

**Release date**

7 August 2020

<b>Number</b>	<b>Name</b>	<b>Description</b>	<b>Benefit / Value</b>
1	Update to Frequently asked questions for employers	An update to existing employer FAQ's.	Provides employers with relevant, up to date FAQ's.
2	Global alert banner	Adds a banner to all pages of the Employer Hub to inform of system unavailability.	Provides employers with information on when the system is unavailable.
3	Latest news content on the Employer Hub	Adds latest news such as latest system releases, NHS Jobs newsletters and the NHS Jobs blog to the Employer Hub.	Provides employers with information on NHS Jobs system releases and other news and updates.
4	Employers can download all applications when arranging interviews	Employers have the ability to download all applications in one go when arranging interviews.	This speeds up the process and prevents employers having to download each application one by one.
