- (a) for the purpose of calculating the member's contributions to this Section of the scheme under regulations 3.A.C1 and 3.A.C2, pensionable earnings for the period of absence will be calculated on the basis of the member's reduced earnings; and
- (b) for all other purposes, the member's pensionable earnings for the period of absence will be calculated in accordance with paragraph (3)(a) or (b).

(3) In the case of a member who--

- (a) is one of a number of practitioners or non-GP providers who have elected as described in regulation 3.A.9(2), each practitioner's or non-GP provider's pensionable earnings will be calculated as if the partnership's aggregate pensionable earnings were equal to the amount of the partnership's aggregate pensionable earnings during the 12 month period ending immediately before the member's earnings were reduced or ceased, and
- (b) (except where the member's pensionable earnings fall to be calculated as described in sub-paragraph (a)), that member will be treated as having continued to receive the same average rate of pensionable earnings as during the 12 month period ending immediately before his earnings were reduced or ceased.

- (a) a practitioner falling within paragraph (1)(a) will, subject to sub-paragraph (b), be treated as having continued in pensionable employment for a period of 12 months from the date on which the member's earnings ceased and the member will not be treated as having left pensionable employment until the end of that 12 month period;

(6) For the purposes of paragraph (4)(b), the rate of contributions payable shall be the rate that would have been payable on the basis of reduced earnings in accordance with paragraph (2)(a) had the member's reduced earnings excluded any earnings for a day during which the member, whilst on maternity leave, returned to work for the purposes of keeping in touch with the workplace.

(7) If a member fails to pay any contributions which are required to be paid to this Section of the scheme in respect of a period of absence to which this regulation applies, the member will be treated as having left pensionable employment except that no refund of contributions or other benefit shall be payable unless the member actually leaves pensionable employment.

(11) Before a calculation of a member's pensionable earnings can be made in accordance with paragraph (3), written notice of the length of the period of absence to which this regulation applies must be given to the Secretary of State by—

3.C.2 Members' contribution rate

(1) Contributions under regulation 3.C.1(1) must be paid at the member's contribution rate for the scheme year in question.

(2) A member's contribution rate is the percentage specified in column 2 of the relevant table in paragraph (17) in respect of the corresponding pensionable earnings band specified in column 1 of that table into which the member's pensionable earnings fall.

(3) The Secretary of State shall, with the consent of the Treasury, determine the pensionable earnings bands and contribution percentage rates specified in the relevant table in respect of each scheme year.

(4) Before determining those pensionable earnings bands or contribution percentage rates, the Secretary of State must consider the advice of the Scheme actuary.

(8) Those contributions are to be determined as follows—

Step 1: agree the member's new estimated pensionable earnings (Amount A)

Step 2: find the percentage rate of contributions payable on Amount A applying the relevant table in paragraph (22)

Step 3: find Amount B by dividing Amount A by the percentage rate found at Step 2

Step 4: find Amount C by deducting from Amount B the amount of any contributions already paid prior to the new estimate of earnings being agreed

Step 5: divide Amount C by the number of whole months of the scheme year remaining to find the amount payable in each such month.

(9) A practitioner member must pay monthly contributions determined in accordance with paragraph (10), where—

Step 1: take the new estimated pensionable earnings determined in accordance with paragraph (9)(c) (Amount D)

Step 2: find the percentage rate of contributions payable on Amount D earnings applying the relevant table in paragraph (22)

Step 3: find Amount E by dividing Amount D by the percentage rate found at Step 2

Step 4: find Amount F by deducting from Amount E the amount of any contributions already paid prior to the new estimate of earnings being agreed

Step 5: divide Amount F by the number of whole months of the scheme year remaining to find the amount payable in each such month.

(11) A practitioner member (other than a dentist performer) must pay contributions determined in accordance with paragraph (12) where, in respect of a scheme year to which one or more of paragraph (6), (7) or (9) applied throughout that year, that member has—

- (b) the amount of earnings referred to in paragraph (a) exceed the amount of earnings used for the purposes of, as the case may be, one or more of paragraphs (6), (7) or (9).

(12) Those contributions are determined as follows—

Step 1: find the member's aggregate earnings for the scheme year in question (Amount G)

Step 2: find the percentage rate of contributions payable on Amount G applying the relevant table in paragraph (22)

Step 3: find Amount H by dividing Amount G by the percentage rate found at Step 2

Step 4: find the amount of contributions to be paid by deducting from Amount H the amount of any contributions already paid in respect of that scheme year in accordance with any or all of sub-paragraphs (6), (7) or (9) prior to the certification of earnings in accordance with regulation 3.J.14.

(13) For the purposes of paragraph (12), a member's final earnings are the member's certified or final pensionable earnings from all practitioner sources together with any additional pensionable earnings the member is treated as having received during an absence from work in accordance with regulation 3.A.8.

- (b) the amount of earnings referred to in paragraph (a) exceed the amount of earnings used for the purposes of, as the case may be, one or more of paragraphs (6), (7) or (9).

(15) The contributions are payable at the rate specified in column 2 of the relevant table in paragraph (22) in respect of the amount of pensionable earnings referred to in column 1 of that table which corresponds to that part of the relevant earnings which exceeds the amount of pensionable earnings on which contributions have already been paid pursuant to any or all of sub-paragraphs (6), (7) or (9).

(16) For the purposes of paragraph (15), the relevant earnings are the aggregate of—

- (a) the certified or final pensionable earnings from all dentist performer sources, uprated according to the formula—

$$(PE/NDPS) \times 365$$

where—

PE is the certified or final amount of dentist performer's pensionable earnings from all dentist performer sources for that year;

NDPS is the number of days of dentist performer service in the scheme year; and

(18) Where a practitioner (other than a dentist performer) is also in service as a dentist performer (or vice versa) the practitioner service as a practitioner (other than as a dentist performer) and the practitioner service as a dentist performer will each be treated separately under this regulation.

(19) In determining the contributions payable in accordance with this regulation and regulation 3.C.3, a host Board must take account of pensionable earnings as a practitioner from all practitioner sources, including any such pensionable earnings determined by another host Board.

(20) An employing authority that is not a host Board shall, in respect of any pensionable earnings it pays to a practitioner, take advice from the relevant host Board in determining the contributions payable in accordance with this regulation and regulation 3.C.3.

which the option was exercised and before the end of the contribution option period, regulation 3.C.12(4) applies as if all contributions due after the date of death had been made.

(3) If a member in respect of whom an option under regulation 3.C.6, 3.C.8 or 3.C.9 has been exercised becomes entitled to a pension under regulation 3.D.7 (early retirement on ill-health (active members)) as a result of a claim made before the end of the period of 12 months beginning with the date on which the option was exercised--

- (a) regulation 3.C.12(2) and (4) does not apply, and
- (b) an amount equal to the contributions paid under the option must be paid--
 - (i) in the case of an option under regulation 3.C.6 or 3.C.8, to the member, and
 - (ii) in the case of an option under regulation 3.C.9, to the employing authority which made the contribution.

(4) Subject to regulation 3.C.11(5) and (6), if a member in respect of whom an option under regulation 3.C.6 has been exercised becomes entitled to a pension under regulation 3.D.7 before the end of the contribution option period as a result of a claim made after the end of the period of 12 months beginning with the date on which the option was exercised, regulation 3.C.12(2) and (4) applies as if all contributions under the option had been made.

(5) If a member in respect of whom an option under regulation 3.C.6, 3.C.8 or 3.C.9 has been exercised--

- (a) becomes entitled to a pension under regulation 3.D.4 (early payment of pensions with actuarial reduction) or 3.D.9 (early retirement on ill-health (deferred members)), or
- (b) becomes entitled to a pension under regulation 3.D.5 (partial retirement (members aged at least 55)) before reaching the age of 65,

the increase in the member's pension under Chapter 3.D which would otherwise be due under regulation 3.C.12(2) or (4) is reduced.

(6) The amount of the reduction is such amount as the Secretary of State determines, after consulting the Scheme actuary, to be appropriate by reason of the payment of the increase before the member reaches 65.

(7) This regulation is subject to regulation 3.C.14.

3.C.14 Effect of part payment of periodical contributions

(1) This regulation applies if--

- (a) the full number and amount of contributions due under an option under regulation 3.C.6 for the whole contribution option period are not made, and
- (b) regulation 3.C.13(1) to (4) does not apply.

(2) The increase in the member's pension under Chapter 3.D is the appropriate proportion of the increase that would have been made under regulation 3.C.12(2) if the full number and amount of contributions had been made (but taking account of regulation 3.C.13(5) if that applies).

Warning: This text has been prepared by Department of Health and Social Care officials. Whilst every effort has been made to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(3) In the case of an option under regulation 3.C.6(1)(b), the increase in any benefit payable under Chapter 3.E (death benefits) in respect of the member is the appropriate proportion of the increase that would have been made under regulation 3.C.12(4) if the full number and amount of contributions had been made (but taking account of regulation 3.C.13(5) if that applies).

(4) For the purposes of paragraphs (2) and (3), the appropriate proportion is calculated in accordance with such method as the Scheme actuary may determine and specify in guidance given to the Secretary of State.

(5) In making a determination under paragraph (4), the Scheme actuary must have regard to--

(a) the proportion that the total contributions paid bears to the full amount of contributions due under an option under regulation 3.C.6 for the whole contribution option period, and

(b) the preservation requirements.

(6) In the case of a 2008 Section Optant, this regulation is subject to regulation 3.K.4.

3.C.15 Revaluation of increases bought under options: members' pensions

(1) Where an option under regulation 3.C.6, 3.C.8 or 3.C.9 has been exercised, the final amount of the increase in a member's pension immediately before the beginning date for that pension shall be determined in accordance with this regulation.

(2) Where the increase in pension is in respect of an option that was exercised less than 2 months before the increase becomes payable, the final amount is calculated in accordance with paragraph (4).

(3) Where the increase in pension is in respect of an option that was exercised 2 or more months before the increase in pension becomes payable, the final amount is calculated in accordance with whichever of paragraphs (5) or (5A) applies.

(4) The calculation referred to in paragraph (2) is as follows—

Step 1 – Calculate the basic amount of the increase in accordance with regulations 3.C.12 to 3.C.14, to find the Step 1 amount.

Step 2 – Add to the Step 1 amount an amount that is equal to any increases that would be due under the Pensions (Increase) Act 1971 on a pension of the same amount as the Step 1 amount when it first falls into payment, to find the Step 2 amount.

Step 3 – Divide the Step 2 amount by the Step 1 amount, to find the Step 3 factor.

Step 4 – Divide the Step 1 amount by the Step 3 factor to find the final amount referred to in paragraph (1).

(5) If the member exercised the option on or before 31 March 2011, the calculation referred to in paragraph (3) is as follows—

Step 1 – Calculate the basic amount of the increase in accordance with regulations 3.C.12 to 3.C.14, to find the Step 1 amount.

Step 2 – Multiply the Step 1 amount by the retail prices index for the second month before the month in which the increase in pension will become payable, to find the Step 2 amount.

Warning: This text has been prepared by Department of Health and Social Care officials. Whilst every effort has been made to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

- Step 3 – Divide the Step 2 amount by the retail prices index for the month in which the option was exercised, to find the Step 3 amount.
- Step 4 – Take the greater of the Step 1 amount and Step 3 amount, to find the Step 4 amount.
- Step 5 – Add to the Step 4 amount an amount that is equal to any increases that would be due under the Pensions (Increase) Act 1971 on a pension of the same amount as the Step 4 amount when it first falls into payment, to find the Step 5 amount.
- Step 6 – Divide the Step 5 amount by the Step 4 amount, to find the Step 6 factor.
- Step 7 – Divide the Step 4 amount by the Step 6 factor to find the final amount referred to in paragraph (1).

(5A) If the member exercised the option on or after 1 April 2011, the calculation referred to in paragraph (3) is as follows-

- Step 1 – Calculate the basic amount of the increase in accordance with regulations 3.C.12 to 3.C.14, to find the Step 1 amount.
- Step 2 – Multiply the Step 1 amount by the prices index for the second month before the month in which the increase in pension will become payable, to find the Step 2 amount.
- Step 3 – Divide the Step 2 amount by the prices index for the month in which the option was exercised, to find the Step 3 amount.
- Step 4 – Take the greater of the Step 1 amount and Step 3 amount, to find the Step 4 amount.
- Step 5 – Add to the Step 4 amount an amount that is equal to any increases that would be due under the Pensions (Increase) Act 1971 on a pension of the same amount as the Step 4 amount when it first falls into payment, to find the Step 5 amount.
- Step 6 – Divide the Step 5 amount by the Step 4 amount, to find the Step 6 factor.
- Step 7 – Divide the Step 4 amount by the Step 6 factor to find the final amount referred to in paragraph (1).

(6) In this regulation, “the beginning date”, in relation to a pension, means the date on which it is treated as beginning for the purposes of the Pensions (Increase) Act 1971 (see section 8(2) of that Act) and “the prices index” means, as regards any month, the change in the general level of prices for that month used to determine increases to official pensions for the purposes of that Act.

3.C.16 Repayment of contributions

(1) The contributions made by a member under this Chapter are not repayable in any circumstances except if--

- (a) paragraph (2) applies, or
- (b) Chapter 2 of Part 4ZA of the 1993 Act (early leavers: cash transfer sums and contribution refunds) applies and the payment is made in accordance with that Chapter.

Whilst every effort has been made to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

- (d) the person claims repayment of contributions under this regulation by applying in writing to the Secretary of State.

(3) If paragraph (1)(b) applies, the person is entitled to be paid the amount to which the person is entitled under Chapter 2 of Part 4ZA of the 1993 Act, less--

- (a) such part of any contributions equivalent premium paid in respect of the person under section 55 of the 1993 Act or article 3 of the 2016 Order, and
- (b) an amount equal to the income tax payable under section 205 of the 2004 Act (short service refund lump sum charge) as a result of the repayment.

(4) If paragraph (2) applies, the person is entitled to be paid an amount equal to the sum of the contributions made by the person under this Chapter, less the amounts mentioned in paragraph (3)(a) and (b).

(5) If a repayment is made under this regulation, the member's rights under this Section of the Scheme are extinguished unless the person or the person's spouse or civil partner is entitled to a guaranteed minimum pension under this Section of the Scheme and a contributions equivalent payment has not been paid.

(6) A person--

- (a) who is entitled to a repayment of contributions under this regulation, and
- (b) whose pensionable service did not cease because the person's employment was terminated at the person's request,

is entitled to interest on the amount of the repayment unless the person's pensionable service ceased because the person's employment was terminated by reason of misconduct or inefficiency.

(7) The interest is calculated on a compound basis at the rate of 2.5% per year, with yearly rests, for the period starting on 1st April after the contributions were paid and ending with the day the member leaves pensionable service.

This is subject to paragraphs (8) and (9).

(8) Paragraph (7) does not apply if paragraph (1)(b) applies and the person is entitled to a greater amount of interest under Chapter 2 of Part 4ZA of the 1993 Act.

(9) So far as the contributions were paid under another scheme and were included in a transfer payment to this Section of the Scheme--

- (a) interest for the period before the transfer payment was made is calculated in accordance with the scheme making the transfer payment (subject to any provision made in any enactment applicable to the transfer), and
- (b) paragraph (7) does not apply as respects that period.

(2) The pension becomes payable--

This is subject to paragraphs (5) and (8).

 - (b) the member's employment is terminated because of that physical or mental infirmity,
 - (c) the member has at least 2 years of qualifying service, and
 - (d) the member has claimed the pension.
- (4) The annual amount of a tier 1 ill-health pension (disregarding any additional pension) is calculated as specified in regulation 3.D.1(4).
- (5) The annual amount of a tier 2 ill-health pension (disregarding any additional pension) is calculated as specified in regulation 3.D.1(4), but on the assumption that the member's pensionable service--

 - (i) has not had a break in pensionable service of 12 months or more; or
 - (ii) has returned to pensionable employment 12 months or more after having a break in such service and it would be more favourable to the member to treat the member's pensionable service before and after the break, and all such other breaks (if any) as continuous;

(8) In this regulation "the member's assumed service" means the further pensionable service that the member could have counted if the member had continued in service until reaching the age of 65.

This is subject to paragraph (9).

(9) To the extent that any increase under paragraph (8) would cause a member's pensionable service to exceed the limit of 45 years provided for in regulation 3.A.3(3), the amount of any excess will be reduced accordingly.

(10) This regulation is subject to--

(a) regulation 3.G.4 (effect of re-employment on tier 2 ill-health pensions), and

(b) retiring or resigning from such employment at a time when the member was the subject of disciplinary proceedings or had been notified that such proceedings were being contemplated; or

(c) otherwise retiring or resigning from such employment unless at the time of doing so the member's employing authority notified the Secretary of State in writing that the member's physical or mental infirmity is the reason for the termination of that employment and the Secretary of State is satisfied that is the case.

(12) For the purposes of determining whether a member is permanently incapable of discharging the duties of the member's employment efficiently under paragraph (2)(a), the Secretary of State shall have regard to the factors in paragraph (14) (no one of which shall be decisive) and disregard the member's personal preference for or against engaging in that employment.

(14) The factors to be taken into account for paragraph (12) are--

(i) discharging the duties of the member's employment efficiently under paragraph (2)(a), or

(ii) engaging in regular employment of like duration under paragraph (3)(a),

before the member reaches age 65, or

(18) In the case of a 2008 Section Optant, this regulation is subject to regulations 3.K.11, 3.K.13 to 3.K.16 and 3.K.18.

(19) In the case of a Waiting Period Joiner, this regulation is subject to regulation 3.L.3.

 - (c) no previous application for a review has been made under this paragraph, and
 - (d) the member has not become entitled to a tier 2 ill-health pension in respect of any later service under regulation 3.G.5.
- (3) If, after considering the further medical evidence provided by the member, the Secretary of State determines that the member meets the condition in 3.D.7(3)(a), then as from the date on which that determination is made the member--
- (a) ceases to be entitled to a tier 1 ill-health pension; and
 - (b) becomes entitled to a tier 2 ill-health pension under regulation 3.D.7, which shall be calculated as if paragraph (8) of that regulation included the words "from the date of the Secretary of State's determination under regulation 3.D.8" after "continued in service".

Options to Exchange Pension for Lump Sum

3.D.10 General option to exchange part of pension for lump sum

- (1) A member (other than a pension credit member whose rights under this Section of the Scheme are attributable to a disqualifying pension credit for the purpose of paragraph 2 of Schedule 29 to the 2004 Act) may opt to exchange part of a pension to which the member would otherwise be entitled for a lump sum.
- (2) If a member so opts, for every £1 by which the member's annual amount of a pension is reduced, the member is to be paid a lump sum of £12.
- (3) An option under paragraph (1) must relate to an annual amount of pension that is a whole number of pounds (and accordingly the lump sum will be exactly divisible by 12).
- (4) In paragraphs (2) and (3) "annual amount", in relation to a pension, means the amount of the annual pension to which the member would be entitled under this Chapter apart from the option, together with any increases payable under the Pensions (Increase) Act 1971, calculated as at the time payment would first be due.
- (5) A member may not exchange pension for lump sum under this regulation to the extent that it would result in a scheme chargeable payment for the purposes of Part 4 of the 2004 Act (see, in particular, section 241 of, and paragraph 1 of Schedule 29 to, that Act).
- (6) If the member has a guaranteed minimum under section 14 of the 1993 Act in relation to the whole or part of a pension, paragraph (1) only applies to so much of the pension as exceeds that guaranteed minimum, multiplied by such factor as is indicated for a person of the member's description in tables provided by the Scheme actuary.
- (7) The option under this regulation may only be exercised by giving notice in writing to the Scheme administrator in such form as the Secretary of State requires--
- (a) at the time of claiming the pension, or
 - (b) before such later time as the Scheme administrator specifies in writing.

This is subject to paragraphs (8) and (9).

- (8) If the pension is an ill-health pension under regulation 3.D.7, the option under this regulation may only be exercised by giving notice in writing to the scheme administrator in such form as the Secretary of State requires--
- (a) where the member is awarded--
 - (i) a tier 1 ill-health pension under paragraph (2) of that regulation, at the time of claiming that tier 1 ill-health pension,
 - (ii) a tier 2 ill-health pension under paragraph (3) of that regulation, at the time of claiming that tier 2 ill-health pension; or
 - (b) before such later time as the scheme administrator specifies in writing.

Whilst every effort has been made to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. (9) If the pension is a tier 2 ill-health pension under regulation 3.D.8, in substitution for a tier 1 ill-health pension under regulation 3.D.7, the option under this regulation may only be exercised--

(a) in relation to the difference between the tier 1 ill-health pension that ceases to be payable in accordance with paragraph (3) of regulation 3.D.8 and the tier 2 ill-health pension to which the member becomes entitled under that paragraph, and

(b) by giving notice in writing to the scheme administrator in such form as the Secretary of State requires--

(i) at the time of award of the tier 2 ill-health pension under that paragraph, or

(ii) before such later time as the scheme administrator specifies in writing.

(10) In the case of a 2008 Section Optant, this regulation is subject to paragraph (4) of regulation 3.K.8 and regulation 3.K.11.

(2) For the purposes of paragraph (1), a "relevant pension" is a pension payable to that member under regulation--

(a) 3.D.1 (normal retirement pensions),

(b) 3.D.2 (pension credit members' pensions),

(c) 3.D.7 (early payment of pensions: ill-health), or

(d) 3.D.9 (early retirement on ill-health(deferred members)).

(b) in the case of a pension payable under regulation 3.D.7 or 3.D.9, before the pension becomes payable to the member.

(4) An active member or a non-contributing member aged 65 or over who exercises the option is to be paid, as soon as is reasonably practicable, an amount equal to the sum of--

(a) the maximum lump sum to which the member could have become entitled on exercising the option under regulation 3.D.10 if at the appropriate time the member had become entitled to a pension under regulation 3.D.1, and

(b) the total annual amount of the pension to which the member would have been entitled under regulation 3.D.1 after exercising that option, multiplied by 5.

 - (b) the total annual amount of the pension to which the member is entitled under regulation 3.D.9 after exercising that option, multiplied by 5.
- (8) In this regulation "the appropriate time" means--
- (a) for the purposes of paragraph (4) and (5) the time when the option under this regulation is exercised, and
 - (b) for the purposes of paragraphs (6) and (7) the time payment of the pension under regulation 3.D.7 or, as the case may be, 3.D.9 would otherwise first be due.
- (9) In this regulation references to the "annual amount" of a pension are to the amount of the annual pension to which the member would be entitled, together with any increases payable under the Pensions (Increase) Act 1971, calculated as at the appropriate time.
- (10) The option under this regulation may only be exercised by notice in writing to the Secretary of State in such form as the Secretary of State requires.

3.D.15 Procedure for election under regulation 3.D.14

(1) An election under regulation 3.D.14 in respect of a member's pension must be made--

- (b) the amounts of those benefits are determined accordingly.

Contracting-out Obligations (GMPS, etc)

3.D.18 Guaranteed minimum pensions etc

(1) If a member has a guaranteed minimum under section 14 of the 1993 Act in relation to benefits under this Section of the Scheme--

- (a) nothing in this Part permits or requires anything that would cause requirements made by or under that Act in relation to such a member and such a member's rights under this Section of the Scheme not to be met in the case of the member,
- (b) nothing in this Part prevents anything from being done which is necessary or expedient for the purposes of meeting such requirements in the case of the member, and
- (c) the following provisions are without prejudice to the generality of this paragraph.

(2) If apart from this rule--

- (a) no pension would be payable to the member under this Section of the Scheme, or
- (b) the weekly rate of the pensions payable would be less than the guaranteed minimum,

a pension at a weekly rate equal to the guaranteed minimum is payable to the member for life from the date on which the member reaches State pension age or, as the case may be, pensions the aggregate weekly rate of which is equal to the guaranteed minimum are so payable.

(3) If--

- (a) on reaching State pension age the member is still in employment (whether or not it is scheme employment), and
- (b) if it is not scheme employment, the member consents to a postponement of the member's entitlement under paragraph (2),

paragraph (2) does not apply until the member leaves employment.

This is subject to paragraph (4).

(4) If the member continues in employment for a further 5 years after reaching State pension age and does not then leave employment, the member is entitled from the end of that period to so much of the member's pension under this Chapter as equals the member's guaranteed minimum (or, as the case may be, to so much of the member's pensions under this Chapter as together have a weekly rate equal to the member's guaranteed minimum), unless the member consents to a further postponement of the entitlement.

Whilst every effort has been made to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(5) If paragraph (3) or (4) applies, the amount of the guaranteed minimum to which the member is entitled under this rule is increased in accordance with section 15 of the 1993 Act.

(6) If--

(a) before State pension age the member becomes entitled to the immediate payment of a pension, and

(b) the member has a guaranteed minimum under section 14 of the 1993 Act in relation to the whole or part of the pension,

the weekly rate of the pension, so far as attributable to that service, must not be less than that guaranteed minimum, multiplied by such factor as is indicated in tables provided by the Scheme actuary for a person of the member's age and sex at the date on which the pension becomes payable.

(7) This paragraph applies if a person has ceased to be in employment that is contracted-out by reference to this Section of the Scheme, and either--

(a) all the person's rights to benefits under this Section of the Scheme, except the person's rights in respect of the person's guaranteed minimum or the person's section 9(2B) rights ("the person's contracting-out rights"), have been transferred under Chapter 3.F (transfers), or

(b) the person has no rights to benefits under this Section of the Scheme apart from the person's contracting-out rights.

(8) If paragraph (7) applies--

(a) from the date on which the person reaches State pension age the person is entitled to a pension payable for life at a weekly rate equal to his guaranteed minimum, if any, and

(b) from the date on which the person reaches pension age the person is entitled to a pension in respect of the person's section 9(2B) rights,

but a person falling within paragraph (7) is not to be regarded as a pensioner for the purposes of Chapter 3.E (death benefits).

(9) Paragraphs (2) to (8) do not apply to--

(a) a pension that is forfeited--

(i) as a result of a conviction for treason, or

(ii) in a case where an offence within regulation 3.J.7(2)(b) (Official Secrets Acts offences) is committed,

(b) a pension that is commuted under regulation 3.D.11 (option for members in serious ill-health to exchange whole pension for lump sum), or

(c) a pension that is commuted under regulation 3.J.5 (commutation of small pensions) where the conditions in regulation 25 of the Occupational Pension Schemes (Schemes that were Contracted-out) (No.2) Regulations 2015 are met,

but if any other provision of the Scheme is inconsistent with this rule, this rule prevails.

(10) In this regulation--

(2) That amount is the appropriate fraction of the basic death pension.

(3) In this regulation "the basic death pension"--

Chapter 3.F

Transfers

Transfers Out

3.F.1 Introduction: rights to transfer value payment

(1) This Chapter supplements the rights conferred by or under Chapter 1 of Part 4ZA of the 1993 Act (transfer rights: general) and applies to practitioners.

(2) This Chapter is without prejudice to that Chapter or Chapter 2 of that Part (early leavers: cash transfer sums and contribution refunds).

(3) Accordingly--

- (a) a member to whom Chapter 1 of that Part applies (see section 93 of that Act) is entitled to require the payment of a transfer value in respect of the rights to benefit that have accrued to or in respect of the member under this Section of the Scheme, and
- (b) a member to whom Chapter 2 of that Part applies (see section 101AA(1) of that Act) is entitled to a cash transfer sum or a contribution refund in accordance with that Chapter.

(4) Subject to paragraph (5) and the other provisions of this Chapter, any other member is entitled to require such a payment as if such rights had accrued to or in respect of him by reference to the pensionable service the member is entitled to count under this Section of the Scheme (and references in this Chapter to the member's accrued rights or benefits are to be read accordingly).

(5) Paragraph (4) does not--

- (a) give any rights to an active member,
- (b) give any rights to a pensioner member in respect of the pension to which the member has become entitled, or
- (c) give any rights to a pension credit member in respect of rights that are directly attributable to a pension credit.

3.F.2 Applications for statements of entitlement

(1) A member who requires a transfer value payment to be made must apply in writing to the Secretary of State for a statement of the amount of the cash

equivalent of the member's accrued benefits under this Section of the Scheme at the guarantee date (a "statement of entitlement").

(2) In this Part, "the guarantee date" means any date that--

- (a) falls within the required period,
- (b) is chosen by the Secretary of State,
- (c) is specified in the statement of entitlement, and
- (d) is within the period of 10 days ending with the date on which the member is provided with the statement of entitlement.

In counting the period of 10 days referred to in sub-paragraph (d), Saturdays, Sundays, Christmas Day, New Year's Day and Good Friday are excluded.

(3) In paragraph (2) "the required period" means--

- (a) the period of 3 months beginning with the date of the member's application for a statement of entitlement, or
- (b) such longer period beginning with that date (but not exceeding 6 months) as may reasonably be required if, for reasons beyond the control of the Secretary of State, the requisite information cannot be obtained to calculate the amount of the cash equivalent.

(4) The member may withdraw the application for a statement of entitlement by notice in writing at any time before the statement is provided.

3.F.3 Applications for transfer value payments: general

(1) A member who has applied for and received a statement of entitlement under regulation 3.F.2 may apply in writing to the Secretary of State for a transfer value payment to be made.

(2) On making such an application a member becomes entitled to a payment of an amount equal, or amounts equal in aggregate, to the amount specified in the statement of entitlement (or such other amount as may be payable by virtue of regulation 3.F.4(2)).

(3) In this Part such a payment is referred to as "the guaranteed cash equivalent transfer value payment".

(4) The application must specify the pension scheme or other arrangement to which the payment or payments should be applied.

(5) The application must meet such other conditions as the Secretary of State may require.

(6) An application under this regulation may be withdrawn by notice in writing to the Secretary of State, unless an agreement for the application of the whole or part of the guaranteed cash equivalent transfer value payment has been entered into with a third party before the notice is given.

3.F.4 Applications for transfer value payments: time limits

(1) An application under regulation 3.F.3(1) must be made before the end of the period of 3 months beginning with the guarantee date, and the payment must be made no later than--

- (a) 6 months after that date, or
- (b) if it is earlier, the date on which the member reaches 65.

This is subject to paragraph (4).

(2) If the payment is made later than 6 months after the guarantee date, the amount of the payment to which the member is entitled must be increased by--

- (a) the amount by which the amount specified in the statement of entitlement falls short of the amount it would have been if the guarantee date had been the date on which the payment is made, or
- (b) if it is greater and there was no reasonable excuse for the delay in payment, interest on the amount specified in the statement of entitlement, calculated on a daily basis over the period from the guarantee date to the date when the payment is made at an annual rate of 1% above the base rate.

(3) Paragraph (4) applies if--

- (a) disciplinary or court proceedings against the member are begun within 12 months after the member leaves the employment which qualified the member to belong to this Section of the Scheme, and
- (b) it appears to the Secretary of State that the proceedings may lead to all or part of the member's benefits being forfeited under regulation 3.J.7 (forfeiture of rights to benefit).

(4) The Secretary of State may defer doing what is needed to carry out what the member requires until the end of the period of 3 months beginning with the date on which those proceedings (including any proceedings on appeal) are concluded.

(5) In any case where a direction is given under regulation 3.J.7 for the forfeiture of a member's benefits, this regulation applies as if the amount specified in the statement of entitlement were reduced by an amount equal to the value of the benefits forfeited, as determined by the Scheme actuary.

(6) In respect of an applicant who falls within regulation 3.F.1(4)--

(a) in the case of an application that requires the guaranteed cash equivalent transfer value payment to be made to a registered occupational pension scheme or a registered personal pension scheme, an application under paragraph (1) may only be made if--

(i) the applicant became a member of that scheme not later than the end of the period of 12 months beginning with the day after the date on which the member ceased to be in the pensionable service in which the rights accrued ("the leaving date"), and

(ii) the application is made not later than--

(aa) the end of the period of 12 months beginning with the day on which the applicant became a member of that scheme, or

(bb) if the applicant became a member of that scheme on or before the leaving date, the end of the period of 12 months beginning with the day after the leaving date,

(b) in any other case, an application under paragraph (1) may only be made before the end of the period of 12 months beginning with the day after the leaving date.

Whilst every effort has been made to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

3.F.5 Ways in which transfer value payments may be applied

(1) A deferred member may only require the Secretary of State to apply the guaranteed cash equivalent transfer value payment in one or more of the ways permitted under section 95 of the 1993 Act.

(2) In any other case, a member may only require the Secretary of State to apply the guaranteed equivalent transfer value payment in one or more of the ways permitted under section 101AE of the 1993 Act.

(3) The whole of the guaranteed cash equivalent transfer value payment must be applied, unless paragraph (4) applies.

(4) The benefits attributable to--

(a) the member's accrued rights to a guaranteed minimum pension, or

(b) the member's accrued rights attributable to service in contracted-out employment on or after 6th April 1997,

may be excluded from the guaranteed cash equivalent transfer value payment if section 96(2) of the 1993 Act applies (trustees or managers of certain receiving schemes or arrangements able and willing to accept a transfer payment only in respect of the member's other rights).

(5) A transfer payment may only be made to--

(a) a pension scheme that is registered under Chapter 2 of Part 4 of the 2004 Act, or

(b) an arrangement that is a qualifying recognised overseas pension scheme for the purposes that Part (see section 169(2) of that Act).

(6) Paragraph (1) applies whether or not the deferred member is entitled to a guaranteed cash equivalent transfer value payment under Chapter 1 of Part 4ZA of the 1993 Act.

3.F.6 Calculating amounts of transfer value payments

(1) The amount of the guaranteed cash equivalent transfer value payment is to be calculated and verified by the Secretary of State in accordance with the Occupational Pension Schemes (Transfer Values) Regulations 1996.

This is subject to paragraphs (2), (3) and (5).

(2) Before determining the factors to be used in the calculation of the member's guaranteed cash equivalent, the Secretary of State shall take advice from the Scheme actuary.

(3) If the amount calculated in accordance with paragraph (1) is less than the member's minimum transfer value (if any), the amount of the guaranteed cash equivalent transfer value payment is to be equal to that value instead.

This is subject to paragraph (5).

(4) In paragraph (3), "minimum transfer value" means--

(a) in the case of a person other than a 2008 Section Optant, the sum of--

(i) any transfer value payments that have been made to this Section of the Scheme in respect of the person as a result of which the person is entitled to

which entitle the Optant to count, under Chapter 3.K, any pensionable service by reference to which the accrued rights subject to the transfer are calculated.

(5) If the transfer value payment is made under the public sector transfer arrangements, the amount of the transfer value payment is calculated--

(a) in accordance with those arrangements rather than paragraphs (1) and (3), and

(b) by reference to the guidance and tables provided by the Scheme actuary for the purposes of this paragraph that are in use on the date used for the calculation ; and

(c) separately in respect of--

(i) the aggregate of any amounts of pensionable earnings that the member is entitled to count for the purpose of calculating benefits payable to, or in respect of, the member that fall to be treated as--

 - (ii) in a case where the transfer is not made under those arrangements (including a transfer of rights from a corresponding 1995 scheme), of the increase to pensionable earnings and the service that member will be entitled so to count if the payment is so accepted by the Secretary of State within such period as is specified in the statement, and

(6) If the Secretary of State accepts the payment under the public sector transfer arrangements, "the relevant period" means the period of pensionable service the member is entitled to count calculated--

- (a) in accordance with those arrangements, and
- (b) by reference to the guidance and tables provided by the Scheme actuary for the purposes of this paragraph, that are in use on the date that is used by the transferring scheme for calculating the transfer value payment.

(7) If the Secretary of State accepts the payment from a scheme that does not participate in the public sector transfer arrangements, "the relevant period" means a period equal to the period of employment that qualified the member for the rights in respect of which the transfer payment is being made.

(8) Any part of a member's increase to pensionable earnings under paragraph (2)(a) that falls to be treated as a capped increase to pensionable earnings shall count as a capped increase to pensionable earnings for the purpose of paragraph (5) of regulation 3.F.6.

(9) For the meaning of "capped increase to pensionable earnings", see regulation 3.F.12.

(10) The Secretary of State may not accept a transfer value payment if--

- (a) it would be applied in whole or in part in respect of the member's entitlement to a guaranteed minimum pension, and

This is subject to paragraph (11).

3.F.11 Calculation of increase to pensionable earnings as the result of a transfer-in

(1) The increase in pensionable earnings that the member is entitled to count under regulation 3.F.10 as the result of a transfer is calculated in accordance with guidance and tables provided by the Scheme actuary for the purpose by reference to any relevant factors as at the date on which the transfer payment is received by the Secretary of State.

This is subject to the following provisions of this regulation.

(2) Subject to paragraph (4), for the purposes of the calculation under paragraph (1), the benefits in respect of the transfer payment will be calculated by increasing the member's pensionable earnings for--

(a) the financial year in which the member joined this Section of the Scheme; or

(b) the financial year in which the transfer payment is received if the payment is received more than 12 months after the day on which the member joined this Section of Scheme ("the starting day").

(3) The amount of the increase referred to in paragraph (2) will be calculated by--

(a) treating the member as entitled to a period of officer service equal to the period of employment that qualified the member for the rights in respect of which the transfer payment is being made,

(b) calculating the reckonable pay that would have given rise to a cash equivalent in respect of officer service under regulation 2.F.6 (calculating amounts of transfer value payments equal to the amount of the transfer payment), and

(c) increasing the member's pensionable earnings by an amount equal to the pensionable pay that the member would have received during that period of officer service if the member's pensionable pay had been equal to the reckonable pay mentioned in paragraph (b) throughout that period.

(4) But paragraph (2)(b) does not apply if--

(a) a written statement estimating the increase in pensionable earnings that the member would be entitled to count as a result of the transfer was given to the member by the Secretary of State during the period of 3 months ending 12 months after the starting day, and

(b) the transfer payment is received by the Secretary of State less than 3 months after the date of the statement.

(5) If the transfer value payment is accepted under the public sector transfer arrangements, the increase in pensionable earnings the member is entitled to count is calculated--

(a) in accordance with those arrangements, and

- (b) by reference to the guidance and tables provided by the Scheme actuary for the purposes of this paragraph, that are in use on the date that is used by the transferring scheme for calculating the transfer value payment.
- (6) If the transfer value payment is accepted from a corresponding 2008 scheme, the increase in pensionable earnings the member is entitled to count is the increase that the member would be entitled to count if--
 - (a) the member's employment to which that scheme applied were NHS employment in respect of which the member was a member of this Section of the Scheme, and
 - (b) the member's contributions to that scheme were contributions to this Section of the Scheme.
- (7) In the case of a 2008 Section Optant, this regulation is subject to regulation 3.K.10.

 - (b) which is the result of capped service in employment to which the transferring scheme applied,is a capped increase to pensionable earnings.
- (3) For the purposes of paragraph (1)(b), the service in respect of which the transfer is made was capped service so far as--
 - (a) in the case of service before 6th April 2006, the member was an active member of the transferring scheme whose pension under that scheme in respect of the service was to be calculated by reference to remuneration limited in each tax year to the permitted maximum for that year within the meaning of section 590C(2) of the Income and Corporation Taxes Act 1988, or
 - (b) in the case of service on or after 6th April 2006, the member was an active member of the transferring scheme whose pension under that scheme in respect of the service was to be calculated by reference to remuneration limited in each tax year to an amount calculated in the same manner as the permitted maximum under that section was calculated for tax years ending before that date.
- (4) For the purposes of paragraph (3), it does not matter whether, apart from the application of the limit, the member's remuneration in any tax year would have exceeded the amount of the limit.

- (7)
- (8) If the member has a guaranteed minimum under section 14 of the 1993 Act in relation to the old service pension, nothing in this regulation requires the reduction of the old service pension below the amount of the member's guaranteed minimum in relation to it.

3.H.4 Meaning of "relevant income"

- (1) The employed pensioner's relevant income for a financial year is the aggregate of--
 - (a) the amount of pensionable earnings received by the employed pensioner during that year from the new employment (assuming, in any case where the employed pensioner is not an active member of this Section of the Scheme in the new employment, that the employed pensioner is such a member), and
 - (b) the enhancement amount in relation to the old service pension.
- (2) The enhancement amount, in relation to an old service pension, is the difference between--
 - (a) the amount of that pension for that year, and
 - (b) the amount that that pension would have been had it been payable under regulation 3.D.4 (early payment of pensions with actuarial reduction).
- (3) If the old service pension is payable under 3.D.7 or 3.D.9 (ill-health pensions) to an employed pensioner who had not reached the age of 55 at the time when entitlement to the pension arose, for the purposes of paragraph (2)(b)--
 - (a) the fact that entitlement to a pension under regulation 3.D.4 depends on reaching that age is ignored, but
 - (b) the employed person's actual age at the relevant time is taken into account in determining the reduction to be made under regulation 3.D.4(2).
- (4) If the old service pension is a tier 2 ill-health pension, for the purposes of paragraph (2)(b), only the employed pensioner's actual pensionable service at the time when entitlement to the pension arose is taken into account in determining the amount that would have been payable under regulation 3.D.4.
- (5) If the employed pensioner exercised the option under regulation 3.D.10 (general option to exchange part of pension for lump sum) in relation to the old service pension, the resulting reduction in the pension is ignored for the purposes of this regulation.

Warning: This text has been prepared by Department of Health and Social Care officials. Whilst every effort has been made to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. (5A) The resulting reduction in the pension is taken into account for the purposes of this regulation if the employed pensioner—

- (a) exercised the option under regulation 3.D.14 (election to allocate pension) in relation to the old service pension, or
- (b) is a 2008 Section Optant who was entitled to a lump sum under regulation 3.K.11 in relation to the old service pension.

(6) References in this regulation to the amount of a pension for any financial year are to its amount for that year after any increases payable under the Pensions (Increase) Act 1971 in respect of that pension, including the increases that would have been payable in respect of any amount not paid because of a reduction ignored under paragraph (5).

3.H.5 Meaning of "previous earnings": general

(1) For the purposes of this Chapter an employed pensioner's previous earnings is the average of the annual amounts of the member's earnings in respect of practitioner service (or service which is treated as practitioner service) uprated to the date of entitlement to the pension in accordance with regulation 3.D.1(4)(b) and adjusted in each financial year for inflation.

(2) The reference in paragraph (1) to adjusting that amount in each financial year for inflation is to increasing it by the same amount as that by which an annual pension equal to that amount would have been increased under the Pensions (Increase) Act 1971 at 6th April in that financial year if--

- (a) that pension was eligible to be so increased, and
- (b) the beginning date for that pension were the same as the beginning date for the old service pension.

(3) In this regulation "the beginning date", in relation to a pension, means the date on which it is treated as beginning for the purposes of the Pensions (Increase) Act 1971 (see section 8(2) of that Act).

3.H.6 Employed pensioners with more than one pension

(1) This regulation provides for the application of this Chapter where a person is entitled to more than one old service pension falling within regulation 3.H.1(2)(c) in any financial year.

(2) In regulation 3.H.3--

- (a) for paragraphs (1) to (3) substitute--

"(1) If the condition in paragraph (2) is met, the amount of the old service pensions for any financial year is reduced.

(2) The condition is that the employed pensioner's relevant income for the financial year exceeds the employed pensioner's previous earnings for all the old employments.

(3) The amount of the reduction under paragraph (1) in the case of each of the pensions is equal to the same proportion of that excess as the amount of the pension for the financial year before the reduction bears to the sum of the pensions for that year before the reduction".

Whilst every effort has been made to ensure that it is accurate, it should not be relied on as a definitive text of the Regulations. It has been produced solely to help people understand the Regulations as amended. It is not intended for use in any other Context.

(3) In regulation 3.H.4(1)(b) for "the old service pension" substitute "all the old service pensions".

(4) Regulation 3.H.7 applies as if references to the old service pension were references to all those pensions.

3.H.7 Provisional reductions and later adjustments

(1) If it appears to the Secretary of State that the condition in regulation 3.H.3(2) will be met in any financial year in respect of the old service pension for that year, the Secretary of State may reduce the amount of that pension paid at any time in the financial year.

(2) Where the old service pension for a financial year is being reduced under this Chapter, the Secretary of State must review the amount of the reduction--

(a) at the end of the financial year, and

(b) at any time during the financial year if it appears to the Secretary of State that--

(i) the amount of the reduction made for the year is or may become incorrect, or

(ii) no reduction should be made.

(3) If at any time during the financial year it so appears, the Secretary of State must make such adjustments, whether by altering the amount of the reduction or by repaying to the employed pensioner any amount that should not have been deducted from the pension, as appear to the Secretary of State to be required.

(4) If at the end of the financial year it is apparent that--

(a) the reduction in the old service pension for the year was excessive, or

(b) no such reduction should have been made,

the Secretary of State must repay the amount due to the employed pensioner.

(5) If at the end of the financial year it is apparent that the old service pension paid for the year exceeded the amount due because the reduction in the old service pension required under regulation 3.H.3 was not made, the employed pensioner must repay the excess to Secretary of State.

(6) Paragraph (5) does not affect the Secretary of State's right to recover a payment or overpayment in any case where the Secretary of State considers it appropriate to do so.

3.K.2 Options for 1995 Section members to join this Section of the Scheme under Chapter 3.K

(1) A person who by virtue of that person's practitioner service--

- (a) was an active member of the 1995 Section--
 - (i) on, or after, 1st October 2009, and

(ii) on the day that person's option to join this Section of the Scheme was received by the Secretary of State, and

(b) would be eligible to join this Section of the Scheme if that person met the condition in regulation 3.B.1(3)(a) (which requires that the person's practitioner service began on or after 1st April 2008),

(2) A person who satisfies the conditions in paragraph (1) may only join this Section of the Scheme if that person opts to do so.

(3) The option may only be exercised by giving notice in writing to the Scheme administrator--

(a) in such form as the Secretary of State requires, and

(b) before the date the Secretary of State specifies for that purpose in the comparative statement of benefits under the 1995 Section and the 2008 Section of the Scheme issued to that person ("the comparative statement").

This is subject to paragraphs (4) and (9) and regulation 3.K.20.

(ii) treated as having been given on the date on which it is received by the Scheme administrator.

(5) The option shall be effective from the first day of the member's pensionable service in the 1995 Section falling on or after 1st April 2008, and--

(a) the person shall be treated as if that person had been a member of this Section of the Scheme from that date,

(b) the member's service and pensionable earnings both for the purpose of ascertaining entitlement to, and calculation of, benefits under the 1995 Section shall count under this Section of the Scheme only to the extent that it would have counted had the member been an active member of this Section of the Scheme from that date.

This is subject to paragraph (12).

(6) If contributions due from the member under Chapter 3.C in respect of any periods beginning on or after 1st April 2008 are not made when they are due because of the time when the option is exercised, the amount overdue is to be paid by deduction from the member's pensionable earnings in such manner and at such rate as the Secretary of State requires.

(7) If, in a case where paragraph (6) applies, the member ceases to be an active member of this Section of the Scheme before the amount overdue has been paid under that paragraph, the amount outstanding becomes payable immediately.

(9) The Secretary of State may accept an option to join the 2008 Section that is received after the person ceases to be an active member of the 1995 Section if either paragraph (9A) applies to that person or that person satisfies all of the following--

- (c) the person has provided the Secretary of State with a notice in writing in such form as the Secretary may require that benefits are not to be paid from the 1995 Section and has not revoked that notice, and
- (d) the person exercises the option before the end of the four month period beginning with the comparative statement issue date.

(9A) This paragraph applies to a person who—

- (a) has ceased to pay contributions in accordance with paragraph (3) or paragraph (4) of regulation D1 of the 1995 Regulations (contributions by members),
- (b) is continuing in NHS employment, and
- (c) exercises the option before the end of the four month period beginning with the comparative statement issue date.

(10) A person may revoke a notice given for the purposes of paragraph (9)(c)--

- (a) at any time;
- (b) in writing on the form provided by the Secretary of State for that purpose.

(11) A person who has revoked a notice in accordance with paragraph (10) may not provide a further notice under paragraph (9).

(12) A person exercising an option under this regulation who is entitled to a pension under regulation E2A of the 1995 Regulations (ill-health pension on early retirement) may count as qualifying service for the purpose of this Section of the Scheme a period of service measured in years and days equal to the qualifying service that person was entitled to count under regulation C3 of the 1995 Regulations (meaning of qualifying service) in determining their entitlement to that pension.

(13) For the purposes of paragraphs (4), (9) and (9A) the comparative statement issue date is the date on which the comparative statement of benefits under the 1995 Section and the 2008 Section of the Scheme is sent (whether by electronic communication or otherwise)--

- (a) to the person, or
- (b) to the person's employing authority.

(14) Where paragraph (13)(b) applies the person must have a period equal to at least three months ending on the date specified by the Secretary of State in accordance with paragraph (4)(a) in which to opt to join this Section of the Scheme.

This is subject to paragraph (1)(a)(ii) and any extension of time in accordance with paragraph (8).
