Annual Reconciliation Report process

The Annual Reconciliation Report (ARR) process is now available in [Compass](#). All providers and performers are required by law to confirm their Net Pensionable Earnings (NPE) for the 2020/21 financial year.

The deadline for providers and performers to confirm their NPE has been extended until 11.59pm on Sunday 18 July 2021.

Guidance to help with the ARR process is available on our [website](#).

Maintain access to eDEN

Registered eDEN users (both commissioner and dental provider/practice managers) lose access to the system if they have not logged in for six months. Therefore we are being proactive in contacting users who have not logged in for around five months and encouraging users to log back in to retain access. We would also like to understand why this might be and if there is anything that we can do to make eDEN more helpful or relevant to your work.

If you are a user you will be sent a short survey which will take one minute of your time to answer, after which you will be redirected to the eDEN login page where you can keep your access by logging into the system.

Maintain access to Compass

It's important that your browser is up-to-date to maintain access to Compass. Compass is compatible with the following browser versions (v) or later:

- Chrome v31
- Edge v12
- Firefox v27
- Internet Explorer v11 (Windows 7)
- Opera v20
- Safari v9
