

# Exceptional Support Fund (ESF): Student Journey

Funding support for eligible healthcare students who find themselves in genuine and unforeseen financial hardship during their studies.

1

Create an account on the Learning Support Fund Application System (LSFAS).

2

If you're experiencing exceptional financial hardship log in to your Learning Support Fund Application System account.

3

Select Exceptional Support Fund, complete the form, print off and take to your university with your student coversheet and all the required supporting evidence.

4

University completes section 5.2 of the form and posts it along with the coversheet and any supporting evidence to Student Services.

5

The form is assessed and if approved, payment will be made within 30 working days.
