You will then receive an email with details of your pin number containing an icon called '**Read Me'** – click on this icon for further details. Once you have received your PIN number please e-mail pensions online helpdesk confirming you pin number and they will provide the password You should change the password to one that you will easily remember, which you should then keep safe and never divulge to any one else.

Once a copy of the registration form is received by the NHSBSA it generally takes 3-4 working days before you can get access to the system.

Important note: If you have any problems with the registration process please contact the Pensions Online Helpdesk via e-mail. nhsbsa.polhd@nhs.net
