
**ARRANGEMENTS FOR PAYMENT FOR SPECIALS AND IMPORTED UNLICENSED
MEDICINES WITH A PRICE PER UNIT ABOVE A MINIMUM QUANTITY**

The arrangements laid out in this Part cover specials and imported unlicensed medicines to be priced per unit above a minimum quantity.

Basic price of certain Specials and Imported unlicensed medicines

The price listed in respect of a drug specified in the following list is the basic price on which payment will be calculated pursuant to Part I Clause 5B 1 for the dispensing of that drug.

Drugs listed in this Part have a minimum quantity and price for that quantity and a price per subsequent ml/g/tab/cap unless in a special container.

The Secretary of State determines the price based on information of manufactured specials or imports submitted by suppliers that hold a Manufacturer 'Specials' Licence or Wholesale Dealer Licence issued by the Medicine and Healthcare products Regulatory Agency (MHRA).

Formulations - The Tariff covers the formulations specified. The following symbols are used in Part VIII B.

STD	Standard formulation including standard flavours
SF	Sugar free
AF	Alcohol free
CF	Colour free
FF	Flavour free
LF	Lactose free
PF	Preservative free
NSF	Non standard flavours
■	Special Container
§	Selected List Scheme (SLS)

Price - All unlicensed medicines in this Part are listed with a minimum quantity and corresponding price, which is payable for any amount prescribed up to the minimum quantity. Unless in a special container, subsequent quantities will be payable at the additional price per ml/g/tab/cap up to the total quantity prescribed. The price of each product listed in this Part covers the formulations specified and this price will be paid regardless of how the product was sourced.

Endorsement requirements above Part II Clause 9

It is not necessary to endorse prescription forms for unlicensed medicines listed in this Part other than with the endorsement requirements outlined in Part II Clause 9.

If the unlicensed medicine is obtained from a supplier holding a MHRA Manufacturer 'Specials' Licence or Wholesale Dealer Licence, the contractor shall endorse the prescription with the initials 'SP' to claim the additional fees payable for dispensing unlicensed medicines.

The 'ED' endorsement would only apply if the unlicensed medicine has been prepared under the manufacturing part of the Section 10 exemption from the Medicines Act 1968, by the contractor or by a third party. In this case, the contractor shall endorse the names, quantities and cost of ingredients used in preparing the special.

Arrangements for payment for all other Specials and Imported unlicensed medicines

Prescriptions for specials not listed in the Drug Tariff Part VIII B and Part VIII D will be paid depending on how the special was sourced and the price endorsed on the prescription form.

- Where the unlicensed medicine is manufactured under a Manufacturer 'Specials' Licence or Wholesale Dealer Licence issued by the MHRA, the contractor shall endorse the:
 - initials 'SP' to claim the additional fees payable for dispensing unlicensed medicines
 - pack size from which the order was supplied
 - invoice price per pack size from which the product was supplied **less** discount/rebates
 - manufacturer's/wholesaler's licence number
 - batch number of the unlicensed medicine.
- Where the special has been prepared under the manufacturing part of the Section 10 exemption from the Medicines Act 1968, by the contractor or by a third party, the contractor shall endorse the names, quantities and cost of the ingredients used in preparing the special and endorse the prescription form with the initials 'ED' to claim the additional fees payable for dispensing unlicensed medicines prepared using this exemption.

**ARRANGEMENTS FOR PAYMENT FOR SPECIALS AND IMPORTED UNLICENSED
MEDICINES WITH A PRICE PER UNIT ABOVE A MINIMUM QUANTITY**

Further requirements when supplying unlicensed medicines

Contractors shall

- a Keep the following records for 5 years:
 - The source of the special or imported unlicensed product
 - The person to whom and the date on which the special or imported unlicensed product was sold or supplied
 - The prescriber's details
 - The quantity of each sale or supply
 - The batch number of the special
- b Make available these records for inspection by the Licensing Authority.

For specials not listed in the Drug Tariff Part VIII B and Part VIII D, the contractor or his representative must stamp, date, initial and endorse the Certificate of Analysis (COA)/Certificate of Conformity (COC) with the invoice price less discount and prescriber's details and retain the COA/COC for 5 years.

For imported unlicensed products not listed in the Drug Tariff Part VIII B and Part VIII D, the contractor or his representative shall make every reasonable effort to obtain a Certificate of Analysis (COA)/Certificate of Conformity (COC) for each imported product sourced and retain the COA/COC for 5 years.

- Where a COA/COC is available, the contractor must stamp, date, initial and endorse the COA/COC with the invoice price less discount and prescribers details.
- Where a COC/COA is not available, the contractor must stamp, date, initial and endorse the invoice with the invoice price less discount (where not clearly detailed by the supplier) and the prescriber's details.
