

Release date

3 December 2020

Number	Name	Description	Benefit / Value
1	Working pattern	The working hours have been removed from the working pattern screen.	Removing the box allows greater flexibility for employers advertising a job. Employers can explain the hours for the role in the job advert and no longer need to enter a specific number here. Employers add the hours in the system when making an offer. This is after agreeing the details with the successful applicant.
2	Continuous Improvement	1) Content changes	1) Various content changes to improve the journey for users of the service.
3	Bug fixes	1) Attachments on adverts 2) Interview times consistent for both employers and applicants	1) A bug has now been corrected so attachments are now able to be opened in the employer side of NHS Jobs. 2) A bug has been fixed to correct an issue where an employer and applicant saw different interview times.
