How to find your Annual Pensionable Earnings and Contribution Statement (SD86C)

This guide will show you how to find your annual SD86C which is a statement detailing your earnings and pension contributions for a specific financial year. These are produced in each year after the completion of the Annual Reconciliation Process (ARR).

Navigate to the 'Pensions' Folder

Select 'Annual Pensionable Earnings and Contribution Statement (SD86C)'

Your Performer number will be pre-populated on the page. Do not worry about entering any dates just click on Search and this will return all the available SD86Cs with the most recent one at the top.

You can filter the results by using the search facility if you wish to.

Click View to display the SD86C statement.
