

Childcare reconciliation form

Date

Quarter Four: 29 May 2017 – 27 August 2017

Please ask your childcare provider to complete the table on the next page detailing the fees for your childcare in the period specified above. If you have used more than one childcare provider in this period **you must use a separate form for each of them**. You **must** include your student coversheet when you post your form/s to us. Please also provide your complete Tax Credit Award letter for the current academic year.

Please post your completed form/s to: **NHS Student Bursaries, Childcare, PO Box 2253, Bolton BL6 9HX.** (This is a different address to where you sent your NHS Bursary supporting evidence.)

The deadline for us to receive everything is **30 September 2017**. Your Childcare Allowance payments will be put on hold if you miss the deadline. If you send your reconciliation paperwork to any other address than the one above, your Childcare Allowance payments will be suspended until your paperwork has been reallocated and your childcare costs have been reconciled.

Student and childcare provider details (please complete in full) **SBA** number Student name Ofsted number **Provider name Provider postal address** Provider email address Student declaration I declare that the information I have given on this form is a complete and accurate record of the childcare costs I have incurred for this period. I understand and accept that if I provide false or misleading information the Childcare Allowance I receive may be withdrawn. I consent to Student Services contacting the childcare provider detailed on this form to verify the information provided. I understand that I must retain all of my childcare receipts as these may be requested by Student Services at any point during my academic year for random sample checking. I understand and accept that if I do not provide these when asked, all of the Childcare Allowance paid to me for that period will be raised as an overpayment and I will have to repay it to Student Services. I understand that Student Services may share the information on this form with NHS Protect for the purposes of the prevention, detection, investigation and prosecution of fraud or any other unlawful activity affecting the NHS. What happens next?

Once a separate form has been completed by each of the childcare providers that you have used in this period, please return all of the forms **along with your student coversheet** (which you can print from your <u>Bursary Online Support System (BOSS) account</u>).

We will then use this information to reconcile the Childcare Allowance you have received for this period against the actual childcare costs you have incurred. This will result in one of three outcomes:

- 1. Overpaid: If there is a difference between your original estimate and the actual costs you have incurred for this period and it is determined that you have been paid more Childcare Allowance than you are entitled to, you will have incurred an overpayment for the difference. We will then amend any future Childcare Allowance payments due to you in your current academic year based on either the revised estimate of your childcare costs (provided by you on the last page/s of this form) for the remaining weeks of this academic year or on the weekly average of your actual costs in the reconciliation period covered by this form.
- 2. **Underpaid**: If there is a difference between your original estimate and the actual costs you have incurred for this period and it is determined that you have received less Childcare Allowance than you are entitled to, you will receive an underpayment for the difference. In these cases we will not amend any future Childcare Allowance payments due to you in this academic year unless you request us to do so. You will receive the underpayment as a one off lump sum on the next available payment run.
- 3. **No change**: If there is no difference between your original estimate and the actual costs you have incurred for this period and it is determined that you have received the correct amount of Childcare Allowance, we will not amend any future Childcare Allowance payments due to you in this academic year.

If we need to amend any future Childcare Allowance payments, we will always use the weekly average unless you tell us your costs have increased or decreased by ticking the box below and completing the table on the next page/s.

I have provided a revised weekly estimate of my childcare costs on the next page/s:	
Comments (please tell us why these changes have occurred)	

For further information regarding the childcare reconciliation process, please see the <u>Ask Us</u> section of our website.

Revised estima	ate: 28 August 2017 – 26 August 2018

Provider name	Ofsted number	

If there is no change to your childcare costs, this section does not need to be completed. However, if you are telling us about a change in your childcare costs, please complete this table in full (i.e. all weeks) up to the end of **your** current academic year. Any weeks left blank will be taken as zero.
