

Introduction

This guide has been produced to help providers and clinicians to:

- use the online FP17OW form available in the NHSBSA Compass system
- address some of the more common questions relating to the business rules associated with the processing of FP17OWs, whether they have been submitted using the online forms or submitted via a practice management system.

This guide can also be used as a training tool for individuals new to NHS dentistry. Please note that this guide is only to be used for the submission of dental activity submissions for Orthodontic courses of NHS dental treatment in Wales.
