

Increasing the use of electronic Repeat Dispensing

Social media content: COVID-19 version

The NHS Business Services Authority (NHSBSA) works collaboratively with primary care staff to increase the use of electronic Repeat Dispensing (eRD).

We have created content to help you promote eRD across your social media channels in response to coronavirus (COVID-19).

We hope you find this useful. If you have any feedback or suggestions, please get in touch with us at: nhsbsa.gpproviderassurance@nhs.net

Social media content

1. In response to coronavirus #COVID19, [Name of practice] is moving suitable patients to electronic Repeat Dispensing (eRD) to help you protect yourself and continue to receive your regular medication. #StaySafeSaveLives
2. If you get regular or repeat prescriptions, you could save unnecessary trips to your GP by switching to Electronic Repeat Dispensing (eRD). It's reliable, secure and confidential. #COVID19 #StaySafeSaveLives
3. Get your repeat prescriptions straight from your pharmacy without having to visit your GP first. Ask us about electronic Repeat Dispensing (eRD). It's easy and you don't need a computer or electronic device. #COVID19 #StaySafeSaveLives
4. Do take regular medication? electronic Repeat Dispensing (eRD) allows your GP to prescribe your regular medicines for up to a year. It's reliable, secure and confidential. Ask your GP or pharmacist. #COVID19 #StaySafeSaveLives
