Search for a job

This page gives you instructions for how to search for a job.

Important: You can search for a job by job title/skills or location. You can only choose a distance if you've entered a postcode, town, or city. You can enter a job title/skills, location, and distance to return more specific job search results. If you want all job search results, leave the search criteria blank and select the 'Search button'.

To search for a job, complete the following steps:

1. In the **What?** box, enter job title or skills. For example, Administrator.
2. In the **Where?** box, enter a postcode, town, or city. For example, Newcastle upon Tyne.
3. In the **Distance** box, select an option from the list. For example, +10 Miles.
4. Select the '[More search options](#)' link (optional).
5. Select the '[Search](#)' button.
- Or
6. Select the 'Clear filters' button.

The screenshot shows the NHS Jobs search page. At the top left is the NHS Jobs logo. At the top right are links for 'Sign in' and 'Create an account', and language options for 'English' and 'Cymraeg'. Below this is a 'BETA' notice. The main heading is 'Search for jobs in the NHS'. The search form has three columns: 'What?' with a text input containing 'Administrator' (callout 1), 'Where?' with a text input containing 'Newcastle Upon Tyne' (callout 2), and 'Distance' with a dropdown menu set to '+10 Miles' (callout 3). Below the 'What?' field is a link for 'More search options' (callout 4). At the bottom are 'Clear filters' (callout 6) and 'Search' (callout 5) buttons.

Tip: Once you enter at least 3 characters, you can select a possible location match. If you search for a job title or skills, the results returned include all references from the job description and person specification.

Search for a job with more options

This page gives you instructions for how to search for a job with more options.

Important: You'll only see this page if you've chosen to search with more options. You'll need to know the job reference to find it.

To search for a job with more options, complete the following steps:

1. In the **Job reference** box, enter a job reference (optional).
2. In the **Employer** box, enter the employer (optional).
3. In the **Pay range** box, select an option from the list (optional).
4. Select the '[Fewer search options](#)' link (optional).
5. Select the '[Search](#)' button.
- Or
6. Select the 'Clear filters' button.

The screenshot shows the NHS Jobs search page. At the top left is the NHS Jobs logo. At the top right are links for 'Sign in' and 'Create an account', and 'English' and 'Cymraeg' language options. Below the header is a 'BETA' notice: 'Your feedback will help us to improve this service.' The main heading is 'Search for jobs in the NHS'. The search form is divided into several sections: 'What?' (For example, job title or skills), 'Where?' (For example, a postcode, town or city), 'Distance' (Select the distance, with a dropdown menu showing 'All locations'), 'Job reference' (e.g. C0987-23-1234 / 914-JOBREF), 'Employer' (e.g. NHS Business Services Autho), and 'Pay range' (Please select). At the bottom of the form are two buttons: 'Clear filters' and 'Search'. A link for 'Fewer search options' is also present. Numbered callouts (1-6) are placed over the form elements: 1 is over the Job reference input, 2 is over the Employer input, 3 is over the Pay range dropdown, 4 is over the 'Fewer search options' link, 5 is over the 'Search' button, and 6 is over the 'Clear filters' button.

Search results

This page gives you instructions for how to view your search results.

Important: You can save a job so it's easier to find and apply for the role. You must sign into your account to do this. If you don't have an account, you'll need to create one. You can filter a job search by 'Distance', 'COVID-19', 'Working pattern', 'Contract type', 'Pay range' and 'NHS pay grades and schemes'. You can only choose a distance if you've entered a postcode, town, or city.

To view and refine your search results, complete the following steps:

1. Select a 'Job title' link to view the job advert.
 2. Select a '[Save this job](#)' link to save the job.
 3. In the **Sort by** box, select an option from the list.
 4. In the **Refine your search** section, select one or more options.
 5. Select the 'Apply filters' button.
 6. Select the '[Save this search](#)' link.
- Or
7. Select the 'Clear filters' button.

The screenshot displays the NHS Jobs search results interface. At the top, there are links for 'Sign in' and 'Create an account', along with language options 'English' and 'Cymraeg'. A search bar contains the text 'Administrator' and 'Newcastle Upon Tyne'. Below the search bar, there are sections for 'What?' and 'Where?'. The 'Refine your search' section includes filters for 'Distance' (set to +10 Miles), 'COVID-19', 'Working pattern', 'Contract type', 'Pay range', and 'NHS pay grades and schemes'. A 'Sort by' dropdown is set to 'Best match'. The job results list includes three entries: 'Admin Assistant' (1), 'Admin Assistant' (2), and 'Business Support Officer' (3). Each entry shows the job title, location, salary, distance, closing date, and contract details. Numbered callouts (1-7) are placed over the page to indicate the steps described in the text.

Tip: You can select more than one filter. To view all job results, select the 'Next page 2 of X' link at the bottom of the webpage.

Your saved jobs

This page gives you instructions for how manage your saved jobs.

Important: You'll only see this page if you've saved a job. If the closing date passes, you won't be able to continue your application. If the closing date passes, you won't be able to continue your application, but you can still view the job advert information.

To manage your saved jobs, complete the following steps:
