

How to search for a job by a region in NHS Jobs?

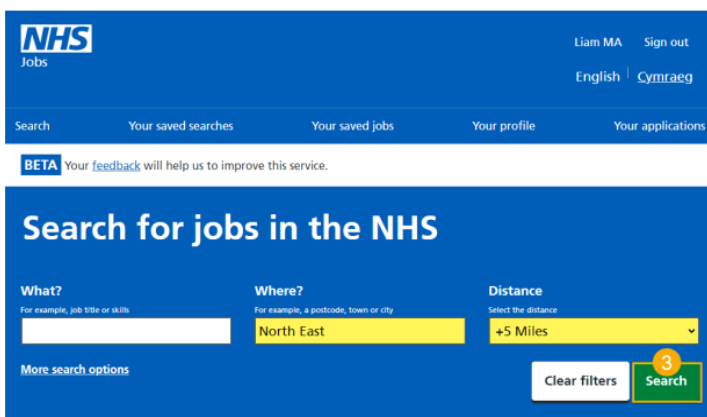

IMPORTANT: To search for jobs in the NHS, go to the webpage: www.jobs.nhs.uk/candidate/search

1. In the **Where?** box, enter a region. For example, '**North East**'.

Tip: Once you enter at least **3 characters**, you can select a possible match.

2. In the **Distance** box, select a distance. For example, '**+5 Miles**' (optional).
