

## NHS Pensions - GP locum Form A: 1 October 2022 to 31 March 2023

GP locum own use only

This form includes the new contribution rates announced by the Department of Health and Social Care (DHSC) from 1 October 2022.

### England

To claim NHS Pension Scheme membership for freelance GP locum surgery NHS work or appraisal work carried out in England, forms can now be submitted via PCSE Online. Guidance on how to complete your locum forms on PCSE Online can be found at <https://pcse.england.nhs.uk/services/gp-pensions/gp-locums/>. You should send your invoice to the GP surgery as normal (or NHS England for appraisal work).

Once you have submitted a Locum A form on PCSE Online, the practice you completed the work for (or NHS England if it is appraisal work) will receive a notification that a form is awaiting approval. As soon as the Form A has been approved you will be able to submit the Form B.

Instructions on how to submit payment to NHS England are displayed on PCSE Online when you submit a Form B.

If you are unable to use PCSE Online, you can complete Part 1 of the form below and send it with your invoice to the GP surgery for freelance GP locum surgery NHS work or NHS England for appraisal work. Instructions on how to submit payment to NHS England can be found on Locum Form B.

### Wales

- To claim NHS Pension Scheme membership for freelance GP locum surgery NHS work, complete Part 1 of this form and send it with your invoice to the GP surgery. To claim NHS Pension Scheme membership for appraisal work, complete Part 1 of this form and send with your invoice to the Local Health Board (Wales). A separate form A is required for each invoice.

### General guidance

- You must inform your employer from the outset if you intend to pension your locum income. Your freelance GP locum **pensionable** income is 90% of your fee excluding the employer contribution element. You cannot pension any more or less than 90%.
- Your tiered employee contribution rate in the tax year 2022/23 is based on all your GP pensionable income, not just your freelance GP locum income. From 1 April 2022 all members will be in the 2015 Scheme, and you must annualise your GP income to set the relevant tiered contribution rate. All breaks, regardless of their length, must be accounted for.
- The contribution rate paid by your employer is 14.38% which includes the administration levy of 0.08%. (The overall employer contribution rate is 20.68% but HM Treasury make up the additional 6.3%).
- You **must not** include work for September 2022 and October 2022 on the same form due to the tier rates for September 2022 being different to the tier rates for October 2022.
- This form must only be used to record self-employed work where you are deputising for an absent GP, where you are working on a temporary basis in a surgery, appraisal work or if you are working as an individual. If you trade as a limited company, you cannot declare the income on this form.

- The practice ODS code can be found by searching the NHS Digital ODS portal <https://odsportal.digital.nhs.uk/Organisation/Search>
- If you are a GP provider, you cannot pension income as a freelance GP locum in your own surgery.
- Do not use this form to record self-employed out of hours (OOHs) or Integrated Care Board (ICB) work. The provider (or ICB) must follow the Solo process to submit your contributions.
- NHS Pensions Regulations state you cannot pension a period of freelance GP locum work that ended more than 10 weeks ago. This rule is being reintroduced on 1 October 2022. It was relaxed during the coronavirus pandemic. Any forms received after 10 weeks cannot be pensionable so will be rejected.
- You must pay any arrears of contributions immediately at year end.
- You must always enter your unique payment reference (UPR) on this form.
- If you initially intended to pension your income but did not, you must return the employer contribution element of your fee to the surgery or, in the case of appraisal work to NHS England or the Local Health Board (LHB).

### Recording locum sessions

You must complete a Form A, each time you are paid for pensionable freelance GP locum work.

If you are submitting one invoice/fee to a surgery for several individual sessions or days worked in a month, list all the individual sessions or days on the same form. For example, if you entered into a contract for services to work every Monday in November 2022 and invoiced the surgery after the last Monday, enter all four dates in the boxes above as follows:

From 07/11/2022 – 07/11/2022  
 From 14/11/2022 – 14/11/2022  
 From 21/11/2022 – 21/11/2022  
 From 28/11/2022 – 28/11/2022

If you work for just one day, for example on 7 November 2022, enter the following in the boxes above:

From 07/11/2022 – 07/11/2022

If you entered into a contract for services to work every Monday, Tuesday, and Wednesday in November 2022 and invoiced the surgery after the last Wednesday (30<sup>th</sup>) enter all four periods in the boxes above as follows:

From 07/11/2022 – 09/11/2022  
 From 14/11/2022 – 16/11/2022  
 From 21/11/2022 – 23/11/2022  
 From 28/11/2022 – 30/11/2022

You do not need to complete a separate Form A for each session or day within the same month provided they are covered by one invoice/fee. If, however you invoice the same surgery for individual sessions or days (for example after each Monday to Wednesday session) you must complete a separate Form A on each occasion.

If your work spans two calendar months with no breaks, you must record and invoice each month separately. For example, if you work 29 November 2022 to 01 December 2022, you should record 29/11/2022 to 30/11/2022 in part 1 on your November form and 01/12/2022 separately on your December form. Recording each month separately will ensure that the correct contribution rate is applied to your income for work undertaken before and after the contribution rate changes, which came into effect on 1 October 2022. It will also ensure that when annualising, your tiered employee contribution rate in year 2022/23 takes account of pensionable locum work performed in 2022/23.

If there are breaks of any length between your actual periods of work, you must enter each period separately.

Use Annex A if there are not enough boxes at Part 1.

## GP appraisal work

The same rules apply in respect of appraisal work. Please enter only the dates you actually worked.

## Record keeping

Keep copies of all your forms for your records. The 'GP locum use' box at the top is for your administration purposes. For more detailed information refer to the GP Pension Guide located on the practitioner webpage of the Member Hub of the NHS Pensions website.

## Part 2- Guidance for surgeries, NHS England, and LHBs

If a freelance GP locum wants to pension their income, they will ask you to validate Part 2 of this form.

Step 1: Enter the GP locum fee in box 1.

Step 2: Multiply the fee by 90% and enter the resulting amount in box 2. This is the pensionable pay.

Step 3: Multiply the amount in box 2 by 14.38% and enter the amount in box 3. These are the employer contributions and administration levy.

Please note:

- Freelance GP locums cannot pension income in the NHS Pension Scheme if they trade as a limited company.
- A GP provider cannot pension income in the NHS Pension Scheme as a freelance GP locum in their own surgery.
- Only surgery work performed under a contract for services where the locum is deputising for an absent GP or working on a temporary basis must be recorded on this form.
- Please pay the freelance GP locum and complete the form promptly to ensure the locum can comply with the 10-week rule.
- Always keep a copy of locum pensions forms because locum fees are an expense for the surgery

## How we use your information

We will use the information provided for administering your NHS Pension Scheme membership and processing payment of your NHS pension benefits. We may share your information to administer and pay your NHS pension, enable us to prevent and detect fraud and mistakes, for debt collection purposes, or as required by law. For more information about who we share your information with and how long we keep your personal data and your rights, please visit our website at [www.nhsbsa.nhs.uk/yourinformation](http://www.nhsbsa.nhs.uk/yourinformation)

I claim NHS Pension Scheme membership for work I undertook as an individual freelance GP locum, not as a limited company. I have worked in a GP surgery on a temporary or deputising basis or been performing appraisal work. I shall review my tiered contribution rate at year-end and forward all contributions to the relevant body.

## Part 1- Guidance for freelance GP locums

### Surgery work

To claim NHS Pension Scheme membership complete Part 1 of this form and send it with your invoice. You must complete this form each time you are paid for pensionable freelance GP locum work.

If you are submitting one invoice/fee to a surgery for several individual sessions or days worked in a month, list all the individual sessions or days on this form. For example, if you entered into a contract for services to work every Monday in November 2022 and invoiced the surgery after the last Monday, enter all four dates in the boxes above as follows:

From 07/11/2022 – 07/11/2022  
From 14/11/2022 – 14/11/2022  
From 21/11/2022 – 21/11/2022  
From 28/11/2022 – 28/11/2022

If you work for just one day, for example on 7 November 2022, enter the following in the boxes above:

From 07/11/2022 – 07/11/2022

If you entered into a contract for services to work every Monday, Tuesday, and Wednesday in November 2022 and invoiced the surgery after the last Wednesday (30<sup>th</sup>) enter all four periods in the boxes above as follows:

From 07/11/2022 – 09/11/2022  
From 14/11/2022 – 16/11/2022  
From 21/11/2022 – 23/11/2022  
From 28/11/2022 – 30/11/2022

You do not need to complete a separate Form A for each session or day within the same month provided they are covered by one invoice/fee. If, however you invoice the same surgery for individual sessions or days (for example after each Monday to Wednesday session) you must complete a separate Form A on each occasion.

If your work spans two calendar months with no breaks, we recommend you record and invoice each month separately. For example, if you work 29 November 2022 to 01 December 2022, you should record 29/11/2022 to 30/11/2022 in part 1 on your November form and 01/12/2022 separately on your December form. Recording each month separately will ensure that the correct contribution rate is applied to your income for work undertaken before and after the contribution rate changes, which came into effect on 1 October 2022. It will also ensure that when annualising, your tiered employee contribution rate in year 2022/23 takes account of pensionable locum work performed in 2022/23.

If there are breaks of any length between your actual periods of work, you must enter each period separately.

Use Annex A if there are not enough boxes at Part 1.

### GP appraisal work

The same rules apply in respect of appraisal work. Please enter only the dates you actually worked.

### Record keeping

Keep copies of all your forms for your records. The 'GP locum use' box at the top is for your administration purposes. For more detailed information refer to the GP Pension Guide located on the practitioner webpage of the Member Hub of the NHS Pensions website.

## Part 2- Guidance for surgeries, NHS England, and LHBs

If a freelance GP locum wants to pension their income, they will ask you to validate Part 2 of this form.

Step 1: Enter the GP locum fee in box 1.

Step 2: Multiply the fee by 90% and enter the resulting amount in box 2. This is the pensionable pay.

Step 3: Multiply the amount in box 2 by 14.38% and enter the amount in box 3. These are the employer contributions and administration levy.

Please note:

- Freelance GP locums cannot pension income in the NHS Pension Scheme if they trade as a limited company.
- A GP provider cannot pension income in the NHS Pension Scheme as a freelance GP locum in their own surgery.
- Only surgery work performed under a contract for services where the locum is deputising for an absent GP or working on a temporary basis must be recorded on this form.
- Please pay the freelance GP locum and complete the form promptly.
- Always keep a copy of locum pensions forms because locum fees are an expense for the surgery.
