NEWS FEED

10 December 2020 ▶ CD Requisitions/Private CD Analysis and Out Of Hours Reports
CD Requisitions/Private CD Analysis and Out Of Hours Reports have now been updated to include July 2020 data.

9 December 2020 ▶ Evidence Based Interventions Dashboard Updated
Following an engagement process in Summer 2020, the programme has targeted 31 additional interventions. Two interventions, Exercise ECG (Z1) and Helmet therapy (Z2), should not be routinely offered to patients unless there are exceptional circumstances (Category 1). The remaining 29 interventions should only be offered to patients when certain clinical criteria are met (Category 2). To see all 31 interventions, please see the clinical guidance document on the Academy of Medical Royal Colleges website

Navigating the report

The report will open and will default to the latest time period available.

As this is a financial report you will only be able to access information for the organisations you are registered to access financial data for.

The report will be split into 2 separate reports, 1 showing total figures for remuneration and patient charges and a 2nd breaking the data into the individual elements of remuneration.
