)**

- (iii) staff receive appropriate training about the service, if there is any role they may be asked to perform as part of the service;
- (c) the chemist only offers to provide the service as part of their DMR service to persons who have within the previous 4 weeks been discharged from one care setting to another, and —
  - (i) the pharmacy has received a copy of any advice note, regarding the patient's medicines, issued from the care setting from which the patient has been discharged, and
  - (ii) a change has occurred to the patient's medicines prior to discharge, or
  - (iii) the patient is taking four or more medicines, or
  - (iv) the patient requires a reasonable adjustment to be made to the presentation of their medicines, or
  - (v) the pharmacist has, in their professional opinion, reason to consider that the patient would benefit from the service;
- (f) the part one services that the chemist provides as part of the DMR service must comprise —
  - (i) providing the patient with sufficient information about the DMR service to enable them to give their informed consent to receiving the service,
  - (ii) obtaining from the patient a signed consent form to receiving services, which —
    - (aa) includes the approved wording as regards consent which indicates that the patient has consented to receive those services ("approved" for these purposes means approved by the Welsh Ministers), and
    - (bb) amongst other matters, indicates that the patient has either consented or does not consent to particular information, specified in the form, relating to DMR services provided to the patient being handled in the manner specified in the form (for example, for the purposes of post payment verification), and

the chemist may not provide DMR services to a patient unless the patient has consented to receive those services in accordance with sub-paragraph (f)(ii)(aa); and may only handle particular information, specified in the form, in the manner specified in the form where the patient has provided consent in accordance with sub-paragraph (f)(ii)(bb),
  - (iii) a discussion with the patient about the medicines the patient is taking,
  - (iv) identification, by the registered pharmacist performing the service, of any discrepancies between the medicines the patient is taking and those prescribed at discharge, and
  - (v) agreement (where possible) between the registered pharmacist and the patient of the next steps, that is —
    - (aa) if no discrepancies between the medicines the patient is taking and those prescribed at discharge are agreeing with the patient a time and location for the part two services,
    - (bb) if any discrepancies or problems are identified under paragraph (iv) and it is the clinical judgement of the registered pharmacist that intervention by the patient's general practitioner is warranted, explaining that to the patient, completing the DMR feedback form (which is in a format approved by the Welsh Ministers) and referring the matter to the patient's general practitioner,
    - (cc) if any discrepancies or problems are identified under paragraph (iv) but it is the clinical judgement of the registered pharmacist that intervention by the patient's general practitioner is not warranted, agreeing with the patient a time and location for the part two services and any appropriate remedial steps to be taken prior to that intervention;
- (g) the part two services that the chemist provides as part of their DMR service must comprise —
  - (i) a discussion with the patient about the medicines the patient is taking,
  - (ii) an assessment by the registered pharmacist performing the part two services of the extent to which any discrepancies between the medicines the patient is taking and those prescribed at discharge have been resolved,

- (iii) a service consultation which meets the requirements of Direction 3 (Advanced services: Medicines Use Review and Prescription Intervention Services), and
  - (iv) if any problems are identified under paragraph (ii) and it is the clinical judgement of the registered pharmacist that intervention by the patient's general practitioner is warranted, explaining that to the patient, completing the DMR form (which is in a format approved by the Welsh Ministers) and referring the matter to the patient's general practitioner;
  - (h) the Local Health Board must terminate the arrangements if it is on notice that the chemist is not, or no longer, satisfactorily complying with his or her obligations under Schedule 2 to the Pharmaceutical Services Regulations in respect of the provision of essential services and an acceptable system of clinical governance;
  - (i) the chemist ensures that a written record (which may be an electronic record) of each consultation carried out by or on behalf of the chemist as part of his or her DMR service is prepared by the registered pharmacist who carried out the consultation and includes the approved data ("approved" for these purposes means approved by the Welsh Ministers);
  - (j) the chemist provides information from those records to the Local Health Board, the NHS Wales Shared Services Partnership or the Welsh Ministers, on request, in the manner approved for this purpose, and for the purposes approved, by the Welsh Ministers; and
  - (k) the chemist keeps a copy of the record mentioned in sub-paragraph (i) for at least 2 years from the date on which the service intervention is completed or discontinued.
- (2) For the purposes of paragraph (1)(f) and (g), a full service has been completed —
- (a) once the patient has received the part one and part two services; or
  - (b) if, as a consequence of an act or omission of the patient, the patient does not receive the part two services at the agreed time and the chemist is unable, having made reasonable efforts to do so, to rearrange and provide those part two services on another occasion, once those reasonable efforts have been made.

#### **Duration of Discharge Medicines Review Service**

7. Directions 5 and 6 cease to have effect at the end of 31 March 2013.”.

#### **Insertion of Schedule B into the Principal Directions**

5. Schedule B which is set out in the Schedule to these Directions is inserted into the Principal Directions.

#### **Transitional arrangements**

- 6.—(1) This Direction has effect only in relation to Direction 3 of these Directions.
- (2) The amendments to Direction 3 (Advanced Services: Medicines Use Review and Prescription Intervention Service) of the principal Directions made by these Directions shall not have effect in relation to arrangements for the provision of MUR services at any time before the end of the transitional period by a chemist whose name was, immediately before these Directions came into force, already on a pharmaceutical list maintained by a Local Health Board under the Pharmaceutical Services Regulations provided that —
- (a) the chemist chooses to comply and does comply with the provisions of Direction 3 of the principal Directions as they had effect prior to the amendment by these Directions; and
  - (b) at the end of the transitional period the chemist complies with Direction 3 of the principal Directions as amended by these Directions.
- (3) In this Direction, “transitional period” means the period that begins on the day that these Directions come into force and ends at the end of 1 December 2011.

**THE NATIONAL HEALTH SERVICE  
(WALES) ACT 2006****The Pharmaceutical Services (Advanced  
Services) (Appliances) (Wales) Directions 2010**

The Welsh Ministers, in exercise of the powers conferred by sections 80, 83, 121 and 203(9) and (10) of the National Health Service (Wales) Act 2006(1), hereby give the following Directions—

**Title, commencement and application**

1.—(1) These Directions may be cited as the Pharmaceutical Services (Advanced Services) (Appliances) (Wales) Directions 2010 and come into force on 1st April 2010.

(2) These Directions are given to Local Health Boards in Wales.

**Interpretation**

2. In these Directions—

“the 2005 Directions” (“cyfarwyddiadau 2005”) means the Pharmaceutical Services (Advanced and Enhanced Services) (Wales) Directions 2005(2);

“Drug Tariff” (“Tariff Cyffuriau”) has the meaning given in regulation 2(1) of the Pharmaceutical Services Regulations;

“financial year” (“blwyddyn ariannol”) means a period of 12 months ending with 31 March in any year;

“health care professional” (“gweithiwr gofal iechyd proffesiynol”) means a person who is a member of a profession regulated by a body mentioned in section 25(3) of the National Health Service Reform and Health Care Professions Act 2002(3) (the Council for Healthcare Regulatory Excellence);

---

(1) 2006 c.42.

(2) Signed on 4 May 2005. These Directions were amended by the Pharmaceutical Services (Advanced and Enhanced Services) (Wales) (Amendment) Directions 2006, signed on 15 December 2006 and the Pharmaceutical Services (Advanced and Enhanced Services)(Wales) (Amendment) Directions 2008, made on 3 March 2008.

“pharmaceutical list” (“rhestr fferyllo”) means a list referred to in regulation 4(1)(a) of the Pharmaceutical Services Regulations (preparation of lists);

“Pharmaceutical Services Regulations” (“Rheoliadau Gwasanaethau Fferyllo”) means the National Health Service (Pharmaceutical Services) Regulations 1992(1);

“pharmacist” (“fferyllydd”)—

(a) means—

- (i) a registered pharmacist, or
- (ii) a person lawfully conducting a retail pharmacy business in accordance with section 69 (general provisions) of the Medicines Act 1968(2),

whose name is included in the pharmaceutical list of a Local Health Board (including a pharmacist who is suspended from such a list); but

(b) does not include a supplier of appliances only;

“pharmacy” (“fferyllyfa”) has the meaning given in regulation 2(1) of the Pharmaceutical Services Regulations;

“registered patient” (“claf cofrestredig”) means a patient who is included in a list that is a registered patient list for the purposes of the Primary Medical Services (Sale of Goodwill and Restrictions on Sub-contracting) (Wales) Regulations 2004(3);

“specialist nurse” (“nyrs arbennigol”) means a person who is—

- (a) registered in the Nurses’ Part or Specialist Community Public Health Nurses’ Part of the register maintained by the Nursing and Midwifery Council under article 5 of the Nursing and Midwifery Order 2001(4) (establishment and maintenance of register); and
- (b) employed or engaged by any pharmacist or supplier of appliances for the purposes of conducting a review of a person’s use of specified appliances;

“specified appliance” (“cyfarpar penodedig”) means—

(a) any of the following appliances listed in Part IXA of the Drug Tariff—

- (i) a catheter appliance (including a catheter accessory and maintenance solution),
- (ii) a laryngectomy or tracheostomy appliance,
- (iii) an anal irrigation system,

- 
- (1) 2002 c.17. The Council’s name was changed to the Council for Healthcare Regulatory Excellence by section 113 of the Health and Social Care Act 2008 (c.14).
  - (2) S.I. 1992/662. Relevant amending instruments are S.I. 2007/205 (W.19) and S.I. 2009/1491 (W.144).
  - (3) 1998 c.67. Section 69 was amended by Part 12 of Schedule 1 to the Statute Law Repeals Act 1993 (c.50); by regulation 13 of the European Qualifications (Pharmacy) Regulations (Northern Ireland) 2008 (S.R. 2008/182); and by S.I. 1976/1213 and 2007/289 and 3101.
  - (3) S.I. 2004/1017 (W.114); see regulation 2(2) of those Regulations.
  - (5) S.I. 2002/253.

- (iv) a vacuum pump or constrictor ring for erectile dysfunction, or
  - (v) a wound drainage pouch;
  - (b) an incontinence appliance listed in Part IXB of the Drug Tariff; or
  - (c) a stoma appliance listed in Part IXC of the Drug Tariff;
- “stoma appliance customisation” (“addasu cyfarpar stoma”) means the customisation of a quantity of more than one stoma appliance, where—
- (a) the stoma appliances to be customised are listed in Part IXC of the Drug Tariff;
  - (b) the customisation involves modification to the same specification of multiple identical parts for use with each appliance; and
  - (c) that modification is based on the patient’s measurements or record of those measurements and, if applicable, a template; and
- “supplier of appliances” (“cyflenwr cyfarpar”) means a person with whom a Local Health Board has entered into arrangements for the provision of pharmaceutical services, being arrangements which are incorporated into terms of service as a consequence of regulation 3(c) of the Pharmaceutical Services Regulations.

*Stoma appliance customisation services*

**Establishing and maintaining stoma appliance customisation services**

3.—(1) The underlying purpose of a stoma appliance customisation service is to—

- (a) ensure the proper use and comfortable fitting of the stoma appliance by a patient; and
- (b) improve the duration of usage of the appliance, thereby reducing wastage of such appliances.

(2) Each Local Health Board must make arrangements for the provision of stoma appliance customisation services for persons within or outside its area by any pharmacist (“P”) or supplier of appliances (“S”)—

- (a) who is on the Local Health Board’s pharmaceutical list;
- (b) who supplies stoma appliances listed in Part IXC of the Drug Tariff in the normal course of business;
- (c) who wishes to enter into the arrangements; and
- (d) in relation to whom—
  - (i) Conditions 1, 2 and 3 are met, and
  - (ii) if services are to be provided elsewhere than at P’s pharmacy or S’s premises, Condition 4 is also met.

(3) Condition 1 is that, before any arrangements are entered into, the Local Health Board has been supplied with notice that P or S wishes to provide stoma appliance customisation services.

(4) Condition 2 is that P or S—

- (a) is satisfactorily complying with P's obligations under Schedule 1 to the Pharmaceutical Services Regulations or S's obligations under Schedule 3 to those Regulations (as the case may be);
- (b) has an acceptable system of clinical governance; and
- (c) has procedures in place to ensure referral of a patient to the prescriber of the appliance in any case where—
  - (i) a customised stoma appliance is not suitable for further customisation, or
  - (ii) a stoma appliance has been customised and is not a proper fit for the patient.

(5) Condition 3 is that stoma appliance customisation services must be provided at an acceptable location and, for these purposes, an "acceptable location" ("lleoliad derbynid") means—

- (a) an area within P's pharmacy or S's premises which—
  - (i) is distinct from the general public areas,
  - (ii) at all times when stoma appliance customisation services are being provided, is clearly designated as a private area,
  - (iii) is suitable and designated for the retention of the appropriate equipment for stoma appliance customisation,
  - (iv) is suitable and designated for the carrying out of modification of stoma appliances, and
  - (v) is suitable and designated for the volume of stoma appliances that may be customised at any given time; or
- (b) an area elsewhere than at P's pharmacy or S's premises which—
  - (i) is distinct from the general public areas of the premises in which it is situated, and
  - (ii) meets the requirements of paragraph (a)(ii) to (v).

(6) Condition 4 is that, in any case where any stoma appliance customisation services are to be provided elsewhere than at P's pharmacy or S's premises, procedures must be in place to ensure co-operation with any reasonable inspection or review of the premises by the Local Health Board of the area where the services are provided.

#### **Requirements applying to stoma customisation services**

4.—(1) This direction has effect in relation to any arrangements with a pharmacist ("P") or supplier of appliances ("S") which are made pursuant to direction 3.

(2) The Local Health Board must ensure that the arrangements provide that—

- (a) only appropriately trained and qualified persons are permitted to customise a stoma appliance;
- (b) a record of each stoma customisation must be completed;
- (c) each record must include the information listed in paragraph (3);

- (d) each record must be retained for a minimum period of 12 months or such longer period as the Local Health Board may reasonably require;
  - (e) a copy of the record must be supplied to the patient or, if requested by the patient, to the prescriber or another health care professional; and
  - (f) unless prevented from doing so by illness or other reasonable cause, P or S must give at least 3 months' notice in writing to both the Local Health Board in advance of ceasing to provide any stoma appliance customisation services.
- (3) Each stoma customisation record must include—
- (a) details of advice given;
  - (b) the type of stoma appliance customised;
  - (c) dimensions used in respect of the modification of parts of the appliance;
  - (d) measurements of the patient (if taken);
  - (e) dimensions of any template made or modification of any existing template;
  - (f) any referrals made to the prescriber; and
  - (g) such other details as may be specified in the arrangements made with P or S.
- (4) Stoma customisation records may be in the form of an electronic record and may be stored electronically.

*Appliance use review services for specified appliances*

**Establishing and maintaining appliance use review services for specified appliances**

5.—(1) The underlying purpose of an appliance use review service (“AUR service”) is, with a patient’s agreement, to improve the patient’s knowledge and use of any specified appliance by, in particular—

- (a) establishing the way the patient uses the specified appliance and the patient’s experience of such use;
- (b) identifying, discussing and assisting in the resolution of poor or ineffective use of the specified appliance by the patient;
- (c) advising the patient on the safe and appropriate storage of the specified appliance; and
- (d) advising the patient on the safe and proper disposal of specified appliances that are used or unwanted,

and an AUR service may be provided either when a pharmacist or specialist nurse visits a patient at home or when a patient visits a pharmacy or visits the premises of a supplier of appliances.

(2) Each Local Health Board must make arrangements for the provision of AUR services for persons within or outside its area by any pharmacist (“P”) or supplier of appliances (“S”)—

- (a) who is on the Local Health Board’s pharmaceutical list;

- (b) who supplies specified appliances in the normal course of business;
  - (c) who wishes to enter into the arrangements; and
  - (d) in relation to whom—
    - (i) Conditions 1, 2 and 3 are met, and
    - (ii) if services are to be provided at a pharmacy or at the premises of a supplier of appliances, Condition 4 is also met.
- (3) Condition 1 is that, before any arrangements are entered into, the Local Health Board have each been supplied with—
- (a) notice that P or S wishes to provide AUR services;
  - (b) a statement of whether or not P or S proposes to provide any services to patients at home; and
  - (c) unless services are to be provided solely during visits to a patient at home, a statement of each location at which services are to be provided.
- (4) Condition 2 is that, before any arrangements are entered into, the Local Health Board has also been supplied with the following information in relation to each pharmacist or specialist nurse who, as part of the AUR services to be provided by P or S, is to review the use of specified appliances—
- (a) full name;
  - (b) documentary evidence of qualifications; and
  - (c) details as to competency in respect of the use of specified appliances.
- (5) Condition 3 is that P or S—
- (a) is satisfactorily complying with P's obligations under Schedule 1 to the Pharmaceutical Services Regulations or S's obligations under Schedule 3 to those Regulations (as the case may be);
  - (b) has an acceptable system of clinical governance; and
  - (c) has procedures in place to ensure referral of a patient to the prescriber of the appliance in any case where a matter relating to a patient's use of a specified appliance arises in the course of an AUR service but falls outside the scope of the service.
- (6) Condition 4 is that, where any AUR services are to be provided at a pharmacy or at the premises of a supplier of appliances, there is a consultation area at the pharmacy or premises which—
- (a) is distinct from the general public areas;
  - (b) at all times when a pharmacist or specialist nurse is reviewing the use of specified appliances, is clearly designated as an area for confidential consultation;
  - (c) allows all persons taking part in the review to sit down together and talk at normal speaking volumes without being overheard by other visitors to, or staff at, the pharmacy or the premises; and
  - (d) having regard to the nature of specified appliances and the underlying purpose of AUR services, is suitable for a

consultation to determine how a patient uses an appliance and the extent of the patient's knowledge about it.

#### **Requirements applying to appliance use review services**

6.—(1) This direction has effect in relation to any arrangements with a pharmacist ("P") or supplier of appliances ("S") which are made pursuant to direction 5.

(2) The Local Health Board must ensure that the arrangements include such provision about—

- (a) the qualifications of persons who review a patient's use of specified appliances;
- (b) the delivery of each AUR service; and
- (c) the administration of AUR services,

as is set out in the following provisions of this direction.

(3) The provision referred to in paragraph (2)(a) is that—

- (a) only a pharmacist or specialist nurse is permitted to review the use of specified appliances; and
- (b) the Local Health Board must be sent the following information in relation to each pharmacist or specialist nurse who, as part of the AUR services provided by P or S, reviews the use of specified appliances—
  - (i) full name,
  - (ii) documentary evidence of education, training or experience in respect of the use of specified appliances, and
  - (iii) details as appropriate of relevant clinical training and practice in respect of the use of specified appliances.

(4) The provision referred to in paragraph (2)(b) is that—

- (a) where reasonably possible, an AUR service must be provided within 2 working days of the day on which a patient requests a review or agrees to one at the suggestion of P or S;
- (b) the pharmacist or specialist nurse who reviews the patient's use of a specified appliance must obtain the patient's prior written consent to receiving the service;
- (c) a record of each service must be completed;
- (d) each record must include—
  - (i) the date of the review of the patient's use of the specified appliance,
  - (ii) the name of the pharmacist or specialist nurse who carried out the review,
  - (iii) the name of the patient and the address at which the review took place,
  - (iv) the name of any other person present (and their relationship with the patient),
  - (v) the reason why a review is required,
  - (vi) the advice given to the patient, and

- (vii) any intervention made; and
  - (e) the patient must be informed in writing that the record will be kept and that information from it will be forwarded in accordance with paragraphs (5)(a) to (d).
- (5) The provision referred to in paragraph (2)(c) is that—
- (a) a copy of each record of an AUR service must be forwarded to P or S;
  - (b) if the patient is a registered patient, the information referred to in paragraph (4)(d)(i), (ii) and (iii) must be forwarded to any provider of primary medical services with which the patient is a registered patient;
  - (c) if the patient is a registered patient and the pharmacist or specialist nurse considers it necessary for the provider of primary medical services with which the patient is registered to be aware of other information from the record, all such information must be forwarded to that provider;
  - (d) any information forwarded to any provider of primary medical services under this paragraph must be copied to any nurse employed by a Local Health Board who is practising with the provider and providing relevant primary medical services to the patient, if it is known that there is such a nurse;
  - (e) each record must be retained for a minimum period of 12 months or for such longer period as the Local Health Board may reasonably require; and
  - (f) information about the number of AUR services provided in any financial year must be submitted in accordance with any arrangements for payment of which P or S is notified.
- (6) The record of an AUR service may be in the form of an electronic record and may be stored electronically.

**Maximum number of appliance use review services eligible for payment**

7. The maximum number of AUR services for which a pharmacist (“P”) or a supplier of appliances (“S”) is eligible for payment in any financial year is not more than 1/35th of the aggregate number of specified appliances dispensed during that financial year by P or S (as the case may be).

**Amendment of the 2005 Directions**

8. In the 2005 Directions, for paragraph (1)(e) of direction 4 (enhanced services), substitute—

- “(e) a Home Delivery Service, the underlying purpose of which is for the pharmacist to deliver to the patient’s home—
  - (i) drugs, and
  - (ii) appliances other than specified appliances within the meaning of regulation 2(1) of the Pharmaceutical Services Regulations;”.

**Transitional provision**

9.—(1) Paragraph (2) applies to any arrangements which were made between a Local Health Board and a pharmacist under direction 4(1)(e) of the 2005 Directions and which were in force immediately before 1 April 2010.

(2) In so far as the arrangements relate to home delivery by the pharmacist of any specified appliance, the arrangements may continue in force until—

- (a) the pharmacist enters into arrangements to provide appliance use review services in accordance with directions 5 and 6; or
- (b) if later, 31 December 2010.

## ENHANCED SERVICES (PHARMACY CONTRACTORS)

Directions have been issued to the NHSCB in England and LHBs in Wales authorising them to make arrangements for enhanced services. The directions are reproduced in Part VIC and VID.

For enhanced services, the NHSCB and LHBs are the determining authority for the payment arrangements. The NHSCB can commission enhanced service from any pharmacy in England and LHBs can commission enhanced services from pharmacies within its area or the area of neighbouring LHBs. Determinations to allow for this on an England/Wales basis are detailed below.

### Determination of payments for enhanced services

In accordance with section 164(3)(b) of the National Health Service Act 2006, the NHSCB is appointed as the determining authority for the purposes of making a determination for the fees and allowances for the provision of the enhanced services referred to in direction 14 of the Pharmaceutical Services (Advanced and Enhanced Services)(England) Directions 2013, by pharmacy contractors based in England.

When making a determination of remuneration in respect of an enhanced service, the NHSCB must

- have consulted any Local Pharmaceutical Committee (LPC) for the area in which the service is to be provided.
- allow for the making for any deduction that may or must be made from that remuneration by virtue of any provision of, or made under, the 2006 Act

Where the NHSCB makes a determination of the remuneration payable in respect of an enhanced service, it must publish the determination in such manner as it thinks appropriate for bringing it to the attention of persons included in the relevant pharmaceutical lists.

In Wales, in accordance with Regulation 18(g) of the National Health Service (Pharmaceutical Services) Regulations 1992, each Local Health Board is the determining authority for the purposes of making a determination for the fees and allowances for the provision of the enhanced services referred to in direction 4 of the Pharmaceutical Services (Advanced and Enhanced Services) (Wales) Directions 2005, by pharmacists included in its pharmaceutical list or in the list of a neighbouring Local Health Board.

1. **Arrangements for payment of Community Pharmacy Contractors providing Community Pharmacy National Enhanced Services (Wales only)**
  - 1.1 Pharmacy Contractors in Wales who provide one or more of the Community Pharmacy National Enhanced Services shall receive payment in accordance with the schedule of fees and allowances set out below. No other fees or allowances will be payable in respect of the Community Pharmacy National Enhanced Services.
  - 1.2 This applies to:
 

**Provision of Emergency Hormonal Contraception**  
**Seasonal Influenza Vaccination**
  - 1.3 Pharmacy Contractors shall have the agreement of their Local Health Board before providing any service listed above.
  - 1.4 Pharmacy Contractors shall ensure that services are provided only by pharmacists that meet the nationally determined training and competence framework for the services provided, where applicable.
  - 1.5 Pharmacy Contractors shall ensure that services are provided in accordance with the nationally determined specifications for each service.
  - 1.6 All claims for payment for provision of services must be made using the National Electronic Claim and Audit Form (NECAF) system.

**ENHANCED SERVICES (PHARMACY CONTRACTORS)**

- 1.7 All claims relating to enhanced services provided in the period commencing on 1 April and ending on 31 March of any financial year must be made by 5 May of the following financial year. For example claims relating to the financial year ending 31 March 2015 must be made by 5 May 2015.

Service	Fees and Allowances
Provision of Emergency Hormonal Contraception	£10.78 per consultation Plus Where a supply Emergency Hormonal Contraception is made, reimbursement of the basic price of the drug supplied
Seasonal Influenza Vaccination	£9.37 per vaccination Plus Reimbursement of the manufacturer's list price

**RESCINDED - INTENTIONALLY BLANK**

---

This Part has been rescinded and is intentionally blank.

**BASIC PRICES OF DRUGS****BASIC PRICE OF DRUGS  
COVERED BY PART II CLAUSE 8A**

The price listed in respect of a drug specified in the following list is the basic price (see Part II, Clause 8) on which payment will be calculated pursuant to Part I Clause 5B 1 for the dispensing of that drug

1. All drugs listed in this Part have a pack size and price which has been determined by the Secretary of State for Health as respects England and the Welsh Ministers as respects Wales.
2. Categories A, C and M of the drugs (appearing in Col.4) are as under:

- 2.1 Category A - Drugs which are readily available. Broken Bulk may be claimed for those products whose smallest pack size has a price greater than or equal to £50, if necessary. The prices listed in this Part of the Drug Tariff are indicative of the prices determined by the Secretary of State for Health. The following pack sizes are considered when calculating Category A prices:

- for tablets and capsules, all prescription only medicine pack sizes up to and including 120 unit doses;
- for liquids and some creams (including special containers) up to and including 500ml/500g.

Where a pack size for a product listed in this Part exceeds the quantities stated above, the listed pack size is the only pack size considered when calculating the price. The Secretary of State determines the prices for Category A drugs to be the average of the price calculated for the pack size listed in the Drug Tariff weighted by the following four manufacturers and suppliers; AAH, Alliance Healthcare (Distribution) Ltd, Teva UK and Actavis on or before the 8<sup>th</sup> of the month being reimbursed. In the weighted formula, AAH and Alliance Healthcare (Distribution) Ltd prices have a weighting of 2, the prices from the other suppliers have a weighting of one.

- 2.2 Category C - Drugs which are not readily available as a generic, where the price is based on a particular proprietary product, manufacturer or as the case may be supplier. Endorsement of pack size is required if more than one pack is listed. Broken Bulk may be claimed, if necessary. Where the price of the product is based upon a non-proprietary product the price listed in this Part of the Drug Tariff is indicative of the price determined and in this case the Secretary of State determines the price to be the price listed by the manufacturer or as the case may be supplier on or before the 8<sup>th</sup> of the month being reimbursed.

- 2.3 Category M - Drugs which are readily available. Broken Bulk may be claimed for those products whose smallest pack size has a price greater than or equal to £50, if necessary. The Secretary of State determines the price based on information submitted by eligible suppliers participating in Scheme M. The following pack sizes are considered when calculating Category M prices:

- for tablets and capsules, all prescription only medicine pack sizes up to and including 120 unit doses;
- for liquids and some creams (including special containers) up to and including 500ml/500g.

Where a pack size for a product listed in this Part exceeds the quantities stated above, the listed pack size is the only pack size considered when calculating the price.

3. Recommended International Non-proprietary Names

With effect from 1 December 2003 drugs will be listed in this Part by their recommended International Non-proprietary Name (rINN), with the exception of Adrenaline and Noradrenaline (which will be listed by their BAN). Where such products are ordered by the former BAN, reimbursement will be made whether the manufacturer of those products is using the former BAN or the rINN to name them. Where prices are calculated for Category A products such prices will be included in the calculation whether they are listed by suppliers as a former BAN or as a rINN.

**BASIC PRICES OF DRUGS**

## 4. NHS dictionary of medicines and devices (NHS dm+d)

The drugs listed in this Part will reflect the naming convention used in the NHS dictionary of medicines and devices. Where such products are ordered by another naming convention, reimbursement will be made using the Part VIII dm+d naming convention. Where prices are calculated for Category A products such prices will be included in the calculation whether they are listed by suppliers using the NHS dm+d naming convention or as other naming conventions. Products are displayed as Name, strength, modification (when present), presentation and 'freeness' (when present e.g. sugar free, gluten free).

eg Aciclovir 400mg/5ml oral suspension sugar free.

A salt will only be displayed if more than one clinically significant salt exists in that presentation.

eg Calcium carbonate and Calcium gluconate.

Please note that the NHS dm+d uses the European Directorate for the Quality of Medicines & Healthcare (EDQM) List of Standard Terms e.g. gastro-resistant is used to describe enteric coated.

## 5. Symbols

The following symbols are used in Part VIII A

- Special Container
- Item requiring reconstitution
- § Selected List Scheme (SLS)

## 6. Methylated Spirit

Industrial Methylated Spirit should be supplied or used and payment will be calculated accordingly, where:

6.1 "Methylated Spirit", "Spirit", "Spt. Vini. Meth.", "SVM", "IMS", is ordered alone or as an ingredient of a preparation for external use, or

6.2 A liniment, lotion, etc., in the preparation of which Methylated Spirit is permitted, is ordered and the prescriber has not indicated to the contrary.

## 7. Rectified Spirit

7.1 Where Alcohol (96%), or Rectified Spirit (Ethanol 90%), or any other of the dilute Ethanol is prescribed alone or as an ingredient in a medicament for external application, payment will be made for supply of Industrial Methylated Spirit unless the prescriber has indicated that no alternative may be used.

7.2 Where Alcohol (96%), or Rectified Spirit (Ethanol 90%), or any other of the dilute Ethanol is prescribed as an ingredient of a medicine for internal use, the price of the duty paid to Customs and Excise will be allowed, unless the contractor endorses the prescription form "rebate claimed".

## 8. Purified Water (Exclusive of ordinary potable water)

Payment for Purified Water will be made:

8.1 where it is ordered; or

8.2 where the NHSCB for England and LHB for Wales, after consultation with the Local Medical Committee and Local Pharmaceutical Committee, has decided that the water ordinarily available is unsuitable for dispensing purposes, and has notified the contractor accordingly, the pharmacist should use purified water and will be paid at the Drug Tariff rate, through local arrangements specified in the notice.

9. A "Bulk" prescription is an order for two or more patients, bearing the name of a school or institution in which at least 20 persons normally reside, for the treatment of at least 10 of whom a particular doctor is responsible. Such a prescription must be an order for a drug which is prescribable under the NHS and which is not designated a "Prescription Only Medicine" (POM) under Section 58(1) of the Medicines Act 1968, or for a prescribable dressing which does not contain a product which is designated POM.

## ARRANGEMENTS FOR PAYMENT FOR SPECIALS AND IMPORTED UNLICENSED MEDICINES

The arrangements laid out in this Part cover specials and imported unlicensed medicines (except for those specials and imported medicines listed in Part VIIIA)

### Basic price of certain Specials and Imported unlicensed medicines

The price listed in respect of a drug specified in the following list is the basic price on which payment will be calculated pursuant to Part I Clause 5B 1 for the dispensing of that drug.

Drugs listed in this Part have a minimum quantity and price for that quantity and a price per subsequent ml/g/tab/cap unless in a special container.

The Secretary of State determines the price based on information submitted by manufacturers that hold Specials Manufacturers Licences issued by the Medicine and Healthcare products Regulatory Agency (MHRA).

**Formulations** - The Tariff covers the formulations specified. The following symbols are used in Part VIIIB.

STD Standard formulation including standard flavours

SF Sugar free

AF Alcohol free

CF Colour free

FF Flavour free

LF Lactose free

PF Preservative free

NSF Non standard flavours

■ Special Container

§ Selected List Scheme (SLS)

**Price** - All unlicensed medicines are listed with a minimum quantity and corresponding price, which is payable for any amount prescribed up to the minimum quantity. Unless in a special container, subsequent quantities will be payable at the additional price per ml/g/tab/cap up to the total quantity prescribed.

The price of each product listed in this Part covers the formulations specified and this price will be paid regardless of how the product was sourced.

### Arrangements for payment for all other Specials and Imported unlicensed medicines

Prescriptions for specials not listed in this Part will be paid depending on how the special was sourced. Where the special has been sourced

- From a manufacturer holding a MHRA specials licence, the contractor will be paid the price endorsed on the prescription form. This price should be invoice price **less** any discount or rebate which may be linked to the procurement of this product.
- Under the manufacturing part of the Section 10 exemption from the Medicines Act 1968, the contractor will be paid the cost of the ingredients used to manufacture the special.

Prescriptions for imported unlicensed medicines not listed in this Part will be paid the price endorsed on the prescription form. This price should be invoice price **less** any discount or rebate which may be linked to the procurement of this product.

### Endorsement requirements above Part II Clause 9

It is not necessary to endorse prescription forms for unlicensed medicines listed in this Part other than with the endorsement requirements outlined in Part II Clause 9. For products not listed in this Part, contractors shall endorse the form according to how the unlicensed medicine was sourced.

1. Where the unlicensed medicine is manufactured under a specials licence or sourced under an importers licence issued by the MHRA, the contractor shall endorse the
  - pack size from which the order was supplied
  - invoice price per pack size from which the product was supplied **less** discount/rebates
  - manufacturer's/importer's licence number
  - batch number of the unlicensed medicine.
2. Where the special has been prepared under the manufacturing part of the Section 10 exemption from the Medicines Act 1968, by the contractor or by a third party, the contractor shall endorse the names, quantities and cost of the ingredients used in preparing the special.

---

**ARRANGEMENTS FOR PAYMENT FOR SPECIALS AND IMPORTED UNLICENSED  
MEDICINES**

---

**Further requirements when supplying unlicensed medicines**

Contractors shall

- a Keep the following records for 5 years:
  - The source of the special or imported unlicensed product
  - The person to whom and the date on which the special or imported unlicensed product was sold or supplied
  - The prescriber's details
  - The quantity of each sale or supply
  - The batch number of the special
- b Make available these records for inspection by the Licensing Authority.

For specials not listed in this Part, the contractor or his representative must stamp, date, initial and endorse the Certificate of Analysis (COA)/Certificate of Conformity (COC) with the invoice price less discount and prescriber's details. At the end of each month, the contractor shall send a copy of the appropriately endorsed COA/COC to the NHSCB of the prescriber, allowing the NHSCB to match expenditure to the special supplied.

For imported unlicensed products not listed in this Part, the contractor or his representative shall make every reasonable effort to obtain a Certificate of Analysis (COA)/Certificate of Conformity (COC) for each imported product sourced.

- Where a COA/COC is available, the contractor must stamp, date, initial and endorse the COA/COC with the invoice price less discount and prescribers details.
- Where a COC/COA is not available, the contractor must stamp, date, initial and endorse the invoice with the invoice price less discount (where not clearly detailed by the supplier) and the prescriber's details.

At the end of each month, the contractor shall send a copy of the appropriately endorsed COA/COC/invoice to the NHSCB of the prescriber, allowing the NHSCB to match expenditure to the special supplied.

**APPLIANCES (APPROVED LIST OF APPLIANCES - NOTES)****APPROVED LIST OF APPLIANCES****See Part II, Clause 8A (page 7)**

The price listed in respect of an appliance specified in the following list is the basic price (see Part II, Clause 8) on which payment will be calculated pursuant to Part I, Clause 5B in respect of the dispensing of appliances.

**NOTES**

- 1. Definition** - The appliances that may be supplied against orders on Forms FP10 are listed below and must conform with the specifications shown. See Part 1, Clause 2 (page 3). These specifications include published official standards ie BP, BPC or relevant British, European or International Standards or the Drug Tariff Technical Specification. It should be emphasized that any appliance must conform with the entry in this part of the Tariff as well as the official standard or technical specification quoted therein. Other dressings and appliances which may be necessary will normally be provided through the Hospital Services.
- 2. Sealed Packets** - These are those which are "tamper-evident" - sealed with an easily detachable device that prevents removal of the contents without the seal being broken. Additionally in the case of sterile products: once a sealed package has been opened it should not be possible to re-seal it easily. Where an appliance, other than a bandage, required by the Tariff to be supplied in a sealed packet is ordered of a quantity or weight not listed in the Tariff, the quantity ordered should be made up as nearly as possible with the smallest numbers of sealed packets available for the purpose. Where the quantity ordered is less than the smallest quantity/weight, supply the smallest pack. The quantity of material in each packet supplied should be recorded on the prescription form.
- 3. Quality** - Any medical device placed on the market in the UK has to be CE marked by the manufacturer in accordance with the safety, quality and performance requirements laid down in the EC Medical Devices Directive 93/42/EC and the Medical Devices Regulations 2002 (as amended) which transposes the Directive in to UK law. Manufacturers are required to obtain certification from a third party conformity assessment organisation known as a notified body for all but the lowest risk devices. Notified bodies have been designated as competent to undertake this function by the regulatory authority in the registering member state. In the UK this is the Medicines and Healthcare products Regulatory Agency (MHRA). There are a number of conformity assessment routes that the manufacturers can adopt to demonstrate conformity with the requirements of the Directive but the majority use a quality system approach. More details of the CE marking process can be obtained from the MHRA, 151 Buckingham Palace Road, Victoria, London. SW1W 9SZ or from their website <http://www.mhra.gov.uk/Howweregulate/Devices/index.htm>.
- 4. Weights** - All weights specified in the Tariff in respect of appliances are exclusive of wrappings and packing material.
- 5. Invoice price** - This is the price chargeable for the appliance to the contractor by the manufacturer, wholesaler or supplier.
- 6. Technical Specifications** - Numbered Technical Specifications for the items in Part IXA/B/C were published separately in 1981 in loose leaf volume and a revised list was published in 1983. The Specifications will not be reprinted annually but individual specifications will be introduced, amended and reprinted, or withdrawn, as necessary. A list of Technical Specifications is given on page 201. CE marked Devices have shown that they meet the essential requirements of the Medical Devices Regulations 2002 and there is no further need for them to demonstrate compliance with other specifications, such as those referred to above.
- 7. Nurse Prescribing** - See Part XVIIIB for details of Nurse Prescribing.

## CATHETERS, URINARY, URETHRAL

- Catheter sizes are designated by the Charrière (Ch) gauge system - even numbers only. (The equivalent metric sizes for Charrière gauges 6-30 are 2.0mm-10.0mm, rising in 0.66mm). Where size is not stated by the prescriber, size 14 or 16 should be supplied.
- If a balloon size is not stated by the prescriber when ordering a Foley catheter, a 10ml balloon catheter should be supplied - a 5ml balloon in the case of a paediatric catheter.
- Where the brand is not stated by the prescriber, the basic price of each listed catheter supplied must not exceed:
 

Nélaton (Male)	41
Nélaton (Female)	38
Nélaton (Paediatric)	38
Foley (Male) short/medium term	216
Foley (Female) short/medium term	216
Foley (Paediatric) short/medium term	442
Foley (Male) long term	412
Foley (Female) long term	450
Foley (Paediatric) long term	450

Where the specification of the Foley Catheter is not specified by the prescriber and not endorsed as short/medium or long term the dispenser will be paid no more than the lowest basic price listed which is currently 216p.

- 5-units of plastic catheters, for example, represents on average one month's supply for patients practising intermittent catheterisation.
- For names and addresses of suppliers see pages 452-453*
- The rate of use of single use Nélaton catheters is approximately between 6 and 45 times greater than reusable Nélaton catheters for patients practising intermittent catheterisation.*

All products in this category receive a home delivery fee of 340p unless marked with the symbol ♥. Products marked with this symbol receive a fee of 930p.

All products in this category must be dispensed with a supply of wipes and disposal bags.

## APPLIANCES

### ELASTIC HOSIERY

#### Specially Made Garments

- In cases where stock sizes are not suitable for patients owing to irregular limb dimensions, surgical stockings in the prescribed compression class, to be made to the patient's individual measurements, should be specified.
- All such garments are specially shaped during manufacture and may have a knitted in or open heel and open or knitted in toe.

#### Sizing

All articles must conform to BS 6612:1985 with regard to size designation.

#### Labelling

All articles must state clearly on the packaging that they conform with Drug Tariff Technical Specification No 40. The packaging should also provide clear washing instructions in conformity with handwashing at 40°C as defined in BS 2747 and washing instructions should be durably and clearly marked on each garment. The packaging should clearly define the garments percentage and fibre content.

**INCONTINENCE APPLIANCES**

1. Prescribers and suppliers should note that products not included in the list are not prescribable (See Part 1 Clause 2). Attention is drawn particularly to the information on the average life-in-use of each type of product which, together with the pack size, should enable prescribers to calculate their patients' requirements with reasonable accuracy.
2. Only basic information on each product has been provided and prescribers may on occasions wish to seek further information about certain products eg when assessing a patient for the first time. If so, this is always available from the manufacturers (addresses and telephone numbers are given at the end of the entry). Information may also be sought from community nurses and community pharmacists. Where possible manufacturers'/suppliers' order code numbers have been shown but prescribers should note that the order numbers shown are not necessarily the full codes for the appliances they wish to order. This is particularly true of urinal systems where additional code numbers are usually necessary to denote variations from the basic design and individual sizes.
3. Prescribers are reminded that incontinence pads (including products not necessarily described as such but using the absorption principle), incontinence garments, skin wipes and occlusive devices such as female vaginal devices and male penile clamps are not prescribable under the Drug Tariff provisions.

## INCONTINENCE APPLIANCES

## INCONTINENCE SHEATHS

The incontinence sheaths (also known as penile sheaths and external catheters) listed below, are, except where indicated, of the soft, flexible, latex type. Sheaths are available with and without fixing devices which may be applied externally (around the outside of the sheath) or internally (around the penis between the skin and the sheath). A list of fixing devices and other adhesion products is included in 'Incontinence Sheath Fixing Strips & Adhesives'.

**Note:** Each Sheath may be left in place for 1 to 3 days between changes.

The following symbols are used in this section

- ⊗ Non-adhesive sheath without liner
- Sheath with self-adhesive liner
- ‡ Sheath with separate double-sided adhesive strip
- ≡ Sheath with separate single-sided adhesive strip

## LEG BAGS

The leg bags listed are suitable for collection of urine from indwelling catheters or incontinence sheaths. They are intended for daytime use although the larger bags may have adequate capacity for overnight use by some patients. The bags may be worn in different positions on the leg and the intended position (eg thigh, knee or calf) will determine the length of the inlet tube. The bags are attached to the leg by means of straps (included with each pack) which are generally either latex or foam with velcro fasteners.

**Note:** Plastic leg bags identified in the list with an asterisk\* may on average be used for 5-7 days. With proper care and cleansing rubber leg bags are re-usable for 4-6 months.

**Symbols used in this section**

- S These leg bags are supplied sterile. This does not affect the guidance given in the note at the beginning.  
 \* Plastics  
 W Due to the size and weight of these bags when full, this capacity of bag should be prescribed only for wheelchair-bound patients.

**All products in this category must be dispensed with a supply of wipes and disposal bags.**

## NIGHT DRAINAGE BAGS

These bags are suitable for night-time use for the collection of urine from indwelling catheters or incontinence sheaths. They are generally used in conjunction with a bag hanger which, being a nursing aid, is not prescribable. Supply arrangements for bag hangers tend to vary throughout the country but they are normally supplied through the community nursing service.

**Note:** The drainage bags listed below except non-drainable bags, have a life-in-use of, on average 5-7 days.

**Symbols used in this section**

- # Non-drainable bags
- S These Night Drainage Bags are supplied sterile
- Single Use Only
- \* Plastics

**All products in this category must be dispensed with a supply of wipes and disposal bags.**

**STOMA APPLIANCES****(Colostomy, Ileostomy, Urostomy)**

1. Prescribers and suppliers should note that products not included in the list are not prescribable (See Part I Clause 2).
2. Where the information is available, the "**Reference Capacity**" of a stoma bag will be given. This is intended to give a guide of comparison between different bag sizes, but *should not be taken to indicate actual usable capacity*. "Reference Capacity" shall be measured according to BS 7127:Part 101:1991, Appendix M, with the level of water set at the lower edge of the opening of wafer or flange.
3. Only basic information has been provided and prescribers may on occasions wish to seek further information about certain products eg when assessing a patient for the first time. If so this is always available from the manufacturers (addresses and telephone numbers are given at the end of the entry). Information may also be sought from stoma nurses and community pharmacists.
4. Where the prescriber has not specified the type of appliance or part thereof or accessory, the pharmacy or appliance contractor must endorse the prescription form stating the type supplied and submit the invoice if requested by the NHSBSA, NHS Prescription Services.

**All products in IXC receive a home delivery fee of 340p.**

All products with convexity should only be used after prior assessment of suitability by an appropriate medical professional.

## CHEMICAL REAGENTS

## APPROVED LIST OF CHEMICAL REAGENTS

The only chemical reagents which may be supplied as part of the pharmaceutical services are those listed in Part IXR of the Tariff.

The price listed in respect of a chemical reagent specified in the following list is the basic price on which payment will be calculated pursuant to Part I, Clause 5B for the dispensing of that chemical reagent.

The Notes to Part IX shall also apply to Part IXR when 'chemical reagent(s)' shall be substituted for 'appliance(s)'.

All quantities within this section are those of the manufacturer's original pack and are special containers (see Drug Tariff Part II, Clause 10B)

**1. HOME OXYGEN**

- 1.1. Clinical best practice guidelines advise that oxygen therapy should be provided for patients in the home only after careful evaluation and never on a placebo basis. Oxygen may be supplied depending on the type of therapy required by a patient - for example, short burst (or intermittent) or long term therapy. The British Thoracic Society has issued updated clinical best practice guidelines for the assessment and provision of oxygen therapy. See the BTS website at <http://www.brit-thoracic.org.uk>
- 1.2. Extracts from the guidelines are included below.

**Home Oxygen Service Arrangements from December 2010**

- 1.3. On 3 December 2010, the Department of Health and the Welsh Government appointed five companies to the National Framework Agreement (NFA) for the delivery of an integrated (cylinder, concentrator, liquid) and standardised home oxygen service in England and Wales. Appointment to the NFA allowed these companies to bid for the regional contracts.
- 1.4. Four companies for England and Wales now meet all the home oxygen needs in all regions. Contact details for each supplier providing the service in each oxygen service region in England and in Wales are included at section 5. There is a free phone arrangement
- 1.5. Although the South West region is supplied by one of the four suppliers the service specification they operate on is based on the 2008 specification.

**Home Oxygen Order Form (HOOF)**

- 1.6. The supplier will provide the oxygen ordered by clinical staff on a Home Oxygen Order Form (HOOF) and comes in 2 parts:

Part A: Before Oxygen Assessment - Non-Specialist or Temporary Order

Part B: After Specialist / Paediatric Oxygen

Part A can be downloaded from:

[http://www.pcc-cic.org.uk/sites/default/files/articles/attachments/new\\_hoof\\_form\\_v7.pdf](http://www.pcc-cic.org.uk/sites/default/files/articles/attachments/new_hoof_form_v7.pdf)

Part B is available from the Regional/CCG HOS Lead

**Ordering Home Oxygen Services**

- 1.7. All registered health care professionals may order home oxygen for delivery direct to patients at home. Clinical staff should indicate the service(s) required on the form, together with details of the patient's oxygen flow rate and hours of use. Where a patient is awaiting referral for clinical assessment, advice is that a flow rate of 2l/min might be specified when ordering home oxygen. On assessment, the clinical specialist team will determine whether a patient's flow rate and hours of use require adjustment.
- 1.8. The supplier will provide the equipment as listed on the HOOF, provided it poses no risk to the patient or surrounding areas. In such cases the supplier will escalate to the health care professional. The supplier is also responsible for arrangements for the payment of patient's electricity costs associated with use of equipment supplied.
- 1.9. These services, including advice to clinical staff, patients and their carers on the use of oxygen equipment supplied, are available on a 24 hour, 7 day a week basis. There is a free phone arrangement for patient use.
- 1.10. Details of the service specification, including requirements to support the discharge of patients from hospital and the response times for the delivery of each service, are available on the website listed at paragraph 1.6.

---

**HOME OXYGEN THERAPY SERVICE**

---

**2. EMERGENCY HOME OXYGEN SERVICE**

- 2.1. Where a clinician decides that a patient requires oxygen at home as soon as possible, the supplier may be requested to deliver this to the patient's home within four hours. This service carries a higher service cost than a standard 3 working day installation and should only be used for urgent new orders. It is inappropriate to order home oxygen on an emergency basis where a patient or carer has forgotten to order supplies - particularly if the patient has access to a back up cylinder to meet his/her immediate needs. Each oxygen supplier operates a 24 hour, 7 day a week helpline.

**Assessment for home oxygen**

- 2.2. Patients should be assessed by a competent and qualified health care professional for all their oxygen therapy; long term, short burst and ambulatory, according to national clinical guidelines.

**3. CHANGES TO A PATIENT'S REQUIREMENTS****A Patient's Oxygen Needs**

- 3.1. If for any reason, a clinician wishes to alter the patient's oxygen supply, he will need to inform the patient and complete a new order for home oxygen and send this to the supplier. The supplier will make the necessary arrangements to adjust or provide new equipment, as appropriate. **The supplier will not be able to make these changes until a revised order for home oxygen has been received.**

**Holiday Arrangements and Attendance at School or Workplace**

- 3.2. A clinician may also wish to make arrangements for a secondary order for oxygen therapy - that is, for delivery to a location other than the patient's home. For example, where a patient remains able to attend school or the workplace or where a patient wishes to go on holiday within England and Wales
- 3.3. In these circumstances, the clinician will need to complete a secondary order, providing details of the address for delivery of the equipment. In the case of holidays, the patient can arrange this directly with their home supplier provided no changes are needed to their current mode of supply. The supplier will make the necessary arrangements to install and remove this equipment, subject to prior agreement by those concerned (for example, school, employer, hotel etc).
- 3.4. The supplier is not responsible or required to secure agreement to provide home oxygen equipment in a location other than a patient's home. This will need to be obtained by the patient or patient's family in relation to holiday accommodation or the patient's workplace. Agreement to the provision of oxygen equipment in schools may be arranged through the School Health Service. **The supplier will be unable to provide oxygen equipment in a location other than the patient's home unless prior agreement has been obtained.**
- 3.5. The arrangements set out in paragraph 3.3 do not apply to patients wishing to take holidays outside the UK. In these circumstances, patients should seek advice on reciprocal arrangements for health care between the United Kingdom and other countries (this is available in a Department of Health leaflet and on the Department of Health website - <http://www.dh.gov.uk>). Patients may also wish to discuss any private arrangements for the provision of oxygen supplies that may be available from their local oxygen service supplier.
- 3.6. Current arrangements for the provision of oxygen therapy to patients at home will continue in Scotland - that is, pharmacy contractors providing a cylinder service and the concentrator service delivered under contract with a separate supplier. CCGs for England/LHBs in Wales will be advised as to arrangements for patients wishing to visit Scotland - for example, for holidays or to stay with friends or relatives.

## HOME OXYGEN THERAPY SERVICE

### Patient's Use of Oxygen

- 3.7. It is for clinical staff to counsel patients on the need for oxygen therapy and the regime to be followed to achieve the benefits. The supplier will provide equipment to deliver the required flow rate and hours of use specified on the HOOF. However, if a patient or carer continues to adjust equipment to change the flow rate, the supplier will inform the clinician so that the patient can be advised further as to flow rate or for review of oxygen therapy needs. The supplier cannot change the flow rate specified by a clinician. If a clinician is concerned that a patient may persist with over use of oxygen, he may wish to put in place monitoring arrangements and discuss these with the supplier, as necessary.

### Withdrawal of Home Oxygen Service

- 3.8. The supplier is contracted to provide the service ordered until he is informed otherwise and, thus, will continue to make a charge for the service until notified that it should be withdrawn. Therefore, it is essential that the supplier is informed as soon as possible where oxygen therapy is no longer required by a patient - for example, due to the death of a patient or, following assessment or review of a patient's needs, that the patient no longer requires oxygen therapy.

### Death of a Patient

- 3.9. Where a patient receiving home oxygen therapy dies, his GP practice or a member of the clinical specialist team treating the patient, as appropriate, should advise the relevant CCG for England, LHB for Wales, so that arrangements can be made for withdrawal of this service by the CCG for England, LHB for Wales.

### Where a Patient discontinues oxygen therapy

- 3.10. Where, following review of need, home oxygen therapy is no longer required by a patient, his GP practice or a member of the clinical specialist team treating the patient, as appropriate, should advise the relevant CCG for England, LHB for Wales, so that arrangements can be made for withdrawal of this service by the CCG for England, LHB for Wales.

### Removal of Oxygen Equipment from a Patient's Home

- 3.11. A supplier may be requested to remove equipment from a patient's home by
- 3.11.1 the patient's GP practice or a member of the clinical specialist team treating the patient or
  - 3.11.2 a person authorised by the relevant CCG for England, LHB for Wales or
  - 3.11.3 a patient or patient's relative or carer. Where a patient, a patient's relative or carer requests removal of equipment, the supplier is required to inform the clinician who has ordered the service and the relevant CCG for England, LHB for Wales immediately of the details and date of receipt of the request.
- 3.12. The CCG for England, LHB for Wales should inform the Pricing Authority of withdrawal of the service where
- 3.12.1 a GP practice or a member of a specialist team has informed the CCG for England, LHB for Wales that a patient has died or has discontinued oxygen therapy and/or where the GP practice or member of the specialist team has informed the CCG for England, LHB for Wales that the supplier has been requested to remove equipment from the patient's home or
  - 3.12.2 the supplier has informed the CCG for England, LHB for Wales that he has received a request from the patient, the patient's relative or carer to remove equipment from the patient's home or
  - 3.12.3 where a person authorised by the CCG for England, LHB for Wales has requested the supplier to remove equipment from the patient's home.
- 3.13. When informing the Pricing Authority of the withdrawal of the service, the CCG for England, LHB for Wales, should include the date of any request to the supplier to remove equipment from a patient's home.
- 3.14. The supplier is required to remove the equipment within 14 days of receiving a request for removal.

**HOME OXYGEN THERAPY SERVICE**

---

**4. CLAIMS FOR PAYMENT**

Each oxygen service supplier listed at section 5 will be able to access the Pricing Authority website and submit oxygen payment claims at any time within the first 10 calendar days of the month following that in which the home oxygen service has been provided.

In Wales, claims should be submitted to the relevant LHB or the LHB's nominated representative body.

**ESSENTIAL SMALL PHARMACIES SCHEME (ESPS)(WALES)**

In Wales:

ESPS arrangements for those pharmacy contractors qualifying for ESPS payments from April 2014 are as follows:

## 1. Interpretation

In this Part -

"Authority" means the LHB for Wales in whose locality the premises are located;

"Contractor" means only the pharmacy contractor whose name is included in a pharmaceutical list of the Authority;

"pharmacy" means a pharmacy at premises from which the contractor supplies pharmaceutical services;

"premises" means the premises from which the contractor provides pharmaceutical services;

"year" means the period from 1 April in any one year to 31 March of the following year.

## 2. Entitlement

2.1. Where, in any year -

2.1.1 the pharmacy dispenses fewer than 35,160 prescriptions; and

2.1.2 that pharmacy is more than 1 kilometre by the nearest practicable route available to the public on foot from the next nearest pharmacy or is less than 1 kilometre but previously qualified as a special consideration case and the circumstances of the pharmacy remain unchanged; and

2.1.3 in the case of pharmacy which has, in the year immediately preceding that year, dispensed fewer than 6,000 prescriptions, the authority certifies in writing at the beginning of that year that the pharmacy is essential to the proper provision of pharmaceutical services, the contractor shall, subject to the following subparagraphs, be entitled to ESPS payments calculated in accordance with paragraph 3 below.

(Note. No new special consideration cases will be entertained).

2.2. A contractor shall be entitled to claim ESPS payments in any year if, on or before 31 January of that year, he estimates, on the basis of the number of prescriptions dispensed in the preceding twelve months or having regard to any special circumstances, that the number of items to be dispensed in the next year will be less than 35,160.

2.3. The contractor shall apply to the Authority for ESPS payments, in the form specified (Form ESPS1 for contractors on the list not less than 10 months at 31 January of the financial year to which the application relates and Form ESPS2 for those on list less than 10 months) on or before 31 January of the financial year to which the application relates.

2.4. Before any payment is made, the contractor shall declare to the Authority his estimate of the number of prescriptions dispensed by the pharmacy in the previous year, if the Authority is satisfied that -

2.4.1 that number is less than 35,160

2.4.2 that the number of prescriptions to be dispensed in the year to which the claim relates is unlikely to exceed 35,160 and

2.4.3 the conditions set out in sub-paragraph 2.1.2 and 2.1.3 above are met, payments shall be made by the Authority in accordance with paragraph 3, subject to the conditions in sub-paragraphs 2.5 and 2.6.

2.5. The Authority, will as soon in the current financial year as they have available the Pricing Authority figure of prescriptions dispensed by the contractor during the preceding financial year, compare this with the contractor's declared estimated figure (sub-paragraph 2.4 above) and if the PA figure of prescriptions dispensed in the previous financial year is 35,160 or more,

**ESSENTIAL SMALL PHARMACIES SCHEME (ESPS)(WALES)**

the ESPS payments made so far in the current financial year shall be recovered from the contractor in the 3 months following that in which the last ESPS payment was made.

- 2.6. Where, at any time in any year during which ESPS payments are made to the contractor in respect of a pharmacy:
- 2.6.1 the number of prescriptions dispensed by that pharmacy exceeds 35,160 the contractor shall be deemed not to have been entitled to ESPS payments for that year in respect of that pharmacy, and any such payment made to him in that year shall be recovered from the remuneration due to him in the 3 months immediately following the month in which the number of prescriptions dispensed reached 35,160.
  - 2.6.2 a second contractor begins to provide pharmaceutical services from a pharmacy at premises which are less than 1 kilometre by the nearest practicable route available to the public on foot from the premises of the first contractor, payment to the first contractor shall continue at the full rate for the remainder of the year and will then cease.
  - 2.6.3 in a case to which sub-paragraph 2.1.3 applies, the Authority decides that the pharmacy is no longer essential, it shall notify the contractor and after the date of that notification no further ESPS payments shall be paid in that year in respect of that pharmacy.
- 2.7. Where the provision by the contractor of pharmaceutical services from any premises has just begun, the preceding sub-paragraphs shall be modified as follows:
- 2.7.1 the contractor may apply to the Authority for ESPS payments, in the form specified (Form ESPS2) at any time during the year;
  - 2.7.2 he shall be entitled to ESPS payments if -
    - 2.7.2.1 in the case of a contractor who is providing services from premises from which, immediately before the day on which he began to provide those services, those services were provided by another contractor, the number of prescriptions dispensed in the twelve months immediately preceding that day was less than 35,160;
    - 2.7.2.2 in any other case, he estimates, and the Authority is satisfied that, less than 35,160 prescriptions will be dispensed in the first twelve months of the provision of pharmaceutical services, and
    - 2.7.2.3 in any case the condition in sub-paragraph 2.1.2 is satisfied;
  - 2.7.3 any entitlement shall begin -
    - 2.7.3.1 if the claim is made within 3 months of the entry on the list in question, from the date of entry;
    - 2.7.3.2 in any case, from the date on which the application is made.

**ESSENTIAL SMALL PHARMACIES SCHEME (ESPS)(WALES)****3. Payments**

- 3.1. From 1 April 2014, ESPS payments shall be the difference between one-twelfth of the target payment (£78,505) and the remuneration due (i.e. professional fees as in Part IIIA and any payments made under Part VIA but excluding payments made under Part IIIA 2.F and Part VIA 6), subject to para 3.3 below. See worked example.
- 3.2. Payments shall be made in arrears.
- 3.3. From 1 April 2014, the maximum monthly payment shall be £5,692. If in any month the contractor is entitled to more than the maximum payment, the amount due shall be carried forward and paid in the following month, again subject to the maximum monthly payment applicable to that second month.
- 3.4. Any over, or any under, ESPS payment shall be if necessary, corrected in the remuneration paid in the first month of the following year.
- 3.5. Where a contractor normally provides pharmaceutical services at a pharmacy for less than 35 hours a week, any ESPS payment shall be calculated by reference to the following formula:
- 3.5.1  $\text{Average hours}/35 \times \text{payments appropriate to a full-time pharmacy with the same prescription volume, as determined by the Welsh Ministers.}$

**4. Worked Example**

## 4.1. Month 1.

April calculate 1/12 of target payment £78,505

make ESPS payment of the difference between calculated amount and remuneration due.

## 4.2. Month 2.

May calculate 2/12 of target payment £78,505

make ESPS payment of the difference between calculated amount and sum of total payment of remuneration due plus ESPS made in month 1 and remuneration due in month 2.

## 4.3. Month 3.

June calculate 3/12 of target payment £78,505

make ESPS payment of difference between calculated amount and sum of total payments made in months 1 and 2 and remuneration due in month 3.

**PAYMENTS IN RESPECT OF PRE-REGISTRATION TRAINEES**

---

1. From 1 October 2008 a grant of £18,440 per year is payable to pharmacy contractors who provide the pre-registration training experience needed by pharmacy graduates and certain undergraduates for admission to the General Pharmaceutical Council's Register of Pharmacists. The grants are payable at annual rates in respect of each pre-registration training place filled by a pharmacy graduate or an undergraduate on a sandwich course recognised by the General Pharmaceutical Council as pre-registration training.
2. Pharmacy contractors who have undertaken to provide pre-registration training should submit a claim to the NHSCB for England and LHB for Wales at the start of the training period. The NHSCB for England and LHBs for Wales will arrange for the payment to be made monthly in arrears. Contractors **MUST** notify the NHSCB for England and LHB for Wales immediately in writing if the arrangement to provide pre-registration training ceases.

## REWARD SCHEME - FRAUDULENT PRESCRIPTION FORMS

Payments to chemists who claim a payment under Regulation 97(1) of the National Health Service (Pharmaceutical and Local Pharmaceutical Services) Regulations 2013 for England and under Regulation 18B of The National Health Service (Pharmaceutical Services) Regulations 1992 (as inserted by SI 1999/696) for Wales.

The Scheme allows chemists to claim a financial reward where they have identified a fraudulent prescription form and thereby either prevented fraud or contributed with valuable information to the investigation of fraud. A reward is payable where:

- fraudulent activity can be proven
- the conditions for the scheme are met as set out below.

Slightly different versions of the Scheme apply in England and Wales.

### PART I: ENGLAND

The NHSBSA, NHS Protect (Referred to below as the Authority) is responsible for receiving and considering claims for reward payments in England.

The Scheme applies to all claims which are received by the Authority on or after 7 May 2003.

#### **Retention and Reporting Reward: claims where a chemist -**

- (a) has not provided the drugs, medicines or listed appliances ordered on the fraudulent prescription form, or
- (b) has provided the drugs, medicines or listed appliances ordered on the fraudulent prescription form, but had reason to believe at the time or subsequently came to have reason to believe that the form is fraudulent,

and reports this to the relevant authorities as laid out below.

The chemist will be eligible for a payment of £70, where all the conditions for either the retention element of the reward or the reporting element of the reward are met. Only one reward will be payable for each dispensing occasion.

The conditions for the retention element of the reward are:

- i the drugs, medicines or listed appliances specified on the fraudulent prescription form have not been provided, the prescription form has been retained by the chemist, and the NHS Commissioning Board has been informed as soon as practicable, in accordance with Regulation 97(1)(a) of the National Health Service (Pharmaceutical and Local Pharmaceutical Services) Regulations 2013;
- ii a claim is made by contacting the Authority as soon as practicable, normally within 7 days of the form having been presented. A claim form provided by the Authority must be completed and returned to the Authority, along with the original prescription form, normally within 28 days of the form having been presented; and
- iii the form presented as a prescription form was not a genuine order for the person named on the form. An order would not be a genuine order if, for example, it had been stolen or counterfeited and not signed by an authorised prescriber; or had been altered otherwise than by the authorised prescriber by whom it was issued.

The conditions for the reporting element of the reward are:

- i the drugs, medicines or listed appliances specified on the fraudulent prescription form have been dispensed, but the chemist has reason to believe at the time or subsequently comes to have reason that the order is not genuine;
- ii the chemist has notified the NHS Commissioning Board as soon as practicable, in accordance with Regulation 97(1)(b) of the National Health Service (Pharmaceutical and Local Pharmaceutical Services) Regulations 2013;
- iii a claim is made by contacting the Authority as soon as practicable, normally within 7 days of the form having been presented. A claim form provided by the Authority must be completed

**REWARD SCHEME - FRAUDULENT PRESCRIPTION FORMS**

and returned to the Authority along with the original prescription form, normally within 28 days of the form having been presented;

- iv a detailed explanation of why the chemist felt it necessary to dispense must be included on the claim form. A reward will only be payable where the Authority is satisfied that the chemist had good and sufficient reasons to dispense; and
- v the form presented as a prescription form was not a genuine order for the person named on the form. An order would not be a genuine order if, for example, it had been stolen or counterfeited and not signed by an authorised prescriber; or had been altered otherwise than by the authorised prescriber by whom it was issued.

Where the time-limits for either contacting the Authority and the NHS Commissioning Board or for returning a claim form to the Authority, as specified above, are exceeded, the Authority will nevertheless consider a claim if there are exceptional circumstances justifying the delay.

**PART II: WALES**

Individual Local Health Boards are responsible for receiving and considering claims for reward payments in Wales.

The Scheme applies to all claims which are received by Local Health Board Local Counter Fraud Teams on or after 1 February 2003.

Retention and Reporting Reward: claims where a chemist -

- (a) has not provided the drugs, medicines or listed appliances ordered on the fraudulent prescription form,  
or
- (b) has provided the drugs, medicines or listed appliances ordered on the fraudulent prescription form, but had reason to believe at the time or subsequently came to have reason to believe that the form is fraudulent,

and reports this to the relevant authorities as laid out below.

The chemist will be eligible for a payment of £70, where all the conditions for either the retention element of the reward or the reporting element of the reward are met. Only one reward will be payable for each dispensing occasion.

The conditions for the retention element of the reward are:

- i the drugs, medicines or listed appliances specified on the fraudulent prescription form have not been provided, the prescription form has been retained by the chemist, and the Local Health Board has been informed immediately, in accordance with regulation 44 of the National Health Service (Wales) (Pharmaceutical Services) Regulations 2013;
- ii a claim is made by contacting the Local Health Board as soon as practicable, normally within 7 days of the form having been presented. A claim form provided by the Local Health Board

**REWARD SCHEME - FRAUDULENT PRESCRIPTION FORMS**

must be completed and returned, along with the original prescription form, normally within 28 days of the form having been presented; and

- iii the form presented as a prescription form was not a genuine order for the person named on the form. An order would not be a genuine order if, for example, it had been stolen or counterfeited and not signed by an authorised prescriber; or had been altered otherwise than by the authorised prescriber by whom it was issued.

The conditions for the reporting element of the reward are:

- i the drugs, medicines or listed appliances specified on the fraudulent prescription form have been dispensed, but the chemist believes at the time or subsequently comes to believe that the order is not genuine;
- ii the chemist has notified the Local Health Board as soon as practicable, and in any case within 14 days of the order being presented to the chemist, in accordance with regulation 44 of the National Health Service (Wales) (Pharmaceutical Services) Regulations 2013;
- iii a claim is made by contacting the Local Health Board as soon as practicable. A claim form provided by the Local Health Board (available from:  
<http://www.primarycareservices.wales.nhs.uk/pharmacy-reward-scheme>)  
must be completed and returned along with the original prescription form, normally within 28 days of the form having been presented;
- iv a detailed explanation of why the chemist felt it necessary to dispense must be included on the claim form. A reward will only be payable where the Local Health Board is satisfied that the chemist had good and sufficient reasons to dispense; and
- v the form presented as a prescription form was not a genuine order for the person named on the form. An order would not be a genuine order if, for example, it had been stolen or counterfeited and not signed by an authorised prescriber; or had been altered otherwise than by the authorised prescriber by whom it was issued.

Where the time-limits for either contacting the Local Health Board or for returning a claim form, as specified above, are exceeded, Local Health Board will nevertheless consider a claim if there are exceptional circumstances justifying the delay.

**ARRANGEMENTS FOR CONTRACTORS CONCERNING PRESCRIPTION PRICING ERRORS****For the period 1 April 2011 to 31 March 2012**

For England only:

Since the introduction of the capacity improvement programme (CIP) by the NHS Business Services Authority (NHSBSA) it has become apparent that the number of errors in pricing is at a level where a scheme to acknowledge this situation is appropriate. Considerable work has been undertaken to quantify the cost of the errors to contractors and whether it can be established which contractors payments may have been affected the most. While it is possible to quantify the errors, it is not possible to identify which contractors may have been particularly affected.

Previously, arrangements were made to cover the periods up to 31 March 2009 and 1 April 2009 to 31 March 2011. Further arrangements as outlined below will be made to cover from 1 April 2011 to 31 March 2012.

All contractors who are open on 1 October 2012 will receive a payment based on the extent to which they were open for business during the reference period from 1 April 2011 to 31 March 2012. This is in recognition of the levels of errors and any inconvenience caused by the new processing system for the period 1 April 2011 to 31 March 2012. That period will be divided into bands of three months and each band will be worth £150. A contractor will receive a payment based on the number of bands during which they were, at some point, open eg a contractor who was open for the entire period will receive a payment of £600 while a contractor who opened for the first time at some point between 1 January and 31 March 2012 will receive a payment of £150.

**Table 1**

Payment band (during which the contractor must have been open at some point for business)	Payment to recognise the increase in errors and any inconvenience caused by CIP (accumulated)(£)
1 January 2012 - 31 March 2012	150
1 October 2011 - 31 December 2011	300
1 July 2011 - 30 September 2011	450
1 April 2011 - 30 June 2011	600

Contractors who have purchased a business during this period will only be paid in respect of the payment bands when they owned the business unless they have purchased the business with liabilities and the account code has remained unchanged. Contractors who have ceased trading on or before 1 October 2012 will not receive a payment, even if they were trading for the entirety of the reference period.

The Table 1 payment will be made automatically in October's advance payment, which is made in December 2012 to all the contractors referred to in the previous paragraph and no claim needs to be submitted to qualify for the payment.

Any contractor who thinks their payments from 1 April 2011 to 31 March 2012 have been significantly affected has until 31 December 2012 to ask in writing for a recheck of a month or months' prescriptions directly to the NHSBSA. After this time, no further requests for rechecking of prescriptions pre 31 March 2012 will be accepted.

To request a check:

- Contractors must submit their request for a check to NHSBSA in respect of particular month(s) using the appropriate form available from NHS Prescription Services of the NHS Business Services Authority or at [www.nhsbsa.nhs.uk](http://www.nhsbsa.nhs.uk). A separate form needs to be completed for each month they wish to have checked. Contractors with more than one pharmacy need to complete separate request forms for each pharmacy, and for each month, they wish to have checked.

**ARRANGEMENTS FOR CONTRACTORS CONCERNING PRESCRIPTION PRICING ERRORS**

- NHSBSA will select an equal number of months to check. Using the results from all the months reprocessed:
  - Where a net underpayment is revealed, the contractor will be paid the value of the underpayment;
  - Where a net overpayment is revealed, the NHSBSA will recover the value of the overpayment.
  - Where a net underpayment is revealed in excess of £500, the contractor will be paid an additional payment of £400 to recognise that they have been significantly affected by the new payment system.

This means that contractors who seek a check will risk losing any underpayment owed when balanced with any overpayment revealed by NHSBSA, even if there was an underpayment in the months for which the contractor has requested a check.

Following 31 December 2012, the deadline for contractors to request a recheck of their account, any contractor who has chosen not to request a recheck will receive an additional payment. This payment will be split into the same bands as in table 1 (each band worth £100) and contractors will be paid the table 2 payments according to the number of bands during which they were open for business at some point during the reference period. It will only be payable if the contractor is still open on 1 January 2013. For example, a contractor who is open the entire reference period will be paid £400 while a contractor, which first opened during January 2012, will be paid £100. This additional payment will be paid in January's advance payment made in March 2013.

**Table 2**

Payment band (during which the contractor must have been open at some point for business)	Additional payment value for contractors who choose <u>not</u> to request a recheck (accumulated)(£)
1 January 2012 - 31 March 2012	100
1 October 2011 - 31 December 2011	200
1 July 2011 - 30 September 2011	300
1 April 2011 - 30 June 2011	400

For the purposes of both Table 1 and Table 2 payments, contractors are treated as being open on a particular day if that day falls within a period when they are providing pharmaceutical services, even if under their terms of service they are not required to be open on that particular day.

**From 1 April 2012**

For England only:

From April 2012, a contractor who thinks there is an issue with their monthly payment can ask the NHSBSA, in writing, to recheck a month or specific months' prescriptions.

All contractors who provide NHS pharmaceutical services can request a month or specific months' prescriptions to be rechecked. Contractors who have purchased a business since 1 April 2012 can only request a recheck for the months where they owned the business, unless they have purchased the business with liabilities and the account code has remained unchanged. Those contractors who ceased trading after 1 April 2012 and not sold the business with liabilities can request a recheck for any month where they owned the business, subject to the normal limitation periods.

To request a recheck from NHSBSA,

- A contractor must submit their request using the appropriate form available from NHS Prescription Services of the NHS Business Services Authority or at [www.nhsbsa.nhs.uk](http://www.nhsbsa.nhs.uk).
- All requests must be submitted no later than 18 months from the end of the month of dispensing eg for prescriptions dispensed in April 2012; a contractor must submit their request for a check by 31 October 2013.
- A separate form needs to be completed for each month they wish to have checked. Contractors with more than one pharmacy need to complete separate request forms for each pharmacy and month, they wish to have checked.

**ARRANGEMENTS FOR CONTRACTORS CONCERNING PRESCRIPTION PRICING ERRORS**

---

To ensure that adjustments fairly reflect both underpayments and overpayments, the NHSBSA will select an equivalent number of additional months to check, where appropriate. Using the results:

- Where a net underpayment is revealed, the contractor will be paid the value of the underpayment:
- Where a net overpayment is revealed, the NHSBSA will recover the value of the payment.

Once the 18 month deadline for requesting a check has elapsed eg 31 October 2013 for prescriptions dispensed in April 2012, no further requests can be made for that particular month.

---

**DEVOLVING THE GLOBAL SUM - TEMPORARY SAFEGUARDING PAYMENTS**

---

For England only:

If prescribers systematically increase prescription duration on all or a significant percentage of their prescription items, this could lead to dispensing contractors facing increased supplier bills in certain months (as more medicines are dispensed per prescription than usual) and then decreased prescription item volume in subsequent months. Where a contractor's dispensing business is affected in this way, the contractor may be entitled to make one or both of the following claims under temporary safeguarding arrangements.

**Claim 1 - To provide support to pay an increase in supplier's bill**

For a month where the prescription item duration has increased compared to that seen previously, as the contractor will have dispensed significantly more medication per prescription item than usual, the 100% advance (which is based on a historic net ingredient cost) is likely to be insufficient to cover the contractor's supplier bill for the month.

In these circumstances, the contractor is able to claim for that month, for an increase in their 100% advance (Claim 1). The amount that can be claimed should reflect the amount by which the contractor's supplier bill has increased solely due to the increase in prescription item duration and no other reason.

The claim will need to -

- Be made on the appropriate form available from the NHS Prescription Services of the NHS Business Services Authority or at [www.nhsbsa.nhs.uk](http://www.nhsbsa.nhs.uk).
- Be signed by the contractor.
- Be submitted to the NHS Prescription Services of the NHS Business Services Authority along with their claim form (FP34C) for that month.
- Include a declaration that to the best of the contractor's knowledge there is no reason apart from increased prescription duration, directly or indirectly instigated by a CCG, that would have contributed to the larger than normal suppliers bill e.g. not because of a new GP operating in their area who typically prescribes for a longer duration than other local GPs or because the contractor has dispensed higher than usual high cost drug prescription items.
- Be substantiated for example with a copy of the previous three months supplier bills and the current increased bill - or where this is inconclusive, some other rationale.

On receipt of a valid claim at the NHS Prescription Services of the NHS Business Services Authority

- The contractor will be paid an increase in their 100% advance in line with the claim
- The increased advance will be taken into account in the usual way the following month when the final accurate payment for the month is paid.

**Claim 2 - Remuneration**

For the months following an increase in prescription duration, contractors may experience a drop in items dispensed and as a result earn fewer fees.

In these circumstances, the contractor is able to claim for an affected month, for any lost fees and allowances (Claim 2).

The claim will need to -

- Be made on the appropriate form available from the NHS Prescription Services of the NHS Business Services Authority or at [www.nhsbsa.nhs.uk](http://www.nhsbsa.nhs.uk).
- Be signed by the contractor.
- Be submitted to the NHS Prescription Services of the NHS Business Services Authority along with their claim form (FP34C) for that month.
- Include a declaration that to the best of the contractor's knowledge there is no reason apart from increased prescription duration, directly or indirectly instigated by a CCG, that would have contributed to a decrease in fees earned e.g. a new pharmacy opened nearby.

On receipt of a valid claim at the NHS Prescription Services of the NHS Business Services Authority

- The contractor will be paid on the volume of prescription items for same month of the previous year, but at the current value of fees and allowances.
- Where a contractor makes a claim, for the month in which they are claiming they will be paid on the volume of the previous year's prescriptions regardless of whether this volume is lower than the prescription volume submitted for the month claimed.

**DEVOLVING THE GLOBAL SUM - TEMPORARY SAFEGUARDING PAYMENTS**

---

Claim 1 and 2 - In general,

- Claim 1 would not normally be expected to be made in the same month as Claim 2.
- Because of the nature of Claim 1 it would not normally be appropriate to claim it in consecutive months, but it may be appropriate to claim it more than once.
- Typically, Claim 2 would follow a Claim 1, but Claim 2 could be made where a Claim 1 has not been made in a previous month, for example, where prescription duration has increased slowly. In these cases, the usual 100% advance may have been sufficient, but the contractor is experiencing a reduction in fees and allowances for which they wish to claim.
- Because of the nature of Claim 2, it may be appropriate to claim it in consecutive months, but it is unlikely to be appropriate for it to be claimed every month.

For Claim 1 and 2, in situations where the claim is outside conditions agreed by Department of Health (DH) and Prescription Services Negotiating Committee (PSNC), the claim will be subject to joint verification by the NHSCB and the contractor's Local Pharmaceutical Committee (LPC), subject to agreement with the contractor on LPC involvement.

Where a contractor makes one or more valid claims in the previous three months, they will be entitled to an "amendment allowance" of £30 for the quarter (regardless of how many claims made), in recognition of the administrative time required to make claims.

**BORDERLINE SUBSTANCES**

---

**Borderline Substances**

In certain conditions some foods and toilet preparations have characteristics of drugs and the Advisory Committee on Borderline Substances advises as to the circumstances in which such substances may be regarded as drugs. The Advisory Committee's recommendations are listed below. Prescriptions issued in accordance with the Committee's advice and endorsed "ACBS" will normally not be investigated.

Manufacturers wishing to notify changes to their products should contact the ACBS by post: Philip Grieve, Secretariat to the Advisory Committee on Borderline Substances, Commercial Medicines Unit, Medicines, Pharmacy and Industry, Department of Health, 2nd Floor, Rutland House, Runcorn, WA7 2ES.

**LIST A**

This is an alphabetical index of products which the ACBS has recommended for the management of the conditions shown under each product.

**General Practitioners are reminded that the Advisory Committee on Borderline Substances recommends products on the basis that they may be regarded as drugs for the treatment of specified conditions. Doctors should satisfy themselves that the products can be safely prescribed, that patients are adequately monitored and that, where necessary, expert hospital supervision is available. Prescriptions for products recommended by the Committee should be endorsed "ACBS".**

Note: The Committee has recommended a number of products as complete feeds for certain conditions. They may be prescribed both as sole sources of nutrition and as necessary nutritional supplements prescribable on medical grounds.

**Definitions**

1. The Committee has defined proven lactose or sucrose intolerance as "A condition of intolerance to an intake of the relevant disaccharide confirmed by:
  - (i) demonstrated clinical benefit of the effectiveness of the disaccharide free diet; and
  - (ii) the presence of reducing substances and/or excessive acid (1.00pH) in the stools, a low concentration of the correspondent disaccharidase enzyme on intestinal biopsy, or by breath tests or lactose tolerance tests."
2. The Committee has defined proven whole protein sensitivity as "Intolerance to whole protein, proven by at least two withdrawal and challenge tests, as suggested by an accurate dietary history."
3. The Committee has defined dysphagia as that associated with "Intrinsic disease of the oesophagus, eg. oesophagitis; neuromuscular disorders, eg. multiple sclerosis and motor neurone disease; major surgery and/or radiotherapy for cancer of the upper digestive tract; protracted severe inflammatory disease of the upper digestive tract, eg. Stevens-Johnson Syndrome and epidermolysis bullosa."

**NOTES ON CHARGES FOR DRUGS AND APPLIANCES PAYABLE UNDER REGULATIONS MADE UNDER SECTION 172(1) AND (2) OF THE NATIONAL HEALTH SERVICE ACT 2006 AND SECTION 121(1) AND (2) OF THE NATIONAL HEALTH SERVICE ACT (WALES) ACT 2006**

---

- (i) Information about the number of charges payable is in paragraph 11 - with examples of the application of the charging arrangements in paragraph 12.
- (ii) Where the arrangements or charge rates differ between England and Wales, provisions for England (ie set out in regulations made in England) apply to prescriptions dispensed by community pharmacists, appliance contractors and dispensing doctors in agreement with NHS Commissioning Board (NHSCB) in England. Provisions for Wales (ie set out in regulations made in Wales) apply to prescriptions dispensed by community pharmacists, appliance contractors and dispensing doctors in agreement with Local Health Boards (LHB) in Wales. The cost of prescription prepayment certificates (PPCs) will apply in accordance with the normal address of the patient. Details are in paragraph 6.
- (iii) Any PPC or exemption certificate issued in England, Northern Ireland, Scotland or Wales is valid across the UK.
- (iv) In the following paragraphs, where no separate provision for Wales is noted, the same provisions apply in England and Wales.

**1. CHARGES PAYABLE**

£8.20 (England) for each prescription item, preparation or type of appliance including each anklet, legging, knee-cap, below-knee, above knee or thigh stocking. In Wales from 1 April 2007 there will be no prescription charge for a patient (or the patient's representative) who presents a Welsh prescription form (WP10, or another in that series) or for a patient (or a person on a patient's behalf) who present an English prescription form (FP10) with a valid Entitlement Card). No charge is payable for Oxygen concentrators from 1 April 1992.

**2. PHARMACY AND APPLIANCE CONTRACTORS**

Unless a completed declaration of entitlement to exemption or remission (paragraphs 4 and 5) is made on the prescription form, a charge is payable for each drug or appliance supplied, including each piece of elastic hosiery.

In order to secure exemption of or remission from prescription charges when presenting a prescription form to a pharmacy, or appliance contractor, the patient, or a person on his behalf, must complete the declaration on the back of the prescription form. The regulations have now been changed to require them to do so.

Patients, or their representatives, are also required to sign the prescription form to declare that a charge has been paid. Charges are retained by the dispensing practitioner whose payment for provision of pharmaceutical services is adjusted accordingly.

In Wales: From 1 April 2007 there is no longer any requirement for a patient or their representative to sign the declaration on the reverse of a WP10 to be exempt from paying a prescription charge. However, if a patient presents an FP10 for dispensing in a Welsh pharmacy and it is not accompanied by a valid Entitlement Card then the declaration must be signed in the usual way or a charge paid in accordance with the English regulations made under section 121(1) and (2) of the National Health Service Act 2006.

**3. DISPENSING DOCTORS**

Unless a completed declaration of entitlement to exemption or remission (paragraphs 4 and 5) is made on the prescription form, the charges set out at (1) above are payable in respect of each item supplied by a dispensing doctor. In order to secure exemption or remission from prescription charges when presenting a prescription form to a dispensing doctor, the patient, or a person on his behalf, must complete the declaration on the back of the prescription form. The regulations have now been changed to require them to do so.

Patients, or their representatives, are also required to sign the prescription form to declare that a charge has been paid. Charges are retained by the dispensing practitioner whose payment for provision of pharmaceutical services is adjusted accordingly.

---

**NOTES ON CHARGES**

---

In Wales: From 1 April 2007 there is no longer any requirement for a patient or their representative to sign the declaration on the reverse of a WP10 in order to secure exemption from paying a prescription charge.

When an item dispensed by a dispensing doctor is delivered to a patient outside the surgery, every reasonable effort should be made to obtain a signed declaration from the patient that they have either paid the charge or are exempt.

However, there will be occasions when repeat prescriptions are delivered to points outside the surgery, or for example for collection from village shops in rural areas. Where a patient is exempt from charges and it is not practical for the patient to sign the form, a dispensing doctor or responsible member of the practice team should mark the reverse of the form as "remote delivery" and sign the form.

#### 4. PEOPLE ENTITLED TO EXEMPTION

Provided that the appropriate declaration is made, a charge is not payable to the pharmacist, appliance contractor or dispensing doctor for drugs or appliances, including elastic hosiery, supplied for:

- 4.1 Children aged under 16;
- 4.2 Young people aged 16, 17 or 18 in qualifying full-time education;
- 4.3 People aged 60 and over.
- 4.4 People holding a valid exemption certificate, which is issued to:
  - 4.4.1 expectant mothers;
  - 4.4.2 women who have borne a child or women who have given birth to a child in the last 12 months;
  - 4.4.3 people suffering from the following specified conditions who have a valid exemption certificate:
    - permanent fistula (for example, caecostomy, colostomy, laryngostomy or ileostomy) requiring continuous surgical dressing;
    - a form of hypoadrenalism (for example, Addison's Disease) for which specific substitution therapy is essential;
    - diabetes insipidus and other forms of hypopituitarism;
    - diabetes mellitus, except where treatment is by diet alone;
    - hypoparathyroidism;
    - myasthenia gravis;
    - myxoedema (that is, hypothyroidism requiring thyroid hormone replacement);
    - epilepsy requiring continuous anti-convulsive therapy;
    - a continuing physical disability which means they cannot go out without the help of another person;
    - for further information about the exemption for cancer please see 4.9.
- 4.5 War pensioners holding a War Pension exemption certificate for prescriptions needed for treating their accepted disablement;
- 4.6 People who have purchased a Prescription Prepayment Certificate (PPC), which is valid at the point of dispensing.
- 4.7 From 1 April 2013 released prisoners and those released from secure accommodation (secure accommodation is defined as a court, a secure training centre or a secure children's home) who present an FP10 or FP10 (MDA) will not have to pay a prescription charge for any item on that form if the following applies:

'HMP', and the prison or secure accommodation address and telephone number is printed in the box provided for the practice address on the front of the form, with the prescribing code and the cost centre code for the organisation.

The patient does not have to sign the declaration, but should print their name and address if their address is different from the front of the form. Should the patient be homeless the use of 'No Fixed Abode' is acceptable in part 3 of the form.

#### 4.8 Prescription Forms from Devolved Administrations Dispensed in England

In Wales: From 1 April 2007 all patients (including temporary residents) who have prescriptions issued by prescribers contracted to a Local Health Board or Welsh NHS Trust, or those patients in possession of a valid Entitlement Card and a prescription written by a prescriber contracted to the NHS Commissioning Board or an English NHS Trust, are eligible for free prescriptions. In all other cases the English charge will apply unless the patient is entitled to an exemption as specified above.

From 1 August 2010, any patient who presents an NHS prescription form originating from Northern Ireland (coded HS21CS) will not pay a prescription charge for any items on that form that are dispensed in England.

Following the abolition of prescription charges in Northern Ireland on 1 April 2010, a new prescription form (coded HS21CS) has been produced in Northern Ireland and this is now in circulation. The form does not include a tick box and declaration section on the reverse of the form, but does include a signature box for those collecting controlled drugs.

The previous version of the Northern Ireland prescription form may be in circulation for the time being. Both versions of the forms must be dispensed without collecting prescription charges. A patient or patient representative signature is not required on either version of the form (except in the case of schedule 2 & 3 controlled drugs when a collector's signature is still required).

From 1 April 2011 any patient who presents a Scottish prescription form (GP10) in England will pay an English prescription charge for items dispensed unless the person is entitled to exemption.

#### 4.9 EXTENSION OF THE LIST OF MEDICAL CONDITIONS GIVING EXEMPTION FROM NHS PRESCRIPTION CHARGES: GUIDANCE FOR DOCTORS

##### ALL CONDITIONS

We ask all doctors to advise patients of their entitlement to medical exemption from prescription charges and give them a form FP92A once a relevant diagnosis is made. Application for an exemption certificate should only be made once the diagnosis of one of the medical condition listed on the FP92A is confirmed. The exemption certificate will be backdated one month from the date the application is received.

Exemption certificates only apply to charges for NHS prescriptions but they cover all prescriptions, not just those for the exempting condition.

Pending receipt of an exemption certificate, patients should ask the dispenser for an NHS receipt (FP57) (which is also a refund claim form) when they pay a prescription charge.

Patients diagnosed with one of the qualifying conditions for medical exemption, who are aged 60 and over are exempt from NHS prescription charges on age grounds and do not need to apply for a medical exemption certificate. However, patients who are exempt because they are receiving a relevant benefit, for example income support, may wish to apply for a medical exemption certificate so they are covered if their financial circumstances change.

Regulations are changed so that only the version clearly marked 1 January 2009, should be used. Old versions of FP92A should be destroyed securely.

---

**NOTES ON CHARGES**

---

**CANCER**

The Charges Regulations have been amended to extend the medical exemption to include cancer patients. They will give exemption from charges for cancer patients in respect of all prescription items (not just those for cancer) dispensed on or after 1 April 2009. The new version of the FP92A must be used. Exemption certificates for cancer patients will last for 5 years and can be used to their end date even if the patient's cancer treatment finishes during that period. At the end of 5 years a new application may be made if the patient still meets any of the conditions in (i) – (iii) below.

The regulations will state:

"No charges shall be payable by a person with a valid exemption certificate issued by the Secretary of State on the ground that the person is undergoing treatment for –

- (i) cancer;
- (ii) the effects of cancer; or
- (iii) the effects of cancer treatment".

The words used are intended to have the following meanings but interpretation is a matter for the doctor's clinical judgement in deciding whether or not to confirm the patient's statement and sign the application form.

The new medical exemption is not intended for patients who have been treated and are now apparently clear of cancer where no further treatment is planned. In these cases, treatment does not include routine follow ups with planned discharge later.

Advisory sunscreen because of risk of skin cancer is not a qualifying condition for exemption. This does not preclude prescribing sunscreens (per drug tariff) where clinically appropriate.

**"Cancer"**: means diagnosed cancer (any cancer), not suspected cancer, eg skin lesion where no biopsy (or diagnostic test) has been carried out, nor pre-cancerous cells, eg following smear test.

**"Undergoing"** means continuing treatment not just one episode such as nitrogen freezing of a skin lesion with no further treatment planned

**"Treatment"** for diagnosed prostate cancer is in accordance with NICE guidelines as at: [www.nice.org.uk](http://www.nice.org.uk)

**"Treatment"** includes a course of tamoxifen following diagnosed cancer or similar drug to like effect. It also includes the prescription of lymphoedema garments needed as an effect of cancer or its treatment. These are listed in the Drug Tariff and can be prescribed on an FP10.

**"The effects of cancer"** includes palliative care if treatment for cancer itself has ceased (eg pain relief). It also includes effects directly related to cancer that did not exist before the diagnosis, for example change in mental health. The effects of cancer (and cancer treatment) would also include "ostomies" although these patients could apply for an exemption certificate if they have a permanent fistula.

**"The effects of cancer treatment"** may be in respect of current treatment or previous treatment and could arise some time after the treatment. They include all the side-effects of cytotoxic drugs listed in chapter 8 of BNF and includes prevention of side effects of these drugs. This is an example, not exhaustive, and effects of treatment also include late effects of radiation, including the need for camouflage, and secondary lymphoedema.

**5. NO PRESCRIPTION CHARGE EXEMPTION DECLARATION NEEDED FROM CERTAIN PATIENTS**

1. In England from 1 April 2005 certain patients exempt on age grounds (aged under 16 in England or aged 60 or over) are no longer required to make a declaration of entitlement to claim exemption from prescription charges. (This means that certain patients do not have to complete any part of the exemption declaration i.e. will not have to fill in Part 1, 2, 3 or sign the declaration. In such cases pharmacists will not have to complete any part of the patient declaration.)

2. This easement applies only to patients (and representatives acting on behalf of patients) whose date of birth is automatically printed out on a hard copy paper prescription or inserted into an electronic prescription by an appropriate computer system that stores the patient's NHS care record. This easement also applies to repeat prescriptions (both electronic and paper) in the same way.

3. Those patients who are given an electronic prescription and who claim exemption from prescription charges on age grounds but whose date of birth is not held on the NHS care record will have to continue to make an exemption declaration. The same will also apply to those patients who are given hand written prescription forms where the date of birth is inserted manually.

## NOTES ON CHARGES

**6. PEOPLE ENTITLED TO REMISSION**

- 6.1 People, who are included in an award of Income Support, Income based Jobseeker's Allowance or Income Related Employment and Support Allowance;
- 6.2 From 1 November 2015, people who are included in an award of Universal Credit and:
- 6.2.1 have no earnings or net earnings not exceeding £435 in the Universal Credit assessment period\*\*;
- 6.2.2 have no earnings or net earnings not exceeding £935 in the Universal Credit assessment period\*\*, and also have a child element or limited capability for work, or limited capability for work related activity element included in their Universal Credit award;
- 6.2.3 people who are getting Universal Credit and who meet the criteria above, should tick box K (\*get income based Jobseekers Allowance) on the reverse of the prescription form.
- 6.2.4 currently, the threshold amounts shown above for Universal Credit apply to an individual's earnings, irrespective of whether that individual is a member of a couple. For example, if one member of a couple earns £300 in the relevant assessment period and the other earns £200, and the relevant threshold is £435, then they each meet the criteria and can claim help with health costs, even though jointly their earnings would exceed the threshold.  
Alternatively, if one member of a couple earns £500 and the other earns £200, and again the relevant threshold is £435, the partner with the higher earnings would not qualify for help with health costs (as the earnings are above the threshold) but the partner with earnings of £200 will qualify.
- To align the way the thresholds work with the rest of Universal Credit, this will change early in 2016 so that the threshold applies to the joint earnings of a couple.

\*\* Eligibility is based on the outcome of the claimant's latest assessment. Universal Credit is assessed monthly, based on the date of claim of an individual. The assessment period will run for a calendar month from the effective date of claim for Universal Credit (which will be shown on the award notice), and between the same dates each month, thereafter. Recipients of Universal Credit will be given an award notice that can be used as evidence of entitlement to remission of charges. It is the patient's responsibility to consider whether they continue to meet the relevant earnings threshold.

- 6.3 People, whose family income for tax credits is £15,276 or less (the limit is valid from 6 April 2009) and:
- 6.3.1 they get Working Tax Credit (WTC) and Child Tax Credit (CTC); or
- 6.3.2 they get WTC with a disability or severe disability element; or
- 6.3.3 they are not eligible for WTC but get CTC.
- 6.4 HM Revenue & Customs send information to the NHSBSA, Help with Health Costs about people getting tax credits who are entitled to remission. Help with Health Costs send exemption certificates to these people. The certificate can be used as evidence of their entitlement to remission.
- 6.5 From 27 October 2008 people who are included in an award of Income Related Employment and Support Allowance should tick box H \*gets Income Support or income-related Employment and Support Allowance, on the reverse of the new prescription form (version 0608) to claim free prescriptions.
- If the old version of the prescription form is presented for dispensing, the person should be instructed to tick box H \*gets Income Support.
- Evidence should be provided in the form of an Employment and Support Allowance award notice. Note: receipt of the contribution based Employment and Support Allowance alone does not entitle a person to free prescriptions.
- 6.6 People and their partners who are named on an NHS Charges certificate HC2 because they are entitled to full help through the NHS Low Income Scheme.

**7. PRESCRIPTION CHARGE REFUND PROCEDURE**

1. This guidance applies to refunds of prescription charges in England only. Patients enquiring about getting a refund paid in Scotland should call the following number

Scotland - 0131 275 6076

Or they can write to: Practitioner Services (Pharmacy Repayments), 1 South Gyle Crescent, Edinburgh, EH12 9EB, Scotland

**Security of forms**

2. Prescription refund and receipt forms are secure items and should not be left in locations where they may be accessed by the public. They should be locked away when not required. Only authorised staff may process prescription refunds. If a pad or a form disappears, or cannot be accounted for, report this urgently to your local NHS Commissioning Board Area Team (in England) or Business Services Centre (in Wales). Pharmacists should be alert to the possibility of misuse of the forms.

**When to issue Prescription refund and receipt forms**

3. Only issue a prescription refund and receipt form when the patient (or representative) requests this (but see paragraph 8 below) or is in genuine doubt about whether they might be exempt from prescription charges, or they have applied (or are thinking about applying) for a prescription charge exemption certificate or prepayment certificate.

4. When a patient (or representative) states they do not have to pay prescription charges because they are in an exempted group or hold a pre-payment certificate, they are not required to pay a charge simply because they do not have any evidence of entitlement. If they are prepared to sign to say they are exempt, they should complete and sign the declaration on the reverse of the prescription form. The "evidence not seen" box should be crossed, as per normal Point of Dispensing check procedures.

5. Only issue a prescription refund and receipt form at the time the prescription charge is paid. Later requests may be an attempt to get a second form to obtain a double refund fraudulently. If the patient or their representative is persistent in their request and they have grounds why they do not have a prescription refund and receipt, they should be advised to write to NHSBSA, Help with Health Costs, Bridge House, 152 Pilgrim Street, Newcastle Upon Tyne, NE1 6SN or ring 0300 330 1343, to explain why they were unable to obtain an FP57. Their Review Section will examine the claim and will either send a payment directly to the patient or advise the patient why they do not qualify.

6. If a receipt is required by a carer or representative, for example to show that the charge was paid, a till receipt may be sufficient proof. Only if a refund may be required should the patient be issued with a prescription refund and receipt form.

## NOTES ON CHARGES

### Issuing prescription refund and receipt forms

7. Part A must be fully completed by the dispenser or an authorised member of staff. There must be no alterations to the amounts or the quantities in Part A. If a mistake is made, then start again with a new form and cross through the discarded form in such a way that it cannot be used and write, "CANCELLED" diagonally across it. The dispenser can initial any other alterations elsewhere on the form. Any forms which have been discarded due to alterations or mistakes in Part A should be kept for audit purposes.

8. The dispenser's stamp and date of payment must be on the form with the patient's name and address, the rate of prescription charge paid per item, the number of charges paid and the total paid.

#### Pharmacies processing forms for refunds

9. Patients should preferably return the prescription refund and receipt form to the community pharmacy that issued it. However, if this is not possible they may take the form to the most convenient pharmacy (normally in the country where the charge was paid.)

10. Community pharmacists should accept the claim even if the form was issued by a hospital or other NHS organisation. If a dispensing doctor or appliance contractor has taken a payment and the patient requires a refund the dispensing doctor or appliance contractor must provide the patient with a prescription refund and receipt form. The patient should go to a community pharmacy to obtain the refund.

11. Pharmacists in England may make refunds for prescription refund and receipt forms issued in England, Scotland or Wales. The paid form will be sent to the NHSBSA, NHS Prescription Services (In England). Pharmacists in Wales may make prescription refunds on Welsh receipt and refund forms (WP57) only. The paid form should be sent to Powys LHB via the Business Services Centre local offices (In Wales) in the normal way.

12. When a patient presents a prescription refund and receipt form for payment, the pharmacist (or any member of staff who would normally collect a prescription charge) should check the following:

- serial number on the form to ensure it is in the same format as the forms held by that pharmacy;
- that there are no alterations to the amounts or quantities in Part A and the form appears genuine, e.g. there is no white border indicating that it is a "home produced" copy.

13. If the form is not in order the pharmacist should phone the NHSBSA, NHS Protect fraud line number 0800 028 4060 (In England) and CFS Wales on 01495 745844 (In Wales).

14. If the form is in order, take the following steps:

- For patients claiming a refund based on the Universal Credit exemption arrangements:
  - I Where a prescription charge was paid before 1 November 2015, check if the patient was included in an award of Universal Credit on the day the charge was paid; or
  - II Where the prescription charge was paid on or after 1 November 2015, check if the patient was included in an award of Universal Credit and, on the day the charge was paid:
    - had no earnings or net earnings not exceeding £435 in the relevant Universal Credit assessment period\*\*
    - had no earnings or net earnings not exceeding £935 in the relevant Universal Credit assessment period\*\* and had a child element or limited capability for work, or limited capability for work related activity element included in their Universal Credit award.
  - III Please see paragraph 6.2.4 of this section for information about the treatment of earnings for those getting Universal Credit who are part of a couple.

\*\* Eligibility is based on the outcome of the claimant's most recent assessment prior to the date the charge was paid. Universal Credit is assessed monthly, based on the date of claim of an individual. The assessment period will run for a calendar month from the effective date of claim for Universal Credit (which will be shown on the award notice), and between the same dates each month, thereafter.

If they were included in a qualifying award of Universal Credit they should tick box 11, the patient was included in an award of income based jobseekers allowance. The patient should provide the Universal Credit award notice as evidence.

## NOTES ON CHARGES

- Check that the claim is being made within three months of the date the charge was paid, or the patient has an authorised form (LIS04(P)) from NHSBSA, Help with Health Costs
- Request evidence of entitlement to exemption or sight of form LIS04(P) authorising payment
- Check that the evidence relates to the patient
- Check that the evidence covers the date the charge was paid
- Note on the form what was produced, e.g. tax credit exemption certificate
- Note on the form the reference number on the exemption document (where applicable) e.g. 1234365
- Note on the form the LIS04(P) form reference number and date
- The person claiming the refund must print their name and address (i.e. the representative's details where appropriate)
- Pay the amount shown in Part A of the form
- Obtain signature of patient, or representative, and date for the cash
- Ensure that you, or the member of staff authorised to make refunds sign and print their name on the FP57/WP57 form.

### Time Limit for making claims

16. A refund must be claimed within 3 months of the date on which the prescription charge was paid (e.g. if charge is paid 1 January, the refund must be claimed by 31 March). If more than 3 months have elapsed between the time the charge was paid and the prescription refund and receipt form is presented for payment, the refund may not be paid unless the patient has a form LIS04(P).

17. In the event of a late claim, patients will need to send the prescription refund and receipt form to NHSBSA, Help with Health Costs, Bridge House, 152 Pilgrim Street, Newcastle Upon Tyne, NE1 6SN and explain why they did not claim the refund within the 3 month time limit. Their Review Section will examine the claim and either authorise a refund by sending form LIS04(P) or advise the patient why they do not qualify.

### Old style forms

18. You may be presented with the FP57/WP57 (0403) version of the form. If a patient does produce a 0403 form, the refund may be paid as long as either the form is presented within three months of the charge being paid, or the patient has an authorised form LIS04(P).

## 8. PREPAYMENT CERTIFICATES (PPCs)

In England, a patient can buy a PPC:

- 8.1 Over the internet, using their debit or credit card, at [www.nhsbsa.nhs.uk/ppc](http://www.nhsbsa.nhs.uk/ppc);
- 8.2 Over the telephone, using their debit or credit card, by calling 0300 330 1341;
- 8.3 By post, making payment by cheque, postal order, or their debit or credit card by completing the PPC application form (FP95);
- 8.4 By 10 monthly direct debit instalments of £10.40. These PPCs are available by post, by completing the PPC application form (FP95), telephone, by calling 0300 330 1341 or internet, at [www.nhsbsa.nhs.uk/ppc](http://www.nhsbsa.nhs.uk/ppc). This applies from 1 July 2007 and for 12 month PPCs only.
- 8.5 At a pharmacy registered to sell PPCs on behalf of the NHSBSA. A list of pharmacies registered to sell PPCs can be found at [www.nhsbsa.nhs.uk/ppc](http://www.nhsbsa.nhs.uk/ppc).

PPCs may start up to one month earlier or one month later than the NHSBSA, Help with Health Costs receive the application.

Doctors and pharmacists could greatly assist any patient who makes frequent payments for prescriptions by drawing attention to the availability of PPCs. These certificates cost £104.00 (England) for one year or £29.10 (England) for three months.

They are worthwhile for anyone requiring more than 12 items in 12 months or more than 3 items in three months. For the convenience of patients, pharmacists are asked to hold PPC application forms FP95 (which are also available from 0845 610 1112).

**NOTES ON CHARGES**

---

**9. BULK PRESCRIPTION**

Charges are not payable in respect of "bulk" prescriptions for schools or institutions supplied in accordance with the Regulations See Note 9, Part VIIIA (page 115).

**10. CONTRACEPTIVE SERVICES**

No charge is payable for contraceptive substances and listed contraceptive appliances for women prescribed on FP10 or any of its variants.

The great majority of family planning prescriptions will be for contraceptive devices (See Part IXA) spermicidal gels, creams, films, pessaries and aerosols; or those systemic drugs promoted as contraceptives which are listed below: prescriptions for those products will not be specially marked and a prescription charge should not be levied.

Prescriptions for other drugs - If the prescription is for contraceptive purposes the prescriber should mark the item with the symbol ♀ (or endorse the item in another way which makes it clear that the prescription is for contraceptive purposes) and a prescription charge should not be levied for any items so marked. In the absence of such an endorsement by the prescriber, the normal prescription charge will apply to that item.

Where a dispensing doctor paid on the Drug Tariff basis supplies for contraceptive purposes a drug which is not on the list he should mark the item with the symbol ♀ (or endorse the item in another way which makes it clear that the prescription is for contraceptive purposes) on the prescription form before it is submitted for pricing.

**List of preparations as determined by the Secretary of State for Health as respects England and the Welsh Ministers as respects Wales which may be prescribed by Community Practitioner Nurse Prescribers on Form FP(10)P (Forms WP10 (CN) and WP10 (PN) in Wales) for NHS patients under Section 41(1)(d) of the National Health Service Act 1977 as respects England and under Section 80(3)(d) of the National Health Service (Wales) Act 2006 as respects Wales.**

Community Practitioner Nurse Prescribers (in Wales district nurses and health visitors) who have completed the necessary training may only prescribe items appearing in the Nurse Prescribers' Formulary for Community Practitioners list set below.

**NURSE PRESCRIBERS' FORMULARY FOR COMMUNITY PRACTITIONERS**

See Also: Drug Tariff Part 1, 2, 3; Note 7 to Part IXA, B, C and Note 1 to Part IXR

Nurses are recommended to prescribe generically, except where this would not be clinically appropriate or where there is no approved generic name.

- 1           Only in quantities up to 100
- 2           Except pack sizes that are not to be prescribed under the NHS (See Part XVIII A)
- 3           Except for indications and doses that are POM
- 4           Notes for Nurse Prescribers in Family Planning Clinics - Where it is not appropriate for nurse prescribers in family planning clinics to prescribe contraceptive devices using Form FP10(P) (forms WP10(CN) and WP10(PN) in Wales), they may prescribe using the same system as doctors in the clinic.

**NON-MEDICAL INDEPENDENT PRESCRIBING (NURSES, PHARMACISTS,  
OPTOMETRISTS, PHYSIOTHERAPISTS AND CHIROPODISTS/PODIATRISTS)**

---

Nurse and Pharmacist Independent Prescribers are able to prescribe any medicine for any medical condition within their competence. This includes any controlled drug listed in Schedules 2-5, except diamorphine, cocaine and dipipanone for the treatment of addiction (Nurse and Pharmacist Independent Prescribers are able to prescribe other controlled drugs for the treatment of addiction).

Optometrist Independent Prescribers can prescribe any licensed medicine for ocular conditions affecting the eye and surrounding tissue, but cannot prescribe any controlled drug independently.

Physiotherapist Independent Prescribers can prescribe any licensed medicine for any condition within their competence within the overarching framework of human movement, performance and function. With effect from June 2015, this includes the following controlled drugs: temazepam (oral), lorazepam (oral), diazepam (oral), dihydrocodeine (oral), morphine (oral and injectable), fentanyl (transdermal) and oxycodone (oral).

Podiatrist Independent Prescribers can prescribe any licensed medicine within their competence and relevant to the treatment of disorders affecting the foot, ankle and associated structures. With effect from June 2015, this includes the following controlled drugs: temazepam (oral), lorazepam (oral), diazepam (oral), dihydrocodeine (oral).

Nurse, Pharmacist, Optometrist, Physiotherapist & Chiropodist/Podiatrist Independent Prescribers:

- must work within their own level of professional competence and expertise;
- are recommended to prescribe generically, except where this would not be clinically appropriate or where there is no approved generic name;
- can prescribe licensed medicines independently for uses outside their licensed indications (so-called 'off-licence' or 'off-label'). They must accept clinical/legal responsibility for that prescribing, and should only prescribe off-licence/off-label where it is accepted clinical practice. In general, the General Optical Council discourages optometrists from prescribing 'off-licence' or 'off-label'. Further guidance is provided in the College of Optometrists Clinical Management Guidelines;
- may prescribe any appliances/dressings that are listed in Part IX of the Drug Tariff. Optometrist, Physiotherapist and Chiropodist/Podiatrist Independent Prescribers can only prescribe appliances/dressings for the treatment of conditions relevant to their respective areas of professional practice;
- must not prescribe drugs and other substances listed in Part XVIIIA of the Drug Tariff at NHS expense;
- may prescribe drugs listed in Part XVIII B of the Drug Tariff at NHS expense, but only in the specified circumstances, for the specified patient groups listed in the Drug Tariff and where this is within their scope of professional practice;
- Nurse and Pharmacist Independent Prescribers can prescribe unlicensed medicines for their patients, on the same basis as doctors and supplementary prescribers. Optometrist, Physiotherapist and Chiropodist/Podiatrist Independent Prescribers cannot prescribe unlicensed medicines;
- may prescribe borderline substances, which have been approved by the Advisory Committee on Borderline Substances (ACBS). A list of ACBS approved products and the circumstances under which they can be prescribed, can be found in Part XV of the Drug Tariff. Although this is a non-mandatory list, Nurse and Pharmacist Independent Prescribers should normally restrict their prescribing of borderline substances to items on the ACBS approved list. Optometrist, Physiotherapist and Chiropodist/Podiatrist Independent Prescribers should not need to prescribe any items on the ACBS list.

## NATIONAL OUT-OF-HOURS FORMULARY

## THE FORMULARY CORE DRUG LIST

The following National Out-of-Hours Core Formulary contains the *minimum* list of drugs that patients should be able to access. Exact mechanisms for the provision of these drugs should be decided locally, taking into account existing treatment protocols. **(England only. At the time of going to press the Welsh Ministers had not adopted the formulary)**

Guidance and information on template PGDs can be found on the website: <http://www.pgd.nhs.uk/>

Drug	Comment	Oral			
		Child	Adult	Injectable	Other
<b>ANALGESIA</b>					
<b>Codeine or equivalent</b>	Oral formulations to be supplied as a full course to appropriately treat the presenting condition. Codeine preferred as it has a dual role for pain relief and diarrhoea.		Y		
<b>Diamorphine</b>	Diamorphine is preferred for its use in both cardiac pain and palliative care.			Y	
<b>Non Steroidal Anti-Inflammatory Drug (NSAID)</b>	Oral formulations to be supplied as a full course to appropriately treat the presenting condition. The exact preparation(s) should be decided after local negotiation. Intramuscular injection of a NSAID may avoid the need for controlled drug use.	Y	Y	Y	
<b>Paracetamol</b>	Supply as a full course to appropriately treat the presenting condition.	Y	Y		
<b>ASTHMA</b>					
<b>Inhaled Ipratropium</b>	Supply as a full course to appropriately treat the presenting condition.				Y
<b>Inhaled Salbutamol or equivalent</b>	Supply as a full course to appropriately treat the presenting condition.				Y
<b>Prednisolone</b>	Oral formulations to be supplied as a full course to appropriately treat the presenting condition. Soluble tablets may be preferable for dual use in children and adults.	Y	Y		
<b>Spacer Device</b>	Or nebuliser device.				Y
<b>CARDIAC EMERGENCIES</b>					
<b>Adrenaline/Epinephrine</b>	Strength/formulation suitable for treatment of cardiac arrest.			Y	
<b>Aspirin</b>	For use in all patients with suspected Myocardial Infarction unless contraindicated or already taken.		Y		
<b>Atropine</b>	For use in cardiac emergencies.			Y	
<b>Diamorphine</b>				Y	

## NATIONAL OUT-OF-HOURS FORMULARY

Drug	Comment	Oral			
		Child	Adult	Injectable	Other
<b>Furosemide</b>	Supply as a full course to appropriately treat the presenting condition. Full course of oral tablets is expected to be 7 days maximum.		Y	Y	
<b>Glyceryl Trinitrate Sublingual</b>	Supply as a full course to appropriately treat the presenting condition.		Y		
<b>ALLERGY/ANAPHYLAXIS</b>					
<b>Adrenaline/Epinephrine</b>	Strength/formulation suitable for treatment of anaphylaxis.			Y	
<b>Hydrocortisone</b>	Hydrocortisone sodium succinate can be used for anaphylaxis, asthma and hypoadrenalism.			Y	
<b>Chlorphenamine</b>	Supply as a full course to appropriately treat the presenting condition.	Y	Y	Y	
<b>Non-Sedating Antihistamine</b>	Supply as a full course to appropriately treat the presenting condition. Choice of preparation to be decided locally.		Y		
<b>DIABETIC EMERGENCIES</b>					
<b>Glucagon Injection</b>	Current recommendation is for both Glucose IV and Glucagon to be carried. Children may not respond to Glucagon so are more likely to need glucose. Patients not responding should be admitted.			Y	
<b>Glucose</b>				Y	
<b>OPIOID OVERDOSE</b>					
<b>Naloxone</b>	Any patient with an opioid overdose should be admitted to hospital, as repeated doses may be required.			Y	
<b>GASTROINTESTINAL</b>					
<b>Antacid</b>	Supply as a full course to appropriately treat the presenting condition taking into account manufacturers' pack sizes.		Y		
<b>Domperidone</b>	Supply as a full course to appropriately treat the presenting condition (see also metoclopramide).		Y		
<b>Glycerol Suppositories</b>	Included for immediate symptom relief (may be suitable for use by other healthcare professionals).				Y
<b>Anti-Spasmotic Agent</b>	Supply as a full course to appropriately treat the presenting condition.		Y		
<b>Loperamide</b>	Supply as a full course to appropriately treat the presenting condition.		Y		
<b>Metoclopramide</b>	Included as there is no parenteral formulation of domperidone			Y	
<b>Oral Rehydration Sachets</b>	Supply as a full course to appropriately treat the presenting condition.	Y

<b>Phosphate Enema</b>	Included for immediate symptom relief (may be suitable for use by other healthcare professionals).				Y
<b>Prochlorperazine</b>	Oral formulations to be supplied as a full course to appropriately treat the presenting condition.		Y	Y	Y
<b>PSYCHIATRIC EMERGENCIES/CNS</b>					
<b>Diazepam</b>	Supply as a full course to appropriately treat the presenting condition. Course length to be decided locally taking into account local policies and guidelines. Small quantities may be more appropriate. An appropriate rectal formulation to be included.	Y	Y	Y	Y
<b>Haloperidol</b>	Supply as a full course to appropriately treat the presenting condition. May also be used for treatment of severe nausea and vomiting.		Y	Y	
<b>Procyclidine</b>	Supply as a full course to appropriately treat the presenting condition.		Y	Y	
<b>OBSTETRIC AND GYNAECOLOGY</b>					
<b>Levonorgestrel 1500</b>	Full course to be supplied - included as current evidence suggests early treatment is appropriate.		Y		
<b>Syntometrine Injection</b>	Rarely used but essential to have available for intra or post partum obstetric emergencies. Special storage arrangements may be necessary.			Y	
<b>PALLIATIVE CARE DRUGS</b>					
<b>Diamorphine</b>				Y	
<b>Cyclizine</b>				Y	
<b>Dexamethasone</b>	It is expected that these drugs would be part of a special tamper proof palliative care pack that would be locally available. Local discussions will be necessary to determine appropriate access. The quantities supplied should be enough to allow appropriate symptom relief until formal review by palliative care team or General Practitioner.		Y		
<b>Hyoscine Butylbromide</b>				Y	
<b>Ketorolac/Diclofenac</b>				Y	
<b>Methotrimeprazine/ Levomepromazine</b>				Y

<b>LOCAL ANTIBIOTIC CHOICE</b>					
Following local discussion, antibiotics should be made available to appropriately treat the conditions listed below. Choice of preparation(s) should take into account local resistance patterns.					
<b>Cellulitis and other skin infections</b>	Supply as a full course to appropriately treat the presenting condition. Choice of preparation(s) should be made after local discussion taking into account local resistance patterns.	Y	Y		
<b>Respiratory infections</b>		Y	Y		
<b>Upper respiratory tract infections</b>		Y	Y		
<b>Urinary tract infections</b>		Y	Y		
<b>INFECTION</b>					
<b>Bacterial conjunctivitis</b>	Supply as a full course to appropriately treat the presenting condition. Choice of preparation(s) should be made after local discussion taking into account local resistance patterns.				Y
<b>Candidiasis (Topical)</b>	Included for immediate symptom relief.				Y
<b>Herpes Zoster</b>	Supply as a full course to appropriately treat the presenting condition. Choice of preparation to be decided locally. Included as current evidence suggest early treatment is appropriate.		Y		
<b>Benzylpenicillin</b>	For immediate treatment of meningococcal meningitis or septicaemia. Patients with suspected meningitis should be transferred to hospital urgently.			Y	
<b>MISCELLANEOUS</b>					
<b>Sodium chloride for injection/ infusion</b>	Also to include IV giving set and canula			Y	
<b>Water for injection</b>	For dissolving injectable drugs.			Y	
<b>Blood glucose testing sticks</b>	Use where <b>diagnosis</b> cannot safely wait e.g. to identify patients who have urgent treatment needs or who should be admitted to hospital.				Y
<b>Urine testing sticks</b>	Use where <b>diagnosis</b> cannot safely wait e.g. to identify patients who have urgent treatment needs or who should be admitted to hospital.				Y
<b>DRUGS WHERE SPECIAL ARRANGEMENTS MAY BE APPROPRIATE</b>					
<b>Oxygen</b>	It may be appropriate for some organisations to keep a supply of oxygen. Alternatively, local discussion and specific arrangements will need to be made for the delivery of oxygen.				

## DRUGS, MEDICINES AND OTHER SUBSTANCES NOT TO BE ORDERED UNDER A GENERAL MEDICAL SERVICES CONTRACT

Part XVIIIIA reproduces Schedule 1 to the National Health Service (General Medical Services Contracts) (Prescription of Drugs etc.) Regulations 2004.

Note: Some of the references to products listed in Schedule 1 to the National Health Service (General Medical Services Contracts)(Prescription of Drugs etc.) Regulations 2004, and reproduced below in Part XVIIIIA, are to their British Approved Name (BAN). The list has not been updated to reflect changes to the legislation which now requires that generic medicines should be referred to by their recommended International Non-proprietary Name (rINN), rather than their BAN. For the purposes of this list, reference to a generic product's British Approved Name also includes any corresponding generic medicine which is now known by the recommended International Non-proprietary Name. For example, there is an entry in Part XVIIIIA of the Drug Tariff for Guaiphenesin Syrup (any strength), but Guaifenesin is now the rINN. Neither product should be ordered under a general medical services contract. Appropriate amendments to schedule 1 to the National Health Service (General Medical Services Contracts)(Prescription of Drugs etc.) Regulations 2004 will be made in due course.

**DRUGS, MEDICINES AND OTHER SUBSTANCES THAT MAY BE ORDERED ONLY IN  
CERTAIN CIRCUMSTANCES**

In England:

Part XVIII B reproduces Schedule 2 to the National Health Service (General Medical Services Contracts) (Prescription of Drugs etc.) Regulations 2004.

Drugs in Column 1 of this part may be prescribed for persons mentioned in Column 2, only for the treatment of the purpose specified in Column 3. The Prescriber must endorse the prescription with the reference "SLS".

Details of restricted availability appliances (vacuum pumps and constrictor rings for erectile dysfunction) can be found in Part IX of the Drug Tariff beside the listing for the relevant appliance.

\* "at clinical risk" means in relation to a patient, a patient who -

- (a) has chronic respiratory disease;
- (b) has asthma that requires continuous or repeated use of inhaled or systemic steroids or with previous exacerbations requiring hospital admission;
- (c) has chronic heart disease;
- (d) has chronic renal failure;
- (e) has chronic liver disease;
- (f) has chronic neurological disease;
- (g) has diabetes; or
- (h) is immunosuppressed.

Drug	Patient	Purpose

**CRITERIA NOTIFIED UNDER THE TRANSPARENCY DIRECTIVE**

---

**Criteria notified to the European Commission under Article 7 of the Council Directive relating to the transparency of measures regulating the pricing of medicinal products for human use and their inclusion in the scope of national health insurance schemes (89/105/EEC)**

The following six criteria have been separately notified by the UK Government to the European Commission since 1989 to comply with Article 7 of the Transparency Directive.

First, under the Selected List Scheme, medicinal products in seventeen therapeutic categories which are excluded from prescription on the grounds that, on expert advice, they had no clinical or therapeutic advantage over other, cheaper, drugs in the following categories:-

- mild to moderate painkillers
- indigestion remedies
- laxatives
- cough and cold remedies
- vitamins
- tonics
- benzodiazepine sedatives and tranquillisers
- anti-diarrhoeal drugs
- drugs for allergic disorders
- hypnotics and anxiolytics
- appetite suppressants
- drugs for vaginal and vulval conditions
- contraceptives
- drugs used in anaemia
- topical anti-rheumatics
- drugs acting on the ear and nose
- drugs acting on the skin

Second, products may be considered as "borderline substances" which are not truly medicinal products with clinical or therapeutic value and are excluded from NHS prescription on that ground.

Third, as well as being freely available on sale over the counter to the general public the cost to the NHS if the product(s) were to be supplied on prescription could not be justified at any price likely to be economic to the manufacturer and that the supply of the product is not considered a priority for the use of the limited resources available to the NHS.

Fourth, that products which nonetheless may meet a legitimate clinical or therapeutic need when properly prescribed, are subject to misuse by drug misusers, and such misuse, or the manner in which the product is administered by drug misusers, gives rise to the risk of physical or mental morbidity and alternative products are available to meet all legitimate clinical or therapeutic needs.

Fifth, a medicinal product or a category of medicinal products may be excluded entirely from supply on NHS prescription. It may alternatively be excluded except in specified circumstances, or except in relation to specified conditions or categories of condition, or specified categories of patient. A medicinal product or a category of them may be so excluded where the forecast aggregate cost to the NHS of allowing the product (or category of products) to be supplied on NHS prescription, or to be supplied more widely than the permitted exceptions, could not be justified having regard to all the relevant circumstances including in particular: the Secretary of State's duties pursuant to the NHS Act 1977 and the priorities for expenditure of NHS resources.

Sixth, products which comprise an injection device prefilled with a drug may be excluded from supply on NHS prescription if the same drug is available and can be used more economically in a container which may be used in conjunction with a refillable injection device.

STATUTORY DETERMINATIONS

**THE NATIONAL HEALTH SERVICE  
(PHARMACEUTICAL AND LOCAL  
PHARMACEUTICAL SERVICES) REGULATIONS 2013**

**The Payments to Suspended NHS Chemists (England)  
Determination 2013**

The Secretary of State makes the following determination in exercise of the powers conferred by regulation 98(1) of the National Health Service (Pharmaceutical and Local Pharmaceutical Services) Regulations 2013(a).

Before making this determination, the Secretary of State consulted such organisations as appeared to the Secretary of State to be representative of NHS chemists.

**Citation and commencement**

1. This determination may be cited as the Payments to Suspended NHS Chemists (England) Determination 2013 and comes into force on 1st April 2013.

**Interpretation**

2.—(1) In this Determination—

“the 2005 Regulations” means the National Health Service (Pharmaceutical Services) Regulations 2005(b), as in force on 31st August 2012;

“the 2012 Regulations” means the National Health Service (Pharmaceutical Services) Regulations 2012(c), as in force on 31st March 2013;

“bank holidays” includes Christmas Day and Good Friday;

“relevant listed premises” means the premises listed in relation to a suspended contractor in the pharmaceutical list from which the contractor is suspended;

“SCMP” means a suspended contractor monthly payment, as mentioned in paragraph 3(1); and

“suspended contractor” means a person included in a pharmaceutical list who is suspended from that list.

(2) Where reference is made in this Determination to a numbered or numbered and lettered Part, it is to the numbered or numbered and lettered Part of the Drug Tariff bearing that number or number and letter.

(a) S.I. 2013/349. These Regulations apply, and so this determination applies, in relation to England only.

(b) S.I. 2005/641; amended by S.I. 2005/1015, 1501, 3315 and 3491, 2006/552, 562, 913, 1056, 1501 and 3373, 2007/674, 2008/683 and 1514, 2009/309, 599, 2205 and 3340, 2010/22, 231 and 914, 2011/2136 and 2012/1399. These Regulations were revoked with effect from 1st September 2012 by S.I. 2012/1909.

(c) S.I. 2012/1909; amended by S.I. 2012/2371. These Regulations were revoked with effect from 1st April 2013 by S.I. 2013/349.

**PAYMENTS TO CHEMISTS SUSPENDED BY THE NHS COMMISSIONING BOARD OR BY  
DIRECTION OF THE FIRST-TIER TRIBUNAL**

**Payments to a suspended contractor**

3.—(1) Subject to the following provisions of this determination, the NHSCB must pay to each contractor (SC) suspended from a pharmaceutical list in accordance with Chapter 6 of Part 7 of the National Health Service Act 2006(a) (pharmaceutical services and local pharmaceutical services – disqualification) a suspended contractor monthly payment (SCMP) of—

- (a) as regards each complete calendar month for which SC is suspended, an amount equal to SC's reference remuneration; or
- (b) if SC is only suspended for part of a calendar month, an amount calculated by multiplying SC's reference remuneration by the fraction produced by dividing the number of days for which SC was suspended during that month (including weekends and bank holidays) by the total number of days in that month.

(2) For the purposes of sub-paragraph (1) but subject to the following provisions of this determination, the "reference remuneration" of SC is the total of the relevant fees and allowances to which SC is entitled in respect of relevant listed premises during the relevant period, divided by the duration of the relevant period (which may differ for different elements of the reference remuneration if more than one set of premises are listed in relation to SC and those premises are listed in relation to SC for different periods).

(3) For the purposes of paragraph (2), the "relevant fees and allowances" means the following fees payable to SC during the relevant period—

- (a) fees (for pharmacy contractors) payable under clause 1 of Part IIIA;
- (b) fees (for pharmacy contractors) payable under clause 2 of Part IIIA;
- (c) fees (for appliance contractors) for dispensing appliances payable under Part IIIB;
- (d) payments (for pharmacy contractors) payable under Part VIA;
- (e) payments (for appliance contractors) payable under Part VIB;
- (f) payments for advanced services (for pharmacy and appliance contractors) payable under Part VIC;
- (g) payments for enhanced services (for pharmacy contractors) payable under Part VIE; and
- (h) payments in respect of pre-registration trainees payable under Part XIII.

(4) For the purposes of paragraphs (2) and (3), the duration of the "relevant period" is—

- (a) in the case of any relevant listed premises that have been listed in relation to SC for at least 12 complete calendar months prior to the suspension of SC, the 12 complete calendar months that preceded SC's suspension; or
- (b) in the case of any relevant listed premises that have been listed in relation to SC for less than 12 complete calendar months prior to the suspension of SC—
  - (i) if the premises have been listed in relation to SC for at least one calendar month prior to the suspension of SC, the number of complete calendar months prior to that suspension during which the premises were listed in relation to SC, or
  - (ii) if the premises have not been listed in relation to SC for at least one calendar month prior to the suspension of SC, the portion of that month, expressed as a fraction, prior to the suspension of SC during which the premises were listed in relation to SC.

**Adjustments to suspended contractor monthly payments to take account of premises closures or changes of ownership**

4.—(1) Subject to paragraph (3), where premises cease to be listed in relation to a contractor (SC) after SC has been suspended from a pharmaceutical list, as respects the period after those premises cease to be so listed, no account is to be taken of pharmaceutical services provided by SC at those premises prior to SC's suspension in the calculation of a SCMP.

(a) 2006 c. 41.

**PAYMENTS TO CHEMISTS SUSPENDED BY THE NHS COMMISSIONING BOARD OR BY  
DIRECTION OF THE FIRST-TIER TRIBUNAL**

---

(2) For these purposes, where the premises cease to be listed in relation to SC after the start of a calendar month, SC remains entitled to a proportion of—

- (a) the element of the SCMP; or
- (b) the SCMP,

that related to those premises, calculated by reference to the number of days in that month during which the premises were listed in relation to SC divided by the total number of days in that month.

(3) Paragraph (1) does not apply in circumstances where premises cease to be listed in relation to SC as a consequence of the relocation of the business at those premises to new premises.

(4) For the avoidance of doubt, no payments are payable under this Determination in respect of any period when SC no longer has any premises listed in relation to SC on a pharmaceutical list.

**Additional payments: increasing turnover**

5.—(1) If the NHSCB is satisfied that a suspended contractor (SC) to whom it is required to pay a SCMP would, but for the suspension, have been entitled to receive payments under Part VIA or VIB for a particular month in respect of particular premises that in total are higher than the amount in respect of payments under that Part that was included in the calculation of SC's SCMP for that month, it must make an additional payment to that contractor.

(2) The amount of the additional payment is to be the difference between the contractor's SCMP and the amount the SCMP would have been if the higher total referred to in sub-paragraph (1) had instead been the total of payments under Part VIA or VIB in respect of the particular premises that had been used in the appropriate place in the calculation of SC's SCMP.

**Additional payments: temporary cover**

6.—(1) If—

- (a) a person (X) other than a suspended contractor (Y) has been listed in relation to relevant listed premises; and
- (b) the NHSCB is satisfied that Y is paying X a payment (in addition to any agreed share of the payments under paragraphs 3 and 5) in respect of the provision of professional services by a chemist (Z),

the NHSCB must make an additional payment to Y in respect of that provision of professional services.

(2) The amount of the additional payment is to be the cost to X of the professional services provided by Z, up to a maximum of £150 per day.

**Arrangements for claims and making payments**

7.—(1) Payment of an SCMP, or of an additional payment under paragraph 5 or 6, is to be made in arrears as soon as is practicable after the end of the month to which the payment relates, but—

- (a) in the case of SCMPs, they are only payable if, before the first monthly payment, by the end of the month after the first month in respect of which a suspended contractor (SC) wishes to claim SCMPs, SC has notified the NHSCB that SC wishes to claim SCMPs; or
- (b) in the case of additional payments under paragraph 6, they are only payable if, by the end of the month after the month in respect of which SC wishes to claim the additional payment, SC has notified the NHSCB that it wishes to claim an additional payment.

(2) Where it is reasonable to do so, payments under this determination may be withheld, temporarily or permanently, if SC does not provide the NHSCB with the information that it reasonably requires in order to establish entitlement to, or the correct level of, payments under this determination.

(3) If SC's first SCMP is due but the NHSCB is only able to make a reasonable estimate of the amount that is due, it must pay a reasonable estimate of the amount that is due, and thereafter

**PAYMENTS TO CHEMISTS SUSPENDED BY THE NHS COMMISSIONING BOARD OR BY  
DIRECTION OF THE FIRST-TIER TRIBUNAL**

---

adjust (where it is able to do so) future SCMPs to take account of any underpayment or overpayment that has arisen because of the use of that estimate.

(4) For the avoidance of doubt—

- (a) sub-paragraph (3) is without prejudice to the NHSCB’s powers to recover overpayments under regulation 98(6) of the 2013 Regulations (payments to suspended chemists); and
- (b) the payments to be made under this determination are the payments to be made by the NHSCB to SC and not the payments to be made by the NHSCB to any person who is providing pharmaceutical services instead of SC because of SC’s suspension from a pharmaceutical list.

**Revocations and transitional arrangements**

8.—(1) The Payments to Suspended NHS Chemists (England) Determination 2012 is revoked.

(2) Paragraph 13(8)(a) of Schedule 9 to the 2013 Regulations (transitional provisions – service provision issues: NHS chemists) applies in relation to payments to a suspended contractor in respect of a period of suspension that preceded 1st September 2012 (as a consequence of which, decisions on payments in respect of the period of suspension that preceded 1st September 2012, and any appeals relating to those decisions, are to be in accordance with the 2005 Regulations and with the determinations mentioned in paragraph 8(1) of the Suspended NHS Chemists (England) Determination 2012).

(3) Paragraph 13(8)(b) of Schedule 9 to the 2013 Regulations applies in relation to payments to a suspended contractor in respect of a period of suspension between 1st September 2012 and 31st March 2013 inclusive (as a consequence of which, decisions on payments in respect of the period of suspension between 1st September 2012 and 31st March 2013 inclusive, and any appeals relating to those decisions, are to be in accordance with the 2012 Regulations and with the Suspended NHS Chemists (England) Determination 2012).

(4) Where a matter is to be dealt with in accordance with the determinations mentioned in sub-paragraphs (2) and (3) by virtue of paragraph 13(8) of Schedule 9 to the 2013 Regulations, in dealing with that matter, the NHSCB (or where appropriate on appeal the Secretary of State) is to treat those determinations as provisions of the Drug Tariff for the purposes of the continuity principles (as defined in paragraph 1(8) of Schedule 9 to the 2013 Regulations), whether or not those determinations continue to be included in the Drug Tariff.

**EXPLANATORY NOTE**

The following example is intended to illustrate the method of calculation of suspended contractor monthly payments under this Determination.

A pharmacy contractor is suspended by the NHSCB after close of business on 14th February 2014 and on that date has three sets of premises listed in relation to them on a particular pharmaceutical list: one (premises X) has been listed for two years; the second (premises Y) has been listed since the 15th May 2013; and the third (premises Z) has been listed since the start of February 2014.

In the 12 months prior to 1st February 2014, the contractor’s income from the relevant fees and allowances at premises X was £120,000; in the eight months prior to 1st February 2014, the contractor’s income from the relevant fees and allowances at premises Y was £96,000; and in the

---

first two weeks of February 2014, the contractor's income from the relevant fees and allowances at premises Z was £4,000. Accordingly, the reference remuneration for the contractor is  $(£120,000 \div 12 = £10,000) + (96,000 \div 8 = £12,000) + (£4,000 \div 0.5 = £8,000) = £30,000$ . For February 2014, the amount due will be  $£30,000 \times (14 \div 28) = £15,000$ , and from March 2014 onwards, the amount will be £30,000 – unless any or all of the premises close or are sold. So for example, if, with effect from 16th June 2014, premises Z are sold to another contractor, the reference remuneration for June 2014 is adjusted to £26,000 and from July 2014 to £22,000.

**REQUISITIONS AND PRIVATE PRESCRIPTIONS FOR CONTROLLED DRUGS**

---

Following the Government's response to the Fourth Report of the Shipman Inquiry (Safer Management of Controlled Drugs), the requirements for requisitions and private prescriptions for controlled drugs have changed.

**For England**Private Prescriptions for Controlled Drugs

From 1 July 2006 all private prescriptions issued for controlled drugs in Schedule 2 or 3 of the Misuse of Drugs Regulations 2001 must be ordered using the prescription form designed specially for this purpose (FP10PCD).

Following dispensing, the original FP10PCD prescription forms must be submitted to the NHS Business Services Authority (NHSBSA) for audit purposes.

Requisitions for Controlled Drugs

From 30 November 2015 the supply of controlled drugs in Schedule 2 or 3 of the Misuse of Drugs Regulations 2001 (as amended) must be requisitioned using the new FP10CDF form. This can be accessed from the NHS Business Services Authority website: <http://www.nhsbsa.nhs.uk/PrescriptionServices/1120.aspx>

The requirement to use the mandatory form applies to the professionals listed at regulation 14(4), which now includes paramedics and the person in charge or acting person in charge of an organisation providing ambulance services, and only when stocks of the relevant controlled drugs are to be obtained in the community, including from wholesalers but outside settings such as hospitals.

From 1 June 2015, hospices and prisons are exempt from the requirement to use the mandatory form when requisitioning supplies of Schedule 2 and 3 controlled drugs. They can continue to use the old version of the FP10CDF form while stocks last.

Once the supply has been issued, the requisition form must be marked in accordance with the regulations before being submitted to the NHS Business Services Authority for audit purposes. Hospitals and wholesalers are exempt from this requirement.

Submission of Forms

One FP34PCD submission document must be completed and submitted with each monthly submission of original FP10PCD prescription forms/FP10CDF requisition forms. The submission document is available at [www.nhsbsa.nhs.uk](http://www.nhsbsa.nhs.uk) along with guidance on how to complete the document.

The original prescriptions/requisitions should be sorted separately, packed securely and dispatched to the NHS Business Services Authority by no later than the fifth day of the month following that in which they were supplied.

The FP34PCD submission document and original FP10PCD prescription forms/FP10CDF requisition forms must be submitted to the following address:

**NHSBSA, NHS Prescription Services  
Division 3 Newcastle  
Goods Entrance (off Dean Street)  
Bridge House  
152 Pilgrim Street  
Newcastle upon Tyne  
NE1 6SN**

Please ensure that original FP10PCD prescription forms/FP10CDF requisition forms are only sent with the relevant FP34PCD submission document and are not included in the monthly submission of NHS prescription forms.

**For Wales**Private Prescriptions for Controlled Drugs

From 1 January 2007 all private prescriptions issued for controlled drugs in Schedule 2 or 3 of the Misuse of Drugs Regulations 2001 must be ordered using the prescription form designed specially for this purpose (WP10PCD (Pad) or WP10PCDSS (Single Sheet)).

Following dispensing, the original WP10PCD or WP10PCDSS prescription forms must be submitted to NHS Wales Shared Services Partnership (NWSSP) – Primary Care Services for audit purposes.

Requisitions for Controlled Drugs

From 30 November 2015 requisitions used for the supply of controlled drugs in Schedule 2 or 3 of the Misuse of Drugs Regulations 2001 must be ordered using a WP10CDF requisition form.

The requirement to use the mandatory form applies to the professionals listed at regulation 14(4) of the Misuse of Drugs Regulations 2001 as amended.

Since 1 June 2015, hospices and prisons have been exempt from the requirement to use the mandatory form when requisitioning supplies of Schedule 2 and 3 controlled drugs.

Once the supply has been issued the requisition must be submitted to NHS Wales Shared Services Partnership (NWSSP) – Primary Care Services for audit purposes. Supplies of the WP10CDF form can be obtained from local Business Service Centre stores. Requisitions for supplies by hospitals and wholesalers are exempt from this requirement.

Submission of Forms

The supplier must submit all CD requisitions that they have processed to NHS Wales Shared Services Partnership (NWSSP) – Primary Care Services using the WP34C form which can be downloaded from - <http://www.hsw.wales.nhs.uk/page.cfm?orgid=166&pid=9848>.

The WP34C submission document and original WP10PCD/WP10PCDSS prescription forms and WP10CDF requisition forms must be submitted to the following address:
