

We're making it easier for you to find out how we handle your dental treatment information

When you complete a course of NHS dental treatment, your dentist submits some of your treatment details to us. You agreed to this when you signed the dental treatment form, which is required as part of your dentist's contract terms.

By law, we must process this information on behalf of the NHS.

We use the information to:

- ✔ pay the dental practice
- ✔ secure effective and efficient delivery of NHS services
- ✔ analyse with other patients' information to understand patterns and trends that will be used to plan and make improvements to NHS services and direct patient care
- ✔ check for fraud and errors
- ✔ survey NHS dentistry experience

For further details on sharing your personal information, how your information is sorted and your rights, please scan the QR code to the NHS Dental Services website.
