- (1) Subject to paragraph (8), each member shall, on becoming entitled to a pension under any of regulations E1 to E5, also become entitled to a lump sum.
- (2) Subject to paragraphs (2A), (3) and (7), the lump sum will be equal to 3 times that part of the yearly rate of the pension which is attributable to contributions paid under Part D.

(a) the pension referred to in paragraph (2) of this regulation means the pension before any reduction is made under regulation E5(2); and

(b) the lump sum as calculated under paragraph (2) of this regulation will, except for any lump sum in respect of service calculated as a result of exercising the right to buy additional service under regulation Q1 or the right to buy an unreduced retirement lump sum under regulation Q2, be reduced by such amount as the Secretary of State, after taking advice from the Scheme Actuary, shall determine.

(4) An option under paragraph (2) must relate to an annual amount of pension that is a whole number of pounds (and accordingly the lump sum will be exactly divisible by 12).

(5) In paragraph (4) "annual amount" in relation to a pension means the amount of the annual pension to which the member would be entitled under these regulations apart from the option, together with any increases payable under the Pensions (Increase) Act 1971, calculated as at the time the payment would be first due.

(6) A member may not exchange pension for lump sum under this regulation to the extent that it would result in a scheme chargeable payment for the purposes of Part 4 of the 2004 Act.

(7) If the member has a guaranteed minimum under section 14 of the 1993 Act in relation to the whole or part of a pension, paragraph (2) only applies to so much of the pension as exceeds that guaranteed minimum, multiplied by such factor as is indicated for a person of the member's description in tables provided by the Scheme Actuary.

(8) Subject to paragraphs (9) and (10), the option under this regulation may only be exercised by giving notice in writing to the scheme administrator in the form required by the Secretary of State--

(b) before a later time specified in writing by the scheme administrator.

(9) If the pension is an ill-health pension under regulation E2A, the option under this regulation may only be exercised by giving notice in writing to the scheme administrator in the form required by the Secretary of State--

 - (b) before such later time as the scheme administrator specifies in writing.
- (10) If the pension is a tier 2 ill-health pension under regulation E2B to be paid in place of a tier 1 ill-health pension under regulation E2A, the option under this regulation may only be exercised--
- (a) in relation to the difference between the tier 1 pension that is replaced by the tier 2 pension in accordance with paragraph (3) of regulation E2B and the tier 2 pension to which the member becomes entitled under that paragraph, and

will be as described in paragraph (2) and (3), but with the modifications set out in paragraph (7).

(7) The modifications referred to in paragraph (6) are--

- (a) in paragraph (2), for "member's pensionable pay when he died" substitute "member's final year's pensionable pay"; and
- (b) in paragraph (3), for "on the day he died" substitute "on his last day of pensionable employment".

(8) The widow's pension payable on a member's death if, on the day the member died, the member is--

- (a) under the age of 75 if not a special class officer or under the age of 70 if a special class officer;
- (b) in NHS employment;
- (c) no longer required to pay contributions on or after 2nd April 2008 pursuant to regulation D1(3) or (4) (contributions by members); and
- (d) except where regulation R4(6) (members doing more than one job) applies, not in receipt of a pension under any of regulations E1 to E5,

will be as described in paragraph (3B) and (3C), but with the modifications set out in paragraph (9).

(9) The modifications referred to in paragraph (8) are--

- (a) in paragraph (3B), for "member's pensionable pay when he died" substitute "member's final year's pensionable pay", and
- (b) in paragraph (3C), for "on the date of death" substitute "on the member's last day of pensionable employment".

G3 Member dies after pension becomes payable

(1) Subject to regulation G6 (member marries after leaving pensionable employment) and regulation S4 (benefits on death in pensionable employment after pension becomes payable), the widow's pension payable on a member's death after a pension under this Section of the scheme becomes payable will be as described in this regulation.

Warning: this text has been prepared by Department of Health and Social Care officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(2) Subject to paragraph (3), the widow's pension for the first 3 months after the member's death (6 months if the member leaves at least one dependent child who is dependent on the widow) will be equal to the member's pension if that amount is greater than the amount of widow's pension and child allowance that would otherwise be payable under these Regulations.

(3) For the purposes of paragraph (2), no account will be taken of any reduction to the member's pension under regulation S2 unless--

(a) the member is—

(i) a 2008 Section Optant within the meaning of regulation 2.K.1 or regulation 3.K.1 of the 2008 Section of the Scheme, or

(ii) a Waiting Period Joiner within the meaning of regulation 2.L.1 or 3.L.1 of that Section, and

(b) on the date of the member's death the member is an active or non-contributing member of that Section.

(4) Except while the widow's pension is payable at the rate mentioned in paragraph (2), the widow's pension will be equal to one-half of the member's pension.

(5) Where the member was in receipt of a pension payable under regulation E5 (early retirement pension with actuarial reduction), the member's pension referred to in paragraph (4) means the member's pension calculated without regard to any reduction made under regulation E5(2).

(6) If a member who was in receipt of a substitute tier 1 pension under regulation E2C dies before the end of the protection period that applies to him under regulation E2C(6)(a) or E2C(6)(b), the member's pension referred to in paragraph (2) means that member's original tier 2 pension.

(7) For the purposes of paragraphs (2) and (4), no account will be taken of any reduction to the member's pension under regulation E7 (general option to exchange part of pension for lump sum).

G4 Member dies with preserved pension

(1) Except where regulation G6 applies (member marries after leaving pensionable employment), the widow's pension payable on the death of a member with a preserved pension under regulation L1 (preserved pension) that had not become payable at the date of death will be as described in this regulation.

(2) If the member leaves pensionable employment before 1st April 2008 and dies within 12 months after leaving, the widow's pension will be equal to one-half of the pension that would have been payable to the member under this Section of the scheme if the member had retired through ill health with a pension under regulation E2 on the day the member left pensionable employment.

(2A) If the member leaves pensionable employment on or after 1st April 2008 and dies within 12 months after leaving, the widow's pension will be equal to one-half of the pension that would have been payable to the member under this Section of the scheme if the member had retired through ill health with a tier 2 pension under regulation E2A on the day the member left pensionable employment.

Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(3) If the member dies 12 months or more after leaving pensionable employment, the widow's pension will be equal to one-half of the member's preserved pension.

G5 Member dies within 12 months after leaving pensionable employment without pension or preserved pension

(1) This regulation applies if a member leaves pensionable employment without becoming entitled to a pension under any of regulations E1 to E5 or a preserved pension under regulation L1 and dies within 12 months after leaving.

(2) If the member dies before receiving a refund of contributions under regulation L2 or before a transfer payment is made to which regulation M5 applies (early leaver without pension or preserved pension), the widow shall be entitled to a widow's guaranteed minimum pension unless the Secretary of State discharges her liability to provide such a pension by paying a contributions equivalent premium under section 55 of the 1993 Act or article 3 of the 2016 Order.

G6 Member marries after leaving pensionable employment

(1) This regulation applies where the member and his wife were not married to each other during any period of pensionable employment.

(2) Subject to paragraph (3), the widow's pension will be equal to one-half of a pension calculated as described in regulation E1 (normal retirement pension) on the basis of the member's pensionable service after 5th April 1978.

(3) If the member dies after his pension under this Section of the scheme becomes payable, the widow's pension for the first 3 months after the member's death (6 months if the member dies leaving at least one dependent child dependent on the widow) will be equal to the amount of the pension that would have been payable under regulation G3 (member dies after pension becomes payable).

(4) Where the scheme partner referred to in regulation G14 (surviving scheme partner's pension) becomes the member's widow on the member's death, the widow's pension will, if it would be more beneficial to the widow, be equal to the surviving scheme partner's pension that would have been payable if the widow and the member had not been married to each other.

G7 Widower's pension

(1) Subject to the following provisions of this regulation, if a female member dies in the circumstances described in any of regulations G2 to G6 and leaves a surviving widower, the widower shall be entitled to a pension as described in this regulation.

(2) Subject to paragraph (2A), regulations G1 to G6 (pensions for widows) apply to the calculation and payment of pensions for widowers in like manner as they apply to pensions for widows.

(2A) Paragraph (3) applies if a female member died on or before 4th December 2005 in the circumstances described in any of regulations G2 to G6 and left a surviving widower.

Warning: this text has been prepared by Department of Health and Social Care officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(3) When calculating a widower's pension, any part of a member's benefit that is based on pensionable service before the 6th April 1988 will, subject to paragraphs (4) and (5), be disregarded.

(4) If regulation G2(3), G2(3C), G4(2) or G(4)(2A) applies to the calculation of the widower's pension on a member's death in pensionable employment or with a preserved pension--

(a) the whole of the member's pensionable service will be taken into account when calculating whether and (if so) to what extent there would have been an increase, by virtue of regulation E2(3) or E2A(4), in the pensionable service on which the member's pension under regulation E2 or E2A (ill health retirement pensions) would have been based; and

(b) the whole period (if any) by which the member's pension would have been increased will be treated as pensionable service after 5th April 1988.

(5) Where regulation G3(2) applies to the calculation of the widower's pension, so that the widower's pension is equal to the member's pension for a limited period, the widower's pension for that limited period will be equal to the whole of the member's pension (including any part of the member's pension that is based on pensionable service before 6th April 1988).

(6) Any reference in these Regulations to regulations G1 to G6 means, in relation to benefits in respect of a female member, those regulations as applicable to the member's widower (if any).

G8 Dependent widower's pension

(1) Subject to paragraph (7), a female member may, by giving notice in writing to the Secretary of State prior to leaving pensionable employment, nominate her husband to receive a dependent widower's pension on her death.

(2) The Secretary of State shall accept a member's nomination only if she is satisfied that the member's husband is permanently incapable of earning a living because of physical or mental infirmity and is wholly or mainly dependent on the member.

(3) If the Secretary of State has accepted a member's nomination and the member subsequently dies before her husband, the dependent widower shall be entitled to a dependent widower's pension.

(4) The dependent widower's pension will be calculated in the same way as a widow's pension under regulations G1 to G6 (pensions for widows), but based only on the member's pensionable service before 6th April 1988.

(5) If the Secretary of State has accepted a member's nomination for a dependent widower's pension and the member's pensionable service started before 25th March 1972 any lump sum payable to the member under regulation E6 (lump sum on retirement) will be reduced by an amount equal to 2 times the yearly rate of the part of the member's pension that is based on pensionable service before 25th March 1972 (except to the extent that any reduction has been off-set under regulation Q2 (right to buy an unreduced retirement lump sum)).

(6) Where regulation E2(10), regulation E2A(10) or regulation L1(8) applies to a female member, any reference in those regulations to a lump sum payable on retirement shall mean, in relation to a member to whom paragraph (5) of this regulation refers, a lump sum which is not reduced as described in that paragraph.

(7) This regulation does not apply to a female member who dies on or after 5th December 2005.

G9 Increased widower's pension

(1) Subject to paragraph (6), if a female member elected before 1st July 1989 to buy an increased widower's pension, the widower's pension described in regulation G7 will be based on pensionable service after 5th April 1988 plus the period of pensionable service before that date that the member elected to buy for this purpose under regulation 18B of the previous regulations (purchase of increased widower's pension).

(2) Subject to paragraph (3), any retirement lump sum payable to a member under regulation E6 (lump sum on retirement), in respect of any period of pensionable service that the member elected to buy as described in paragraph (1), will be reduced by 2 times the yearly rate of the part of the member's pension that is based on pensionable service before 25th March 1972 and by the yearly rate of the part of the member's pension that is based on pensionable service after 24th March 1972 plus, in each case, the relevant daily proportion of that rate for each additional day.

(3) Where regulation E2(10), regulation E2A(10) or regulation L1(8) applies to a female member, any reference in those regulations to a lump sum payable on retirement shall mean, in relation to a member to whom paragraph (2) of this regulation refers, a lump sum which is not reduced as described in that paragraph.

(4) Where the member elected to buy an unreduced retiring allowance under paragraph 3 of Schedule 7A to the previous regulations, regulations Q2 (right to buy an unreduced retirement lump sum) and Q7 (part payment for additional service or unreduced retirement lump sum) will apply to such election as if it had been made under regulation Q2.

(5) If a female member who has made an election under this regulation--

~~(a)~~omitted

(b) dies without leaving a widower but leaving a surviving civil partner or, as the case may be, a surviving scheme partner,

the widower's pension described in paragraph (1) shall be paid to that surviving partner.

(6) This regulation does not apply to a female member who dies on or after 5th December 2005 and leaves a widower or a surviving civil partner.

G10 Surviving civil partner's pension

(1) Subject to the following provisions of this regulation, if a member who is in a civil partnership dies in the circumstances described in any of regulations G2 to G6 and leaves a surviving civil partner, the surviving civil partner shall be entitled to a pension as described in this regulation.

(2) regulations G1 to G6 (pensions for widows) apply to the calculation and payment of pensions for surviving civil partners in like manner as they apply to pensions for widows.

Surviving scheme partner's pension

G14.—(1) This regulation applies on the death of a member, if—

- (a) the member has pensionable service on or after 1st April 2008,
- (b) the member dies in any of the circumstances described in regulations G2 to G6, and
- (c) the member leaves a surviving scheme partner.

(2) Where this regulation applies, a surviving scheme partner is entitled to a surviving scheme partner's pension.

(3) A surviving scheme partner's pension is calculated and paid—

- (a) in accordance with regulations G1 to G6, as they apply to pensions for widows, and
- (b) excluding any part of the member's benefit that is based on pensionable service before 6th April 1988.

(4) Paragraph 3(b) is subject to the following—

- (a) if regulation G2(3) or (3C) or regulation G4(2) or (2A) applies to the calculation of a surviving scheme partner's pension on a member's death in pensionable employment or with a preserved pension—
 - (i) the whole of the member's pensionable service is taken into account when calculating whether and, if so, the extent to which there would have been an increase, by the application of regulation E2(3) or regulation E2A(4), in the pensionable service on which the member's pension, under regulation E2 or regulation E2A, would have been based, and
 - (ii) the whole period, if any, by which the member's pension would have increased, is treated, in this regulation, as pensionable service after 5th April 1988 for the purpose of calculating a surviving scheme partner's pension;
- (b) if regulation G3(2) applies, so that the surviving scheme partner's pension is equal to the member's pension for a limited period, the surviving scheme partner's pension for that limited period is equal to the whole of the member's pension.

(5) If regulation G6 applies, paragraph (1) of that regulation applies as if the words "where the member and his wife were not married to each other during any period of pensionable employment" read "if the Secretary of State is not satisfied that a member's partner was the member's scheme partner for a continuous period of at least two years ending on the member's last day of pensionable service".

Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(6) A reference in these Regulations to regulation G1 to G6 means, in relation to benefits in respect of a member who has a scheme partner, those regulations as applicable to the member's surviving scheme partner.

(7) A person (P) is the scheme partner of a member if —

- (a) the member and P are living together as if they were husband and wife or civil partners,
- (b) the member and P are not prevented from marrying or entering into a civil partnership,
- (c) the member and P are financially interdependent or P is financially dependent on the member, and
- (d) neither the member nor P is living with a third person as if they were husband and wife or as if they were civil partners.

(8) A person is a surviving scheme partner of a member if the Secretary of State is satisfied that for a continuous period of at least two years, ending with the member's death, the person was the scheme partner of that member.

G15 Dependent surviving scheme partner's pension

(1) A member may apply for the member's scheme partner to receive a dependent surviving scheme partner's pension on the member's death.

(1A) An application must—

- (a) be made by the member giving notice in writing to the Secretary of State before leaving pensionable employment, and
- (b) be in relation to a person who has been the member's scheme partner for a continuous period of at least two years on the member's last day of pensionable service.

(2) The Secretary of State must accept a member's application only if the Secretary of State is satisfied that the member's scheme partner is--

- (a) permanently incapable of earning a living because of physical or mental infirmity; and
- (b) wholly or mainly dependent on the member.

(3) If the Secretary of State has accepted a member's application and the member subsequently dies before the member's scheme partner, a scheme partner entitled to a surviving scheme partner's pension is entitled to a dependent surviving scheme partner's pension.

(4) The dependent surviving scheme partner's pension is to be calculated in the same way as a widow's pension under regulations G1 to G6 but based only on the member's pensionable service before 6th April 1988.

(5) If the Secretary of State has accepted a member's application for a dependent surviving scheme partner's pension and the member's pensionable service started before 6th April 1988 any lump sum payable to the member will be reduced by an amount equal to 1.4 times the yearly rate of the part of the member's pension that is based on pensionable service before 6th April 1988 (except to the extent that any reduction has been off-set under regulation Q2).

(6) If regulation E2(10), regulation E2A(10) or regulation L1(8) (ill health retirement pensions and preserved pension) applies to a member who has a scheme partner, any reference in those

G16 Purchase of surviving partner's pension in respect of service before 6th April 1988

(1) Subject to this regulation, an officer in respect of whom a pension has not already become payable under regulation E2 or E2A (ill health retirement pensions) may, in respect of the whole or any part of the member's contributing service before 6th April 1988, elect to purchase an increase in the amount of any survivor's pension that becomes payable under this Section of the scheme.

(2) The purchase of an increase under paragraph (1) may be made only in respect of complete years of service, unless the officer wishes to purchase an increase in respect of all of the member's service before 6th April 1988, in which case the whole of the requisite period may be purchased whether or not it constitutes a multiple of complete years of service.

(3) An election under paragraph (1)--

(a) must be made either—

(i) during the period beginning on 1st April 2008 and ending on 30th June 2009; or

(ii) during the period beginning on 13th March 2014 and ending on 31st March 2015;

(b) must be made by notice in writing, given to the Secretary of State;

(c) must specify the period in respect of which the election is made;

(d) must be accompanied by a declaration in writing signed by the officer that he is of sound health for the member's age;

(e) is irrevocable.

(4) Each figure in tables 2 and 4 of Schedule 1 is multiplied by a factor of 0.7 in respect of the cost of providing the increase provided under paragraph (1).

(5) In this regulation "survivor's pension" means a pension that becomes payable by virtue of regulation G14.

G17 Increased surviving partner's pension

(1) If a member makes a valid election pursuant to regulation G16(3)(a) to buy an increased surviving partner's pension under regulation G16(1), any surviving scheme partner's pension that becomes available in respect of that member by virtue of regulation G14 will be based on pensionable service after 5th April 1988 plus any period of pensionable service before that date that the member elected to buy for this purpose under regulation G16(1).

(2) [omitted]

(3) Subject to paragraph (4), any retirement lump sum payable to a member under regulation E6, in respect of any period of pensionable service that the member elected to buy as described in paragraph (1), will be reduced by 1.4 times the yearly rate of the member's pension plus the relevant daily proportion of that rate for each additional day (except to the extent that any lump

sum reduction has been off-set under regulation Q2) (right to buy an unreduced retirement lump sum).

(4) If regulation E2(10), regulation E2A(10) or regulation L1(8) (ill health retirement pensions and preserved pension) applies to a member to whom this regulation refers, any reference in those regulations to a lump sum payable on retirement must be taken to mean a lump sum that is not reduced as described in paragraph (2) of this regulation.

(5) Subject to paragraph (6) if, by virtue of an election under regulation G16(1), the amount of the retirement lump sum would fall to be reduced by 1.4 times the yearly rate of a member's pension plus the relevant daily proportion of that rate for each additional day, he may make an election to purchase an unreduced lump sum under regulation Q2 provided that the election is made during either of the periods specified in regulation G16(3)(a).

(6) A member who has purchased additional service in accordance with regulation Q1 by way of a payment under regulation Q6 is not entitled to make an election under paragraph (4) in respect of the purchase of an unreduced lump sum.

Part H Child Allowance

H1 Dependent child

(1) Subject to the provisions of this regulation, "dependent child" means any child who is--

(a) a child or grandchild of the member;

(b) a step-child of the member by a marriage entered into or a civil partnership formed before the date on which the member leaves pensionable employment or a child legally adopted by the member before that date;

(c) a brother or sister, or a child of a brother or sister, of the member or the member's spouse, civil partner or surviving scheme partner (any half-brother or step-brother being treated as a brother, and any half-sister or step-sister being treated as a sister, for this purpose); or

(d) a child who, immediately before the member left pensionable employment, the member had intended to adopt, or a child who, at that time, had been dependent on the member for 2 years or (if less) half the child's life;

(e) a child of a member's surviving scheme partner if the Secretary of State is satisfied that the surviving scheme partner was the member's scheme partner before the date on which the member leaves pensionable employment;

and who satisfies the requirements of paragraph (2).

(2) The requirements of this paragraph are satisfied by any child described in paragraph (1) who is--

(a) born before the member leaves pensionable employment and who is dependent on the member when the member dies and, if the member dies after leaving pensionable employment, is also dependent on the member when the member leaves pensionable employment; or

(b) born one year or less after the member leaves pensionable employment and who either is dependent on the member both immediately after being born and when the member dies, or

would have become dependent on the member if the member had not died before the child was born.

(2A) A child is a dependent child of a person whose pensionable employment ceases on or after 1st April 2008 for so long as that child is--

- (a) under age 23; or
- (b) aged 23 or over and incapable of earning a living because of permanent physical or mental infirmity from which that child was suffering at the time the member died.

(3) Subject to paragraphs (6) and (7), a child is a dependent child of a person whose pensionable employment ceases on or before 31st March 2008 for so long as he is--

- (a) under age 17; or
- (b) aged 17 or over but has not reached the age of 23 and continuing in full-time education; or
- (c) aged 17 or over but has not reached the age of 23 and participating in full-time training for a trade, profession or vocation, for which he is not receiving remuneration in excess of the allowable maximum; or
- (d) aged 17 or over but has not reached the age of 23 and taking a break in such full-time education or training providing the Secretary of State is satisfied that the child intends to return to some such education or training;
- (e) aged 17 or over but has not reached the age of 23 and is incapable of earning a living because of permanent physical or mental infirmity from which he started to suffer whilst qualifying as a dependent child; but such a person will only be treated as a dependent child for so much of the period commencing with the day on which he attains the age of 17 and ending immediately before the day on which he attains the age of 23, during which he remains incapable of earning a living.

(4) A child who is aged 17 or over but has not reached the age of 23 and who has ceased to be a dependent child will be treated as a dependent child if he returns to full-time education, or to full-time training for a trade, profession or vocation for which he is not receiving remuneration in excess of the allowable maximum, before reaching age 21 and within 12 months after ceasing to be a dependent child.

(5) In this regulation, the "allowable maximum" means the amount to which a pension of £1702 a year beginning on 11th April 1994 would have been increased under Part I of the Pensions (Increase) Act 1971 at the date in question, plus the yearly amount of any expenses necessarily incurred for the purposes of the education or training.

(6) A child who is incapable of earning a living because of permanent physical or mental infirmity from which he was suffering at the time the member died will be treated as a dependent child for so long as he remains incapable of earning a living.

- (a) a dependent child became entitled to a child allowance under regulation H2 before 6th April 2006; or
- (b) the dependency of a child born on, or before, 5th April 2007 is to be assessed in respect of a person who became entitled to a pension under regulations E1 to E5 or L1 before 6th April 2006,

paragraphs (3)(b), (c) and (d) and (4) shall be read as if they did not include the words "but has not reached the age of 23", paragraph (3)(e) shall not apply and paragraph (6) shall be read as if it included the words "or from which he started to suffer whilst qualifying as a dependent child" after the words "member died".

H2 Payment of allowance

(1) Subject to the following provisions of this regulation, if a member dies in the circumstances described in any of regulations H3 to H7 and leaves a dependent child, the dependent child shall be entitled to a child's allowance as described in this regulation and in whichever of regulations H3 to H7 is applicable.

(2) If a dependent child is born after the member's death, a child allowance shall be payable as if the child had been born before the member died.

(3) The child allowance will be paid to the child or, where the Secretary of State so decides to some other person for the child's benefit and, where there is more than one dependent child, the allowance will be shared between them in such shares as the Secretary of State may decide from time to time.

(4) Where a child is a dependent child by virtue of regulation H1(3)(d), the child allowance shall cease to be payable after 12 months if the child has not then returned to full-time education, or full-time training for a trade, profession or vocation, but will be reinstated if the child later returns to some such education or training and the Secretary of State is satisfied that the child intended to do so from the start of the break.

(5) No allowance shall be payable to, or for the benefit of, a child who is incapable of earning a living because of permanent physical or mental infirmity for any period exceeding one month during which the child is maintained out of money provided by Parliament in a hospital or other institution.

(6) Where a child is a dependent child in relation to 2 or more members, all of whom die, a child allowance shall be payable in respect of not more than 2 of those members and, if there are more than 2 such members, shall be equal to the sum of the 2 highest allowances.

(7) The child allowance shall cease to be payable when there is no remaining dependent child.

H3 Member dies in pensionable employment

(1) The child allowance payable in the case of a member who dies whilst in pensionable employment will be as described in this regulation.

(2) Subject to paragraph (3), if the member dies before 1st April 2008 the allowance will be calculated, as described in whichever of paragraphs (4) or (7) apply, as a proportion of the pension that would have been payable to the member under this Section of the scheme if the member had retired through ill-health with a pension under regulation E2 (early retirement pension on grounds of ill-health) on the day he died.

(2A) If the member died on or after 1st April 2008 the allowance will be calculated as described in whichever of paragraphs (4A) or (4D) apply--

(6) The Secretary of State shall not accept an election unless satisfied that the member is in good health.

(7) If a member allocates part of his pension as described in this regulation and then dies after the pension becomes payable, the amount of pension already paid to the member under this Section of the scheme will be treated, for the purpose of calculating the lump sum on death payable under regulation F2 (member dies after pension becomes payable), as including the amount of the additional pension that would have been paid to the member if the member had not allocated part of his pension.

- (3) The part of a member's pension that is allocated must be an exact number of pounds and must be sufficient to provide a pension for the dependent, spouse or civil partner of at least £260 a year or, if greater, of the minimum amount that cannot be treated as trivial for the purposes of regulation T7 (commutation of trivial pensions).
- (4) If a member elects to allocate part of his pension in the circumstances described in regulation J1(4)(b) or (c) and then dies before his pension under this Section of the scheme becomes payable the member will be treated, for the purposes of paragraphs (1) to (3) above, as entitled to the pension he would have received if he had retired immediately before his death.

J3 Date on which allocation has effect

- (1) An election to allocate shall have effect, and may not be withdrawn or cancelled, once it has been accepted by the Secretary of State.
- (2) The allocation will not take effect if--

 - (c) the member withdraws his application before it is accepted by the Secretary of State.

Part K Contracting-out

K1 Contracting-out conditions to be overriding

- (1) This Section of the Scheme will be administered in conformity with the contracting-out conditions and, with the exception of the circumstances specified in paragraph (2), regulations K2 to K7 override any inconsistent provisions of these regulations.

(2) The weekly rate of the member's pension from guaranteed minimum pension age will not be less than the member's guaranteed minimum, except that--

- (b) payment may be reduced or suspended under regulation S1 or S2 (members who return to NHS employment after becoming entitled to a pension) if the member returns to NHS employment,

in either of which cases the member's guaranteed minimum pension will be increased as described in regulation K3 (late retirement).

(3) If the member is a man and dies leaving a widow, the weekly rate of the widow's pension will not be less than one-half of the member's guaranteed minimum.

(4) If the member is a woman and dies leaving a widower, the weekly rate of the widower's pension will not be less than one-half of the part of the member's guaranteed minimum that is attributable to earnings for the tax years 1988-89 to 1996-97 inclusive.

(4A) If the member is in a civil partnership and dies leaving a surviving civil partner, the weekly rate of the surviving civil partner's pension will not be less than one-half of the part of the member's guaranteed minimum that is attributable to earnings for the tax years 1988-89 to 1996-97 inclusive.

Warning: this text has been prepared by Department of Health and Social Care officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. K4 Early leavers

(1) This paragraph applies if a member who is under guaranteed minimum pension age either—

- (a) leaves contracted-out employment under this Section of the scheme before 6th April 2016, or
- (b) was in contracted-out employment under this Section of the scheme on 5th April 2016 but leaves pensionable employment on, or after, 6th April 2016.

This is subject to paragraph (2).

(1A) Where paragraph (1) applies the member's guaranteed minimum pension at the date of leaving will be increased, when the member reaches guaranteed minimum pension age or dies (if earlier), by the appropriate percentage specified in relation to each relevant year in the last order under section 148 of the Social Security Administration Act 1992 (revaluation of earnings factors) to come into force before the tax year in which the member reaches guaranteed minimum pension age or dies (if earlier).

(2) If a guaranteed minimum pension is to be transferred to another scheme, or bought out by a buy-out policy, under which early leavers' guaranteed minimum pensions are increased by a method other than that described in paragraph (1), the Secretary of State may adopt that other method for the guaranteed minimum pension in question.

(3) If a member to whom paragraph (1) applies returns to pensionable employment under this Section of the scheme within 6 months after leaving, the two periods of employment will be treated as continuous, unless the first period is covered by--

(1A) Where paragraph (1) applies, the guaranteed minimum pension transferred to this Section of the scheme will be increased for each complete tax year after the date of leaving under this Section of the scheme in which the transferred guaranteed minimum pension accrued, until the member reaches guaranteed minimum pension age or dies (if earlier).

(2) If the transfer is from another occupational pension scheme, the guaranteed minimum pension will be increased by the appropriate percentage specified in relation to each relevant year in the last order under section 148 of the Social Security Administration Act 1992 (revaluation of earnings factors) to come into force before the tax year in which the member reaches guaranteed minimum pension age or dies (if earlier).

K6 Protected rights transferred to this Section of the scheme

(1) Where, prior to 6th April 2012, protected rights have been transferred to this Section of the scheme from another occupational pension scheme or a personal pension scheme, the protected rights will be used to provide guaranteed minimum pensions equal to those to which the member and the member's spouse or civil partner would have been treated as entitled under the transferring scheme had the transfer not been made.

(2) Any guaranteed minimum pensions to which a member and his spouse or civil partner are entitled by virtue of paragraph (1) will be revalued as described in regulation K5(2).

K7 State scheme premiums

- (3) If the member's employment was contracted-out by reference to this Section of the scheme, the member (and the member's spouse or civil partner, if any) will remain entitled to a guaranteed minimum pension and section 9(2B) rights under this Section of the scheme, unless the Secretary of State discharges her liability in respect of that entitlement by paying a contributions equivalent premium under section 55 of the 1993 Act or article 3 of the 2016 Order.

- (2) If the member leaves pensionable employment with a preserved pension under regulation L1 and then returns to pensionable employment within 12 months after leaving, the member will cease to be entitled to the preserved pension under regulation L1 and the member's pensionable service before and after the break in pensionable employment will be treated as continuous.

(3) Subject to paragraph (5), if the member leaves pensionable employment with a preserved pension under regulation L1 and then returns to pensionable employment 12 months or more after leaving--

(a) the member's pensionable service before and after the break in pensionable employment will be treated separately unless, when the member becomes entitled to receive a pension or the member dies (whichever occurs first), it would be more favourable to the member, or the member's spouse or civil partner, to treat the member's pensionable service before and after the break, and all such other breaks (if any), as continuous; and

(b) if the member becomes entitled to receive a pension under regulation E2 or E2A, the pensionable service upon which that pension is based will be increased as described in paragraphs (4) to (6) of that regulation if the member's pensionable service before and after the break in pensionable employment is treated as continuous, but there will be no increase to any of the member's pensionable service if the member's pensionable service before and after the break is treated separately.

(6) If a member leaves pensionable employment with a preserved pension and, after returning, again leaves pensionable employment without becoming entitled to a pension under any of regulations E1 to E5, the member will be entitled to a preserved pension under regulation L1 in respect of the period after the break in pensionable employment whether or not he has 2 years' qualifying service in respect of that period.

(7) A member whose pensionable service before and after a break in pensionable employment is treated as continuous and who, before the break, was paying for additional benefits by regular additional contributions under regulation Q6 (paying for additional service or unreduced retirement lump sum by regular additional contributions) must continue to pay for those additional benefits after the break.

(7A) Practice staff who were employed by a registered medical practitioner on both 31st August 1997 and 1st September 1997 and who--

(8) If a member's pensionable employment before and after a break in pensionable employment (the "pre-break period" and the "post-break period" respectively) is treated separately, the member's benefits in respect of such employment in the pre-break period and the post-break period shall be calculated--

(a) separately; and

(b) by reference to--

(i) the member's pensionable service comprising that pre-break or post-break period as the case may be; and

(ii) his final year's pensionable pay in respect of that particular period,

as if that period had been his only period of pensionable employment.

(5) A member who requires the cash equivalent to be used to acquire rights under another pension scheme in accordance with paragraph (2) may exercise the right--

- (b) at a later time if the member exercises the right to require a transfer on the transfer of the member's employment to a new employer as a result of a transfer of an undertaking to that employer.

(6) A member may require the Secretary of State to use the cash equivalent of the member's rights under this Section of the scheme to purchase one or more buy-out policies or to acquire rights under a personal pension scheme only--

- (a) if the member leaves pensionable employment on or after 1st January 1986; and
- (b) if those rights are to be transferred to a personal pension scheme, in relation to any period of service of 2 years or more falling before 6th April 1988, only if a period of not less than one month has elapsed between the date the member left NHS employment and the date of commencement of any further NHS employment.

the member's right to require a transfer or buy-out will be limited to the cash equivalent of the part of the member's rights that is attributable to service after 5th April 1988 and the member will acquire a right to the cash equivalent of the member's remaining rights only if the member actually leaves NHS employment before reaching age 60.

(8) A member who leaves pensionable employment before reaching age 60, without becoming entitled to a pension under any of regulations E1 to E5 or a preserved pension under regulation L1 will be treated, for the purposes of regulations M1 to M5, as if the member left pensionable employment with a preserved pension, except that--

 - (b) is chosen by the Secretary of State; and
 - (c) is specified in the statement of entitlement; and
 - (d) is within the period of 10 days ending with the date on which the member is provided with the statement of entitlement.
- (3) In counting the period of 10 days referred to in sub-paragraph (d), Saturdays, Sundays, Christmas Day, New Year's Day and Good Friday are excluded.
- (4) In paragraph (2) "the required period" means--
 - (a) the period of 3 months beginning with the date of the member's application for a statement of entitlement; or
 - (b) such longer period beginning with that date (but not exceeding six months) as may reasonably be required if, for reasons beyond the control of the Secretary of State, the requisite information cannot be obtained to calculate the amount of the cash equivalent.
- (5) The member may withdraw the application for a statement of entitlement by notice in writing at any time before the statement is provided.

M3 Amount of member's cash equivalent

- (1) Subject to the following provisions of this regulation, the member's guaranteed cash equivalent will be equal to the capitalised value of all the member's accrued rights to benefits under this Section of the scheme and any associated rights under Part I of the Pensions (Increase) Act 1971.

- (2) Except in the case of a transfer payment accepted under regulation N3A (transfers in respect of members to whom regulation B5 applies who elect to join or rejoin this Section of the scheme), a member's cash equivalent will be at least equal to the amount of any transfer payments accepted in respect of the member under regulation N1(4) (member's right to transfer accrued benefits to this Section of the scheme), plus the amount of the member's contributions to this Section of the scheme.

will be calculated as described in the previous Regulations as applicable immediately before that date, if this would be more favourable to the member.

(4) If the transfer value payment is made under the public sector transfer arrangements, the amount of the transfer value payment is calculated--

(a) in accordance with those arrangements rather than paragraphs (2) and (3); and

(b) by reference to the guidance and tables provided by the Scheme Actuary for the purposes of this paragraph that are in use on the date used for the calculation.

(5) In any case where the Secretary of State has directed, under regulation T6, that part of a member's benefits under these Regulations shall be forfeited, the cash equivalent payable in respect of that member shall be reduced by the capitalised value of the forfeited part of those benefits.

M4 Applications for transfer value payments: General

(1) A member who has applied for and received a statement of entitlement under regulation M2 may apply in writing to the Secretary of State for a transfer value payment to be made.

(2) On making such an application a member becomes entitled to a payment of an amount equal, or amounts equal in aggregate, to the amount specified in the statement of entitlement (or such other amount as may be payable by virtue of regulation M5(2)).

(3) In these Regulations such a payment is referred to as "the guaranteed cash equivalent transfer value payment".

(4) The application must specify the pension scheme or other arrangement to which the payment or payments should be applied.

(5) The application must meet such other conditions as the Secretary of State may require.

(6) An application under this regulation may be withdrawn by notice in writing to the Secretary of State, unless an agreement for the application of the whole or part of the guaranteed cash equivalent transfer value payment has been entered into with a third party before the notice is given.

M5 Applications for transfer value payments: time limits

(1) Subject to paragraph (5), an application under regulation M4 must be made before the end of the period of 3 months beginning with the guarantee date, and the payment must be made no later than--

(a) 6 months after that date; or

(b) if it is earlier, the date on which the member reaches 60.

(2) If the payment is made later than 6 months after the guarantee date, the amount of the payment to which the member is entitled must be increased by--

(a) the amount by which the amount specified in the statement of entitlement falls short of the amount it would have been if the guarantee date had been the date on which the payment is made; or

(b) if it is greater and there was no reasonable excuse for the delay in payment, interest on the amount specified in the statement of entitlement, calculated on a daily basis over the peri-

(b) it appears to the Secretary of State that the proceedings may lead to all or part of the member's benefits being forfeited under regulation T6.

(5) The Secretary of State may defer doing what is needed to carry out what the member requires until the end of the period of 3 months beginning with the date on which those proceedings (including any proceedings on appeal) are concluded.

(6) In any case where a direction is given under regulation T6 for the forfeiture of a member's benefits, this regulation applies as if the amount specified in the statement of entitlement were reduced by an amount equal to the value of the benefits forfeited, as determined by the Scheme Actuary.

(7) Subject to paragraph (8), if a transfer value payment is made in respect of a member's rights under this Section of the Scheme, those rights are extinguished.

(8) If the member's rights described in regulation M1(4) have been excluded from the transfer payment, the Secretary of State will continue to be liable to provide the benefits described in regulation K2(7) (guaranteed minimum pension).

M6 Special terms for transfer out (bulk transfers etc)

(1) If one or more members (the transferring members)--

(a) leave pensionable employment,

(b) join another occupational pension scheme, and

(c) exercise a right to transfer to that scheme under regulation M2,

the Secretary of State may, after taking advice from the Scheme Actuary, make a single transfer payment to that scheme in respect of the transferring members.

(2) The Secretary of State must calculate the amount of any transfer payment paid under this regulation after taking advice from the Scheme Actuary.

(b) the amount of the transfer payment that relates to rights accrued in the transferring scheme before 6th April 1997 is at least equal to the yearly rate of the guaranteed minimum pension for which the Secretary of State would be liable as a result of accepting the transfer payment, multiplied by the factor appropriate to the member's age, as set out in the following table.

(4) If the Secretary of State accepts the transfer payment, the member will be credited with an additional period of pensionable service as described in whichever of regulations N2 (transfers made under the Public Sector Transfer Arrangements), N3 (transfers that are not made under the Public Sector Transfer Arrangements) and N3A (transfers in respect of members to whom regulation B5 applies who elect to join or rejoin this Section of the scheme) is applicable.

(2) Paragraph (1) applies only if the transfer payment--

- (a) represents all the member's rights to benefits under the transferring scheme; and
- (b) is calculated in a manner that is consistent with the actuarial methods and assumptions used by the Secretary of State to calculate cash equivalents under regulation M3 in the case of transfers under the Public Sector Transfer Arrangements.

(3) For the purpose of calculating the additional period of pensionable service under paragraph (1), regard shall be had to the member's age and marital status, and to the yearly rate of pay and any other factor notified to the Secretary of State by the trustees or managers of the transferring scheme as having been taken into account for the purpose of calculating the amount of the transfer payment.

N3 Transfers that are not made under the Public Sector Transfer Arrangements

(1) Except where regulation N2 (transfers made under the Public Sector Transfer Arrangements) applies, the additional period of pensionable service to be credited to the member in respect of the transfer payment will be calculated in a manner that is consistent with the actuarial methods and assumptions used by the Secretary of State to calculate cash equivalents under regulation M3 (amount of member's cash equivalent), in the case of transfers that are not made under the Public Sector Transfer Arrangements.

N3A Transfers in respect of members to whom regulation B5 applies who elect to join or rejoin this Section of the scheme

(1) In the case of a member to whom regulation B5 applies, this regulation shall apply for the purpose of calculating the amount of the transfer payment by reference to which an additional period of pensionable service may be credited by the Secretary of State to that member.

(2) Subject to paragraphs (3) and (4), the transfer payment in respect of which an additional period of pensionable service may be credited by the Secretary of State to a member referred to in paragraph (1) shall be calculated in a manner that is consistent with the actuarial methods and assumptions used by the Secretary of State to calculate cash equivalents under regulation M3 (amount of member's cash equivalent) in the case of transfers that are not made under the Public Sector Transfer Arrangements and shall be of an amount equal to the total amount of--

- (3) The amount, if any, payable by virtue of paragraphs (2)(ii) and (iii) shall be at least equal to the amount of the cash equivalent transfer value which would be payable by this Section of the scheme in respect of the transferred-out service if this Section of the scheme were to pay a cash equivalent transfer value in respect of that service immediately after the time at which the transfer payment is paid to this Section of the scheme by the relevant scheme.
- (4) In the case of a member to whom regulation B5 applies who has been credited with an additional period of pensionable service calculated as specified in regulation N3 (transfers that are not made under the Public Sector Transfer Arrangements), the Secretary of State may adjust the amount of the transfer payment referred to in paragraph (2) on account of the payment by reference to which that pensionable service was credited.
- (5) In this regulation--
- "personal pension scheme" has the same meaning as in regulation B5(4);
 - "transfer payment" means the payment payable to this Section of the scheme by the relevant scheme in respect of a member to whom regulation B5 applies who elects to join or rejoin this Section of the scheme; and
 - "transferred-out service" means the period of pensionable service which the member transferred out of this Section of the scheme by exercising a right under regulation M2 (exercising a right to transfer or buy-out).

 - (a) for the purpose of calculating the member's contributions to this Section of the scheme (other than by way of payment for additional service or unreduced retirement lump sum), pensionable pay for the period of absence will be calculated on the basis of the member's reduced earnings; and
 - (b) for all other purposes, the member's pensionable pay for the period of absence will be calculated as if no reduction were being made.
- (4) If the earnings used to calculate a member's pensionable pay cease during a period of absence to which this regulation applies--

- (5) If a member fails to pay any contributions which are required to be paid to this Section of the scheme in respect of a period of absence to which this regulation applies, the member will be treated as having left pensionable employment except that no refund of contributions or other benefit shall be payable unless the member actually leaves pensionable employment.
- (6) If a member to whom this regulation applies leaves pensionable employment or, by virtue of paragraph (4)(a) or (5), is treated as having left pensionable employment, without becoming entitled to a preserved pension, then if the member later returns to pensionable employment regulation L4(4) (early leavers returning to pensionable employment) will apply as if the reference to 12 months was a reference to 3 years.

Q17.—(1) Where an option under regulation Q8, Q10 or Q11 has been exercised, the final amount of the increase in a member's pension immediately before the beginning date for that pension shall be determined in accordance with this regulation.

(2) Where the increase in pension is in respect of an option that was exercised less than 2 months before the increase becomes payable, the final amount is calculated in accordance with paragraph (4).

(3) Where the increase in pension is in respect of an option that was exercised 2 or more months before the increase in pension becomes payable, the final amount is calculated in accordance with whichever of paragraphs (5) or (5A) applies.

(4) The calculation referred to in paragraph (2) is as follows—

- Step 1 – Calculate the basic amount of the increase in accordance with regulations Q14 to Q16, to find the Step 1 amount.
- Step 2 – Add to the Step 1 amount an amount that is equal to any increases that would be due under the Pensions (Increase) Act 1971 on a pension of the same amount as the Step 1 amount when it first falls into payment, to find the Step 2 amount.
- Step 3 – Divide the Step 2 amount by the Step 1 amount, to find the Step 3 factor.
- Step 4 – Divide the Step 1 amount by the Step 3 factor to find the final amount referred to in paragraph (1).

(5) If the member exercised the option on or before 31 March 2011, the calculation referred to in paragraph (3) is as follows—

- Step 1 – Calculate the basic amount of the increase in accordance with regulations Q14 to Q16, to find the Step 1 amount.
- Step 2 – Multiply the Step 1 amount by the retail prices index for the second month before the month in which the increase in pension will become payable, to find the Step 2 amount.
- Step 3 – Divide the Step 2 amount by the retail prices index for the month in which the option was exercised, to find the Step 3 amount.
- Step 4 – Take the greater of the Step 1 amount and Step 3 amount, to find the Step 4 amount.
- Step 5 – Add to the Step 4 amount an amount that is equal to any increases that would be due under the Pensions (Increase) Act

- 1971 on a pension of the same amount as the Step 4 amount when it first falls into payment, to find the Step 5 amount.
- Step 6 – Divide the Step 5 amount by the Step 4 amount, to find the Step 6 factor.
- Step 7 – Divide the Step 4 amount by the Step 6 factor to find the final amount referred to in paragraph (1).

(5A) If the member exercised the option on or after 1 April 2011, the calculation referred to in paragraph (3) is as follows-

- Step 1 – Calculate the basic amount of the increase in accordance with regulations Q14 to Q16, to find the Step 1 amount.
- Step 2 – Multiply the Step 1 amount by the prices index for the second month before the month in which the increase in pension will become payable, to find the Step 2 amount.
- Step 3 – Divide the Step 2 amount by the prices index for the month in which the option was exercised, to find the Step 3 amount.
- Step 4 – Take the greater of the Step 1 amount and Step 3 amount, to find the Step 4 amount.
- Step 5 – Add to the Step 4 amount an amount that is equal to any increases that would be due under the Pensions (Increase) Act 1971 on a pension of the same amount as the Step 4 amount when it first falls into payment, to find the Step 5 amount.
- Step 6 – Divide the Step 5 amount by the Step 4 amount, to find the Step 6 factor.
- Step 7 – Divide the Step 4 amount by the Step 6 factor to find the final amount referred to in paragraph (1).

(6) In this regulation, “the beginning date”, in relation to a pension, means the date on which it is treated as beginning for the purposes of the Pensions (Increase) Act 1971 (see section 8(2) of that Act) and “the prices index” means, as regards any month, the change in the general level of prices for that month used to determine increases to official pensions for the purposes of that Act.

R3 Mental health officers

(1) Subject to paragraph (2), this regulation applies to a member who at the coming into force of these Regulations--

- (a) is in pensionable employment under this Section of the scheme as a mental health officer, or
- (b) has accrued rights to benefits under this Section of the scheme arising out of a previous period in which he was engaged in such employment and at no time since the last occasion on which he was so engaged has he had a break in pensionable employment for any one period of 5 years or more.

(2) Subject to paragraph (3), this regulation shall cease to apply if the member has a break in pensionable employment for any one period of 5 years or more ending after the coming into force of these Regulations.

(3) Paragraph (2) shall be without prejudice to the operation of paragraph (5)(a) in relation to any period prior to this regulation ceasing to apply.

(4) For the purposes of paragraphs (1) and (2), "pensionable employment" includes employment that qualified the member for benefit under a health service scheme.

(5) Subject to paragraphs (6) and (7), where this regulation applies--

- (a) if the member has in excess of 20 years' pensionable service as a mental health officer, regulation E1 (normal retirement pension) will apply as if the reference, in paragraph (1) of that regulation, to age 60, were a reference to age 55, but only if the member was in pensionable employment as a mental health officer immediately before leaving; and
- (b) each complete year of pensionable service as a mental health officer in excess of 20 years will count as 2 years' pensionable service.

(6) For the purposes of calculating the 20 year period referred to in paragraph (5)--

- (a) there shall, in the case of a member who has reached age 50, be taken into account any period before he became a mental health officer in which he was employed on the staff of a hospital used wholly or partly for the treatment of persons suffering from mental disorder and in which he devoted the whole or substantially the whole of his time to the treatment and care of such persons, unless it would be more favourable to the member (or, if the member has died, to the persons entitled to benefits in respect of the member) to disregard any such period;
- (b) pensionable service does not include additional service bought under regulation Q1 (right to buy additional service).

(7) Paragraph (5) does not apply--

- (a) for the purpose of calculating, under regulations E2 or E2A and H3, H4 and H5 (child allowance), the pensionable service the member could have completed if he had stayed in pensionable employment until a particular age;
- (b) for the purpose of calculating a minimum widow's, widower's, surviving civil partner's or surviving scheme partner's pension based on the member's pensionable service after 5th April 1978 under regulation G6(2) (member marries after leaving pensionable employment); or

(c) for the purpose of calculating a member's benefits where it would be more favourable to the member or other person entitled to the benefits not to apply that paragraph and to calculate the member's benefits by reference to the member's final year's pensionable pay when the member leaves pensionable employment, completes 45 years' pensionable service (calculated without regard to paragraph (5)(b)), reaches age 65 or dies, whichever occurs first.

(8) Where, by virtue of paragraph (7)(c), paragraph (5) does not apply, the amount of any contributions that should have been paid by the member under regulation D1 (contributions by members), but which were not deducted from the member's earnings, will be deducted from the lump sum payable on the member's retirement or death.

(9) If a member who has in excess of 20 years pensionable service for the purposes of paragraph (5) leaves NHS employment before reaching age 55 because of redundancy, but without becoming entitled to a pension under regulation E3 (early retirement pension on grounds of redundancy) or regulation E3A (early retirement pension (termination of employment by employing authority)), and was in pensionable employment as a mental health officer immediately before leaving, regulation L1 (preserved pension) will apply as if the references in that regulation, to age 60, were to age 55.

(10) Subject to paragraph (12), if any member to whom this regulation applies becomes entitled to a preserved pension under regulation L1 on ceasing to be a mental health officer, the pension will be based on the greater of the member's basic service and a period of service calculated as--

$$(\text{basic service/potential basic service}) \times \text{potential service}$$

where--

"basic service" means the member's pensionable service, calculated without regard to paragraph (5);

"potential basic service" means the pensionable service the member could have completed if he had stayed in pensionable employment until age 55, calculated without regard to paragraph (5); and

"potential service" means the pensionable service the member could have completed, taking account of paragraph (5), if he had stayed in pensionable employment as a mental health officer until age 55.

(11) Subject to paragraph (12), if a member with at least 2 years' qualifying service ceases to be a mental health officer while continuing in pensionable employment, the member's pension in respect of the period before ceasing to be a mental health officer will, if it would be more favourable to him, be of an amount equal to the preserved pension to which the member would have become entitled in accordance with paragraph (10) if he had left pensionable employment on the day he ceased to be a mental health officer.

(12) Paragraphs (10) and (11) do not apply if the member again becomes a mental health officer within 12 months after the date on which he ceased to be a mental health officer.

(13) Subject to regulation Q6(4), if a member elects to pay for additional service or unreduced retirement lump sum by regular additional contributions under regulation Q6 he may elect to make those contributions from his next birthday following the date on which he elected to buy the additional service or unreduced lump sum until his 55th, 60th or 65th birthday, whichever he chooses, and that date will be the chosen date under regulation Q6(3).

It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(14) In this regulation, "mental health officer" means--

- (a) an officer working whole-time on the medical or nursing staff of a hospital used wholly or partly for the treatment of persons suffering from mental disorder, who devotes all, or almost all, of his time to the treatment or care of persons suffering from mental disorder;
- (b) any other officer employed in such a hospital who is within a class or description of officers designated by the Secretary of State as mental health officers for this purpose; and
- (c) a specialist in part-time NHS employment who devotes all, or almost all, his time to the treatment or care of persons suffering from mental disorder and who satisfies the requirements of paragraph (15).

(15) A member satisfies the requirements of this paragraph if he holds a whole-time specialist post and either--

- (a) he receives at least 10/11ths of the pensionable pay that he would have received for whole-time NHS employment, or
- (b) he was appointed before 1st January 1980 and retains the right, to which he was entitled on 31st December 1979, to be paid at least 9/11ths of the pensionable pay that he would have received for whole-time NHS employment.

(16) The Secretary of State may agree to treat as a mental health officer any member who, by reason of having transferred to part-time pensionable employment, would otherwise have ceased to be a mental health officer providing that person is engaged in work which had it been whole time, would have qualified that member for mental health officer status and there is no break in pensionable employment between the transfer from whole-time to part-time employment.

(17) Where a member is treated as a mental health officer by virtue of paragraph (15) or (16), each year of part-time pensionable service shall, for the purpose of determining whether the member has in excess of 20 years pensionable service for the purposes of paragraph (5) (but for no other purpose), be treated as if it were a year of whole-time pensionable service.

R4 Members doing more than one job

(1) This regulation applies to members in NHS employment--

- (a) with more than one employing authority;
- (b) who hold, under one employing authority, two or more separate employments; or
- (c) to whom paragraph (10A) below applies.

(2) The member may contribute to this Section of the scheme in respect of all or any of his employments with employing authorities, providing that the employments in respect of which he chooses to contribute to this Section of the scheme do not in aggregate exceed, as determined by the Secretary of State, a single comparable whole-time employment.

(3) Any amount by which the member's pensionable pay in respect of concurrent part-time employments exceeds the amount that the Secretary of State determines would have been paid in respect of a single comparable whole-time employment will be ignored.

(4) Any amount by which the member's pensionable service in respect of concurrent part-time employments, calculated as described in regulation R5 (pensionable service in respect of part-

time employment), exceeds the period during which the member carried on those employments, will be ignored.

(5) Subject to paragraph (6), the member shall not become entitled to a pension under any of regulations E1 to E5 or a preserved pension under regulation L1 until the termination of all NHS employments (including employment as a practitioner) or he reaches age 75.

(6) If the member leaves employment with one employing authority and becomes entitled to a pension under regulation E3 (early retirement pension on grounds of redundancy) or regulation E3A (early retirement pension (termination of employment by employing authority)) in relation to the employment that has ended, the member may elect to take benefits only in respect of the employment that has ended and to continue to accrue rights to benefits in respect of any other continuing pensionable employment.

(7) Where the member elects under paragraph (6), paragraph (5) will apply in relation to any employment in respect of which the member continues to accrue rights to benefits.

(8) For the purposes of paragraph (5) the member, on leaving NHS employment, shall be treated as having terminated all NHS employment where any remaining NHS employment amounts to 16 hours per week or less.

(9) Regulation S2 (reduction of pension on return to NHS employment) will apply to any member who becomes entitled to a pension under paragraph (6) while continuing in other NHS employment.

(10) Subject to paragraph (10A), in calculating the member's final year's pensionable pay there shall be taken into account pensionable pay in respect of any other pensionable employment in that final year except a pensionable employment in respect of which the member continues to accrue benefits in accordance with paragraph (6).

(10A) A member who becomes entitled to a pension under regulation E3 or E3A, and has terminated concurrent employment as a practitioner not more than 12 months before the date on which he becomes entitled to that pension, shall not be entitled to receive a pension under regulation E3 or E3A in respect of any employment as a practitioner, but shall be entitled only to receive a pension under regulation E1 or E5, or a preserved pension under regulation L1, in respect of such employments.

(10B) Where paragraph (10A) applies, the member may, in respect of any service as an officer which has terminated and to which paragraph 9(1), (6) or (9) of Schedule 2 applies, elect for that paragraph not to apply and instead to receive a pension under regulation E3 or E3A in respect of that service.

(11) The member will not receive a refund of contributions under regulation L2 until he leaves all pensionable employment without becoming entitled to a pension under any of regulations E1 to E5 or a preserved pension under regulation L1.

(12) The member may exercise a right to transfer or buy-out under regulations M1 to M5 (transfers and buy-outs) only if he leaves all pensionable employment before reaching age 60 and before becoming entitled to a pension under this Section of the scheme.

R5 Part-time employment

(1) Subject to paragraphs (6) and (10), a member's pensionable service in part-time employment will not count at its full length but will be calculated as described in paragraphs (2) or (3), whichever is applicable, as its whole-time equivalent.

(2) If the member's part-time employment is expressed as a specified number of half-days or sessions a week, the whole-time equivalent of the member's pensionable service in respect of that employment will be calculated by multiplying the full length of that service by the following fraction--

member's pensionable pay/comparable whole-time earnings

(3) In any case where paragraph (2) does not apply, the whole-time equivalent of the member's pensionable service in respect of part-time employment will be calculated by multiplying the full length of that service by the following fraction--

member's hours of employment each week/hours constituting comparable whole-time employment

(4) Subject to paragraph (5), for the purpose of calculating a member's final year's pensionable pay in respect of part-time employment, the member's pensionable pay will be the amount that the Secretary of State determines would have been paid in respect of a single comparable whole-time employment and any amount by which the member's actual final year's pensionable pay in respect of part time employment exceeds the amount determined will be ignored.

(4A) "A single comparable whole-time employment" in paragraph 4 means the number of hours, half-days or sessions which the Secretary of State determines would constitute a single comparable whole-time pensionable employment.

(5) Paragraph (4) does not apply to the calculation of final year's pensionable pay for the purposes of--

(a) regulations F1(2) and F2(2) (lump sum payable on death in pensionable employment or after pension becomes payable);

(b) regulation S2 (reduction of pension on return to NHS employment).

(6) If a member with pensionable service in part-time employment becomes entitled to a pension under regulation E2, E2A, E3 or E3A (ill health pensions, pensions on redundancy and early retirement pensions)--

(a) the member's pensionable service in part-time employment will count at its full length for the purpose of calculating--

(i) whether and (if so) to what extent, the pensionable service upon which the pension under regulation E2 or E2A is based should be increased under that regulation; or

(ii) the qualifying service for the purposes of regulation E3(2)(a) or regulation E3A(2)(a),

(b) the pension will be based on the whole-time equivalent of the period of part-time employment and, in the case of a pension under regulation E2 or E2A, the increase under that regulation will be limited to such amount as bears the same proportion to the amount that would have been paid had the pensionable service not been part-time as the whole-time equivalent bears to comparable whole-time employment.

Warning: this text has been prepared by Department of Health and Social Care officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(7) If a member in part-time pensionable employment elects to buy additional service as described in regulation Q1 (right to buy additional service), the period of additional service will be calculated in accordance with Table 1 or Table 3 of Schedule 1 (whichever is applicable) and then reduced by multiplying the full length of that additional service by the following fraction--

part-time pensionable employment/comparable whole-time pensionable employment
where--

"part-time pensionable employment" means the number of hours, half-days or sessions that the member was required to work under his contract of employment during the period by reference to which "remuneration" was calculated for the purposes of Table 1 of Schedule 1 or regular additional contributions were paid in accordance with regulation Q6 (paying by regular additional contributions); and

"comparable whole-time pensionable employment" means the number of hours, half-days or sessions that would have constituted comparable whole-time pensionable employment during that period.

(8) If a member in part-time pensionable employment elects to buy an unreduced retirement lump sum as described in regulation Q2 (right to buy an unreduced retirement lump sum), the period referred to in Table 2 or Table 4 of Schedule 1 (whichever is applicable) will be reduced in like manner as described in paragraph (7) above.

(9) Paragraphs (7) and (8) above also apply for the purposes of regulation Q7 (part payment for additional service or unreduced retirement lump sum).

(10) A member's pensionable service in respect of part-time employment will count at its full length (and concurrent periods of employment will be treated as a single employment) for the purposes of regulations C2(3) (limit on pensionable service that counts for benefits) and C3(1) (qualifying service).

R6 Members entitled to fees for domiciliary consultations

(1) This regulation applies to members who, as medical or dental officers, have received fees from an employing authority in respect of domiciliary consultations.

(2) Any fees received in respect of domiciliary consultations will be included in the member's pensionable pay for the purposes of regulation D1 (contributions by members).

(3) Any fees in respect of domiciliary consultations that are included in the member's pensionable pay for the purposes of regulation D1 will also be included in the member's pensionable pay for the purpose of deciding the year by reference to which final year's pensionable pay is to be calculated, but the member's final year's pensionable pay will then be reduced by the amount of any fees received in respect of domiciliary consultations during that year.

(4) If the member's final year's pensionable pay is reduced as described in paragraph (3), a supplementary benefit shall be payable with each benefit that is payable to, or in respect of, the member under this Section of the scheme.

(5) Subject to paragraph (6), each supplementary benefit that is payable in accordance with paragraph (4) will be calculated in the same way as the benefit that it supplements as if the amount of the fees received in respect of domiciliary consultations during the year by reference

to which final year's pensionable pay is calculated were the member's final year's pensionable pay.

(6) Any supplementary benefit will be based on the same pensionable service as the benefit that it supplements, except that--

- (a) any period of additional service bought as described in regulation Q1 (right to buy additional service) will be ignored;
- (b) any additional period of pensionable service credited to the member by virtue of paragraph (5)(b) of regulation R3 (mental health officers) will be ignored;
- (c) any period of service calculated as described in regulation 35(7) of the previous regulations (calculation of service in respect of part-time employment before 15th December 1966) will be ignored; and
- (d) where that pensionable service consists of or includes part-time employment, regulation R5(1) (part-time employment) will be ignored.

(7) If the member exercises a right to buy additional service under regulation Q1 or unreduced retirement lump sum under regulation Q2, the amount of any fees received from an employing authority in respect of domiciliary consultations will not be included in the member's pensionable pay for the purpose of calculating the cost of the additional service or unreduced retirement lump sum, except as described in paragraph (8).

(8) If the member exercises a right to buy an unreduced retirement lump sum under regulation Q2--

- (a) any fees received during the last financial year ending before the member elects to buy an unreduced retirement lump sum will be included in the member's remuneration for the purpose of calculating the amount payable under regulation Q5(3) (paying for an unreduced retirement lump sum by a single payment); and
- (b) any fees received while the member is paying for an unreduced retirement lump sum by regular additional contributions will be included in the member's pensionable pay for the purposes of regulation Q6(5) (paying for an unreduced retirement lump sum by regular additional contributions).

(9) If the member returns to NHS employment after becoming entitled to a pension, the member's final year's pensionable pay will include, for the purposes of calculating previous pay under regulation S2 (reduction of pension on return to NHS employment), the amount of any fees received in respect of domiciliary consultations during the year by reference to which final year's pensionable pay is calculated.

R7 Members who work temporary additional sessions

(1) This regulation applies to members who work temporary additional sessions.

(2) Any period of employment in respect of a temporary additional session will be ignored when calculating a member's pensionable service, and any payment received in respect of that employment will be ignored when calculating the member's pensionable pay.

(3) In this regulation, "temporary additional session" means a session equivalent to an extra notional half-day which a specialist or an officer appointed to a post in the grade of associate specialist has, in exceptional circumstances, undertaken to work and which does not form part of the member's normal contractual duties.

Warning: this text has been prepared by Department of Health and Social Care officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(4) In the case of a member who holds a whole-time specialist post and who receives at least 10/11ths of the pensionable pay that he would have received for whole-time pensionable employment, temporary additional session also includes any session in excess of 10 in any one week, regardless of its length.

R8 Former members of health service schemes

(1) For the purposes of these Regulations, "health service scheme" means--

- (a) a superannuation scheme provided under regulations made under section 10 of the Superannuation Act 1972 and for the time being in force in relation to Scotland,
- (b) a superannuation scheme provided under regulations for the time being in force under Article 12 of the Superannuation (Northern Ireland) Order 1972,
- (c) in the case of a member whose pensionable employment commenced on or before 1st April 2012, a superannuation scheme made under section 2 of the Superannuation Act 1984 (an Act of Tynwald), or
- (d) any other occupational pension scheme approved for this purpose by the Secretary of State.

(2) A member who leaves employment in respect of which he qualified for benefit under a health service scheme and who joins this Section of the scheme may, subject to paragraphs (3) and (4), require the Secretary of State to credit him with a period of pensionable service (together with the rights attaching to that service) under this Section of the scheme, calculated as if--

- (a) the employment to which the health service scheme applied were NHS employment; and
- (b) the member's contributions to the health service scheme were contributions to this Section of the scheme.

(3) The member may exercise this right only if a transfer payment is made from the health service scheme to this Section of the scheme.

(4) A member who wishes to exercise this right must do so by making application in writing to the Secretary of State within 1 year after joining this Section of the scheme.

(5) A member who leaves employment to which a health service scheme applied without becoming entitled to any benefits other than a return of contributions may buy additional service as described in regulation Q1 (right to buy additional service) and regulations Q4(7) and Q6(8) will apply, as the case may be, as if the previous service under a health service scheme were previous pensionable service under this Section of the Scheme.

(6) A member who leaves employment in respect of which the member qualified for benefit under a health service scheme and who joins the 2015 Scheme may, by notice in writing, require the Secretary of State to credit the member with a relevant period of pensionable service (together with the rights attaching to that service) under this Section of the scheme.

This is subject to paragraphs (8) and (9).

(7) That relevant period of pensionable service is calculated as if—

Application of Regulations with modifications

2

(1) These Regulations, subject to the modifications described in this Schedule, apply to members who are or have been practitioners as if they were officers employed by the relevant Local Health Board or the National Health Service Commissioning Board or, in the case of a locum practitioner, the listing Authority and, except where the context otherwise requires, references to an employing authority shall, in relation to a practitioner, be taken as a reference to the relevant Board or, in the case of a locum practitioner, the listing Authority.

(1A) In sub-paragraph (1), "listing authority", in relation to a locum practitioner, means the Board that prepares and publishes the medical performers list on which he is included.

(2) Notwithstanding any other provision of these Regulations, a practitioner who wishes to contribute to this Section of the scheme must do so in respect of all of his work as a practitioner other than any period or periods of work as a locum practitioner: this is subject to sub-paragraph (16) of paragraph 23.

Membership: locum practitioners

2A

(1) Regulation B1(2) (automatic membership of this Section of the scheme) does not apply to locum practitioners.

(2) A locum practitioner may apply to join this Section of the scheme by sending an application to the employing authority and submitting such evidence relating to his service as a locum practitioner and the contributions payable in respect of it as are required by the authority.

(3) On receiving such an application, such evidence and such contributions, the employing authority must submit the application to the Secretary of State.

(4) (revoked)

(5) No application may be made under sub-paragraph (2) in respect of a period of engagement as a locum practitioner ending earlier than ten weeks before the date of the application.

 - (b) in the case of a type 1 dental practitioner, practitioner income (taking into account any relevant pensionable earnings ceiling).

(e) payments made to such a person by an employing authority or a local authority in respect of health-related functions exercised under section 75 of the 2006 Act.

(2A) Subject to sub-paragraphs (2B), (2D) and (3), for the purposes of this paragraph, "practitioner income" means, as regards a type 1 dental practitioner, income which accrues to the practitioner which is derived from a GDS contract or a PDS agreement, and--

(a) includes charges collected from patients which are required, by virtue of directions given under, in the case of England, sections 94, 103 or 109 of the 2006 Act or in the case of Wales, sections 52, 60 or 66 of the 2006 (Wales) Act (which relate to PDS agreements and payments under GDS contracts), to be set off against payments under the contract or agreement; but

(2B) As regards each GDS contract or PDS agreement from which practitioner income is derived, the maximum amount of practitioner income which may be derived from that contract in any financial year is, subject to sub-paragraph (2C), the value of that contract in that financial year--

(a) less the value of following payments (where payable in that financial year by the National Health Service Commissioning Board or Local Health Board that is a party to the contract or agreement)--

(i) monthly seniority payments,

(ii) adoption leave, maternity leave, parental leave, shared parental leave or paternity leave payments;

(iii) sickness leave payments,

Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(2C) Where the income of a type 1 dental practitioner includes payments made under a GDS contract or a PDS agreement consisting of all or any of—

- (a) monthly seniority payments;
- (aa) a dental trainers grant;
- (b) maternity leave, paternity leave, parental leave, shared parental leave or adoption leave payments; and
- (c) sickness leave payments,

those payments are practitioner income for the purposes of this paragraph (that is, they are pensionable earnings notwithstanding that they are not included in the calculation of the pensionable earnings ceiling for a particular GDS contract or PDS agreement).

(2D) The following payments under a GDS contract or PDS agreement are not to be considered practitioner income for the purposes of this paragraph--

- (a) reimbursement of the salary of a foundation trainee;
- (b) reimbursement of the national insurance contributions of a foundation trainee; and
- (c) reimbursement of non-domestic rates.

(2E) For the avoidance of doubt, income which accrues to a type 1 dental practitioner while he is engaged as a type 2 practitioner is practitioner income of that type 1 dental practitioner, but unaffected by any pensionable earnings ceiling (although the combined earnings of that practitioner will be subject to the upper limit specified in paragraph 8).

(3) If the practitioner is in concurrent employment as an officer, or with a local authority or university, or as a civil servant, or in any other employment that the Secretary of State may in any particular case allow, "practitioner income" does not include any amounts for which the practitioner is required to account to the employer as a term or condition of that employment.

(4) In sub-paragraph (2)(a), "locum services" shall have the same meaning as for the purposes of paragraph 6.

Calculating pensionable earnings of medical practitioners in partnership

4

(1) In the case of type 1 medical practitioners practising in partnership (with or without a non-GP provider who is a partner in a partnership), the pensionable earnings of each type 1 medical practitioner and non-GP provider who is a partner in a partnership shall be calculated by aggregating the pensionable earnings of each (including for this purpose, any amount that would constitute pensionable earnings in the case of any of them who are not included in this Section of the scheme) and, subject to sub-paragraph (2), dividing the total equally by reference to the number of such partners.

(2) Where the type 1 medical practitioners and any non-GP providers who are partners in a partnership do not share equally in the partnership profits, they may elect that each partner's pensionable earnings shall correspond to each partner's share of the partnership profits.

(3) Where a type 1 medical practitioner practising in partnership also has earnings in respect of NHS employment otherwise than as a practitioner, the partners may elect that the pensionable earnings of that practitioner, as determined in accordance with sub-paragraph (1) or (2) ,

shall be reduced by the amount of those earnings and the pensionable earnings of each of them (including that practitioner) be then increased in proportion to their respective shares of the partnership profits.

(4) The calculations described in sub-paragraphs (2) and (3) will be made by the National Health Service Commissioning Board or Local Health Board to which the partners are required to give notice of their election in accordance with paragraph 5.

Elections relating to calculation of "pensionable earnings" in medical partnerships

5

(1) Type 1 medical practitioners and any non-GP providers who are partners in any partnership must exercise the elections described in paragraph 4(2) and (3) by giving notice in writing to their host Board.

(2) (revoked)

(3) (revoked)

(4) The notice must be signed by all the type 1 medical practitioners and non-GP providers in the partnership and must state as a fraction each practitioner's and non-GP provider's share in the partnership profits. In the case of medical practitioners, the notice must state the name of every Local Health Board or the National Health Service Commissioning Board on whose list the name of any practitioner in the partnership is included.

(5) (omitted)

(6) Any notice given under this paragraph will take effect from the date agreed between the practitioners and the National Health Service Commissioning Board or Local Health Board concerned. If no agreement is reached, the date will be decided by the Secretary of State.

(7) Any notice given under this paragraph may be cancelled or amended by a subsequent notice in writing signed by all the practitioners in the partnership. A notice will continue in effect until cancelled, or (if earlier) there is a change in the partnership.

Officer service treated as practitioner service

9

(1) Subject to sub-paragraph (3), if a member does not have more than 10 years' officer service on first becoming a practitioner, the member's officer service before first becoming a practitioner will be treated as practitioner service.

(2) For the purpose of calculating any benefit in respect of officer service that is treated as practitioner service under sub-paragraph (1), the member's pensionable pay in respect of that officer service--

- (a) may be disregarded and his uprated earnings increased by the same proportion as his practitioner's service is increased by virtue of the officer service being treated as practitioner service under sub-paragraph (1); or
- (b) may be treated as pensionable earnings,

Warning: this text has been prepared by Department of Health and Social Care officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. whichever is the more favourable to him.

(3) Sub-paragraph (1) does not apply where--

(a) the member first became a practitioner before 31st March 1977 and the benefits calculated under the corresponding provision, as it applied immediately before that date, would have been greater; or

[(aa) (revoked)]

(b) the member's pension in respect of total officer service would otherwise be greater than the member's pension in respect of total practitioner service (where "pension" includes, in each case, any increases payable under Part I of the Pensions (Increase) Act 1971) and the member's total pension would be reduced if the member's officer service before first becoming a practitioner were treated as practitioner service.

(4) The calculation described in sub-paragraph (3)(b) will be made when the member's pension under this Section of the scheme becomes payable. If the member dies before his pension becomes payable, the calculation will be made at the date of his death and by reference to the pension which would have become payable under regulation E1 (normal retirement pension) or L1 (preserved pension) if he had left pensionable employment immediately before that date.

(5) When calculating the member's total officer service and total practitioner service for the purposes of sub-paragraph (3)(b), any increase in the member's service by virtue of regulation E2 or E2A, and any additional service bought as described in regulation Q1 (right to buy additional service), will be ignored.

(5A) Where a member has more than 10 years' officer service before first becoming--

(a) a practitioner

(b) (revoked)

the member's officer service before first becoming such a practitioner may be treated as practitioner service if it would be more favourable to him.

[(5AA) (revoked)]

(5B) For the purpose of calculating any benefits in respect of officer service that is treated as practitioner service under sub-paragraph (5A), the member's pensionable pay in respect of that officer service shall be treated as pensionable earnings.

(5C) If--

(a) any part of the period of a member's officer service is treated as practitioner service for the purposes of sub-paragraph (1) or (5A) ("the converted service") and,

(b) any part of the converted service has been credited to the member as a result of a transfer-in under regulations N2 or N3 (but not regulation R8(2)) ("the converted service credit"),

the amount of pensionable pay deemed to be received in respect of the converted service credit will be calculated in accordance with paragraph 18 of this Schedule.

(6) Subject to sub-paragraph (8), if a member has, in total, less than one year's officer service on the last occasion on which he ceases to be a practitioner before his pension under this Section of the scheme becomes payable, that officer service will be treated as practitioner service.

Warning: this text has been prepared by Department of Health and Social Care officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(6A) Subject to sub-paragraph (8), if a member has in total, 1 year's officer service or more on the last occasion on which he ceases to be a practitioner before his pension under this Section of the scheme becomes payable, that officer service may be treated as practitioner service if it would be more favourable to him.

(6B) Any officer service which is treated as practitioner service by virtue of sub-paragraph (6) or (6A) shall include any periods of officer service which are concurrent with periods of practitioner service.

(7) For the purpose of calculating any benefit in respect of officer service that is treated as practitioner service under sub-paragraph (6) or (6A), the member's pensionable pay in respect of that officer service will be treated as pensionable earnings.

(8) If the member has officer service before first becoming a practitioner, sub-paragraph (1) will be applied before sub-paragraph (6) or (6A) and--

(a) neither sub-paragraph (6) nor (6A) will apply to any officer service that is treated as practitioner service under sub-paragraph (1) or (5A); and

(b) any officer service that is treated as practitioner service under sub-paragraph (1) or (5A) will be ignored for the purpose of deciding whether sub-paragraph (6) or (6A) applies.

(9) If any member with practitioner service works in employment as an officer for less than 1 year after last ceasing to be a practitioner, any officer service that is attributable to that employment will be treated as practitioner service.

(10) For the purpose of calculating any benefit in respect of officer service that is treated as practitioner service under sub-paragraph (9), the member's pensionable pay in respect of that officer service will be treated as pensionable earnings.

(11) Where the officer service mentioned in sub-paragraph (6), sub-paragraph (6A) or sub-paragraph (9) has been credited as a result of a transfer under regulation N1 (member's right to transfer accrued rights to benefits to this Section of the scheme), the pensionable pay in respect of it shall be deemed to be the pensionable pay by reference to which the additional period of service was calculated under regulation N2(3) or N3(2), whichever is applicable.

[(12) (revoked)]

Locum practitioners: breaks between contracts

9A

(1) Paragraph (4A) of regulation C3 does not apply and this paragraph applies instead where a locum practitioner ceases to be engaged as such a practitioner and so ceases to be treated as being in pensionable employment and is re-engaged as such a practitioner before the expiry of a period not exceeding three months from the day on which he so ceases.

(2) For the purposes of these Regulations--

(a) he is treated as continuing to be in qualifying service during the period whilst he is not so engaged and as not being required to rejoin this Section of the scheme at the time when he becomes so re-engaged, but

(b) that period does not count as practitioner service (or as a period in pensionable employment).

(2H) A practitioner and a non-GP provider member whose applicable pensionable earnings fall into a pensionable earnings band specified in column 1 of the relevant table in sub-paragraph (1A) must, in respect of a scheme year, contribute the percentage of that person's pensionable earnings specified in column 2 of that table in respect of that amount: such contributions must be paid in 12 equal monthly instalments throughout that year.

(2I) For the purposes of sub-paragraph (2H), a practitioner and a non-GP provider member's applicable pensionable earnings are—

- (a) the estimated amount of that member's earnings agreed between the host Board and that member having regard to any estimates of pensionable earnings which have been provided pursuant to paragraph 23(12);

for a period of 12 months from the date on which the member's earnings ceased and the member will not be treated as having left pensionable employment in accordance with regulation P1(4) until the end of that 12 month period. During the 12 month period, the member's pensionable earnings will be calculated as described in sub-paragraphs (4) and (5) below.

(4) If the member is one of a number of practitioners who have elected as described in paragraph 4(2) above, each practitioner's pensionable earnings will be calculated as if the partnership's aggregate pensionable earnings were equal to the amount of the partnership's aggregate pensionable earnings during the 12 month period ending immediately before the member's earnings were reduced or ceased.

(5) Except where the member's pensionable earnings fall to be calculated as described in sub-paragraph (4), the member will be treated as having continued to receive the same average rate of pensionable earnings as during the 12 month period ending immediately before his earnings were reduced or ceased.

[(6) (revoked)]

(7) Regulations P1 and P2 and the previous sub-paragraphs do not apply in the case of locum practitioners.

(8) Before a calculation of a member's pensionable earnings can be made in accordance with sub-paragraphs (4) and (5), written notice of the length of the absence must be given to the Secretary of State by—

- (a) the member, where the member is a type 1 practitioner or a non-GP provider; or
- (b) in all other cases, the National Health Service Commissioning Board or relevant Local Health Board.

(9) The notice referred to in sub-paragraph (8) must be provided to the Secretary of State in such form and manner as the Secretary of State may stipulate from time to time.

Right to buy additional service and unreduced retirement lump sum

20

(1) In the case of members who are practitioners, regulations Q1 (right to buy additional service), Q2 (right to buy unreduced retirement lump sum) Q4 and Q5 (paying by single payment) and Q6 (paying by regular additional contributions) are modified so that the cost of buying additional service and unreduced retirement lump sum and the benefits in respect of any additional service bought under regulation Q1 are calculated as described in this paragraph.

(2) Regulation Q1 is modified so that, if the member elects to pay for additional service by a single payment, the benefits in respect of the additional service will be calculated by increasing the member's pensionable earnings for the financial year in which the member elects to buy the additional service.

(3) The amount of the increase referred to in sub-paragraph (2) will be calculated using the formula--

relevant earnings x additional service bought

where--

"relevant earnings" means the amount of remuneration by reference to which the amount of the single payment was calculated; and

"additional service bought" means the period of additional service that the member chooses to buy, calculated in complete years with a relevant daily proportion for each additional day.

(4) Regulation Q1 is further modified so that, if the member chooses to pay for additional service by regular additional contributions, the benefits in respect of the additional service will be calculated by increasing the member's pensionable earnings for the year in which the member stops paying those contributions.

(5) The amount of the increase referred to in sub-paragraph (4) will be calculated using the formula--

relevant uprated earnings x additional service bought

where--

"relevant uprated earnings" means the yearly average of the part of the member's uprated earnings that is attributable to the period during which the member paid regular additional contributions; and

"additional service bought" means the period of additional service that the member chooses to buy, calculated in complete years with a relevant daily proportion for each additional day.

(6) Regulation Q4(4) and (5) is modified so that, for the purposes of Table 1 of Schedule 1, "remuneration" means, subject to sub-paragraph (7) below, the yearly average of a member's uprated earnings in respect of practitioner service before the date on which the employing authority receives notice in writing, on the form provided, exercising the member's right to buy additional service. For the purpose of this calculation, any officer service that is treated as practitioner service by virtue of paragraph 9 (officer service treated as practitioner service) will be ignored.

(7) If, when the employing authority receives a notice exercising a right to buy additional service, the member has not been in practitioner service for a complete quarter, "remuneration" will be calculated by reference to the member's uprated earnings at the end of the member's first complete quarter in practitioner service.

(8) Regulation Q6(5) is modified so that, if the member elects to pay for additional service or unreduced retirement lump sum by regular additional contributions, the contributions will be calculated as a percentage of pensionable earnings (instead of pensionable pay), in accordance with Table 3 of Schedule 1 (if the member is buying additional service) or Table 4 of Schedule 1 (if the member is buying an unreduced retirement lump sum).

(9) The upper limit on a dental practitioner's pensionable earnings under paragraph 8 (limit on pensionable earnings--dental practitioners) shall not apply to any increase in a member's pensionable earnings under this paragraph.

(3) Regulation R4(2) is modified so that a practitioner may participate in this Section of the scheme in respect of concurrent whole-time or part-time employment as an officer, even if he also participates in this Section of the scheme in respect of employment as a practitioner.

(4) For the purposes of paragraph 12 (early retirement pension on grounds of ill-health), any amount by which a member's service in respect of concurrent employments exceeds the period during which the member carried on those employments will be ignored for the purpose of calculating the member's total pensionable service.

(5) If a transfer payment is accepted in respect of a member who is contributing to this Section of the scheme in respect of employment as a practitioner and concurrent employment as an officer, the member may elect whether the benefits in respect of the transfer payment should be calculated as described in regulations N1 to N3 or as described in paragraph 18 (transfers from other pension arrangements).

Reduction of pension on return to NHS employment

22

(1) In the case of members who are or have been practitioners, regulation S2 (reduction of pension on return to NHS employment) is modified as described in this paragraph.

(2) Regulation S2(14) is modified so that--

(a) "pay" means the amount of pensionable earnings received by the member, for any financial year, from NHS employment (or what would have been his pensionable earnings had he been in pensionable employment);

(b) "previous pay" means the average of the annual amounts of the member's uprated earnings in respect of practitioner service (or service which is treated as practitioner service).

(3) In the case of a practitioner who becomes entitled to receive, simultaneously, a pension under this Section of the scheme in respect of both officer service and practitioner service, the member's previous pay in respect of his practitioner service shall be increased by the amount of his previous pay in respect of his officer service.

(4) In the case of a practitioner who becomes entitled to receive a pension under this Section of the scheme and who holds a continuing employment otherwise than as a practitioner, previous pay will be increased by the annual rate of pay of the continuing employment.

(5) This sub-paragraph applies where a practitioner becomes entitled to receive a pension under this Section of the scheme and in the 12 months preceding the date on which he became so entitled, held concurrent pensionable employment as an officer.

(6) Where sub-paragraph (5) applies and the concurrent pensionable employment terminated before the pension became payable, previous pay in relation to the practitioner service shall be increased as described in sub-paragraph (7).

(7) For the purposes of sub-paragraph (6), previous pay shall be increased by the annual rate of pay in respect of the concurrent pensionable employment mentioned in that sub-paragraph or, if higher, that part of the pensionable pay for that employment which falls within the 12 months period mentioned in sub-paragraph (5).

- (a) is not otherwise an employing authority in respect of that individual;
- (b) is a party to a qualifying contract;
- (c) has been granted employing authority status for the purposes of this Section of the scheme by the Secretary of State following a written application made by it to the Secretary of State for that purpose, and

 - (i) each scheme year, or
 - (ii) part of a scheme year where the services referred to in paragraph (a) commence or cease part way through such a year.

IP Guarantees

4. The Secretary of State may, as a condition of granting an Independent Provider employing authority status pursuant to an approval application, require that Independent Provider to provide an IP guarantee.

5. The Secretary of State may at any time require an Independent Provider that has been granted employing authority status to provide an IP guarantee.

6. Without prejudice to the generality of paragraphs 4 and 5, the Secretary of State may, in particular, require an Independent Provider to provide an IP guarantee if—

- (a) that Independent Provider has, after being approved as an employing authority pursuant to this Schedule, failed to meet any of its liabilities under these Regulations as an employing authority;
- (b) that Independent Provider has, before being approved as an employing authority pursuant to this Schedule, previously failed to meet any of those liabilities in any other capacity as an employing authority;
- (c) the Secretary of State has reasonable grounds to believe that the Independent Provider is unable, or is likely to become unable, to meet any of those liabilities.

7. Where the Secretary of State requires an Independent Provider to provide an IP guarantee the Secretary of State must require that guarantee to—

- (a) guarantee payment to the Secretary of State of the required level of cover: such a guarantee must take effect on the date on which approval under this Schedule takes effect;
- (b) be in a form approved by the Secretary of State from time to time;
- (c) be underwritten by one or more bodies satisfactory to the Secretary of State.

But the Secretary of State may exceptionally specify that a guarantee is to meet other requirements.

8. Where an Independent Provider is required to provide an IP guarantee and has been granted employing authority status in respect of more than one qualifying contract, the required level of cover applies to each of those contracts and may be guaranteed by one or more IP guarantees.

9. In order to ensure that the required level of cover continues to be guaranteed by its extant IP guarantees, those guarantees must be reviewed by the Independent Provider—

- (a) no later than 1 month prior to the start of a scheme year;

Warning: this text has been prepared by Department of Health and Social Care officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. - (b) no later than 1 month after the date on which it was granted employing authority status;
- (c) no later than 1 month before the date on which they are expressed to cease to have effect (where that is not the start of a scheme year);
- (d) whenever it becomes a party to another qualifying contract;
- (e) immediately whenever it reasonably believes that its estimated contribution liability pursuant to regulations D1, D2, Q6, Q8, Q10 and Q11 has increased, or may increase, by more than 10%;
- (f) upon the Secretary of State notifying it in writing that the Secretary of State considers that the sum guaranteed by those guarantees does not, at least, equal the required level of cover.

10. Where paragraph 9(e) applies, and the Independent Provider determines that the amount of cover currently provided by its extant IP guarantee (or guarantees where it has more than one) does not equal the required level of cover in respect of all of its qualifying contracts, it must within 14 days of that determination either—

- (a) increase the amount of cover provided by that guarantee or guarantees so that it is at least equal to the required level of cover and notify the Secretary of State in writing of it having done so; or
- (b) take out one or more further guarantees for the amount by which the required level of cover has increased and notify the Secretary of State in writing of it having done so.

11. Paragraph 10 applies with equal effect where the Independent Provider is advised by the Secretary of State in accordance with paragraph (9)(f) that the amount of cover currently provided by its extant IP guarantee (or guarantees) is not at least equal the required level of cover in respect of all of its qualifying contracts.

12. Where paragraph 10 or 11 applies, and the Independent Provider determines that the amount of cover currently provided by its IP guarantee or guarantees remains at least equal to the required level of cover in respect of all of its qualifying contracts, it shall—

- (a) notify the Secretary of State in writing of that fact within 14 days of its determination, and
- (b) provide the Secretary of State with such information in that regard as the Secretary of State may require from time to time.

Approval and Approval Applications

13. An Independent Provider may only make an approval application in respect of a qualifying contract.

14. An Independent Provider must apply for approval on either—

- (a) a “closed approval” basis which, if granted, covers an employee—
 - (i) who is not otherwise covered by a direction made under section 7 of the Superannuation (Miscellaneous Provisions) Act 1967, and
 - (ii) who is performing services pursuant to such a contract and who satisfies the wholly or mainly condition; and

Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. - (iii) who was, within the twelve months preceding the date of entering into employment with the Independent Provider, in an employment in which that employee was entitled to participate in superannuation benefits provided under section 10 of the Superannuation Act 1972 whether or not that employee had actually been a member of this Section of the Scheme pursuant to that entitlement; or
- (b) an “open approval” basis which, if granted, covers any employee performing services pursuant to such a contract who satisfies the wholly or mainly condition and regardless of whether that employee would fall within sub-paragraph (a).

15. An approval application must—

- (a) be in writing;
- (b) be in a form that the Secretary of State may from time to time require;
- (c) contain—
 - (i) a declaration that an employee of an Independent Provider who is, at the date of that application, already engaged in performing services pursuant to a qualifying contract satisfies the wholly or mainly condition;
 - (ii) an undertaking that any person who, on or after the date of approval is engaged to perform such services, will do so in a way that complies with the wholly or mainly condition;
- (d) contain a declaration that the Independent Provider is not already an employing authority in respect of any employee referred to in paragraph (c);
- (e) provide such details as the Secretary of State may from time to time require of the qualifying contracts to which the Independent Provider is a party;
- (f) confirm that employing authority status is sought on a closed approval basis or, as the case may be, on an open approval basis;
- (g) where the Secretary of State has, prior to the approval of an application, notified the Independent Provider that an IP guarantee is required, contain such details of that guarantee as the Secretary of State may from time to time require;
- (h) provide an estimate, for the scheme year in respect of which approval (if given) is to take effect, of—
 - (i) the gross sums the Independent Provider anticipates receiving from the commissioning party in respect of the clinical services it is to provide under each qualifying contract it is a party to;
 - (ii) the number of employees who will be engaged in performing services pursuant to each such qualifying contract and who will satisfy the wholly or mainly condition;
 - (iii) the total pensionable pay of those employees referred to in paragraph (ii);
 - (iv) the total member contributions payable by those employees pursuant to regulation D1 (broken down to correspond to the estimated tiers tabulated in that regulation), Q6, Q8 or Q10;
 - (v) the total employer contributions payable in respect of those employees pursuant to regulation D2 and Q11;

Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. (vi) the total number of employees who would satisfy the wholly or mainly condition and who are engaged in performing services pursuant to each such qualifying contract but who are otherwise not eligible to be members of this Section of the scheme;

(vii) the total estimated pay of those employees referred to in paragraph (vi).

16. An approval application may nominate a date (“the nominated date”) from which approval by the Secretary of State (if granted) is to have effect.

17. Where paragraph 16 applies and—

- (a) the Secretary of State is satisfied that the Independent Provider will satisfy the conditions in paragraph 15 at the nominated date,
- (b) the Secretary of State accepts the nominated date for approval purposes, and
- (c) the nominated date is later than the date on which the Secretary of State approves the application,

approval takes effect from the nominated date.

17A. Where paragraph 16 applies and—

- (a) the Secretary of State is satisfied that the Independent Provider did satisfy the conditions in paragraph 15 at the nominated date,
- (b) the Secretary of State accepts the nominated date for approval purposes,
- (c) the nominated date is earlier than the date on which the Secretary of State approves the application, and
- (d) the Secretary of State has received the contributions referred to in paragraphs (iv) and (v) of sub-paragraph (h) of paragraph 15,

approval takes effect from the nominated date.

18. Where an approval application—

- (a) does not include a nominated date, or
- (b) does include such a date, but which the Secretary of State does not accept for approval purposes,

approval takes effect from the date that it is granted by the Secretary of State.

19. Where an Independent Provider has been granted employing authority status, any of its employees engaged in performing services pursuant to any qualifying contract in respect of which that approval was granted or extends under paragraph 20 or 21 and who satisfy the wholly or mainly condition, shall become officer members of this Section of the scheme: this applies equally to any such employee who would, if otherwise a member of this Section of the scheme, be subject to regulation R1 of and Schedule 2 to, these Regulations.

20. Where an Independent Provider has been granted employing authority status in respect of one or more qualifying contracts, that approval and the basis on which it was granted automatically extends to any other qualifying contract to which the Independent Provider is, or subsequently becomes, a party: approval in respect of any other qualifying contract takes effect from the date that other qualifying contract was entered into.

Warning: this text has been prepared by Department of Health and Social Care officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

21. Where an Independent Provider is an associated Independent Provider (“AIP”) in relation to another Independent Provider (“IP1”) and IP1 has been granted employing authority status in respect of one or more qualifying contracts, that approval and the open or closed approval basis on which it was granted automatically extends to any qualifying contract to which—

- (a) AIP is a party: that extension takes effect from the date on which IP1 was granted approval;
- (b) AIP subsequently becomes a party: that extension takes effect from the date that contract is entered into.

For these purposes an Independent Provider is another provider’s AIP if that other Independent Provider exercises, or is able to exercise, or is entitled to acquire direct or indirect control over the AIP’s affairs.

22. Where an Independent Provider, having been granted employing authority status, subsequently becomes a party to another qualifying contract or that approval extends under paragraph 20 or 21 to another qualifying contract and that contract would have the effect of increasing its estimated contribution liability under regulations D1, D2, Q6, Q8, Q10 and Q11 by 10% or more on the date on which approval in respect of that contract takes effect, the Secretary of State may require that Independent Provider to take any of the steps referred to in paragraph 23.

23. Those steps are to require the Independent Provider to—

- (a) increase the sum already guaranteed by the Independent Provider’s IP guarantee or guarantees where there is more than one;
- (b) provide one or more further IP guarantee guaranteeing payment of a sum equal to the amount of the increase in the potential contribution liability;
- (c) guarantee, by way of one or more IP guarantees, payment of a sum equal to the total potential contribution liability in respect of both the contract or contracts in respect of which the Independent Provider was originally granted employing authority status and the subsequent qualifying contract where the Independent Provider has not previously been required to provide one.

Change from open approval to closed approval basis

24. An Independent Provider granted employing authority status on an open approval basis may give the Secretary of State a modification notice stating that it wishes its status as an employing authority to cease to be on that basis but to continue instead on a closed approval basis.

25. A modification notice given in respect of one or more qualifying contracts is effective in respect of all qualifying contracts.

26. A modification notice must—

- (a) be in writing;
- (b) specify a date on which the modification is to take effect (“the operative modification date”): that date cannot fall within the period of 6 months commencing with the date of the modification notice (“the modification period”);

Warning: this text has been prepared by Department of Health and Social Care officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

- (c) be accompanied by the written consent of any affected person who has consented to the giving of that notice: for these purposes an “affected person” is any person who became an officer member of this Section of the scheme pursuant to paragraph 19.

27. On the operative modification date—

- (a) the basis of the Independent Provider’s approval changes from an open to a closed approval basis;
- (b) any affected person who gave consent to the giving of the modification notice ceases to be a member of this Section of the scheme;
- (c) any affected person who did not give such consent remains a member of this Section of the scheme.

28. A person who is, but for a modification notice, otherwise entitled to participate in this Section of the scheme during the modification period by virtue of the Independent Provider having been granted approval on an open approval basis, continues to be so entitled but only for the duration of that period.

29. Nothing in paragraph 28 prevents a person referred to in that paragraph from becoming a member of this Section of the scheme by virtue of their employment with some other employing authority.

30. During the modification period, a person who was eligible to become an officer member of this Section of the scheme in accordance with paragraph 19 but who did not do so by virtue of opting out in accordance with regulation B4, may, in accordance with paragraph (5) of that regulation, join or re-join this Section of the scheme.

Change from closed approval to open approval basis

31. An Independent Provider granted employing authority status on a closed approval basis when it first applied for approval may give the Secretary of State a modification notice stating that it wishes its status as an employing authority to cease to be on that basis but to continue instead on an open approval basis.

32. An Independent Provider that has previously modified its participation in this Section of the scheme may give the Secretary of State a further modification notice stating that it wishes its status as an employing authority to cease to be on a closed approval basis but to continue instead on an open approval basis.

33. An application referred to in paragraphs 31 and 32 must specify—

- (a) the date (“the modification date”) from which the change to open approval is sought: the modification date must not be less than 3 months from the date the application is received by the Secretary of State;
- (b) that approval on an open approval basis is sought in respect of all employees of the Independent Provider engaged to perform services pursuant to a qualifying contract at the modification date provided always that such persons satisfy the wholly or mainly condition and regardless of whether they were so engaged at the date of any earlier approval.

Warning: this text has been prepared by Department of Health and Social Care officials. Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

34. Where the Secretary of State is satisfied that the Independent Provider will, at the modification date, satisfy the matters set out in paragraph 15, the change to open approval basis is to take effect from that date.

The 75% Pensionable Pay Threshold and Contribution Surcharge

35. The maximum proportion of the gross sums payable to an Independent Provider in respect of a qualifying contract that may, in a scheme year, be paid to its employees who are members of this Section of the scheme without it being liable for an employer contribution surcharge, is 75% (“the 75% threshold”).

36. Where an Independent Provider has two or more qualifying contracts, the 75% threshold is to be determined by reference to the aggregate of the gross sums payable in respect of all of those contracts.

37. Where the 75% threshold is exceeded, the Independent Provider must pay the Secretary of State an employer contribution surcharge on that part of the total pensionable pay of that Independent Provider’s employees in excess of the 75% threshold.

This is subject to paragraph 38.

38. Where the Secretary of State is satisfied that the Independent Provider has provided a reasonable explanation or justification for the threshold being exceeded, the Secretary of State may require the Independent Provider to pay an employer contribution surcharge on such part of that excess as the Secretary of State considers reasonable having regard to its declared NHS income, profits, losses and expenses for the scheme year in question.

39. Where the employer contribution surcharge has been imposed on all or part of the excess in accordance with paragraphs 37 and 38 and the Secretary of State subsequently considers that all or part of it should no longer attract the surcharge, the Secretary of State must notify the Independent Provider of what part of the excess is to remain subject to an employer contribution surcharge.

40. An Independent Provider must pay an employer contribution surcharge to the Secretary of State within 1 month, beginning with the date of that notice, of being notified by the Secretary of State that it is so payable (“a contribution surcharge notice”): the Secretary of State may, by that notice, exceptionally require a contributions surcharge to be paid within a different period.

41. If an Independent Provider fails to pay an employer contribution surcharge, that provider is liable to pay the supplementary charge and interest referred to in regulation T9 and interest is to continue to accrue on the late paid surcharge for so long as it remains unpaid and further supplementary charges may be levied in respect of it.

42. The Secretary of State may exceptionally waive all or any part of a sum payable by way of interest or a supplementary charge.

43. The rate of the employer contribution surcharge for the scheme year 2014-2015 and subsequent years, is 12%.

44. Where the 75% threshold is exceeded, the whole of the pensionable pay an employee receives in respect of the performance of services pursuant to a qualifying contract is never-

theless, and subject to regulation C1(10) to (12), to count both for the purpose of ascertaining that employee's entitlement to benefits under these Regulations and for the purpose of calculating them.

Default Notices

45. Where, in respect of any qualifying contract, an Independent Provider does not pay the Secretary of State, on the due date, all of the contributions which it is liable to pay under regulations D1, D2, Q6, Q8, Q10, the Secretary of State must issue a default notice to that Independent Provider.

46. A default notice must notify the Independent Provider—

- (a) of any charges accrued or accruing in accordance with regulation T9(4);
- (b) that continued non-payment of the contributions will result in the Secretary of State terminating the Independent Provider's employing authority status on the day following the end of the second month following the month for which the contributions are due but not paid.

47. The Secretary of State must provide the commissioning party to the contract referred to in paragraph 45 with a copy of any default notice issued to an Independent Provider.

48. Where, one month after issue of a default notice, some or all of the contributions referred to in paragraph 45 remain unpaid, the Secretary of State must—

- (a) notify the commissioning party to the contract referred to in paragraph 45 of that non-payment specifying the period or periods for which contributions are outstanding and the amount or amounts outstanding, and
- (b) request that commissioning party to consider withholding from any payments it is due to pay to the Independent Provider in pursuance of any qualifying contract an amount equal to the amount of the unpaid contributions and to pay that amount to the Secretary of State.

49. Where the Secretary of State receives an amount from the commissioning party pursuant to paragraph 48(b), the Secretary of State must—

56. The Secretary of State may, by notice in writing, require the Independent Provider to provide such information (which does not fall within paragraph 54) as the Secretary of State considers necessary to determine whether there has been compliance with any provision of these Regulations: the Independent Provider must provide that information within the period specified in that notice.

Termination of employing authority status by Secretary of State

57. The Secretary of State must terminate an Independent Provider's status as an employing authority where that Independent Provider is no longer a party to any qualifying contract.

58. The Secretary of State may terminate an Independent Provider's status as an employing authority in any of the following circumstances—

- (e) where paragraph 10 applies and the Independent Provider fails to take the action required by sub-paragraph (a) and (b) of that paragraph within the specified period;
- (f) where an Independent Provider fails to provide information in accordance with paragraph 54 and the Secretary of State is not satisfied that the information so provided supports the continuation of the Independent Provider's status as an employing authority;
- (g) where an Independent Provider fails to provide information in accordance with paragraph 56;
- (h) where an Independent Provider fails to notify the Secretary of State that the guarantor of any its IP guarantees has withdrawn or revoked it;

Where an Independent Provider's status as an employing authority must be terminated in accordance with paragraph 57 or the Secretary of State determines that it should be pursuant to paragraph 58, the Secretary of State is to give that Independent Provider, as soon as reasonably practicable, written notice of that fact and the date from which termination takes effect.

60. Where an Independent Provider's employing authority status is terminated, on the date of that termination—

- (a) its employees who are members of this Section of the scheme cease to be such members;
- (b) its employees who were eligible to be members of this Section of the scheme cease to be so eligible.

Withdrawal of participation in this Section of the scheme

61. An Independent Provider can withdraw from participation in this Section of the scheme by giving the Secretary of State notice ("a withdrawal notice") stating that it wishes its status as an employing authority under paragraph (o) of the definition of an employing authority in regulation A2 to cease.

62. An Independent Provider may not give a withdrawal notice that affects any person who has become an officer member of this Section of the scheme by virtue of paragraph 19 unless that person gives the Independent Provider written consent.

Whilst every effort has been taken to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

63. The date on which withdrawal from this Section of the scheme takes effect (“the operative withdrawal date”), cannot fall within the period of 6 months commencing with the date of the withdrawal notice (“the withdrawal period”).

64. A withdrawal notice must—

- (a) be in writing; and
- (b) be accompanied by evidence of the consent of the persons referred to in paragraph 62 to the giving of that notice: such a notice has no effect in respect of such a person who has not given such consent.

65. A withdrawal notice is effective in respect of all qualifying contracts to which the Independent Provider is a party.

66. Where paragraph 64(b) is satisfied, a person who has given written consent pursuant to paragraph 62 ceases, on the operative withdrawal date, to be an officer member of this Section of the scheme in respect of their employment with that Independent Provider.

67. A person who could, but for a withdrawal notice, have become entitled to participate in this Section of the scheme by virtue of satisfying paragraph 19 during the withdrawal period, will continue to be entitled to do so: at the end of that period, such a person is no longer entitled to participate in this Section of the scheme.

This is subject to paragraph 68.

68. Nothing in paragraphs 62 to 67 prevents a person from becoming a member of this Section of the scheme by virtue of their employment with some other employing authority.

69. A person who was eligible to become an officer member of this Section of the Scheme in accordance with paragraph 19 but who did not do so by virtue of opting out in accordance with regulation B4, may, in accordance with paragraph (5) of that regulation, join or re-join this Section of the scheme during the withdrawal period.

70. An Independent Provider that has withdrawn from participation in this Section of the scheme, may again apply for approval as an employing authority pursuant to this Schedule.

This is subject to paragraph 71.

72. Where after approval as an employing authority pursuant to this Schedule—

- (a) an Independent Provider satisfies one of the other paragraphs of the definition of employing authority in regulation A2 and by virtue of doing so would otherwise become an employing authority for the purposes of these Regulations, and
- (b) that Independent Provider gives the Secretary of State a withdrawal notice, that notice does not affect its employees who would otherwise qualify as members of this Section of the scheme by virtue of paragraph (a) provided always that the Secretary
