

Community Pharmacy Seasonal Influenza Vaccination Advanced Service

15. A fee of £8.08 will be paid for each adult flu vaccination administered by a pharmacy contractor. An additional fee of £1.50 will be paid to cover training and clinical waste costs associated with the vaccination.
16. Pharmacy contractors will be reimbursed the cost of the vaccine in accordance with Part II, Clause 8C (Basic Price) of the Drug Tariff. An allowance at the applicable VAT rate will also be paid.
17. The fees will be payable only to contractors meeting the requirements of the service. These are set out in directions 7A and 7B of the principal Directions and the service specification.
18. Claims for payments for this programme should be made monthly, via the Manage Your Service platform provided by the NHSBSA. Claims will be accepted by the NHSBSA within six months of administration of the vaccination or by 31st August 2020, whichever date is earlier, in accordance with the usual Drug Tariff claims process. Later claims will not be processed. Payments* to contractors will be made monthly as part of their normal payment schedule. Information on submitting a claim are available via the NHS BSA website (<https://www.nhsbsa.nhs.uk/pharmacies-gp-practices-and-appliance-contractors/dispensing-contractors-information/community-1>). If using the Manage Your Service platform provided by the NHSBSA for submitting claims, contractors should ensure that they only make a single claim for each calendar month, as subsequent submissions for that claim month will not be accepted by the Manage Your Service platform.

* Payments to contractors will be based on the reimbursement price in effect the month before the claim is submitted.
