Release date
7 August 2020

Number	Name	Description	Benefit / Value
1	Candidate Hub	Adds a new landing page for candidates which contains information for the candidates, such as frequently asked questions, latest news updates, and links to other services.	Provides a home page for candidates with accessible information.
2	Frequently asked questions for candidates	Adds a selection of pre-determined frequently asked questions to an FAQ page. The top 6 Frequently Asked Questions are also displayed in the Candidate Hub.	Provides easily accessible information for the employers, displayed on the home screen when they first navigate to NHS Jobs.
3	Candidate log in page help content	Adds contact and support information to the login page for candidates.	Provides signposting for candidates if there is an issue logging in to the service.
4	Global alert banner	Adds a banner to all pages of the Candidate Hub to inform of system unavailability.	Provides candidates with information on when the system is unavailable.

4	Advice for jobseekers	Adds a 'Advice for Jobseekers' section to the Candidate Hub that provides various useful links.	Provides candidates with help and guidance when applying for vacancies.
5	Link to supporting organisations for candidates	Adds links to other NHS organisations on the Candidate Hub.	Provides candidates with direct links to access NHS Digital and NHS England.
