NHS Pensions - Membership statement request (1995/2008 Section)

Please check the following three statements before returning this completed request form.

- I have read the membership record factsheet and wish to request a statement of membership in the 1995/2008 Section of the Scheme.
- I am aware that a membership statement will not include details of any entitlement I may have in the 2015 Scheme. If applicable, this information is available separately within my Annual Benefit Statement.
- I am aware that I am entitled to one statement of membership a year.
