### PEAK FLOW METERS

syn: P.F.M.

(Non-powered; hand-held)

Portable meters intended for single-patient use.

The standard range is suitable for use by both adults and children.The low range model is for adults or children with severely restricted airflow.

The Peak Flow Meters standard range will conform to the relevant current EN ISO standard.

The Peak Flow Meters low range will be CE marked and comply with the relevant current EN ISO standard in all aspects except for a reduced measurement range.

| Swabs of folded 8-ply non-woven viscose fabric containing a film of viscose fibres to increase absorbency.  |                  |               |

\*Notes: Sterile Swabs

(i) *These sterile dressings are to be supplied in packs of swabs in sealed packs as received from the manufacturer, supplier or wholesaler. They should not be confused with the non-sterile 10cm size in packets of 100 swabs used for general swabbing purposes.*

(ii) *The exact number of sterile swabs ordered are to be supplied except for orders not in multiples of 5 (See Note 2 page 429). A packet to be used for each sterile dressing operation; unused swabs to be discarded as unsterile.*

## APPLIANCES

| Appliance | Size or Weight | Basic Price p |
|-----------|----------------|---------------|
|-----------|----------------|---------------|

### TRUSSES

(See Part 1, Clause 2 page 4)

Before the prescription can be dispensed three details must be given by the prescriber:

- (i) Single, or double, and the side, if single
- (ii) Position, eg. Inguinal; Scrotal
- (iii) Type, eg. truss; Elastic band truss

In the event of a dispute between the patient and the pharmacy or the appliance contractor about whether the truss supplied is satisfactory, the doctor's decision shall be binding.

#### Spring Truss

**each**

Specification 31(a)

Spring Trusses shall conform to the British Standard 2930: 1970 for Surgical Spring Trusses

|  |              |        |
|--|--------------|--------|
| Inguinal                                   | Single       | 3775 △ |
|  | Double       | 5268 △ |
| Inguinal Rat-tail                          | Single       | 4649 △ |
|  | Double       | 6947 △ |
| Femoral                                    | Single       | 4171 △ |
|  | Double       | 6452 △ |

---

**INCONTINENCE APPLIANCES**

---

**INCONTINENCE APPLIANCES**

1. Prescribers and suppliers should note that products not included in the list are not prescribable (See Part 1 Clause 2). Attention is drawn particularly to the information on the average life-in-use of each type of product which, together with the pack size, should enable prescribers to calculate their patients' requirements with reasonable accuracy.
2. Only basic information on each product has been provided and prescribers may on occasions wish to seek further information about certain products eg when assessing a patient for the first time. If so, this is always available from the manufacturers (addresses and telephone numbers are given at the end of the entry). Information may also be sought from community nurses and community pharmacists. Where possible manufacturers'/suppliers' order code numbers have been shown but prescribers should note that the order numbers shown are not necessarily the full codes for the appliances they wish to order. This is particularly true of urinal systems where additional code numbers are usually necessary to denote variations from the basic design and individual sizes.
3. Prescribers are reminded that incontinence pads (including products not necessarily described as such but using the absorption principle), incontinence garments, skin wipes and occlusive devices such as female vaginal devices and male penile clamps are not prescribable under the Drug Tariff provisions.

**All products in Part IXB receive a home delivery fee of 340p.**

### CATHETER VALVES

**Warning: This product should not be used without assessment of bladder function by an appropriate medical professional.**

**Indications:** For use with an indwelling urethral catheter.

**Contraindications:**

Reduced bladder capacity  
 No bladder sensation  
 Cognitive impairment  
 Insufficient manual dexterity to operate the Catheter Valve

**Note:** *It is recommended that the Catheter Valve is changed every 5 - 7 days.*

**All products in this category must be dispensed with a supply of wipes and disposal bags.**

## INCONTINENCE APPLIANCES

### INCONTINENCE SHEATHS

The incontinence sheaths (also known as penile sheaths and external catheters) listed below, are, except where indicated, of the soft, flexible, latex type. Sheaths are available with and without fixing devices which may be applied externally (around the outside of the sheath) or internally (around the penis between the skin and the sheath). A list of fixing devices and other adhesion products is included in 'Incontinence Sheath Fixing Strips & Adhesives'.

**Note:** Each Sheath may be left in place for 1 to 3 days between changes.

The following symbols are used in this section

- ⊗ Non-adhesive sheath without liner
- ⊙ Sheath with self-adhesive liner
- ‡ Sheath with separate double-sided adhesive strip
- ≡ Sheath with separate single-sided adhesive strip

## INCONTINENCE APPLIANCES

### LEG BAGS

The leg bags listed are suitable for collection of urine from indwelling catheters or incontinence sheaths. They are intended for daytime use although the larger bags may have adequate capacity for overnight use by some patients. The bags may be worn in different positions on the leg and the intended position (eg thigh, knee or calf) will determine the length of the inlet tube. The bags are attached to the leg by means of straps (included with each pack) which are generally either latex or foam with velcro fasteners.

**Note:** Plastic leg bags identified in the list with an asterisk\* may on average be used for 5-7 days. With proper care and cleansing rubber leg bags are re-usable for 4-6 months.

#### Symbols used in this section

S These leg bags are supplied sterile. This does not affect the guidance given in the note at the beginning.

\* Plastics

W Due to the size and weight of these bags when full, this capacity of bag should be prescribed only for wheelchair-bound patients.

#### All products in this category must be dispensed with a supply of wipes and disposal bags.

## INCONTINENCE APPLIANCES

### NIGHT DRAINAGE BAGS

These bags are suitable for night-time use for the collection of urine from indwelling catheters or incontinence sheaths. They are generally used in conjunction with a bag hanger which, being a nursing aid, is not prescribable. Supply arrangements for bag hangers tend to vary throughout the country but they are normally supplied through the community nursing service.

**Note:** *The drainage bags listed below except non-drainable bags, have a life-in-use of, on average 5-7 days.*

#### Symbols used in this section

- # Non-drainable bags
- S These Night Drainage Bags are supplied sterile
- Single Use Only
- \* Plastics

**All products in this category must be dispensed with a supply of wipes and disposal bags.**

## INCONTINENCE APPLIANCES

### SUSPENSORY SYSTEMS

These appliances should not be confused with leg bag garments which are not prescribable. Each system comprises a drainage bag with its means of support.

**Note:** The bags may be used for 5-7 days, sometimes longer, but the support systems will have a much longer life.

**Products marked with the symbol ■ in this category must be dispensed with a supply of wipes and disposal bags.**

## INCONTINENCE APPLIANCES

### URINAL SYSTEMS

The devices listed below are specialist appliances which comprise several components and need to be correctly fitted by someone competent to do so. Generally patients should have 2 appliances, one to wear and one to wash.

**Note:** In general the individual components can be prescribed separately for replacement purposes. With proper care and cleansing, each appliance should last for 6 months.

**Products marked with the following symbol ■ in this category must be dispensed with a supply of wipes and disposal bags.**

**STOMA APPLIANCES**

---

**STOMA APPLIANCES****(Colostomy, Ileostomy, Urostomy)**

1. Prescribers and suppliers should note that products not included in the list are not prescribable (See Part I Clause 2).
2. Where the information is available, the "**Reference Capacity**" of a stoma bag will be given. This is intended to give a guide of comparison between different bag sizes, but *should not be taken to indicate actual usable capacity*. "Reference Capacity" shall be measured according to BS 7127:Part 101:1991, Appendix M, with the level of water set at the lower edge of the opening of wafer or flange.
3. Only basic information has been provided and prescribers may on occasions wish to seek further information about certain products eg when assessing a patient for the first time. If so this is always available from the manufacturers (addresses and telephone numbers are given at the end of the entry). Information may also be sought from stoma nurses and community pharmacists.
4. Where the prescriber has not specified the type of appliance or part thereof or accessory, the pharmacy or appliance contractor must endorse the prescription form stating the type supplied and submit the invoice if requested by the NHSBSA, NHS Prescription Services.

**All products in IXC receive a home delivery fee of 340p.**

All products with convexity should only be used after prior assessment of suitability by an appropriate medical professional.

## CHEMICAL REAGENTS

## APPROVED LIST OF CHEMICAL REAGENTS

The only chemical reagents which may be supplied as part of the pharmaceutical services are those listed in Part IXR of the Tariff.

The price listed in respect of a chemical reagent specified in the following list is the basic price on which payment will be calculated pursuant to Part I, Clause 5B for the dispensing of that chemical reagent.

The Notes to Part IX shall also apply to Part IXR when 'chemical reagent(s)' shall be substituted for 'appliance(s)'.

All quantities within this section are those of the manufacturer's original pack and are special containers (see Drug Tariff Part II, Clause 10B)

| Chemical Reagent   | Quantity | Basic Price p |
|--|----------|---------------|
| <b>DETECTION STRIPS, URINE</b>   |          |               |
| (Supplied with an instruction sheet, analysis record and colour chart)                                 |          |               |
| <b>Detection Strips, urine for Glycosuria</b>  |          |               |

**HOME OXYGEN THERAPY SERVICE**

---

**1. HOME OXYGEN**

- 1.1. Clinical best practice guidelines advise that oxygen therapy should be provided for patients in the home only after careful evaluation and never on a placebo basis. Oxygen may be supplied depending on the type of therapy required by a patient - for example, short burst (or intermittent) or long term therapy. The British Thoracic Society has issued updated clinical best practice guidelines for the assessment and provision of oxygen therapy. See the BTS website at <http://www.brit-thoracic.org.uk>
- 1.2. Extracts from the guidelines are included below.

**Home Oxygen Service Arrangements from December 2010**

- 1.3. On 3 December 2010, the Department of Health and Social Care and the Welsh Government appointed five companies to the National Framework Agreement (NFA) for the delivery of an integrated (cylinder, concentrator, liquid) and standardised home oxygen service in England and Wales. Appointment to the NFA allowed these companies to bid for the regional contracts.
- 1.4. Four companies for England and Wales now meet all the home oxygen needs in all regions. Contact details for each supplier providing the service in each oxygen service region in England and in Wales are included at section 5. There is a free phone arrangement
- 1.5. Although the South West region is supplied by one of the four suppliers the service specification they operate on is based on the 2008 specification.

**Home Oxygen Order Form (HOOF)**

- 1.6. The supplier will provide the oxygen ordered by clinical staff on a Home Oxygen Order Form (HOOF) and comes in 2 parts:

Part A: Before Oxygen Assessment - Non-Specialist or Temporary Order

Part B: After Specialist / Paediatric Oxygen

Part A can be downloaded from:

[http://www.pcc-cic.org.uk/sites/default/files/articles/attachments/new\\_hoof\\_form\\_v7.pdf](http://www.pcc-cic.org.uk/sites/default/files/articles/attachments/new_hoof_form_v7.pdf)

Part B is available from the Regional/ICB HOS Lead

**Ordering Home Oxygen Services**

- 1.7. All registered health care professionals may order home oxygen for delivery direct to patients at home. Clinical staff should indicate the service(s) required on the form, together with details of the patient's oxygen flow rate and hours of use. Where a patient is awaiting referral for clinical assessment, advice is that a flow rate of 2l/min might be specified when ordering home oxygen. On assessment, the clinical specialist team will determine whether a patient's flow rate and hours of use require adjustment.
- 1.8. The supplier will provide the equipment as listed on the HOOF, provided it poses no risk to the patient or surrounding areas. In such cases the supplier will escalate to the health care professional. The supplier is also responsible for arrangements for the payment of patient's electricity costs associated with use of equipment supplied.
- 1.9. These services, including advice to clinical staff, patients and their carers on the use of oxygen equipment supplied, are available on a 24 hour, 7 day a week basis. There is a free phone arrangement for patient use.
- 1.10. Details of the service specification, including requirements to support the discharge of patients from hospital and the response times for the delivery of each service, are available on the website listed at paragraph 1.6.

---

**HOME OXYGEN THERAPY SERVICE**

---

**2. EMERGENCY HOME OXYGEN SERVICE**

- 2.1. Where a clinician decides that a patient requires oxygen at home as soon as possible, the supplier may be requested to deliver this to the patient's home within four hours. This service carries a higher service cost than a standard 3 working day installation and should only be used for urgent new orders. It is inappropriate to order home oxygen on an emergency basis where a patient or carer has forgotten to order supplies - particularly if the patient has access to a back up cylinder to meet his/her immediate needs. Each oxygen supplier operates a 24 hour, 7 day a week helpline.

**Assessment for home oxygen**

- 2.2. Patients should be assessed by a competent and qualified health care professional for all their oxygen therapy; long term, short burst and ambulatory, according to national clinical guidelines.

**3. CHANGES TO A PATIENT'S REQUIREMENTS****A Patient's Oxygen Needs**

- 3.1. If for any reason, a clinician wishes to alter the patient's oxygen supply, he will need to inform the patient and complete a new order for home oxygen and send this to the supplier. The supplier will make the necessary arrangements to adjust or provide new equipment, as appropriate. **The supplier will not be able to make these changes until a revised order for home oxygen has been received.**

**Holiday Arrangements and Attendance at School or Workplace**

- 3.2. A clinician may also wish to make arrangements for a secondary order for oxygen therapy - that is, for delivery to a location other than the patient's home. For example, where a patient remains able to attend school or the workplace or where a patient wishes to go on holiday within England and Wales
- 3.3. In these circumstances, the clinician will need to complete a secondary order, providing details of the address for delivery of the equipment. In the case of holidays, the patient can arrange this directly with their home supplier provided no changes are needed to their current mode of supply. The supplier will make the necessary arrangements to install and remove this equipment, subject to prior agreement by those concerned (for example, school, employer, hotel etc).
- 3.4. The supplier is not responsible or required to secure agreement to provide home oxygen equipment in a location other than a patient's home. This will need to be obtained by the patient or patient's family in relation to holiday accommodation or the patient's workplace. Agreement to the provision of oxygen equipment in schools may be arranged through the School Health Service. **The supplier will be unable to provide oxygen equipment in a location other than the patient's home unless prior agreement has been obtained.**
- 3.5. The arrangements set out in paragraph 3.3 do not apply to patients wishing to take holidays outside the UK. In these circumstances, patients should seek advice on reciprocal arrangements for health care between the United Kingdom and other countries (this is available in a Department of Health and Social Care leaflet and on the Department of Health and Social Care website - <http://www.dh.gov.uk>). Patients may also wish to discuss any private arrangements for the provision of oxygen supplies that may be available from their local oxygen service supplier.
- 3.6. Current arrangements for the provision of oxygen therapy to patients at home will continue in Scotland - that is, pharmacy contractors providing a cylinder service and the concentrator service delivered under contract with a separate supplier. ICBs for England/LHBs in Wales will be advised as to arrangements for patients wishing to visit Scotland - for example, for holidays or to stay with friends or relatives.

## HOME OXYGEN THERAPY SERVICE

---

### Patient's Use of Oxygen

- 3.7. It is for clinical staff to counsel patients on the need for oxygen therapy and the regime to be followed to achieve the benefits. The supplier will provide equipment to deliver the required flow rate and hours of use specified on the HOOF. However, if a patient or carer continues to adjust equipment to change the flow rate, the supplier will inform the clinician so that the patient can be advised further as to flow rate or for review of oxygen therapy needs. The supplier cannot change the flow rate specified by a clinician. If a clinician is concerned that a patient may persist with over use of oxygen, he may wish to put in place monitoring arrangements and discuss these with the supplier, as necessary.

### Withdrawal of Home Oxygen Service

- 3.8. The supplier is contracted to provide the service ordered until he is informed otherwise and, thus, will continue to make a charge for the service until notified that it should be withdrawn. Therefore, it is essential that the supplier is informed as soon as possible where oxygen therapy is no longer required by a patient - for example, due to the death of a patient or, following assessment or review of a patient's needs, that the patient no longer requires oxygen therapy.

### Death of a Patient

- 3.9. Where a patient receiving home oxygen therapy dies, his GP practice or a member of the clinical specialist team treating the patient, as appropriate, should advise the relevant ICB for England, LHB for Wales, so that arrangements can be made for withdrawal of this service by the ICB for England, LHB for Wales.

### Where a Patient discontinues oxygen therapy

- 3.10. Where, following review of need, home oxygen therapy is no longer required by a patient, his GP practice or a member of the clinical specialist team treating the patient, as appropriate, should advise the relevant ICB for England, LHB for Wales, so that arrangements can be made for withdrawal of this service by the ICB for England, LHB for Wales.

### Removal of Oxygen Equipment from a Patient's Home

- 3.11. A supplier may be requested to remove equipment from a patient's home by
- 3.11.1 the patient's GP practice or a member of the clinical specialist team treating the patient or
  - 3.11.2 a person authorised by the relevant ICB for England, LHB for Wales or
  - 3.11.3 a patient or patient's relative or carer. Where a patient, a patient's relative or carer requests removal of equipment, the supplier is required to inform the clinician who has ordered the service and the relevant ICB for England, LHB for Wales immediately of the details and date of receipt of the request.
- 3.12. The ICB for England, LHB for Wales should inform the Pricing Authority of withdrawal of the service where
- 3.12.1 a GP practice or a member of a specialist team has informed the ICB for England, LHB for Wales that a patient has died or has discontinued oxygen therapy and/or where the GP practice or member of the specialist team has informed the ICB for England, LHB for Wales that the supplier has been requested to remove equipment from the patient's home or
  - 3.12.2 the supplier has informed the ICB for England, LHB for Wales that he has received a request from the patient, the patient's relative or carer to remove equipment from the patient's home or
  - 3.12.3 where a person authorised by the ICB for England, LHB for Wales has requested the supplier to remove equipment from the patient's home.
- 3.13. When informing the Pricing Authority of the withdrawal of the service, the ICB for England, LHB for Wales, should include the date of any request to the supplier to remove equipment from a patient's home.
- 3.14. The supplier is required to remove the equipment within 14 days of receiving a request for removal.

---

**HOME OXYGEN THERAPY SERVICE**

---

**4. CLAIMS FOR PAYMENT**

Each oxygen service supplier listed at section 5 will be able to access the Pricing Authority website and submit oxygen payment claims at any time within the first 10 calendar days of the month following that in which the home oxygen service has been provided.

In Wales, claims should be submitted to the relevant LHB or the LHB's nominated representative body.

## PHARMACY ACCESS SCHEME (ENGLAND)

---

### 1. Premise

- 1.1 The aim of the Pharmacy Access Scheme (PhAS) is to ensure that a baseline level of patient access to NHS community pharmaceutical services in England is protected. Qualifying pharmacies will receive an additional payment.
- 1.2 The PhAS has been designed to capture the pharmacies that are most important for patient access, specifically those pharmacies where patient and public access would be materially affected should they close.

### 2. PhAS until 31 December 2021

- 2.1 The following pharmacies will be excluded from the scheme:
- (i) Pharmacies in areas with dense provision of pharmacies.
  - (ii) Pharmacies, which dispense a high number of prescription items per year (109,012 or more items per year).
  - (iii) Distance selling pharmacies.
  - (iv) Local pharmaceutical services (LPS) pharmacies<sup>1</sup>.
- 2.2 The scheme will include a review process to deal with any inaccuracies in calculations, or any unforeseen circumstances or exceptional geographical factors affecting access, like a road closure. The review process will also include cases where there may be a high level of deprivation, and pharmacies are 0.8 to 1 mile from another pharmacy, but critical for access.

<sup>1</sup> If a pharmacy with an LPS contract would have qualified for the PhAS were it on the pharmaceutical list, and then is included in the pharmaceutical list after 1 September 2016 because of a right of return or other contractual change, that pharmacy will be treated for the purposes of the PhAS as if it actually were on the pharmaceutical list on 1 September 2016.

### 3. Entitlement

- 3.1 From 1 December 2016 a pharmacy contractor will be eligible for the PhAS if it meets all of the following criteria:
- (a) The pharmacy is more than a mile away from its nearest pharmacy as at 1 September 2016 (measured by road distance); and,
  - (b) The pharmacy is on the pharmaceutical list as at 1 September 2016; and,
  - (c) The pharmacy dispenses less than 109,012 prescription items per year<sup>2</sup>.
- 3.2 The list of eligible pharmacy contractors is published at <https://www.gov.uk/government/publications/community-pharmacy-reforms>. The list will be fixed for the length of the scheme as set out in 3.1<sup>3</sup>.

<sup>2</sup> Contractors, who were not open for a full year in 2015/16, will have their payments capped if they exceed 109,012 items in the financial year.

<sup>3</sup> Pharmacy contractors, who will be subject to temporary arrangements as per section 29 of the NHS (Pharmaceutical and Local Pharmaceutical Services) Regulations 2013, will be kept on the list of eligible contractors. However, any permanent changes, which result in the contractor not fulfilling the PhAS criteria as per paragraph 3.1, will result in the contractor being deleted from the list.

### 4. Payment

- 4.1 The payment calculation for PhAS is calculated in the following way:

#### 4.1.1 December 2016 to March 2017 –

Step 1 – take the 2015/16\* remuneration (total fees and allowances plus 80p per item indicative for medicine margin) for a contractor and apply to it 1% efficiency savings.

Step 2 – calculate contractor's estimated remuneration for 2016/17 based on dispensed items in 2015/16\* using fees and allowances for the first eight months of the year as at April 2016 and fees and allowances for the last four months of the year as at 1 December 2016 plus 77p per item indicative for medicine margin\*\*.

## PHARMACY ACCESS SCHEME (ENGLAND)

Step 3 – take the difference between Step 1 and Step 2 to obtain the full payment.

Step 4 – divide by four the number obtained in Step 3 to obtain a monthly payment.

### 4.1.2 April 2017 to March 2018 –

Step 1 – take the 2015/16\* remuneration (total fees and allowances plus 80p per item indicative for medicine margin) for a contractor and apply to it 3% efficiency savings.

Step 2 – calculate contractor's estimated remuneration for 2017/18 based on dispensed items in 2015/16\* using fees and allowances as at 1 April 2017 plus 76p per item indicative for medicine margin\*\*\*, and £6,400 Pharmacy Quality Scheme Payment\*\*\*\*.

Step 3 – take the difference between Step 1 and Step 2 to obtain the full payment.

Step 4 – divide by twelve the number obtained in Step 3 to obtain a monthly payment.

### 4.1.3 Payments from April 2018, until otherwise determined, will be the monthly payment determined for April 2017 - March 2018.

4.2 Eligible PhAS pharmacy contractors will receive a fixed monthly payment based on the calculation outlined in paragraph 4.1.

4.3 Eligible PhAS pharmacy contractors will not be required to make a claim.

4.4 Eligible PhAS pharmacy contractors will receive the Pharmacy Quality Scheme reconciliation payment if appropriate as outlined in Part VIIA.

\*Payments to pharmacy contractors, for which we have less than twelve months' worth of data and, as appropriate, former LPS pharmacies, will be adjusted accordingly.

\*\*£800 million divided by a volume increase of 2.0%

\*\*\*£800 million divided by a volume increase of 4.04%

\*\*\*\*This calculation assumes pharmacy contractors achieve 100 points at £64 per point.

In 2019, the name of the Quality Payment Scheme was changed to Pharmacy Quality Scheme.

## 5. Review Process

5.1 A review process is included in the scheme to allow for consideration of extenuating circumstances which may mean that access is not being protected in the way intended by the scheme. The cases that will qualify for a review are as follows:

5.1.1 Inaccuracies (for example if the pharmacy postcode is incorrect or the distance from the next pharmacy is calculated incorrectly).

5.1.2 Physical feature anomalies (such as a semi-permanent roadblock meaning two pharmacies are then more than 1 mile from each other) and where the pharmacy is critical for access.

5.1.3 "Near miss" pharmacies (i.e. located 0.8 miles or more from another pharmacy) in areas of the top 20% (of Lower Layer Super Output Areas (LSOAs), when ranked by the Index of Multiple Deprivation) most deprived areas in England and who are critical for access.

5.2 Pharmacies, which dispense more than 109,012 items per annum, will not be considered for the review process.

5.3 Applications for review must be made within three months of the start of the scheme (1 December 2016) and NHS England will accept applications for review from 1 November 2016. Reviews will be administered and completed by NHS England; including the assessment of and decisions taken on all applications for review. Applications for review in cases relating to physical feature anomalies will be considered beyond this three month period, but only if the application relates to a change in circumstances which occurs after the end of the three month period. In such cases, the application for review must be brought within three months of the change in circumstances. Details of where to send requests for reviews are available at <http://www.nhsbsa.nhs.uk/PrescriptionServices/5827.aspx>. NHS England will aim to complete a review within six weeks of receiving a request.

## PHARMACY ACCESS SCHEME (ENGLAND)

6. PhAS from 1 January 2022
- 6.1 The following pharmacies will be excluded from the scheme:
- (i) Distance selling pharmacies.
  - (ii) Local Pharmaceutical Services (LPS) pharmacies<sup>1</sup>.
  - (iii) Pharmacies in areas with dense provision of pharmacies.
  - (iv) Pharmacies, which received less than 1,200 or more than 104,789 Single Activity Fees (SAFs) in 2019/20.
- 6.2 If a pharmacy with an LPS contract would have qualified for the PhAS were it on the pharmaceutical list, and then is included in the pharmaceutical list after 31 March 2021 because of a right of return or other contractual change, that pharmacy will be treated for the purposes of the PhAS as if it were on the pharmaceutical list on 31 March 2021. LPS pharmacies returning to the pharmaceutical list, if meeting eligibility criteria outlines in paragraph 6.1, will receive backdated payments from 1 January 2022 or the date they returned to the pharmaceutical list: whichever is later.
- 6.3 The scheme will include a review process to deal with any inaccuracies in calculations, or any unforeseen circumstances or exceptional geographical factors affecting access, like a road closure.
7. Entitlement
- 7.1 From 1 January 2022 a pharmacy contractor will be eligible for the PhAS if they meet all of the following criteria:
- (i) Physical distance from other pharmacies:
    - (a) The pharmacy's postcode is not in the 20% most deprived areas of England (according to the Index of Multiple Deprivation 2019) and the pharmacy is more than a mile away from its nearest pharmacy as at 31 March 2021 (pharmacy to pharmacy distance is measured using Ordnance Survey<sup>1</sup>); or
    - (b) The pharmacy's postcode is in the 20% most deprived areas of England and the pharmacy is more than 0.8 mile away from its nearest pharmacy as at 31 March 2021 (pharmacy to pharmacy distance is measured using Ordnance Survey Road<sup>1</sup>); or
    - (c) The pharmacy was more than a mile away from its nearest pharmacy in 2016 (prior to the review process) and the new distance determination calculated in 2021 is the only reason precluding that pharmacy from PhAS eligibility (i.e. there was no change in geographical location since 2016 for the pharmacy premises and its next nearest pharmacy and / or the algorithm shows that a different pharmacy is the nearest one in comparison to the 2016 data); or
    - (d) The pharmacy was deemed eligible for PhAS scheme in 2016 via the "near miss" criteria in the review process and the new distance determination calculated in 2021 is the only reason precluding that pharmacy from PhAS eligibility (i.e. there was no change in geographical location since 2016 for the pharmacy premises and its next nearest pharmacy).
  - (ii) The pharmacy is on the pharmaceutical list as at 31 March 2021.
  - (iii) The pharmacy received between 1,200 and 104,789 SAFs in 2019/20 (to note – for pharmacy contractors, who opened part way through 2019/20, their number of paid SAFs for the months they were opened were scaled up to 12 months and for pharmacy contractors, who opened during 2020/21, their number of paid SAFs during 2020/21 were scaled up to reflect a full year and used as proxy for 2019/20).
  - (iv) Pharmacy premises must be directly accessible to the public.

<sup>1</sup> The analysis to establish walking distances between pharmacies is underpinned by the UK national mapping agency, Ordnance Survey (OS) mapping products for official addressing (Ordnance Survey AddressBase) to locate pharmacies from address details, and for highways routing networks (Ordnance Survey MasterMap Highways Network Roads and Paths) datasets to create the walking routes. The respective datasets were the versions

## PHARMACY ACCESS SCHEME (ENGLAND)

extracted on 31 March 2021 according to OS product revision cycle for each dataset. The analysis to generate the walking routes between pharmacies was undertaken using the ESRI ArcGIS software products ArcGIS Pro and related Network Analyst Extension.

- 7.2 The list of eligible pharmacy contractors is published at <https://www.gov.uk/government/publications/community-pharmacy-contractual-framework-2019-to-2024>.
- 7.3 A condition of the first (January) PhAS payment, which will be paid out with the reconciliation payment on 1 April 2022, is that the pharmacy contractor must be registered on the Manage Your Service (MYS) platform to provide the Community Pharmacist Consultation Service (CPCS) on 31 December 2021. For the pharmacy contractor to continue to receive the monthly PhAS payment as part of their reconciliation payment, they must have been registered to provide the CPCS on the MYS platform up until 31 January 2024 for greater than or equal to half of the number of full days in the relevant month. The CPCS service will expand to become the Pharmacy First Service - further details will be published in Part VIC. From 1 February 2024 contractors must ensure they are registered for the Pharmacy First Service on the MYS platform greater than or equal to half of the number of full days in the relevant month to continue to receive PhAS monthly payment.
- 7.4 Pharmacy contractors, who will be subject to temporary arrangements as per section 29 of the NHS (Pharmaceutical and Local Pharmaceutical Services) Regulations 2013, will be kept on the list of eligible contractors. However, any permanent changes, which result in the contractor not fulfilling the PhAS criteria as per paragraph 6.1 (i) and (iv), will result in the contractor being deleted from the list.

### 8. Payment

- 8.1 Eligible PhAS pharmacy contractors will not be required to make a claim and they will receive a monthly payment with their reconciliation payment as per Table 1 providing they meet the eligibility criteria outlines in paragraph 6.1 and the requirement in paragraph 6.3.

Table 1. Monthly PhAS payments from January 2022

| Lower Bound<br>(number of SAFs 2019/20) | Upper Bound<br>(number of SAFs 2019/20) | Monthly PhAS payment £ |
|---|---|------------------------|
| 1,200                                   | 2,500                                   | 109.38                 |
| 2,501                                   | 5,000                                   | 291.67                 |
| 5,001                                   | 10,000                                  | 546.88                 |
| 10,001                                  | 15,000                                  | 765.63                 |
| 15,001                                  | 20,000                                  | 947.92                 |
| 20,001                                  | 25,000                                  | 1,093.75               |
| 25,001                                  | 30,000                                  | 1,203.13               |
| 30,001                                  | 35,000                                  | 1,276.04               |
| 35,001                                  | 40,000                                  | 1,348.96               |
| 40,001                                  | 45,000                                  | 1,421.88               |
| 45,001                                  | 50,000                                  | 1,458.33               |
| 50,001                                  | 55,000                                  | 1,458.33               |
| 55,001                                  | 60,000                                  | 1,458.33               |
| 60,001                                  | 65,000                                  | 1,421.88               |
| 65,001                                  | 70,000                                  | 1,348.96               |
| 70,001                                  | 75,000                                  | 1,276.04               |
| 75,001                                  | 80,000                                  | 1,203.13               |
| 80,001                                  | 85,000                                  | 1,093.75               |
| 85,001                                  | 90,000                                  | 947.92                 |
| 90,001                                  | 95,000                                  | 765.63                 |
| 95,001                                  | 100,000                                 | 546.88                 |
| 100,001                                 | 102,500                                 | 291.67                 |
| 102,501                                 | 104,789                                 | 109.38                 |

---

**PHARMACY ACCESS SCHEME (ENGLAND)**

---

- 8.2 Pharmacy contractors should note that the monthly payments outlined in Table 1 might be subject to change.
9. Review Process
- 9.1 A review process is included in the scheme to allow for consideration of extenuating circumstances which may mean that access is not being protected in the way intended by the scheme. The cases that will qualify for a review are as follows:
- 9.1.1 Inaccuracies (for example if the pharmacy postcode is incorrect or the distance from the next pharmacy is calculated incorrectly).
- 9.1.2 Physical feature anomalies (such as a semi-permanent roadblock meaning two pharmacies are then more than 1 mile from each other).
- 9.2 Pharmacies, which were paid fewer than 1,200 or more than 104,789 SAFs in 2019/20 will not be considered for the review process.
- 9.3 Applications for review must be submitted between 4 January and 4 March 2022. Reviews will be administered and completed by NHS England and NHS Improvement (NHSE&I), including the assessment of and decisions taken on all applications for review. All pharmacy contractors will be informed of the outcome of the review process by the end of May 2022.
- 9.4 Contractors must apply for the review process through a portal commissioned by NHSE&I. The detail of how to apply will be communicated to contractors prior to 1 January 2022. Applications for review must contain evidence of how the contractor meets the eligibility criteria (for example, proof of their correct address, a physical anomaly along the mapped route or distance from another pharmacy). Only distance data from Ordnance Survey Road network mapping will be accepted as evidence for the purpose of the review process.
- 9.5 Contractors, who are deemed to be eligible for PhAS through the review process, will have their payments backdated to 1 January 2022.
- 9.6 Appropriate review processes will be adopted for relevant pharmacies with LPS contracts that return to the pharmaceutical list.

**ESSENTIAL SMALL PHARMACIES SCHEME (ESPS)(WALES)**

---

In Wales:

ESPS arrangements for those pharmacy contractors qualifying for ESPS payments from April 2023 are as follows:

**1. Interpretation**

In this Part -

"Authority" means the LHB for Wales in whose locality the premises are located;

"Contractor" means only the pharmacy contractor whose name is included in a pharmaceutical list of the Authority;

"pharmacy" means a pharmacy at premises from which the contractor supplies pharmaceutical services;

"premises" means the premises from which the contractor provides pharmaceutical services;

"year" means the period from 1 April in any one year to 31 March of the following year.

**2. Entitlement**

2.1. Where, in any year -

2.1.1 the pharmacy dispenses fewer than 35,160 prescriptions; and

2.1.2 that pharmacy is more than 1 kilometre by the nearest practicable route available to the public on foot from the next nearest pharmacy or is less than 1 kilometre but previously qualified as a special consideration case and the circumstances of the pharmacy remain unchanged; and

2.1.3 in the case of pharmacy which has, in the year immediately preceding that year, dispensed fewer than 6,000 prescriptions, the authority certifies in writing at the beginning of that year that the pharmacy is essential to the proper provision of pharmaceutical services, the contractor shall, subject to the following subparagraphs, be entitled to ESPS payments calculated in accordance with paragraph 3 below.

(Note. No new special consideration cases will be entertained).

2.2. A contractor shall be entitled to claim ESPS payments in any year if, on or before 31 January of that year, he estimates, on the basis of the number of prescriptions dispensed in the preceding twelve months or having regard to any special circumstances, that the number of items to be dispensed in the next year will be less than 35,160.

2.3. The contractor shall apply to the Authority for ESPS payments, in the form specified (Form ESPS1 for contractors on the list not less than 10 months at 31 January of the financial year to which the application relates and Form ESPS2 for those on list less than 10 months) on or before 31 January of the financial year to which the application relates.

2.4. Before any payment is made, the contractor shall declare to the Authority his estimate of the number of prescriptions dispensed by the pharmacy in the previous year, if the Authority is satisfied that -

2.4.1 that number is less than 35,160

2.4.2 that the number of prescriptions to be dispensed in the year to which the claim relates is unlikely to exceed 35,160 and

2.4.3 the conditions set out in sub-paragraph 2.1.2 and 2.1.3 above are met, payments shall be made by the Authority in accordance with paragraph 3, subject to the conditions in sub-paragraphs 2.5 and 2.6.

2.5. The Authority, will as soon in the current financial year as they have available the Pricing Authority figure of prescriptions dispensed by the contractor during the preceding financial year, compare this with the contractor's declared estimated figure (sub-paragraph 2.4 above) and if the PA figure of prescriptions dispensed in the previous financial year is 35,160 or more,

**ESSENTIAL SMALL PHARMACIES SCHEME (ESPS)(WALES)**

---

the ESPS payments made so far in the current financial year shall be recovered from the contractor in the 3 months following that in which the last ESPS payment was made.

- 2.6. Where, at any time in any year during which ESPS payments are made to the contractor in respect of a pharmacy:
- 2.6.1 the number of prescriptions dispensed by that pharmacy exceeds 35,160 the contractor shall be deemed not to have been entitled to ESPS payments for that year in respect of that pharmacy, and any such payment made to him in that year shall be recovered from the remuneration due to him in the 3 months immediately following the month in which the number of prescriptions dispensed reached 35,160.
  - 2.6.2 a second contractor begins to provide pharmaceutical services from a pharmacy at premises which are less than 1 kilometre by the nearest practicable route available to the public on foot from the premises of the first contractor, payment to the first contractor shall continue at the full rate for the remainder of the year and will then cease.
  - 2.6.3 in a case to which sub-paragraph 2.1.3 applies, the Authority decides that the pharmacy is no longer essential, it shall notify the contractor and after the date of that notification no further ESPS payments shall be paid in that year in respect of that pharmacy.
- 2.7. Where the provision by the contractor of pharmaceutical services from any premises has just begun, the preceding sub-paragraphs shall be modified as follows:
- 2.7.1 the contractor may apply to the Authority for ESPS payments, in the form specified (Form ESPS2) at any time during the year;
  - 2.7.2 he shall be entitled to ESPS payments if -
    - 2.7.2.1 in the case of a contractor who is providing services from premises from which, immediately before the day on which he began to provide those services, those services were provided by another contractor, the number of prescriptions dispensed in the twelve months immediately preceding that day was less than 35,160;
    - 2.7.2.2 in any other case, he estimates, and the Authority is satisfied that, less than 35,160 prescriptions will be dispensed in the first twelve months of the provision of pharmaceutical services, and
    - 2.7.2.3 in any case the condition in sub-paragraph 2.1.2 is satisfied;
  - 2.7.3 any entitlement shall begin -
    - 2.7.3.1 if the claim is made within 3 months of the entry on the list in question, from the date of entry;
    - 2.7.3.2 in any case, from the date on which the application is made.

---

**ESSENTIAL SMALL PHARMACIES SCHEME (ESPS)(WALES)**

---

**3. Payments**

- 3.1. From 1 April 2023, ESPS payments shall be the difference between one-twelfth of the target payment (£92,321) and the remuneration due (i.e. professional fees as in Part IIIA and any payments made under Part VIA but excluding payments made under Part IIIA 3.F and Part VIA 4), subject to para 3.3 below. See worked example.
- 3.2. Payments shall be made in arrears.
- 3.3. From 1 April 2023, the maximum monthly payment shall be £7,693. If in any month the contractor is entitled to more than the maximum payment, the amount due shall be carried forward and paid in the following month, again subject to the maximum monthly payment applicable to that second month.
- 3.4. Any over, or any under, ESPS payment shall be if necessary, corrected in the remuneration paid in the first month of the following year.
- 3.5. Where a contractor normally provides pharmaceutical services at a pharmacy for less than 35 hours a week, any ESPS payment shall be calculated by reference to the following formula:
  - 3.5.1 Average hours/35 x payments appropriate to a full-time pharmacy with the same prescription volume, as determined by the Welsh Ministers.

**4. Worked Example**

## 4.1. Month 1.

April calculate 1/12 of target payment £92,321

make ESPS payment of the difference between calculated amount and remuneration due.

## 4.2. Month 2.

May calculate 2/12 of target payment £92,321

make ESPS payment of the difference between calculated amount and sum of total payment of remuneration due plus ESPS made in month 1 and remuneration due in month 2.

## 4.3. Month 3.

June calculate 3/12 of target payment £92,321

make ESPS payment of difference between calculated amount and sum of total payments made in months 1 and 2 and remuneration due in month 3.

---

**PAYMENTS IN RESPECT OF FOUNDATION TRAINEE PHARMACISTS (FORMERLY PRE-REGISTRATION TRAINEES)**

---

In England only:

1. From 1 September 2023 a grant of £18,440 per year will continue to be payable to pharmacy contractors who provide foundation trainee pharmacists (formerly known as pre-registration trainees) with the training experience needed by pharmacy graduates and certain undergraduates for admission to the General Pharmaceutical Council's Register of Pharmacists. The grants are payable at annual rates in respect of each foundation training place filled by a pharmacy graduate or an undergraduate on a sandwich course recognised by the General Pharmaceutical Council as foundation training.
2. Pharmacy contractors who have undertaken to provide foundation training should submit a claim for the training period they will provide to NHS England via the NHSBSA Manage Your Service (MYS) portal at the start of the training period. Where a contractor submits a claim by the 5<sup>th</sup> of the month after the training period begins, NHS England will arrange for the grant to be paid in 12 instalments unless the programme is a sandwich course, in which case the number of instalments will reflect the length of the training offered within each training period. Where a contractor submits a claim in a following month, NHS England will arrange for the grant to be paid in a first instalment covering the months between the date that the foundation training began and the claim submission, with remaining instalments up to the end of the training period being paid monthly in arrears. Where a claim is made by the 5<sup>th</sup> of the month, payments will be made in line with the normal pharmacy payment timetable.
3. Contractors MUST notify NHS England via the MYS portal if the arrangement to provide foundation training ceases.

## REWARD SCHEME - FRAUDULENT PRESCRIPTION FORMS

Payments to chemists who claim a payment under Regulation 97(1) of the National Health Service (Pharmaceutical and Local Pharmaceutical Services) Regulations 2013 for England and under Regulation 18B of The National Health Service (Pharmaceutical Services) Regulations 1992 (as inserted by SI 1999/696) for Wales.

The Scheme allows chemists to claim a financial reward where they have identified a fraudulent prescription form and thereby either prevented fraud or contributed with valuable information to the investigation of fraud. A reward is payable where:

- fraudulent activity can be proven
- the conditions for the scheme are met as set out below.

Slightly different versions of the Scheme apply in England and Wales.

### PART I: ENGLAND

The NHS Counter Fraud Authority (NHSCFA)(Referred to below as the Authority) is responsible for receiving and considering claims for reward payments in England.

The Scheme applies to all claims which are received by the Authority on or after 7 May 2003.

#### **Retention and Reporting Reward: claims where a chemist -**

- (a) has not provided the drugs, medicines or listed appliances ordered on the fraudulent prescription form, or
- (b) has provided the drugs, medicines or listed appliances ordered on the fraudulent prescription form, but had reason to believe at the time or subsequently came to have reason to believe that the form is fraudulent,

and reports this to the relevant authorities as laid out below.

The chemist will be eligible for a payment of £70, where all the conditions for either the retention element of the reward or the reporting element of the reward are met. Only one reward will be payable for each dispensing occasion.

The conditions for the retention element of the reward are:

- i the drugs, medicines or listed appliances specified on the fraudulent prescription form have not been provided, the prescription form has been retained by the chemist, and the NHS Commissioning Board has been informed as soon as practicable, in accordance with Regulation 97(1)(a) of the National Health Service (Pharmaceutical and Local Pharmaceutical Services) Regulations 2013;
- ii a claim is made by contacting the Authority as soon as practicable, normally within 7 days of the form having been presented. A claim form provided by the Authority must be completed and returned to the Authority, along with the original prescription form, normally within 28 days of the form having been presented; and
- iii the form presented as a prescription form was not a genuine order for the person named on the form. An order would not be a genuine order if, for example, it had been stolen or counterfeited and not signed by an authorised prescriber; or had been altered otherwise than by the authorised prescriber by whom it was issued.

The conditions for the reporting element of the reward are:

- i the drugs, medicines or listed appliances specified on the fraudulent prescription form have been dispensed, but the chemist has reason to believe at the time or subsequently comes to have reason that the order is not genuine;
- ii the chemist has notified the NHS Commissioning Board as soon as practicable, in accordance with Regulation 97(1)(b) of the National Health Service (Pharmaceutical and Local Pharmaceutical Services) Regulations 2013;
- iii a claim is made by contacting the Authority as soon as practicable, normally within 7 days of the form having been presented. A claim form provided by the Authority must be completed

---

**REWARD SCHEME - FRAUDULENT PRESCRIPTION FORMS**

---

and returned to the Authority along with the original prescription form, normally within 28 days of the form having been presented;

- iv a detailed explanation of why the chemist felt it necessary to dispense must be included on the claim form. A reward will only be payable where the Authority is satisfied that the chemist had good and sufficient reasons to dispense; and
- v the form presented as a prescription form was not a genuine order for the person named on the form. An order would not be a genuine order if, for example, it had been stolen or counterfeited and not signed by an authorised prescriber; or had been altered otherwise than by the authorised prescriber by whom it was issued.

Where the time-limits for either contacting the Authority and the NHS Commissioning Board or for returning a claim form to the Authority, as specified above, are exceeded, the Authority will nevertheless consider a claim if there are exceptional circumstances justifying the delay.

**Pharmacists who are eligible to claim a reward under the scheme should contact:**

**PART II: WALES**

Individual Local Health Boards are responsible for receiving and considering claims for reward payments in Wales.

The Scheme applies to all claims which are received by Local Health Board Local Counter Fraud Teams on or after 1 February 2003.

Retention and Reporting Reward: claims where a chemist -

- (a) has not provided the drugs, medicines or listed appliances ordered on the fraudulent prescription form,  
or
- (b) has provided the drugs, medicines or listed appliances ordered on the fraudulent prescription form, but had reason to believe at the time or subsequently came to have reason to believe that the form is fraudulent,

and reports this to the relevant authorities as laid out below.

The chemist will be eligible for a payment of £70, where all the conditions for either the retention element of the reward or the reporting element of the reward are met. Only one reward will be payable for each dispensing occasion.

The conditions for the retention element of the reward are:

- i the drugs, medicines or listed appliances specified on the fraudulent prescription form have not been provided, the prescription form has been retained by the chemist, and the Local Health Board has been informed immediately, in accordance with regulation 44 of the National Health Service (Wales) (Pharmaceutical Services) Regulations 2013;
- ii a claim is made by contacting the Local Health Board as soon as practicable, normally within 7 days of the form having been presented. A claim form provided by the Local Health Board must be completed and returned, along with the original prescription form, normally within 28 days of the form having been presented; and

---

**REWARD SCHEME - FRAUDULENT PRESCRIPTION FORMS**

---

- iii the form presented as a prescription form was not a genuine order for the person named on the form. An order would not be a genuine order if, for example, it had been stolen or counterfeited and not signed by an authorised prescriber; or had been altered otherwise than by the authorised prescriber by whom it was issued.

The conditions for the reporting element of the reward are:

- i the drugs, medicines or listed appliances specified on the fraudulent prescription form have been dispensed, but the chemist believes at the time or subsequently comes to believe that the order is not genuine;
- ii the chemist has notified the Local Health Board as soon as practicable, and in any case within 14 days of the order being presented to the chemist, in accordance with regulation 44 of the National Health Service (Wales) (Pharmaceutical Services) Regulations 2013;
- iii a claim is made by contacting the Local Health Board as soon as practicable. A claim form provided by the Local Health Board (available from:  
<http://www.primarycareservices.wales.nhs.uk/pharmacy-reward-scheme>  
)  
must be completed and returned along with the original prescription form, normally within 28 days of the form having been presented;
- iv a detailed explanation of why the chemist felt it necessary to dispense must be included on the claim form. A reward will only be payable where the Local Health Board is satisfied that the chemist had good and sufficient reasons to dispense; and
- v the form presented as a prescription form was not a genuine order for the person named on the form. An order would not be a genuine order if, for example, it had been stolen or counterfeited and not signed by an authorised prescriber; or had been altered otherwise than by the authorised prescriber by whom it was issued.

Where the time-limits for either contacting the Local Health Board or for returning a claim form, as specified above, are exceeded, Local Health Board will nevertheless consider a claim if there are exceptional circumstances justifying the delay.

**Pharmacists who are eligible to claim a reward under the scheme should contact the Local Counter Fraud Specialist at the relevant Local Health Board. The contact details of which are available from:**

**Wales**

<http://www.primarycareservices.wales.nhs.uk/lcfs>

**ARRANGEMENTS FOR CONTRACTORS CONCERNING PRESCRIPTION PRICING ERRORS****For the period 1 April 2011 to 31 March 2012**

For England only:

Since the introduction of the capacity improvement programme (CIP) by the NHS Business Services Authority (NHSBSA) it has become apparent that the number of errors in pricing is at a level where a scheme to acknowledge this situation is appropriate. Considerable work has been undertaken to quantify the cost of the errors to contractors and whether it can be established which contractors payments may have been affected the most. While it is possible to quantify the errors, it is not possible to identify which contractors may have been particularly affected.

Previously, arrangements were made to cover the periods up to 31 March 2009 and 1 April 2009 to 31 March 2011. Further arrangements as outlined below will be made to cover from 1 April 2011 to 31 March 2012.

All contractors who are open on 1 October 2012 will receive a payment based on the extent to which they were open for business during the reference period from 1 April 2011 to 31 March 2012. This is in recognition of the levels of errors and any inconvenience caused by the new processing system for the period 1 April 2011 to 31 March 2012. That period will be divided into bands of three months and each band will be worth £150. A contractor will receive a payment based on the number of bands during which they were, at some point, open eg a contractor who was open for the entire period will receive a payment of £600 while a contractor who opened for the first time at some point between 1 January and 31 March 2012 will receive a payment of £150.

**Table 1**

| Payment band (during which the contractor must have been open at some point for business) | Payment to recognise the increase in errors and any inconvenience caused by CIP (accumulated)(£) |
|---|--|
| 1 January 2012 - 31 March 2012  | 150  |
| 1 October 2011 - 31 December 2011   | 300  |
| 1 July 2011 - 30 September 2011   | 450  |
| 1 April 2011 - 30 June 2011   | 600  |

Contractors who have purchased a business during this period will only be paid in respect of the payment bands when they owned the business unless they have purchased the business with liabilities and the account code has remained unchanged. Contractors who have ceased trading on or before 1 October 2012 will not receive a payment, even if they were trading for the entirety of the reference period.

The Table 1 payment will be made automatically in October's advance payment, which is made in December 2012 to all the contractors referred to in the previous paragraph and no claim needs to be submitted to qualify for the payment.

Any contractor who thinks their payments from 1 April 2011 to 31 March 2012 have been significantly affected has until 31 December 2012 to ask in writing for a recheck of a month or months' prescriptions directly to the NHSBSA. After this time, no further requests for rechecking of prescriptions pre 31 March 2012 will be accepted.

To request a check:

- Contractors must submit their request for a check to NHSBSA in respect of particular month(s) using the appropriate form available from NHS Prescription Services of the NHS Business Services Authority or at [www.nhsbsa.nhs.uk](http://www.nhsbsa.nhs.uk). A separate form needs to be completed for each month they wish to have checked. Contractors with more than one pharmacy need to complete separate request forms for each pharmacy, and for each month, they wish to have checked.

**ARRANGEMENTS FOR CONTRACTORS CONCERNING PRESCRIPTION PRICING ERRORS**

- NHSBSA will select an equal number of months to check. Using the results from all the months reprocessed:
  - Where a net underpayment is revealed, the contractor will be paid the value of the underpayment;
  - Where a net overpayment is revealed, the NHSBSA will recover the value of the overpayment.
  - Where a net underpayment is revealed in excess of £500, the contractor will be paid an additional payment of £400 to recognise that they have been significantly affected by the new payment system.

This means that contractors who seek a check will risk losing any underpayment owed when balanced with any overpayment revealed by NHSBSA, even if there was an underpayment in the months for which the contractor has requested a check.

Following 31 December 2012, the deadline for contractors to request a recheck of their account, any contractor who has chosen not to request a recheck will receive an additional payment. This payment will be split into the same bands as in table 1 (each band worth £100) and contractors will be paid the table 2 payments according to the number of bands during which they were open for business at some point during the reference period. It will only be payable if the contractor is still open on 1 January 2013. For example, a contractor who is open the entire reference period will be paid £400 while a contractor, which first opened during January 2012, will be paid £100. This additional payment will be paid in January's advance payment made in March 2013.

**Table 2**

| Payment band (during which the contractor must have been open at some point for business) | Additional payment value for contractors who choose <u>not</u> to request a recheck (accumulated)(£) |
|---|--|
| 1 January 2012 - 31 March 2012  | 100  |
| 1 October 2011 - 31 December 2011   | 200  |
| 1 July 2011 - 30 September 2011   | 300  |
| 1 April 2011 - 30 June 2011   | 400  |

For the purposes of both Table 1 and Table 2 payments, contractors are treated as being open on a particular day if that day falls within a period when they are providing pharmaceutical services, even if under their terms of service they are not required to be open on that particular day.

**From 1 April 2012**

For England only:

From April 2012, a contractor who thinks there is an issue with their monthly payment can ask the NHSBSA, in writing, to recheck a month or specific months' prescriptions.

All contractors who provide NHS pharmaceutical services can request a month or specific months' prescriptions to be rechecked. Contractors who have purchased a business since 1 April 2012 can only request a recheck for the months where they owned the business, unless they have purchased the business with liabilities and the account code has remained unchanged. Those contractors who ceased trading after 1 April 2012 and not sold the business with liabilities can request a recheck for any month where they owned the business, subject to the normal limitation periods.

To request a recheck from NHSBSA,

- A contractor must submit their request using the appropriate form available from NHS Prescription Services of the NHS Business Services Authority or at [www.nhsbsa.nhs.uk](http://www.nhsbsa.nhs.uk).
- All requests must be submitted no later than 18 months from the end of the month of dispensing eg for prescriptions dispensed in April 2012; a contractor must submit their request for a check by 31 October 2013.
- A separate form needs to be completed for each month they wish to have checked. Contractors with more than one pharmacy need to complete separate request forms for each pharmacy and month, they wish to have checked.

**ARRANGEMENTS FOR CONTRACTORS CONCERNING PRESCRIPTION PRICING ERRORS**

---

To ensure that adjustments fairly reflect both underpayments and overpayments, the NHSBSA will select an equivalent number of additional months to check, where appropriate. Using the results:

- Where a net underpayment is revealed, the contractor will be paid the value of the underpayment:
- Where a net overpayment is revealed, the NHSBSA will recover the value of the payment.

Once the 18 month deadline for requesting a check has elapsed eg 31 October 2013 for prescriptions dispensed in April 2012, no further requests can be made for that particular month.

---

**DEVOLVING THE GLOBAL SUM - TEMPORARY SAFEGUARDING PAYMENTS**

---

For England only:

If prescribers systematically increase prescription duration on all or a significant percentage of their prescription items, this could lead to dispensing contractors facing increased supplier bills in certain months (as more medicines are dispensed per prescription than usual) and then decreased prescription item volume in subsequent months. Where a contractor's dispensing business is affected in this way, the contractor may be entitled to make one or both of the following claims under temporary safeguarding arrangements.

**Claim 1 - To provide support to pay an increase in supplier's bill**

For a month where the prescription item duration has increased compared to that seen previously, as the contractor will have dispensed significantly more medication per prescription item than usual, the 100% advance (which is based on a historic net ingredient cost) is likely to be insufficient to cover the contractor's supplier bill for the month.

In these circumstances, the contractor is able to claim for that month, for an increase in their 100% advance (Claim1). The amount that can be claimed should reflect the amount by which the contractor's supplier bill has increased solely due to the increase in prescription item duration and no other reason.

The claim will need to -

- Be made on the appropriate form available from the NHS Prescription Services of the NHS Business Services Authority at <https://www.nhsbsa.nhs.uk/pharmacies-gp-practices-and-appliance-contractors/drug-tariff/drug-tariff-part-xiv>.
- Be signed by the contractor using an advanced electronic signature.
- Be submitted via email to [contractorpayments@nhsbsa.nhs.uk](mailto:contractorpayments@nhsbsa.nhs.uk) at the same time as the FP34C is submitted for that month to the NHS Prescription Services of the NHS Business Services Authority.
- Include a declaration that to the best of the contractor's knowledge there is no reason apart from increased prescription duration, directly or indirectly instigated by an ICB, that would have contributed to the larger than normal suppliers bill e.g. not because of a new GP operating in their area who typically prescribes for a longer duration than other local GPs or because the contractor has dispensed higher than usual high cost drug prescription items.
- Be substantiated for example with a copy of the previous three months supplier bills and the current increased bill - or where this is inconclusive, some other rationale.

On receipt of a valid claim at the NHS Prescription Services of the NHS Business Services Authority

- The contractor will be paid an increase in their 100% advance in line with the claim
- The increased advance will be taken into account in the usual way the following month when the final accurate payment for the month is paid.

**Claim 2 - Remuneration**

For the months following an increase in prescription duration, contractors may experience a drop in items dispensed and as a result earn fewer fees.

In these circumstances, the contractor is able to claim for an affected month, for any lost fees and allowances (Claim 2).

The claim will need to -

- Be made on the appropriate form available from the NHS Prescription Services of the NHS Business Services Authority at <https://www.nhsbsa.nhs.uk/pharmacies-gp-practices-and-appliance-contractors/drug-tariff/drug-tariff-part-xiv>.
  - Be signed by the contractor using an advanced electronic signature.
  - Be submitted via email to [contractorpayments@nhsbsa.nhs.uk](mailto:contractorpayments@nhsbsa.nhs.uk) at the same time as the FP34C is submitted for that month to the NHS Prescription Services of the NHS Business Services Authority.
  - Include a declaration that to the best of the contractor's knowledge there is no reason apart from increased prescription duration, directly or indirectly instigated by an ICB, that would have contributed to a decrease in fees earned e.g. a new pharmacy opened nearby.
-

---

**DEVOLVING THE GLOBAL SUM - TEMPORARY SAFEGUARDING PAYMENTS**

---

On receipt of a valid claim at the NHS Prescription Services of the NHS Business Services Authority

- The contractor will be paid on the volume of prescription items for same month of the previous year, but at the current value of fees and allowances.
- Where a contractor makes a claim, for the month in which they are claiming they will be paid on the volume of the previous year's prescriptions regardless of whether this volume is lower than the prescription volume submitted for the month claimed.

Claim 1 and 2 - In general,

- Claim 1 would not normally be expected to be made in the same month as Claim 2.
- Because of the nature of Claim 1 it would not normally be appropriate to claim it in consecutive months, but it may be appropriate to claim it more than once.
- Typically, Claim 2 would follow a Claim 1, but Claim 2 could be made where a Claim 1 has not been made in a previous month, for example, where prescription duration has increased slowly. In these cases, the usual 100% advance may have been sufficient, but the contractor is experiencing a reduction in fees and allowances for which they wish to claim.
- Because of the nature of Claim 2, it may be appropriate to claim it in consecutive months, but it is unlikely to be appropriate for it to be claimed every month.

For Claim 1 and 2, in situations where the claim is outside conditions agreed by Department of Health and Social Care (DHSC) and Community Pharmacy England, the claim will be subject to joint verification by the NHSCB and the contractor's Local Pharmaceutical Committee (LPC), subject to agreement with the contractor on LPC involvement.

Where a contractor makes one or more valid claims in the previous three months, they will be entitled to an "amendment allowance" of £30 for the quarter (regardless of how many claims made), in recognition of the administrative time required to make claims.

---

**DISPENSING COMPENSATION PAYMENT (WALES)**

---

For Wales only:

1. Welsh Health Circular WHC/2002/025 encourages general medical services (GMS) providers in Wales to increase the period of treatment of repeat prescriptions wherever it is appropriate.
2. In situations where GMS providers systematically increase the period of treatment on a significant percentage of prescription this could lead to a reduction in the volume of prescriptions dispensed by some pharmacy contractors.
3. Where a contractor's dispensing business is affected in this way, the contractor may be entitled to a dispensing compensation payment.
4. The dispensing compensation payment is payable to any contractor that experiences a reduction in prescription volume in the relevant month and where the reduction is attributable to changes in GP prescribing specifically related to increases to the period of treatment.
5. The dispensing compensation payment will be payable during the period 1 April 2024 to 31 March 2025.
6. A contractor will be eligible for the dispensing compensation payment where:
  - 6.1 The reduction in prescription volume is greater than 7% when compared to the average prescription volume for the period April 2021 to March 2022 (the reference period) plus 1.59%.
  - 6.2 The prescription volume in the relevant month is lower than the prescription volume in the same month in the reference period.
  - 6.3 The contractor makes a declaration using the National Electronic Claim and Audit Form (NECAF) system confirming the decrease in prescription volume is the direct result of increases to the periods of treatment of prescriptions from GMS providers whose prescriptions are dispensed at the pharmacy.

Calculation of Dispensing Compensation payment

7. The value of the dispensing compensation payment will be calculated as the difference between the actual payment in the relevant month and the average monthly payment made to the pharmacy in the reference period, less 7% excluding any establishment payments and practice payments in both the reference and relevant period.
8. Pharmacies in receipt of funding through the essential small pharmacies scheme (ESPS) are not eligible for dispensing compensation payments.

---

**BORDERLINE SUBSTANCES**

---

**Borderline Substances**

In certain conditions some foods and toilet preparations have characteristics of drugs and the Advisory Committee on Borderline Substances advises as to the circumstances in which such substances may be regarded as drugs. The Advisory Committee's recommendations are listed below. Prescriptions issued in accordance with the Committee's advice and endorsed "ACBS" will normally not be investigated.

Manufacturers wishing to notify changes to their products should contact the ACBS by post:

ACBS Secretariat  
Room 2E14  
Medicines Regulation & Prescribing  
Medicines & Pharmacy Directorate  
Department of Health and Social Care  
Quarry House  
Leeds  
LS2 7UA

**LIST A**

This is an alphabetical index of products which the ACBS has recommended for the management of the conditions shown under each product.

**General Practitioners are reminded that the Advisory Committee on Borderline Substances recommends products on the basis that they may be regarded as drugs for the treatment of specified conditions. Doctors should satisfy themselves that the products can be safely prescribed, that patients are adequately monitored and that, where necessary, expert hospital supervision is available. Prescriptions for products recommended by the Committee should be endorsed "ACBS".**

Note: The Committee has recommended a number of products as complete feeds for certain conditions. They may be prescribed both as sole sources of nutrition and as necessary nutritional supplements prescribable on medical grounds.

**Definitions**

1. The Committee has defined proven lactose or sucrose intolerance as "A condition of intolerance to an intake of the relevant disaccharide confirmed by:

- (i) demonstrated clinical benefit of the effectiveness of the disaccharide free diet;  
and
- (ii) the presence of reducing substances and/or excessive acid (1.00pH) in the stools, a low concentration of the correspondent disaccharidase enzyme on intestinal biopsy, or by breath tests or lactose tolerance tests."

2. The Committee has defined proven whole protein sensitivity as "Intolerance to whole protein, proven by at least two withdrawal and challenge tests, as suggested by an accurate dietary history."

3. The Committee has defined dysphagia as that associated with "Intrinsic disease of the oesophagus, eg. oesophagitis; neuromuscular disorders, eg. multiple sclerosis and motor neurone disease; major surgery and/or radiotherapy for cancer of the upper digestive tract; protracted severe inflammatory disease of the upper digestive tract, eg. Stevens-Johnson Syndrome and epidermolysis bullosa."

**BORDERLINE SUBSTANCES****LIST A****ALIMENTUM**

As a sole source of nutrition or as a nutritional supplement for infants and young children with cow's milk protein allergy and other conditions where an extensively hydrolysed formula is indicated.

**ALTRAJUICE**

For the dietary management of disease-related malnutrition, short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, bowel fistulae.

**ALTRAJUICE STARTER PACK**

For the dietary management of disease-related malnutrition, short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, bowel fistulae.

**ALTRAPLEN COMPACT**

Disease related malnutrition, short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, bowel fistulae, dysphagia.

**ALTRAPLEN COMPACT DAILY**

For the dietary management of disease related malnutrition.

**ALTRAPLEN COMPACT DAILY STARTER PACK**

For the dietary management of disease related malnutrition.

**ALTRAPLEN COMPACT STARTER PACK (VANILLA, STRAWBERRY, HAZEL CHOCOLATE AND BANANA FLAVOURS)**

Disease related malnutrition, short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, bowel fistulae, dysphagia.

**ALTRAPLEN ENERGY**

For the dietary management of disease related malnutrition.

**ALTRAPLEN ENERGY STARTER PACK**

For the dietary management of disease related malnutrition.

**ALTRAPLEN PROTEIN**

Disease related malnutrition, short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, bowel fistulae, dysphagia.

**ALTRAPLEN PROTEIN STARTER PACK (STRAWBERRY AND VANILLA FLAVOURS)**

Disease related malnutrition, short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, bowel fistulae, dysphagia.

**ALTRASHOT (NEUTRAL, STRAWBERRY AND VANILLA FLAVOURS)**

For the dietary management of disease-related malnutrition.

**ALTRASHOT STARTER PACK (STRAWBERRY AND VANILLA FLAVOURS)**

For the dietary management of disease-related malnutrition.

**ALTRINI COMPACT FIBRE (STRAWBERRY AND VANILLA FLAVOURS)**

For the dietary management of disease-related malnutrition in children aged 1-10 years.

**BORDERLINE SUBSTANCES****ANTHELIOS SUNSCREEN LOTION SPF50+**

When prescribed for skin protection against ultraviolet radiation and/or visible light in abnormal cutaneous photosensitivity causing severe cutaneous reactions in genetic disorders (including xeroderma pigmentosum and porphyrias), severe photodermatoses (both idiopathic and acquired) and in those with increased risk of ultraviolet radiation causing adverse effects due to chronic disease (such as haematological malignancies), medical therapies and/or procedures.

**APTAMIL PEPTI 1**

For the dietary management of established cows' milk allergy with/without proven secondary lactose intolerance.

**APTAMIL PEPTI 2**

For the dietary management of established cows' milk allergy in patients over 6 months of age.

**APTAMIL PEPTI-JUNIOR**

Disaccharide and/or whole protein intolerance, or where amino acids and peptides are indicated in conjunction with MCT.

**APTAMIL PEPTI SYNEO**

For the dietary management of cow's milk protein allergy.

**AS SALIVA ORTHANA LOZENGES**

Patients suffering from xerostomia (dry mouth) as a result of having or having undergone radiotherapy or sicca syndrome.

**AVEENO CREAM**

Endogenous and exogenous eczema, xeroderma, ichthyosis and senile pruritus associated with dry skin.

**AYMES 2.0 KCAL**

Indication: Short-bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, bowel fistulae and disease-related malnutrition.

**AYMES ACTACAL CREME**

Indication: Short-bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, bowel fistulae and disease-related malnutrition.

**AYMES ACTACAL CREME STARTER PACK**

Indication: Short-bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, bowel fistulae and disease-related malnutrition.

**AYMES ACTAGAIN 1.5 COMPLETE (BANANA MILKSHAKE, DOUBLE CHOCOLATE, STRAWBERRY BURST AND SMOOTH VANILLA FLAVOURS) (formerly AYMES COMPLETE (VANILLA, STRAWBERRY, CHOCOLATE, BANANA))**

Indication: Short-bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae and disease related malnutrition.

**AYMES ACTAGAIN 1.5 COMPLETE STARTER PACK (BANANA MILKSHAKE, DOUBLE CHOCOLATE, STRAWBERRY BURST AND SMOOTH VANILLA FLAVOURS) (formerly AYMES COMPLETE STARTER PACK (VANILLA, STRAWBERRY, CHOCOLATE, BANANA))**

Indication: Short-bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae and disease related malnutrition.

**AYMES ACTAGAIN 2.4 COMPLETE MAXI (BANANA, STRAWBERRY AND VANILLA FLAVOURS)**

For the dietary management of short-bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, bowel fistulae and disease related malnutrition.

**AYMES ACTAGAIN 2.4 COMPLETE MAXI STARTER PACK**

For the dietary management of short-bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, bowel fistulae and disease related malnutrition.

**BORDERLINE SUBSTANCES**

---

**AYMES ACTAGAIN 600 (BANANA, STRAWBERRY AND VANILLA FLAVOURS)**

For the dietary management of short-bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, bowel fistulae and disease related malnutrition.

**AYMES ACTAGAIN 600 STARTER PACK (BANANA, STRAWBERRY AND VANILLA FLAVOURS)**

For the dietary management of short-bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, bowel fistulae and disease related malnutrition.

**AYMES ACTAGAIN JUCE (BERRY MEDLEY, EXOTIC FRUIT, JUICY APPLE, JUICY PEACH AND ZESTY ORANGE FLAVOURS) (FORMERLY APPLE, CRANBERRY & RASPBERRY, MANGO & PASSIONFRUIT AND ORANGE FLAVOURS)**

For the dietary management of short-bowel syndrome, intractable malabsorption, pre-operative preparation of undernourished patients, inflammatory bowel disease, total gastrectomy, bowel fistulae and disease-related malnutrition.

**AYMES ACTAGAIN JUCE STARTER PACK**

For the dietary management of short-bowel syndrome, intractable malabsorption, pre-operative preparation of undernourished patients, inflammatory bowel disease, total gastrectomy, bowel fistulae and disease-related malnutrition.

**AYMES ACTAGAIN PROTEIN SHOT (MIXED BERRY AND TROPICAL FRUIT FLAVOURS)**

For the dietary management of hypoproteinaemia.

**AYMES ACTAJUNI SHAKE (BANANA, CHOCOLATE, NEUTRAL, STRAWBERRY AND VANILLA FLAVOURS)**

For the dietary management of children aged 3 to 10 years and/or weighing up to 35kg, with or at risk of developing, disease-related malnutrition and growth failure.

**AYMES ACTAJUNI SHAKE STARTER PACK**

For the dietary management of children aged 3 to 10 years and/or weighing up to 35kg, with or at risk of developing, disease-related malnutrition and growth failure.

**AYMES ACTASOLVE DELIGHT**

For the dietary management of short-bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, bowel fistulae and disease related malnutrition.

**AYMES ACTASOLVE DELIGHT STARTER PACK**

For the dietary management of short-bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, bowel fistulae and disease related malnutrition.

**AYMES ACTASOLVE HIGH ENERGY**

For dietary management of short-bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, bowel fistulae and disease-related malnutrition. Not suitable for children under 3 years of age.

**AYMES ACTASOLVE HIGH ENERGY STARTER PACK**

For dietary management of short-bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, bowel fistulae and disease-related malnutrition. Not suitable for children under 3 years of age.

**AYMES ACTASOLVE PROTEIN COMPACT**

For the dietary management of disease-related malnutrition, short-bowel syndrome, intractable malabsorption, pre-operative preparation of malnourished patients, proven inflammatory bowel disease, following total gastrectomy and bowel fistulae.

**AYMES ACTASOLVE PROTEIN COMPACT STARTER PACK**

For the dietary management of disease-related malnutrition, short-bowel syndrome, intractable malabsorption, pre-operative preparation of malnourished patients, proven inflammatory bowel disease, following total gastrectomy and bowel fistulae.

**AYMES ACTASOLVE SAVOURY (CHICKEN, POTATO & LEEK AND VEGETABLE FLAVOURS)**

For dietary management of short-bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, bowel fistulae and disease-related malnutrition.

---

---

**BORDERLINE SUBSTANCES**

---

**AYMES ACTASOLVE SAVOURY STARTER PACK**

For dietary management of short-bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, bowel fistulae and disease-related malnutrition.

**AYMES ACTASOLVE SMOOTHIE**

For dietary management of short-bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, bowel fistulae and disease-related malnutrition.

**AYMES ACTASOLVE SMOOTHIE STARTER PACK**

For dietary management of short-bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, bowel fistulae and disease-related malnutrition.

**AYMES COMPLETE see AYMES ACTAGAIN 1.5 COMPLETE****AYMES COMPLETE STARTER PACK see AYMES ACTAGAIN 1.5 COMPLETE STARTER PACK****AYMES SHAKE (BANANA, CHOCOLATE, GINGER, NEUTRAL, STRAWBERRY AND VANILLA FLAVOURS)**

Indication: Short-bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae and disease related malnutrition.

**AYMES SHAKE COMPACT (BANANA, CHOCOLATE, GINGER, NEUTRAL, STRAWBERRY AND VANILLA FLAVOURS)**

For dietary management of short-bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, bowel fistulae and disease-related malnutrition.

**AYMES SHAKE COMPACT STARTER PACK**

For dietary management of short-bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, bowel fistulae and disease-related malnutrition.

**AYMES SHAKE FIBRE**

For the dietary management of short-bowel syndrome, intractable malabsorption, pre-operative preparation of undernourished patients, inflammatory bowel disease, total gastrectomy, bowel fistulae and disease-related malnutrition.

**AYMES SHAKE FIBRE STARTER PACK**

For the dietary management of short-bowel syndrome, intractable malabsorption, pre-operative preparation of undernourished patients, inflammatory bowel disease, total gastrectomy, bowel fistulae and disease-related malnutrition.

**AYMES SHAKE STARTER PACK**

Indication: Short-bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae and disease related malnutrition.

**BARKAT GLUTEN-FREE PRODUCTS**

See: Gluten-Free Products.

**BASECAL200**

For use in the dietary management of inborn errors of protein metabolism requiring a low protein diet. Suitable from three years.

**BIALIMENTA GLUTEN-FREE PRODUCTS**

See: Gluten-Free Products.

**CALOGEN (NEUTRAL AND STRAWBERRY FLAVOURS)**

For use in the dietary management of disease-related malnutrition, malabsorption states, or other conditions requiring fortification with a high fat supplement, with or without fluid and electrolyte restrictions.

**CALOGEN EXTRA**

For enteral use only for the dietary management of disease related malnutrition, malabsorption states or other conditions requiring fortification with a high fat supplement with or without fluid restriction.

---

**BORDERLINE SUBSTANCES**

---

**CALOGEN EXTRA SHOTS**

Disease related malnutrition, malabsorption states or other conditions requiring fortification with a high fat supplement with or without fluid restrictions.

**CALSHAKE POWDER**

Disease related malnutrition, malabsorption states or other conditions requiring fortification with a fat/ carbohydrate supplement.

**CARE CO-LACTASE INFANT DROPS**

Transient Lactase Deficiency

**COLIEF**

Transient Lactase Deficiency

**COMPLAN SHAKE**

As a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae and disease related malnutrition.

**COMPLAN SHAKE STARTER PACK**

As a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae and disease related malnutrition.

**COMPLEAT PAEDIATRIC**

For the dietary management of short bowel syndrome, intractable malabsorption, pre-operative preparation of undernourished patients, inflammatory bowel disease, total gastrectomy, dysphagia, bowel fistulae, feeding intolerance, developmental disabilities, disease-related malnutrition, for children greater than 1 year of age.

**COMPLEAT PAEDIATRIC (SIMPLINK)**

For the dietary management of short bowel syndrome, intractable malabsorption, pre-operative preparation of undernourished patients, inflammatory bowel disease, total gastrectomy, dysphagia, bowel fistulae, feeding intolerance, developmental disabilities, disease-related malnutrition, for children greater than 1 year of age.

**COVERING CREAMS AND CONCEALMENT OF BIRTH MARKS**

Covermark Classic Foundation

Keromask Masking Cream

Covermark Finishing Powder

Veil Cover Cream

Dermacolor Fixing Powder

Veil Finishing Powder

Keromask Finishing Powder

For post operative scars and other deformities and as adjunctive therapy in the relief of emotional disturbance due to disfiguring skin disease, such as vitiligo.

**COVERMARK PRODUCTS**

See: Covering Creams

**CYSTINE500**

For use in the dietary management of inborn errors of amino acid metabolism from 3 years of age onwards.

**DEKAS ESSENTIAL CAPSULES**

For the dietary management of patients with cystic fibrosis on the specific recommendation of a specialist in cystic fibrosis.

**DEKAS PLUS CHEWABLE TABLETS**

For the dietary management of patients with cystic fibrosis on the specific recommendation of a specialist in cystic fibrosis.

**DEKAS PLUS LIQUID**

For the dietary management of patients with cystic fibrosis on the specific recommendation of a specialist in cystic fibrosis.

**DEKAS PLUS SOFTGELS**

For the dietary management of patients with cystic fibrosis on the specific recommendation of a specialist in cystic fibrosis.

---

**BORDERLINE SUBSTANCES**

---

**DERMACOLOR CAMOUFLAGE SYSTEM**

See: Covering Creams

**DEXTROSE**

Glycogen storage disease and sucrose/isomaltose intolerance.

**DIALAMINE**

Oral feeding where essential amino acid supplements are required, for example chronic renal failure, hypoproteinaemia, wound fistula leakage with excessive protein loss, conditions requiring a controlled nitrogen intake and haemodialysis.

**DIETARY SPECIALS**

See: Gluten-Free Products

**DISINFECTANTS (ANTISEPTICS)**

May be prescribed on FP10 only when ordered in such quantities and with such directions as are appropriate for the treatment of patients, but not if ordered for general hygienic purposes.

**DOCOMEGA**

For use in the dietary management of inherited metabolic disorders.

**DUOCAL (SUPER SOLUBLE)**

Disease related malnutrition, malabsorption states or other conditions requiring fortification with a fat/carbohydrate supplement.

**EAA SUPPLEMENT**

For the dietary management of disorders of protein metabolism where essential amino acids are required for example urea cycle disorders.

**EASIPHEN**

For use in the dietary management of proven phenylketonuria in older children (above 8 years) and adults.

**ELECARE**

For the dietary management of infants and children with cow's milk allergy, severe and/or multiple food allergies or other conditions where an amino acid-based formula is indicated.

**ELEMENTAL 028 EXTRA**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, patients with proven inflammatory bowel disease, bowel fistulae. Not to be prescribed for any child under one year; use with caution for young children up to five years of age.

**ELEMENTAL 028 EXTRA (LIQUID)**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, patients with proven inflammatory bowel disease, bowel fistulae. Not to be prescribed for any child under one year; use with caution for young children up to five years of age.

**EMSOGEN (UNFLAVOURED)**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, patients with proven inflammatory bowel disease, bowel fistulae. Not to be prescribed for any child under one year; use with caution for young children up to five years of age.

**ENERGIESHAKE 2.0**

For the dietary management of short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae, CAPD, haemodialysis and disease-related malnutrition.

**ENERGIESHAKE ADVANCE 1.3KCAL (CHOCOLATE AND VANILLA FLAVOURS)**

For the dietary management of patients with or at risk of disease-related malnutrition, or nutritionally at-risk older adults. Suitable for frail elderly (over 65 years of age, with a BMI under 23kg/m), where clinical assessment and screening shows the individual to be at risk of under-nutrition.

**ENERGIESHAKE COMPLETE 1.5KCAL DRINK**

For the dietary management of disease-related malnutrition.

---

---

**BORDERLINE SUBSTANCES**

---

**ENERGIESHAKE DESSERT**

For the dietary management of short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, bowel fistulae and disease-related malnutrition.

**ENERGIESHAKE POWDER**

For the dietary management of short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae and disease-related malnutrition.

**ENERGIESHAKE POWDER STARTER PACK**

For the dietary management of short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, bowel fistulae and disease-related malnutrition.

**ENERGIVIT**

For infants requiring additional energy, vitamins, minerals and trace elements following a protein restricted diet.

**ENSHAKE (BANANA, CHOCOLATE, STRAWBERRY AND VANILLA FLAVOURS)**

Disease related malnutrition, malabsorption states or other conditions requiring fortification with a fat/carbohydrate supplement. Not suitable for children under 1 year.

**ENSHAKE (CHOCOLATE AND VANILLA FLAVOURS)**

As a necessary nutritional supplement prescribed on medical grounds for:

Disease-related malnutrition, intractable malabsorption, total gastrectomy, proven inflammatory bowel disease, and pre-operative preparation of patients who are undernourished. Not recommended for use in children.

**ENSURE COMPACT (BANANA, CAFE LATTE, STRAWBERRY AND VANILLA FLAVOURS)**

As a sole source of nutrition or as a nutritional supplement for the dietary management of patients with, or at risk of developing, disease-related malnutrition.

**ENSURE COMPACT STARTER PACK**

As a sole source of nutrition or as a nutritional supplement for the dietary management of patients with, or at risk of developing, disease-related malnutrition.

**ENSURE PLUS**

For the dietary management of patients with, or at risk of developing disease-related malnutrition.

**ENSURE PLUS ADVANCE**

Frail elderly people (this is defined as older than 65 years with BMI less than or equal to 23kg/m<sup>2</sup>, where clinical assessment and nutritional screening show the individual to be at risk of undernutrition). Not suitable as the sole source of nutrition.

**ENSURE PLUS COMMENCE**

For use as a source of nutrition or as a nutritional supplement for patients with short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae, disease-related malnutrition, continuous ambulatory peritoneal dialysis (CAPD), and haemodialysis.

**ENSURE PLUS FIBRE**

For use as a nutritional supplement for patients with disease-related malnutrition, continuous ambulatory peritoneal dialysis (CAPD) and haemodialysis, short bowel syndrome, intractable malabsorption, dysphagia, proven inflammatory bowel disease, bowel fistulae, gastrectomy and for pre-operative preparation of patients who are undernourished. Not to be prescribed for any child under one year; use with caution for young children up to five years of age.

**ENSURE PLUS JUCE**

As a necessary nutritional supplement prescribed on medical grounds for:

Disease related malnutrition, short bowel syndrome, intractable malabsorption, inflammatory bowel disease, bowel fistulae, dysphagia, following total gastrectomy and for pre-operative preparation of patients who are malnourished. It is not recommended for children under 1 year of age and should be used with caution in children under 5 years of age.

---

**GLYCOSADE (LEMON FLAVOUR)**

For the dietary management of hepatic Glycogen Storage Disease where the use of long acting starch is indicated, from 3 years of age.

**GLYCOSADE (UNFLAVOURED)**

For the dietary management of hepatic Glycogen Storage Disease where the use of long acting starch is indicated, from 2 years of age.

**GLYTACTIN BUILD 10**

Phenylketonuria

**GLYTACTIN BUILD 20/20 (CHOCOLATE, NEUTRAL, RASPBERRY LEMONADE, SMOOTH AND VANILLA FLAVOURS)**

For the dietary management of phenylketonuria

---

**BORDERLINE SUBSTANCES**

---

**GLYTACTIN COMPLETE 15 (FRUIT FRENZY AND PEANUT BUTTER FLAVOURS)**

Phenylketonuria

**GLYTACTIN RTD 15 (CHOCOLATE AND ORIGINAL FLAVOURS)**

Phenylketonuria

**GLYTACTIN RTD LITE 15 (COFFEE MOCHA AND VANILLA FLAVOURS)**

For the dietary management of phenylketonuria

**HCU ANAMIX INFANT**

For use in the dietary management of proven vitamin B6 non-responsive homocystinuria or hypermethioninaemia in infants from birth to 12 months and as a supplementary feed up to 3 years of age

**HCU ANAMIX JUNIOR (NEUTRAL FLAVOUR)**

For the dietary management of proven homocystinuria (HCU) in children aged 1-10 years.

**HCU COOLER10**

For the dietary management of homocystinuria in patients over 3 years of age.

**HCU COOLER15**

For the dietary management of homocystinuria in patients over 3 years of age.

**HCU COOLER20**

For the dietary management of homocystinuria in patients over 3 years of age.

**HCU EXPLORE5**

For the dietary management of homocystinuria.

**HCU EXPRESS15**

A nutritional supplement designed for patients with Homocystinuria (HCU); this is a Methionine-free powder protein substitute approved for patients over 8 years old.

**HCU EXPRESS20**

A nutritional supplement designed for patients with Homocystinuria (HCU); this is a Methionine-free powder protein substitute approved for patients over 8 years old.

**HCU GEL**

A methionine free protein substitute for use in the dietary management of homocystinuria in children between the ages 12 months and 10 years of age.

**HCU LOPHLEX**

For the dietary management of homocystinuria (HCU) in children aged 3 years onwards and adults, including pregnant women (in conjunction with standard folic acid supplementation).

**HCU LOPHLEX LQ 10 JUICY BERRIES**

For the dietary management of proven Homocystinuria.

**HCU LOPHLEX LQ 20 JUICY BERRIES**

For the dietary management of proven Homocystinuria.

**HCU-LV (TROPICAL FLAVOUR)**

For the dietary management of hypermethioninaemia or vitamin B6 non-responsive homocystinuria in children over 8 years and adults.

**HCU MAXAMUM**

Hypermethioninaemia, homocystinuria

**HEPARON JUNIOR**

For the dietary management of infants and young children with acute and chronic liver failure.

**HYFIBER LIQUID**

For the dietary management of bowel transit disorders.

**HYPER LYS ANAMIX INFANT**

For use in the dietary management of proven hyperlysaemia in infants from birth to 12 months and as a supplementary feed up to 3 years of age

**INFATRINI**

Disease-related malnutrition, malabsorption, and growth failure in infancy.

---

**BORDERLINE SUBSTANCES**

---

**INFATRINI PEPTISORB**

Short bowel syndrome, intractable malabsorption, inflammatory bowel disease, bowel fistulae, disease-related malnutrition, intolerance to whole protein feeds.

**INNOVATIVE SOLUTIONS PURE PRODUCTS**

See: Gluten-Free Products

**INSTANT CAROBEL**

Thickening feeds in the treatment of vomiting.

**ISOLEUCINE50**

For use in the dietary management of inborn errors of amino acid metabolism from birth.

**IVA ANAMIX INFANT**

For use in the dietary management of proven isovaleric acidaemia or other proven disorders of leucine metabolism in infants from birth to 12 months and as a supplementary feed up to 3 years of age

**IVA ANAMIX JUNIOR (NEUTRAL FLAVOUR)**

For the dietary management of proven isovaleric acidaemia (IVA) in children aged 1-10 years.

**JEVITY**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, disease-related malnutrition. Not to be prescribed for any child under one year; use with caution for young children up to five years of age.

**JEVITY ADVANCE**

For the dietary management of malnourished or nutritionally-at-risk older adults.

**JEVITY PLUS**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae, disease-related malnutrition. Not recommended for any child under ten years of age.

**JEVITY PLUS HP**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for:

Disease related malnutrition, short bowel syndrome, intractable malabsorption, bowel fistulae, proven inflammatory bowel disease, total gastrectomy, pre-operative preparation of patients who are malnourished, haemodialysis, CAPD and dysphagia. Not to be prescribed for any child under 2 years of age, use with caution in children under 10 years of age.

**JEVITY PROMOTE**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae, disease-related malnutrition. Not to be prescribed for children less than two years of age. Use with caution in children under ten years of age.

**JEVITY 1.5 KCAL**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, disease-related malnutrition, bowel fistulae.

**K.FLO**

For the dietary management of epilepsy, neurometabolic disorders (e.g. glut 1 deficiency syndrome) and other conditions requiring a ketogenic diet.

**K.QUIK**

For use in the ketogenic diet or in the dietary management of conditions requiring a source of MCT from 3 years of age.

**K.VITA**

For the dietary management of drug resistant epilepsy.

**K.YO (CHOCOLATE AND VANILLA FLAVOURS)**

For the dietary management of epilepsy in a ketogenic diet; glut 1 deficiency syndrome or other conditions requiring a ketogenic diet.

**KANSO DELIMCT CACAOBAR**

For the dietary management of intractable epilepsy when following a ketogenic diet, pyruvate dehydrogenase deficiency, glucose transporter type 1 deficiency syndrome or other conditions requiring a ketogenic diet.

**KANSO MCT OIL 100%**

For the dietary management of intractable epilepsy, pyruvate dehydrogenase deficiency, glucose transporter type 1 deficiency syndrome and other condition where a ketogenic diet is indicated.

**KEROMASK**

See: Covering Creams

**KETOCAL 2.5:1 LQ**

For use in the dietary management of drug resistant epilepsy or other conditions for which the ketogenic diet is indicated. Only to be prescribed on the advice of a specialist with experience of the ketogenic diet.

**KETOCAL 3:1**

For use in the dietary management of drug resistant epilepsy and/or other conditions for which the ketogenic diet is indicated, providing complete nutritional support from birth to 3 years of age or supplementary feeding for infants and children.

**KETOCAL 4:1**

For use as part of the ketogenic diet in the management of epilepsy resistant to drug therapy. Only to be prescribed on the advice of a secondary care physician with experience of the ketogenic diet.

**KETOCAL 4.1 LQ**

For use in the dietary management of drug resistant epilepsy or other conditions for which the ketogenic diet is indicated, providing complete nutritional support or supplementary feeding from 1-10 years of age and may be used for supplementary feeding over the age of 10 years.

**KETOCLASSIC 3:1 BAR**

For the dietary management of intractable epilepsy, pyruvate dehydrogenase deficiency, glucose transporter type 1 deficiency and other conditions where a ketogenic diet is indicated.

**KETOCLASSIC 3:1 BISK**

For the dietary management of intractable epilepsy, pyruvate dehydrogenase deficiency, glucose transporter type 1 deficiency and other conditions where a ketogenic diet is indicated.

**KETOCLASSIC 3:1 MEAL**

For the dietary management of intractable epilepsy, pyruvate dehydrogenase deficiency, glucose transporter type 1 deficiency and other conditions where a ketogenic diet is indicated.

**KETOCLASSIC 3:1 SAVOURY**

For the dietary management of intractable epilepsy, pyruvate dehydrogenase deficiency, glucose transporter type 1 deficiency and other conditions where a ketogenic diet is indicated.

**KETOCLASSIC BREAKFAST**

For the dietary management of intractable epilepsy, pyruvate dehydrogenase deficiency, glucose transporter type 1 deficiency and other conditions where a ketogenic diet is indicated.

**KETOVIE 4:1 (CHOCOLATE AND VANILLA FLAVOURS)**

For the dietary management of patients with intractable epilepsy and other conditions where a ketogenic diet is indicated.

---

**BORDERLINE SUBSTANCES**

**KETOVIE PEPTIDE 4:1**

For the dietary management of intractable epilepsy and other conditions where a ketogenic diet is indicated.

**KETOVIE KWIK MIX**

For the dietary management of intractable epilepsy and other conditions where a ketogenic diet is indicated.

**KEYOMEGA**

For use in the dietary management of inborn errors of metabolism.

**KINDERGEN**

Complete nutritional support or supplementary feeding for infants and children with chronic renal failure who are receiving peritoneal rapid overnight dialysis.

**LEUCINE100**

For use in the dietary management of inborn errors of amino acid metabolism from birth.

**LIFESTYLE GLUTEN-FREE PRODUCTS**

See: Gluten-Free Products.

**LIPISTART**

For the dietary management of fat malabsorption, long chain fatty acid oxidation disorders and disorders requiring dietary management using a high MCT, low LCT formula.

**LIQUIGEN**

Steatorrhoea associated with cystic fibrosis of the pancreas, intestinal lymphangiectasia, surgery of the intestine, chronic liver disease, liver cirrhosis, other proven malabsorption syndromes, a ketogenic diet in the management of epilepsy and in type 1 hyperlipoproteinaemia.

**LOCASOL**

Calcium intolerance

**LOPROFIN DRINK LQ**

For the dietary management of inherited metabolic disorders, renal or liver failure requiring a low protein diet

**LOPROFIN LOW-PROTEIN PRODUCTS**

See: Low-Protein Products

**LOPROFIN SNO-PRO DRINK**

For the dietary management of Phenylketonuria, chronic renal failure, and other inborn errors of metabolism. Suitable for use from 6 months of age.

**MEVALIA PKU MOTION 10 (RED FRUITS AND TROPICAL FLAVOURS)**

For the dietary management of phenylketonuria.

**MEVALIA PKU MOTION 20 (RED FRUITS AND TROPICAL FLAVOURS)**

For the dietary management of phenylketonuria.

**MILUPA LP DRINK**

Inherited disorders of amino acid metabolism in childhood

**MMA/PA AMINO5**

For use in the dietary management of the organic acidaemias, methylmalonic acidaemia (MMA) and the propionic acidaemia (PA). Suitable from birth.

---

**BORDERLINE SUBSTANCES**

---

**MMA/PA ANAMIX INFANT**

For use in the dietary management of proven methylmalonic or propionic acidaemia in infants from birth to 12 months and as a supplementary feed up to 3 years of age

**MMA/PA ANAMIX JUNIOR (NEUTRAL FLAVOUR)**

For the dietary management of proven methylmalonic or propionic acidaemia (MMA/PA) for children aged 1-10 years.

**MMA/PA EXPLORE 5**

For the dietary management of methylmalonic acidaemia / propionic acidaemia from 6 months to 5 years of age.

**MMA/PA MAXAMUM**

Methylmalonic acidaemia and propionic acidaemia

**MODULEN IBD**

For the sole source of nutrition during the active phase of Crohn's disease, and for nutritional support during the remission phase in patients who are malnourished. Not to be prescribed for any child under one year; use with caution for young children up to five years of age.

**MONOGEN**

For the dietary management of disorders requiring a low LCT, high MCT intake, such as long chain fatty acid oxidation defects (long chain acyl CoA dehydrogenase deficiency (LCAD) and carnitine palmitoyl transferase deficiency (CPTD), primary and secondary lipoprotein lipase deficiency (hyperlipoproteinaemia type 1), chylothorax and lymphangiectasia.

**MSUD AID III**

Maple syrup urine disease (MSUD) and related conditions when it is necessary to limit the intake of branched chain amino acids

**MSUD AMINOS**

For use in the dietary management of maple syrup urine disease (MSUD). Suitable from birth.

**MSUD ANAMIX INFANT**

For use in the dietary management of proven maple syrup urine disease in infants from birth to 12 months and as a supplementary feed up to 3 years of age.

**MSUD ANAMIX JUNIOR**

A leucine, isoleucine and valine free mix for use in the dietary management of MSUD approved for patients aged between 1 and 10 years.

**MSUD ANAMIX JUNIOR LQ ORANGE**

For use in the dietary management of Maple syrup urine disease in children aged 1 year and over.

**MSUD COOLER10**

For the dietary management of maple syrup urine disease

**MSUD COOLER15**

For the dietary management of maple syrup urine disease

**MSUD COOLER20**

For the dietary management of maple syrup urine disease

**MSUD EXPLORE5**

For the dietary management of maple syrup urine disease

**MSUD EXPRESS15**

This is a protein substitute for maple syrup urine disease in children over the age of 8.

**MSUD EXPRESS20**

This is a protein substitute for maple syrup urine disease in children over the age of 8.

**MSUD GEL**

For use in the dietary management of Maple syrup urine disease in children aged between 1 and 10 years.

**MSUD LOPHLEX**

For the dietary management of maple syrup urine disease (MSUD) in children aged 3 years onwards and adults, including pregnant women (in conjunction with standard folic acid supplementation).

---

Maple Syrup Urine Disease.

**MSUD MAXAMUM**

Maple syrup urine disease

**NAIRNS GLUTEN-FREE PRODUCTS (Wales only)**

See: Gluten Free Products

**NEOCATE JUNIOR (STRAWBERRY, UNFLAVOURED AND VANILLA FLAVOURS)**

For the dietary management of proven whole protein allergy, short bowel syndrome, intractable malabsorption and other gastrointestinal disorders where an amino acid diet is recommended, for children from 1 year onwards.

**NEOCATE LCP**

For the dietary management of cow's milk allergy, multiple food protein allergies and other conditions where an elemental diet is recommended.

**NEOCATE SPOON**

For the dietary management of cow's milk allergy, multiple food protein allergies and other conditions requiring an amino acid-based food.

**NEOCATE SYNEO**

For the dietary management of cow's milk allergy, multiple food protein allergies and other conditions requiring an amino acid-based food.

**NEPRO HP (BOTTLE AND READY TO HANG)**

Patients with chronic renal failure who are on haemodialysis or complete ambulatory peritoneal dialysis (CAPD), or patients with cirrhosis or other conditions requiring a high energy, low fluid, low electrolyte diet.

**NUTILIS CLEAR**

Dysphagia

**NUTILIS COMPLETE CREME LEVEL 3 (CHOCOLATE, STRAWBERRY AND VANILLA FLAVOURS)**

Approved for dysphagia, short bowel syndrome, intractable malabsorption, pre-operative preparation of undernourished patients, inflammatory bowel disease, total gastrectomy, bowel fistulae, disease-related malnutrition.

**NUTILIS COMPLETE DRINK LEVEL 3**

Approved for dysphagia, short bowel syndrome, intractable malabsorption, pre-operative preparation of undernourished patients, inflammatory bowel disease, total gastrectomy, bowel fistulae, disease-related malnutrition.

**NUTILIS FRUIT DESSERT LEVEL 4**

Approved for short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, disease-related malnutrition, continuous ambulatory peritoneal dialysis (CAPD), haemodialysis.

**NUTRAMIGEN 1 WITH LGG**

For the dietary management of cow's milk allergy with / or without lactose intolerance.

**NUTRAMIGEN 2 WITH LGG**

For the dietary management of cow's milk allergy with / or without lactose intolerance.

**NUTRAMIGEN 3 WITH LGG**

For the dietary management of cow's milk protein allergy.

**NUTRAMIGEN PURAMINO**

For the dietary management of severe cow's milk allergy and multiple food intolerance. Suitable for other indications requiring an elemental diet.

**NUTRICIA FLAVOUR MODJUL**

For use with a range of unflavoured amino acid and peptide based foods for special medical purposes.

**NUTRICIA FLAVOUR SACHETS**

For use with a range of unflavoured amino acid and peptide based foods for special medical purposes.

---

**BORDERLINE SUBSTANCES**

---

**NUTRICREM**

Disease related malnutrition, short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, bowel fistulae, dysphagia.

**NUTRICREM STARTER PACK (VANILLA, STRAWBERRY AND ORANGE FLAVOURS)**

Disease related malnutrition, short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, bowel fistulae, dysphagia.

**NUTRINI**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, dysphagia, bowel fistulae, disease-related malnutrition and/or growth failure. Not to be prescribed for any child under one year.

**NUTRINI ENERGY**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae, disease-related malnutrition and/or growth failure. Not to be prescribed for any child under one year.

**NUTRINI ENERGY MULTIFIBRE**

It is indicated for:

Short bowel syndrome, intractable malabsorption, pre operative preparation of undernourished patients, total gastrectomy, dysphagia, disease related malnutrition and growth failure.

**NUTRINI LOW ENERGY MULTIFIBRE**

It is indicated for:

Short bowel syndrome, intractable malabsorption, pre operative preparation of undernourished patients, total gastrectomy, dysphagia, disease related malnutrition and growth failure.

**NUTRINI MULTIFIBRE**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae, disease-related malnutrition and/or growth failure. Not to be prescribed for any child under one year.

**NUTRINI PEPTISORB**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae, disease-related malnutrition and/or growth failure. Approved for children aged between one and six years.

**NUTRINI PEPTISORB ENERGY**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for the dietary management of short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae, disease-related malnutrition and/or growth failure. Approved for use in children aged between one and six years.

**NUTRIPREM 2 LIQUID**

Suitable for catch-up growth in pre-term infants (ie less than 35 weeks at birth) and small for gestational age infants, until 6 months corrected age.

**NUTRIPREM 2 POWDER**

Suitable for catch-up growth in pre-term infants (ie less than 35 weeks at birth) and small for gestational age infants, until 6 months corrected age.

---

**BORDERLINE SUBSTANCES**

---

**NUTRIPREM HUMAN MILK FORTIFIER**

For the dietary management of preterm and low birthweight infants.

**NUTRISON**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae, disease-related malnutrition. Not to be prescribed for any child under one year; use with caution for young children up to five years of age.

**NUTRISON 800 COMPLETE MULTI FIBRE**

Approved for short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, disease-related malnutrition and dysphagia.

**NUTRISON 1000 COMPLETE MULTI FIBRE**

For dietary management of disease related malnutrition in patients with low energy and/or low fluid requirements

**NUTRISON 1200 COMPLETE MULTI FIBRE**

Approved for short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, disease-related malnutrition and dysphagia.

**NUTRISON ENERGY**

As a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae, disease-related malnutrition. Not to be prescribed for any child under one year; use with caution for young children up to five years of age.

**NUTRISON ENERGY MULTIFIBRE**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae, disease-related malnutrition. Not to be prescribed for any child under one year; use with caution for young children up to five years of age.

**NUTRISON ENERGY MULTI FIBRE VANILLA**

As a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae, disease-related malnutrition. Not suitable for children under 3 years of age. Use with caution in children aged 3-6 years.

**NUTRISON MULTIFIBRE**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae, disease-related malnutrition. Not to be prescribed for any child under one year; use with caution for young children up to five years of age.

**NUTRISON PEPTISORB**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for:-

Short bowel syndrome, intractable malabsorption, patients with proven inflammatory bowel disease, bowel fistulae. Not to be prescribed for any child under one year; use with caution in children aged one to six years.

**NUTRISON PEPTISORB PLUS HEHP**

For the dietary management of adults with disease-related malnutrition, short bowel syndrome, intractable malabsorption, bowel fistulae, inflammatory bowel disease, total gastrectomy and for the pre-operative preparation of patient who are malnourished.

---

**BORDERLINE SUBSTANCES**

---

**NUTRISON PROTEIN PLUS**

For use as dietary management of disease related malnutrition.

**NUTRISON PROTEIN PLUS ENERGY**

For dietary management of short bowel syndrome, intractable malabsorption, preoperative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae, disease-related malnutrition. Not to be prescribed for any child under one year, use with caution for young children up to five years of age.

**NUTRISON PROTEIN PLUS MULTIFIBRE**

For use as dietary management of disease related malnutrition.

**NUTRISON PROTEIN SHOT**

For the dietary management of disease related malnutrition for tube fed patients with increased protein requirements.

**NUTRISON SOYA**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae, disease-related malnutrition, cows milk protein and lactose intolerance. Not to be prescribed for any child under one year; use with caution for young children up to five years of age.

**NUTRISON SOYA MULTIFIBRE**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae, disease-related malnutrition, cows milk protein and lactose intolerance. Not to be prescribed for any child under one year; use with caution for young children up to five years of age.

**OPTIFIBRE**

As a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, bowel fistulae, disease-related malnutrition. Not to be prescribed for any child under five years of age.

**OSMOLITE**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae, disease-related malnutrition. Not to be prescribed for any child under one year; use with caution for young children up to five years of age.

**OSMOLITE 1.5 KCAL**

As a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae, disease-related malnutrition, continuous ambulatory peritoneal dialysis (CAPD), and haemodialysis. Not to be prescribed for any child under one year; use with caution for young children up to five years of age

**OSMOLITE PLUS**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae, disease-related malnutrition. Not recommended for any child under ten years of age.

**OSMOSIP THICK & CLEAR**

For the dietary management of dysphagia.

---

**BORDERLINE SUBSTANCES**

---

**PAEDIASURE**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for children aged 1-10 years or 8-30kg for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, dysphagia, bowel fistulae, disease-related malnutrition and/or growth failure. Not to be prescribed for any child under one year.

**PAEDIASURE COMPACT**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed for the dietary management of children aged 1-10 years or 8-30kg for:

Disease-related malnutrition.

**PAEDIASURE COMPACT STARTER PACK**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed for the dietary management of children aged 1-10 years or 8-30kg for:

Disease-related malnutrition.

**PAEDIASURE FIBRE**

For use as the sole source of nutrition, or as a necessary nutritional supplement prescribed on medical grounds for children aged 1-10 years or 8-30kg for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, dysphagia, bowel fistulae, disease-related malnutrition, and/or growth failure. Not to be prescribed for any child under one year.

**PAEDIASURE PEPTIDE**

For children weighing 8-30 kg with disease related malnutrition and/or growth failure, short bowel syndrome, intractable malabsorption, bowel fistulae, dysphagia, inflammatory bowel disease, total gastrectomy and for the pre-operative preparation of patients who are malnourished.

**PAEDIASURE PLUS**

For use as the sole source of nutrition, or as a necessary nutritional supplement prescribed on medical grounds for children aged 1-10 years or 8-30kg for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, dysphagia, bowel fistulae, disease-related malnutrition, and/or growth failure. Not to be prescribed for any child under one year.

**PAEDIASURE PLUS FIBRE**

As a sole source of nutrition, or as a nutritional supplement for children aged 1-10 years or 8-30kg with disease-related malnutrition and/or growth failure, short bowel syndrome, intractable malabsorption, dysphagia, bowel fistulae, and for the pre-operative preparation of patients who are malnourished. Not to be prescribed for any child under one year.

**PAEDIASURE PLUS FIBRE STARTER PACK**

As a sole source of nutrition, or as a nutritional supplement for children aged 1-10 years or 8-30kg with disease-related malnutrition and/or growth failure, short bowel syndrome, intractable malabsorption, dysphagia, bowel fistulae, and for the pre-operative preparation of patients who are malnourished. Not to be prescribed for any child under one year.

**PAEDIASURE PLUS JUCE**

For use as a nutritional supplement for children weighing 8-30kg with disease related malnutrition and/or growth failure.

**PAEDIATRIC SERAVIT**

Vitamin and mineral supplement in restrictive therapeutic diets in infants and children.

**PARAVIT CF CAPSULES**

For the dietary management of patients with cystic fibrosis on the specific recommendation of a cystic fibrosis specialist.

**PARAVIT CF LIQUID**

For the dietary management of patients with cystic fibrosis on the specific recommendation of a cystic fibrosis specialist.

---

**BORDERLINE SUBSTANCES**

---

**PEPTAMEN AF**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, bowel fistulae and disease related malnutrition

**PEPTAMEN (FLAVOURED AND UNFLAVOURED)**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, patients with proven inflammatory bowel disease, bowel fistulae. Not to be prescribed for any child under one year; use with caution for young children up to five years of age.

**PEPTAMEN HN**

For use as a nutritionally complete high calorie peptide-based formula for optimal digestion in the dietary management of impaired gastrointestinal function.

For use as an enteral feed in patients with short bowel syndrome, intractable malabsorption, proven inflammatory bowel disease and bowel fistulae or with higher nutritional requirements.

**PEPTAMEN JUNIOR 0.6**

For the dietary management of disease-related malnutrition in patient ages over 1 year with malabsorption and/or maldigestion who have reduced energy requirements

**PEPTAMEN JUNIOR 1.5**

For the dietary management of disease related malnutrition in patients with short bowel syndrome, intractable malabsorption, proven inflammatory bowel disease, bowel fistulae. As a sole source of nutrition for children aged 1-15 years onwards.

**PEPTAMEN JUNIOR ADVANCE**

For use as the sole source of nutrition or as a necessary nutritional supplement for children aged 1-10 years prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, patients with proven inflammatory bowel disease, bowel fistulae.

**PEPTAMEN JUNIOR LIQUID**

For use as the sole source of nutrition or as a necessary nutritional supplement for children aged 1-10 years prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, patients with proven inflammatory bowel disease, bowel fistulae.

**PEPTAMEN JUNIOR PHGG**

For the dietary management of children aged 1-10 years on medical grounds for short bowel syndrome, intractable malabsorption, patients with proven inflammatory bowel disease and bowel fistulae.

**PEPTAMEN JUNIOR POWDER**

For use as the sole source of nutrition or as a necessary nutritional supplement for children aged 1-10 years prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, patients with proven inflammatory bowel disease, bowel fistulae.

**PEPTISIP ENERGY HP**

For the dietary management of disease-related malnutrition in patients with malabsorption and/or maldigestion.

**PERATIVE**

As a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, bowel fistulae, disease-related malnutrition. Not to be prescribed for any child under five years of age.

**PHENYLALANINE50**

For use in the dietary management of inborn errors of amino acid metabolism from birth.

**PHLEXY-10 DRINK MIX**

Phenylketonuria

---

**BORDERLINE SUBSTANCES**

---

**PHLEXY-10 TABLETS**

For Phenylketonuria only

**PHLEXY-VITS**

For use as a vitamin and mineral component of restricted therapeutic diets for older children, from the age of around eleven years, and adults with phenylketonuria and similar amino acid abnormalities.

**PHLEXY-VITS TABLETS**

For use as a vitamin and mineral component of restricted therapeutic diets for older children, from the age of around eleven years, and adults with phenylketonuria and similar amino acid abnormalities.

**PK AID 4**

Phenylketonuria

**PKU AIR20 (YELLOW)**

Dietary management of Phenylketonuria (PKU) over 3 years of age

**PKU ANAMIX FIRST SPOON**

For use in the dietary management of proven phenylketonuria for 6 months to 5 years of age.

**PKU ANAMIX INFANT**

For use in the dietary management of proven phenylketonuria in infants from birth to 12 months and as a supplementary feed up to 3 years of age.

**PKU ANAMIX JUNIOR (FLAVOURED AND NEUTRAL)**

For use in the dietary management of children with phenylketonuria.

**PKU ANAMIX JUNIOR LQ**

For use in the dietary management of phenylketonuria for children aged 1-10 years of age.

**PKU COOLER10**

For use in the dietary management of phenylketonuria for people over 3 years of age.

**PKU COOLER15**

For use in the dietary management of phenylketonuria for people over 3 years of age.

**BORDERLINE SUBSTANCES**

---

**PKU COOLER20**

For use in the dietary management of phenylketonuria for people over 3 years of age.

**PKU EASY MICROTABS**

For the dietary management of phenylketonuria in people 8 years and older.

**PKU EASY SHAKE & GO**

For the dietary management of phenylketonuria in patients from 3 years and older.

**PKU EXPLORE5 (UNFLAVOURED)**

For the dietary management of phenylketonuria.

**PKU EXPLORE10 (ORANGE AND RASPBERRY FLAVOURS)**

For the dietary management of phenylketonuria.

**PKU EXPRESS PLUS15**

Phenylketonuria

**PKU EXPRESS PLUS20**

Phenylketonuria

**PKU-GEL**

As part of the low-protein dietary management of phenylketonuria in children aged one to ten years. Not recommended for children under one year of age.

**PKU GMPRO**

For the dietary management of phenylketonuria.

**PKU GMPRO LQ**

For the dietary management of phenylketonuria.

**PKU GMPRO MIX-IN**

For the dietary management of phenylketonuria.

**PKU GMPRO ULTRA (LEMONADE AND VANILLA FLAVOURS)**

For the dietary management of phenylketonuria.

**PKU GOLIKE PLUS 3-16**

For the dietary management of phenylketonuria.

**PKU LOPHLEX (NEUTRAL, ORANGE AND BERRIES FLAVOURS)**

For use in the dietary management of proven phenylketonuria in older children from 3 years onwards and adults (includes use in pregnant women).

**PKU LOPHLEX LQ 10 (BERRY, JUICY BERRIES, JUICY CITRUS, JUICY ORANGE AND JUICY TROPICAL FLAVOURS)**

For use in the dietary management of proven phenylketonuria in children aged 4 years and above and adults (includes use in pregnant women).

**PKU LOPHLEX LQ 20 (BERRY, JUICY BERRIES, JUICY CITRUS, JUICY ORANGE, JUICY TROPICAL AND ORANGE FLAVOURS)**

For use in the dietary management of proven phenylketonuria in children aged 4 years and above and adults (includes use in pregnant women).

**PKU LOPHLEX SELECT 20**

For the dietary management of proven phenylketonuria (PKU) in children aged 4 years onwards and adult, including pregnant women (in conjunction with standard folic acid supplementation).

**PKU LOPHLEX SENSATION 20 (BERRIES FLAVOUR)**

For the dietary management of proven phenylketonuria in children aged 4 years and above and adults (includes use in pregnant women)

**PKU MAXAMUM (ORANGE AND UNFLAVOURED)**

Phenylketonuria. Not to be prescribed for children under 8 years old.  
Tyrosinaemia

**PKU SPHERE15 (CHOCOLATE, RED BERRY AND VANILLA FLAVOURS)**

For the dietary management of phenylketonuria.

---

---

**BORDERLINE SUBSTANCES**

---

**PKU SPHERE20 (BANANA, CHOCOLATE, LEMON, RED BERRY AND VANILLA FLAVOURS)**

For the dietary management of phenylketonuria.

**PKU SPHERE20 LIQUID (CHOCOLATE AND VANILLA FLAVOURS)**

For the dietary management of phenylketonuria.

**PKU SQUEEZIE**

For use in the dietary management of phenylketonuria.

**PKU START**

For use in the dietary management of phenylketonuria.

**PKU SYNERGY**

For the dietary management of proven phenylketonuria and hyperphenylalaninaemia.

**POLYCAL (LIQUID & POWDER)**

Disease related malnutrition, malabsorption states or other conditions requiring fortification with a high or readily available carbohydrate supplement.

**PRO-CAL POWDER**

Disease-related malnutrition, malabsorption states or other conditions requiring fortification with a fat / carbohydrate supplement (with protein). Suitable from one year of age.

**PRO-CAL SHOT**

Disease-related malnutrition, malabsorption states or other conditions requiring fortification with a fat/ carbohydrate supplement (with protein). Suitable from three years.

**PRO-CAL SHOT STARTER PACK**

Disease-related malnutrition, malabsorption states or other conditions requiring fortification with a fat/ carbohydrate supplement (with protein). Suitable from three years.

**PROCELI PRODUCTS**

See Also: Low-Protein Products

For patients with phenylketonuria and amino acid disorders.

**PROSOURCE JELLY (BLACKCURRANT, FRUIT PUNCH, LIME AND ORANGE FLAVOURS)**

Hypoproteinaemia.

**PROSOURCE LIQUID**

Biochemically proven hypoproteinaemia.

**PROSOURCE PLUS**

Hypoproteinaemia.

**PROSOURCE TF**

Hypoproteinaemia.

**PROSOURCE TF ENFIT**

For the dietary management of hypoproteinaemia.

**PROTIFAR**

Biochemically proven hypoproteinaemia.

**PROZERO (CHOCOLATE AND UNFLAVOURED)**

For use in the dietary management of inherited metabolic disorders.

---

**BORDERLINE SUBSTANCES**

---

**RENAMIL**

Chronic renal failure. Not suitable for infants and young children under one year of age.

**RENAPRO**

Dialysis and hypoproteinaemia. Not suitable for infants and children under one year of age.

**RENAPRO SHOT (APPLE, COLA, PEACH AND WILD BERRY FLAVOURS)**

For the dietary management of hypoproteinaemia.

**RENASTART**

For the dietary management of renal failure from birth to 10 years of age.

**RENASTEP**

For the dietary management of renal failure from 3 years of age.

**RENAVIT**

For the dietary management of water soluble vitamin deficiency in renal failure patients receiving dialysis.

**RENILON 7.5**

For use as a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, bowel fistulae, disease-related malnutrition. Not to be prescribed for any child under three years of age.

**RESOURCE 2.0 FIBRE (STRAWBERRY AND VANILLA FLAVOURS)**

For use as the sole source of nutrition, or as a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae, disease-related malnutrition. Not to be prescribed for any child under 6 years of age; use with caution for children up to ten years of age.

**RESOURCE ENERGY (CHOCOLATE, STRAWBERRY & RASPBERRY AND VANILLA FLAVOURS)**

For use as the sole source of nutrition or as a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, proven inflammatory bowel disease, following total gastrectomy, dysphagia and disease related malnutrition.

**RESOURCE JUNIOR**

For use as the sole source of nutrition or as a nutritional supplement prescribed on medical grounds for:

Disease-related malnutrition, short bowel syndrome, intractable malabsorption, pre-operative preparation of undernourished patients, proven inflammatory bowel disease, following total gastrectomy, bowel fistulae and dysphagia. Not to be prescribed for any child under one year.

**RESOURCE READY THICKENED DRINKS**

Dysphagia. Not suitable for infants and children under one year of age.

**RESOURCE THICKENUP CLEAR**

Patients requiring thickening of liquid or food for the management of dysphagia.

**RIZOPIA GLUTEN-FREE PRODUCTS (Wales only)**

See: Gluten-Free Products

**SCANDISHAKE MIX FLAVOURED AND UNFLAVOURED**

Disease related malnutrition, malabsorption states or other conditions requiring fortification with a fat/carbohydrate supplement.

**SIMILAC HIGH ENERGY**

As a sole source of nutrition or as a nutritional supplement for infants and young children up to 8kg body weight who have faltering growth, increased energy requirements and/or require a fluid restriction.

**SMA ALFAMINO**

For complete nutritional support from birth or supplementary feeding from 6 months up to 3 years of age for the dietary management of cows' milk allergy and/or multiple food allergies and other conditions where an amino acid formula is recommended.

---

**BORDERLINE SUBSTANCES**

---

**SMA ALTHERA**

Complete nutritional support from birth or supplementary feeding from 6 months and up to 3 years for the dietary management of cows' milk protein allergy and/or multiple food protein allergies.

**SMA ANTI-REFLUX**

For the dietary management of babies when significant reflux (regurgitation) is a problem and not to be used in conjunction with any other thickener or antacid products.

**SMA GOLD PREM 2 LIQUID**

For the dietary management of preterm and low birthweight infants.

**SMA GOLD PREM 2 POWDER**

For the dietary management of preterm and low birthweight infants.

**SMA HIGH ENERGY**

Disease-related malnutrition, malabsorption and growth failure in infancy.

**SMA LF**

Proven lactose intolerance

**SMA SOYA**

Proven lactose and associated sucrose intolerance in pre-school children, galactokinase deficiency, galactosaemia and proven whole cows milk sensitivity.

**S.O.S.10**

For use in the dietary management of inherited metabolic disorders.

**S.O.S.15**

For use in the dietary management of inherited metabolic disorders.

**S.O.S.20**

For use in the dietary management of inherited metabolic disorders.

**S.O.S.25**

For use in the dietary management of inherited metabolic disorders.

**SUPPORTAN DRINK (TROPICAL FRUITS FLAVOUR)**

For the dietary management of patients with pancreatic cancer and patients with lung cancer undergoing chemotherapy. Not to be prescribed for any child under three years; use with caution for young children up to six years of age.

**SURVIMED OPD**

As a necessary nutritional supplement prescribed on medical grounds for:

Short bowel syndrome, intractable malabsorption, pre-operative preparation of patients who are undernourished, patients with proven inflammatory bowel disease, following total gastrectomy, dysphagia, bowel fistulae and disease-related malnutrition. Not to be prescribed for any child under three years; use with caution for young children up to six years of age.

**SURVIMED OPD 1.5KCAL (CAPPUCCINO FLAVOUR)**

For the dietary management of disease-related malnutrition, short bowel syndrome, intractable malabsorption, pre-operative preparation of malnourished patients, proven inflammatory bowel disease, following total gastrectomy, bowel fistulae.

**SURVIMED OPD HN**

Indication: For the dietary management of patients with or at risk of malnutrition for the following indications: Short bowel syndrome, intractable malabsorption, pre-operative preparation of undernourished patients, inflammatory bowel disease, total gastrectomy, dysphagia, bowel fistulae, haemodialysis, continuous ambulatory peritoneal dialysis and disease related malnutrition. Not to be prescribed for any child under three years; use with caution for young children up to six years of age.

**SWALLOWEZE CLEAR**

For the dietary management of dysphagia.

**TENTRINI**

As indicated for:-

Short bowel syndrome, intractable malabsorption, pre operative preparation of undernourished patients, inflammatory bowel disease, total gastrectomy, bowel fistulae, dysphagia, disease related malnutrition and growth failure.

**TENTRINI ENERGY**

As indicated for:-

Short bowel syndrome, intractable malabsorption, pre operative preparation of undernourished patients, inflammatory bowel disease, total gastrectomy, bowel fistulae, dysphagia, disease related malnutrition and growth failure.

**TENTRINI ENERGY MULTI FIBRE**

As indicated for:-

Short bowel syndrome, intractable malabsorption, pre operative preparation of undernourished patients, inflammatory bowel disease, total gastrectomy, dysphagia, disease related malnutrition and growth failure.

**TENTRINI MULTI FIBRE**

As indicated for:-

Short bowel syndrome, intractable malabsorption, pre operative preparation of undernourished patients, inflammatory bowel disease, total gastrectomy, dysphagia, disease related malnutrition and growth failure.

**THICK AND EASY ORIGINAL**

Thickening of foods in dysphagia. Not to be prescribed for children under one year old except in cases of failure to thrive.

**THICK AND EASY CLEAR**

Designed to easily thicken food and fluids for patients who have difficulty swallowing (dysphagia). For the dietary management of conditions such as stroke, Parkinson's disease, muscular dystrophy, motor neurone disease, multiple sclerosis, malignancies of the oral cavity and throat, neurological disorders caused by injury or disease.

**THIXO-D ORIGINAL**

Thickening of foods in dysphagia. Not to be prescribed for children under one year old except in cases of failure to thrive.

**TOBIA TEFF PRODUCTS**

See: Gluten-Free Products

**TRITAMYL PRODUCTS**

See: Gluten-Free Products

**TWOCAL BOLUS**

For adults with or at risk of disease related malnutrition, for catabolic or fluid-restricted patients and other patients requiring a 2 kcal/ml feed.

**TWOCAL RTH**

For use as an enteral feed for adults with or at risk of disease related malnutrition, for catabolic or fluid-restricted patients and other patients requiring a 2 kcal/ml feed.

**TYR ANAMIX INFANT**

For use in the dietary management of proven tyrosinaemia when plasma methionine is normal in infants from birth to 12 months and as a supplementary feed up to 3 years of age

**TYR ANAMIX JUNIOR**

For the dietary management of proven tyrosinaemia in children aged 1-10 years.

**TYR ANAMIX JUNIOR LQ ORANGE**

For the dietary management of children with Tyrosinaemia Type I (when NTBC used), Type II and Type III aged 1 year and over.

**TYR COOLER10**

For use in the nutritional management of the inherited metabolic disorder of Tyrosinaemia, aged 3 years and above.

**TYR COOLER15**

For use in the nutritional management of the inherited metabolic disorder of Tyrosinaemia, aged 3 years and above.

---

For use in the nutritional management of the inherited metabolic disorder of Tyrosinaemia, aged 3 years and above.

**TYR EASY SHAKE AND GO**

For the dietary management of tyrosinaemia.

**TYR EASY TABLETS**

For the dietary management of tyrosinaemia in patients aged 8 years and above under strict medical supervision.

**TYR EXPLORE5**

For the dietary management of tyrosinaemia.

**TYR EXPRESS15**

For the dietary management of Tyrosinaemia in patients aged 8 years and over.

**TYR EXPRESS20**

For the dietary management of Tyrosinaemia in patients aged 8 years and over.

**TYR GEL**

A Tyrosine and Phenylalanine free protein substitute for use in the dietary management of Tyrosinaemia, approved for patients between the ages 12 months and 10 years.

**TYR GMPRO MIX-IN**

For the dietary management of tyrosinaemia.

**TYR LOPHLEX**

For the dietary management of tyrosinaemia (TYR) in children aged 3 years onwards and adults, including pregnant women (in conjunction with standard folic acid supplementation).

**TYR LOPHLEX LQ 10 JUICY BERRIES**

For the dietary management of proven Tyrosinaemia.

**TYR LOPHLEX LQ 20 JUICY BERRIES**

For the dietary management of proven Tyrosinaemia.

**TYR SPHERE 20 (RED BERRY AND VANILLA FLAVOURS)**

For the dietary management of tyrosinaemia.

**TYROSINE1000**

For use in the dietary management of inborn errors of amino acid metabolism from three years of age onwards.

**UCD AMINO5**

For use in the dietary management of urea cycle disorders (UCD). Suitable from birth.

**ULTRA GLUTEN-FREE AND LOW-PROTEIN PRODUCTS**

See: Gluten-Free and Low-Protein Products

**UVISTAT LIPSCREEN SPF 50**

When prescribed for skin protection against ultraviolet radiation and/or visible light in abnormal cutaneous photosensitivity causing severe cutaneous reactions in genetic disorders (including xeroderma pigmentosum and porphyrias), severe photodermatoses (both idiopathic and acquired) and in those with increased risk of ultraviolet radiation causing adverse effects due to chronic disease (such as haematological malignancies), medical therapies and/or procedures.

**UVISTAT SUNCREAM SPF 30**

When prescribed for skin protection against ultraviolet radiation and/or visible light in abnormal cutaneous photosensitivity causing severe cutaneous reactions in genetic disorders (including xeroderma pigmentosum and porphyrias), severe photodermatoses (both idiopathic and acquired) and in those with increased risk of ultraviolet radiation causing adverse effects due to chronic disease (such as haematological malignancies), medical therapies and/or procedures.

**VICHY PRODUCTS**

See: Covering Creams

**VITA-BITE**

Inherited metabolic disorders, renal or liver failure requiring a low protein diet. Not recommended for any child under one year of age.

**VITAFLO CHOICES MINI CRACKERS**

For the dietary management of inborn errors of protein metabolism.

**VITAFLO FLAVOUR PAC**

Specifically designed to use in conjunction with Vitaflo's Inborn Error range of protein substitutes.

**VITAJOULE**

For use in the dietary management of disease related malnutrition, malabsorption states, other conditions requiring fortification with carbohydrate and as a carbohydrate source in modular feeds.

**VITAL 1.5kcal**

For adults with disease-related malnutrition, short bowel syndrome, intractable malabsorption, bowel fistulae, inflammatory bowel disease, total gastrectomy and for the pre-operative preparation of patients who are malnourished.

**VITAMIN & MINERAL PREPARATIONS**

Only in the management of actual or potential vitamin or mineral deficiency; not to be prescribed as dietary supplements or "pick-me-ups".

**WARBURTONS GLUTEN-FREE PRODUCTS**

See: Gluten-Free Products

**XLYS TRY GLUTARIDON**

Type 1 glutaric aciduria

**XMET HOMIDON**

Homocystinuria or hypermethioninaemia

**XMTVI ASADON**

Methylmalonic acidaemia or propionic acidaemia

**XPHE JUMP 10 (COLA, NEUTRAL, ORANGE, TROPICAL, VANILLA AND WILD BERRIES FLAVOURS)**

For the dietary management of Phenylketonuria (PKU) or Hyperphenylalaninemia (HPA).

**XPHE JUMP 20 (COLA, NEUTRAL, ORANGE, TROPICAL, VANILLA AND WILD BERRIES FLAVOURS)**

For the dietary management of Phenylketonuria (PKU) or Hyperphenylalaninemia (HPA).

**XPHE MINIS**

For the dietary management of phenylketonuria and hyperphenylalaninemia.

**XPHEN TYR TYROSIDON**

Tyrosinaemia where plasma methionine levels are normal

**YOGUMAXX**

For the dietary management of inherited metabolic disorders requiring a low protein diet.

**BORDERLINE SUBSTANCES****LIST B**

This is a cross index listing clinical conditions and the products which the ACBS has approved for the management of those conditions. It is essential to consult LIST A for more precise guidance.

**NOTES ON CHARGES**

---

---

**NOTES ON CHARGES FOR DRUGS AND APPLIANCES PAYABLE UNDER REGULATIONS MADE UNDER SECTION 172(1) AND (2) OF THE NATIONAL HEALTH SERVICE ACT 2006 AND SECTION 121(1) AND (2) OF THE NATIONAL HEALTH SERVICE ACT (WALES) ACT 2006**

---

- (i) Information about the number of charges payable is in paragraph 11 - with examples of the application of the charging arrangements in paragraph 12.
- (ii) Where the arrangements or charge rates differ between England and Wales, provisions for England (ie set out in regulations made in England) apply to prescriptions dispensed by community pharmacists, appliance contractors and dispensing doctors in agreement with NHS Commissioning Board (NHSCB) in England. Provisions for Wales (ie set out in regulations made in Wales) apply to prescriptions dispensed by community pharmacists, appliance contractors and dispensing doctors in agreement with Local Health Boards (LHB) in Wales. The cost of prescription prepayment certificates (PPCs) and Hormone Replacement Therapy prescription pre-payment certificates (HRT only PPCs) will apply in accordance with the normal address of the patient. Details are in paragraph 6.
- (iii) Any PPC or exemption certificate issued in England, Northern Ireland, Scotland or Wales is valid across the UK. The HRT only PPC is issued in England only and is valid across the UK.
- (iv) In the following paragraphs, where no separate provision for Wales is noted, the same provisions apply in England and Wales.

**1. CHARGES PAYABLE**

- A £9.90 (England) for each prescription item, preparation or type of appliance including each ankle, legging, knee-cap, below-knee, above knee or thigh stocking. In Wales from 1 April 2007 there will be no prescription charge for a patient (or the patient's representative) who presents a Welsh prescription form (WP10, or another in that series) or for a patient (or a person on a patient's behalf) who presents an English prescription form (FP10) with a valid Entitlement Card. No charge is payable for Oxygen concentrators from 1 April 1992.
- B Any drugs, appliances or chemical reagents, which are supplied in line with a Serious Shortage Protocol (SSP), are to be charged as if they were dispensed in line with a prescription, except in the following circumstances:
  - (i) if, as a consequence of the supply being in accordance with a SSP, the patient receives a smaller quantity of the drug or Part IX appliance than the quantity originally ordered on the prescription then no patient charge is payable.
  - (ii) if, as a consequence of supplying in accordance with a SSP, there is a requirement for an additional drug or Part IX appliance to be provided to a patient and more charges would therefore become payable than had they received the supply as originally ordered on the prescription, then only those prescription charges that would have applied had the supply been made in accordance with the original prescription are payable.

**2. PHARMACY AND APPLIANCE CONTRACTORS**

Unless a completed declaration of entitlement to exemption or remission (see paragraphs 4 and 5) is made on the prescription form or EPS Token, a charge is payable for each drug or Part IX appliance supplied, including each piece of elastic hosiery (apart from some circumstances where supply is made pursuant to a Serious Shortage Protocol, see further paragraph 1B).

In order to secure exemption or remission from prescription charges, when presenting a prescription form to a pharmacy, or appliance contractor, the patient, or their representative, must complete the declaration on the back of the prescription form or EPS Token. The regulations require them to do so, unless the exemption is for those aged under 16, or 60 and over and the date of birth is printed on the prescription form (see paragraph 5). Patients and their representatives are also not required to make a declaration or sign the back of the form or EPS Token if the item prescribed is provided free-of-charge as provided by legislation i.e. contraceptives (see paragraph 10.1) or treatment for a sexually transmitted infection (see paragraph 10.2).

Patients and their representatives are not required to make a declaration or sign the back of the form or EPS token if a real time exemption check by the pharmacy or appliance contractor of electronic records that are managed by the NHSBSA for the purposes (amongst other purposes) of providing advice, assistance and

---

## NOTES ON CHARGES

---

support to patients or their representatives in respect of whether a charge is payable under these Regulations has confirmed that no charge is to be made and recovered

Patients, or their representatives, are required to sign the prescription form or EPS Token to declare that a charge has been paid. Patient charges are retained by the dispensing practitioner whose payment for provision of pharmaceutical services is adjusted accordingly.

In Wales: From 1 April 2007 there is no longer any requirement for a patient or their representative to sign the declaration on the reverse of a WP10 to be exempt from paying a prescription charge. However, if a patient presents an FP10 for dispensing in a Welsh pharmacy and it is not accompanied by a valid Entitlement Card then the declaration must be signed in the usual way or a charge paid in accordance with the English regulations made under section 121(1) and (2) of the National Health Service Act 2006.

### 3. DISPENSING DOCTORS

Unless a completed declaration of entitlement to exemption or remission (see paragraphs 4 and 5) is made on the prescription form, the charges set out at (1) above are payable in respect of each item supplied by a dispensing doctor (apart from some circumstances where supply is made pursuant to a Serious Shortage Protocol, see further paragraph 1B). In order to secure exemption or remission from prescription charges when presenting a prescription form to a dispensing doctor, the patient, or a person on his behalf, must complete the declaration on the back of the prescription form. The regulations require them to do so, unless the exemption is for those aged under 16, or 60 and over and the date of birth is printed on the prescription form (see paragraph 5). Patients and their representatives are also not required to make a declaration or sign the back of the form if the item prescribed is provided free-of-charge as provided by legislation i.e. contraceptives (see paragraph 10.1) or treatment for a sexually transmitted infection (see paragraph 10.2). Patients and their representatives are not required to make a declaration or sign the back of the form or EPS token if a real time exemption check by the doctor of electronic records that are managed by the NHSBSA for the purposes (amongst other purposes) of providing advice, assistance and support to patients or their representatives in respect of whether a charge is payable under these Regulations has confirmed that no charge is to be made and recovered.

Patients, or their representatives, are required to sign the prescription form to declare that a charge has been paid. Charges are retained by the dispensing practitioner whose payment for provision of pharmaceutical services is adjusted accordingly.

In Wales: From 1 April 2007 there is no longer any requirement for a patient or their representative to sign the declaration on the reverse of a WP10 in order to secure exemption from paying a prescription charge.

When an item dispensed by a dispensing doctor is delivered to a patient outside the surgery, every reasonable effort should be made to obtain a signed declaration from the patient that they have either paid the charge or are exempt (except for any patients aged under 16, or 60 and over).

However, there will be occasions when repeat prescriptions are delivered to points outside the surgery, or for example for collection from village shops in rural areas. Where a patient is exempt from charges and it is not practical for the patient to sign the form, a dispensing doctor or responsible member of the practice team should mark the reverse of the form as "remote delivery" and sign the form.

### 4. PEOPLE ENTITLED TO EXEMPTION

Provided that the appropriate declaration is made by a patient or their representative (apart from those instances detailed in paragraph 5), a charge is not payable to the pharmacist, appliance contractor or dispensing doctor for drugs or Part IX appliances, including elastic hosiery, supplied for:

- 4.1 Children aged under 16;
- 4.2 Young people aged 16, 17 or 18 in qualifying full-time education;
- 4.3 People aged 60 and over.
- 4.4 People holding a valid exemption certificate, which is issued to:
  - 4.4.1 expectant mothers\*;
  - 4.4.2 women who have given birth to a child (including a still-born child) in the last 12 months\*;
  - 4.4.3 people suffering from the following specified conditions who have a valid exemption certificate:
    - permanent fistula (for example, caecostomy, colostomy, laryngostomy or ileostomy) requiring continuous surgical dressing;

## NOTES ON CHARGES

- a form of hypoadrenalism (for example, Addison's Disease) for which specific substitution therapy is essential;
- diabetes insipidus and other forms of hypopituitarism;
- diabetes mellitus, except where treatment is by diet alone;
- hypoparathyroidism;
- myasthenia gravis;
- myxoedema (that is, hypothyroidism requiring thyroid hormone replacement);
- epilepsy requiring continuous anti-convulsive therapy;
- a continuing physical disability which means they cannot go out without the help of another person;
- for further information about the exemption for cancer please see 4.9.

4.5 War pensioners holding a War Pension exemption certificate or Prescription exemption certificate issued by the Ministry of Defence for prescriptions needed for treating their accepted disablement;

4.6 People who have purchased a prescription prepayment certificate (PPC), which is valid at the point of dispensing.

From 1 April 2023 people who hold a Hormone Replacement Therapy only prescription pre-payment certificate (HRT only PPC) which is valid at the point of dispensing are exempt from paying prescription charges for any HRT items listed in paragraph 10.3.

4.7 From 1 April 2013 released prisoners and those released from secure accommodation (secure accommodation is defined as a court, a secure training centre or a secure children's home) who present an FP10 or FP10 (MDA) will not have to pay a prescription charge for any item on that form if the following applies:

'HMP', and the prison or secure accommodation address and telephone number is printed in the box provided for the practice address on the front of the form, with the prescribing code and the cost centre code for the organisation.

The patient does not have to sign the declaration but should print their name and address if their address is different from the front of the form or EPS Token. Should the patient be homeless the use of 'No Fixed Abode' is acceptable in Part 3 of the FP10 form (version 0515). The back of the newer versions of the FP10 do not have a requirement for a patient address.

### 4.8 Prescription Forms from Devolved Administrations

**Dispensed in Wales:** From 1 April 2007 all patients (including temporary residents) who have prescriptions issued by prescribers contracted to a Local Health Board or Welsh NHS Trust (WP10), or those patients in possession of a valid Entitlement Card (issued by NHS Shared Services Partnership on behalf of a Local Health Board) and a prescription written by a prescriber contracted to the NHS Commissioning Board or an English NHS Trust (FP10), are eligible for free prescriptions. In all other cases the English charge will apply unless the patient is entitled to an exemption as specified in 4.1 to 4.7 above.

**Dispensed in England:** From 1 April 2007 patients (including temporary residents) who have been issued a WP10 and meet the entitlement criteria as specified in 4.1 to 4.7, are eligible for free prescriptions. In all other cases the English charge will apply.

From 1 April 2011 any patient who presents a Scottish prescription form (GP10) in England will pay an English prescription charge for items dispensed unless the person is entitled to exemption as specified in 4.1 to 4.7.

From 1 August 2010, any patient who presents an NHS prescription form originating from Northern Ireland (coded HS21CS) will not pay a prescription charge for any items on that form that are dispensed in England.

Following the abolition of prescription charges in Northern Ireland on 1 April 2010, a new prescription form (coded HS21CS) has been produced in Northern Ireland and this is now in circulation. The form does not include a tick box and declaration section on the reverse of the form but does include a signature box for those collecting any Schedule 2 and 3 Controlled drugs.

The previous version of the Northern Ireland prescription form may be in circulation for the time being. Both versions of the forms must be dispensed without collecting prescription charges. A patient or patient representative signature is not required on either version of the form (except in the case of Schedule 2 and 3 Controlled drugs when a collector's signature is still required).

---

**NOTES ON CHARGES**

---

**4.9 EXTENSION OF THE LIST OF MEDICAL CONDITIONS GIVING EXEMPTION FROM NHS PRESCRIPTION CHARGES: GUIDANCE FOR DOCTORS****ALL CONDITIONS**

We ask all doctors to advise patients of their entitlement to medical exemption from prescription charges and give them a form FP92A once a relevant diagnosis is made. Application for an exemption certificate should only be made once the diagnosis of one of the medical conditions listed on the FP92A is confirmed. The exemption certificate will be backdated one month from the date the application is received.

Exemption certificates only apply to charges for NHS prescriptions, but they cover all prescriptions, not just those for the exempting condition.

Pending receipt of an exemption certificate, patients should ask the dispenser for an NHS receipt (FP57 Receipt and Refund claim for NHS prescription charges) when they pay a prescription charge. A FP57 form must be issued at the time prescription charge(s) are collected by the dispenser and cannot be provided at a later date.

Patients diagnosed with one of the qualifying conditions for medical exemption, who are aged 60 and over are exempt from NHS prescription charges on age grounds and do not need to apply for a medical exemption certificate. However, patients who are exempt because they are receiving a relevant benefit, for example income support or universal credit, may wish to apply for a medical exemption certificate so they are covered if their financial circumstances change.

Regulations are changed so that only the version clearly marked 1 January 2009, should be used. Old versions of FP92A should be destroyed securely.

**CANCER**

The National Health Service (Charges for Drugs and Appliances) Regulations 2015 ("the Charges Regulations") provide for the medical exemption criteria to include cancer patients. They will give exemption from charges for cancer patients in respect of all prescription items (not just those for cancer) dispensed on or after 1 April 2009. The new version of the FP92A must be used. Exemption certificates for cancer patients will last for 5 years and can be used to their end date even if the patient's cancer treatment finishes during that period. At the end of 5 years a new application may be made if the patient still meets any of the conditions in (i) – (iii) below.

The regulations set out that:

"No charges shall be payable by a person with a valid exemption certificate issued by the Secretary of State on the ground that the person is undergoing treatment for –

(i) cancer;

(ii) the effects of cancer; or

(iii) the effects of cancer treatment".

The words used are intended to have the following meanings but interpretation is a matter for the doctor's clinical judgement in deciding whether or not to confirm the patient's statement and sign the application form.

The new medical exemption is not intended for patients who have been treated and are now apparently clear of cancer where no further treatment is planned. In these cases, treatment does not include routine follow ups with planned discharge later.

Advisory sunscreen because of risk of skin cancer is not a qualifying condition for exemption. This does not preclude prescribing sunscreens (per drug tariff) where clinically appropriate.

**"Cancer"**: means diagnosed cancer (any cancer), not suspected cancer, e.g. skin lesion where no biopsy (or diagnostic test) has been carried out, nor pre-cancerous cells, e.g. following smear test.

**"Undergoing"** means continuing treatment not just one episode such as nitrogen freezing of a skin lesion with no further treatment planned.

**"Treatment"** for diagnosed prostate cancer is in accordance with NICE guidelines as at: [www.nice.org.uk](http://www.nice.org.uk)

**"Treatment"** includes a course of tamoxifen following diagnosed cancer or similar drug to like effect. It also includes the prescription of lymphoedema garments needed as an effect of cancer or its treatment. These are listed in the Drug Tariff and can be prescribed on an FP10.

**"The effects of cancer"** includes palliative care if treatment for cancer itself has ceased (e.g. pain relief). It also includes effects directly related to cancer that did not exist before the diagnosis, for example change in mental health. The effects of cancer (and cancer treatment) would also include

---

**NOTES ON CHARGES**

---

"ostomies" although these patients could apply for an exemption certificate if they have a permanent fistula.

"**The effects of cancer treatment**" may be in respect of current treatment or previous treatment and could arise some time after the treatment. They include all the side-effects of cytotoxic drugs listed in chapter 8 of BNF and includes prevention of side effects of these drugs. This is an example, not exhaustive, and effects of treatment also include late effects of radiation, including the need for camouflage, and secondary lymphoedema.

#### 4.10 EXPENSES INCURRED AS A CONSEQUENCE OF PILOTING SOFTWARE FOR REAL TIME EXEMPTION CHECKING

A number of pharmacy contractors are assisting the Department and NHS England with the piloting of software for Real Time Exemption Checking to establish whether or not a patient is entitled to a prescription charge exemption. Part of the intention of the pilot scheme is to discover if there are any problems with the RTEC process and IT systems so that any necessary changes can be made in advance of any wider roll out. Where problems do emerge, there is a risk that pharmacy contractors may incur expense as a result of making incorrect claims. Any such issues need to be reported to the NHS Business Services Authority, evidence provided to demonstrate that these were caused by the pilot processes and systems, and modifications made or agreed to be made to correct the issue/s going forward.

In such a scenario the pharmacy contractor may claim a payment of actual expenses incurred from the NHS Business Services Authority (likely to be multiples of the prescription charge only), reflecting the loss to them attributable to participating in the pilot scheme, by submitting an expenses claim, with any additional information needed to support it.

The contractor will be contacted by the NHS Business Services Authority to discuss the claim with a view to agreeing an amount that reflects the actual loss to the pharmacy contractor, and accordingly paying that amount. If agreement cannot be reached, the NHS Business Services Authority may pay an amount that it, in the absence of agreement, nevertheless considers to be reflective of the pharmacy contractor's actual loss. The NHS Business Services Authority may also pay an amount that is lower than the amount considered to be reflective of the pharmacy contractor's loss, or make no payment, if the loss is wholly or partly attributable to failings on the part of the pharmacy contractor, and those failings are such that NHS Business Services Authority considers that any payment, or any greater payment, would be an inappropriate use of public money.

All requests for an expenses payment under this clause are to be submitted to [RTECLRS@nhsbsa.nhs.uk](mailto:RTECLRS@nhsbsa.nhs.uk).

#### 5. NO PRESCRIPTION CHARGE EXEMPTION DECLARATION NEEDED FROM CERTAIN PATIENTS

- 5.1. In England from 1 April 2005 certain patients exempt on age grounds (aged under 16 in England or aged 60 and over) are no longer required to make a declaration of entitlement to claim exemption from prescription charges. This means that certain patients do not have to complete any part of the exemption declaration or sign the declaration. In such cases pharmacists will not have to complete any part of the patient declaration.
- 5.2. This easement applies only to patients (and representatives acting on behalf of patients) whose date of birth is automatically printed out on a hard copy paper prescription or inserted into an electronic prescription by an appropriate computer system that stores the patient's NHS care record. This easement also applies to repeat prescriptions (both electronic and paper) in the same way.
- 5.3. Patients who are given hand-written prescription forms where the date of birth is inserted manually, and who claim exemption from prescription charges on age grounds, must complete the declaration of exemption.
- 5.4. Patients are not required to sign the declaration where the only item(s) prescribed are a free of charge contraceptive listed in paragraph 10.1 and/or an item to treat a sexually transmissible infection (STI) supplied on an FP10 NHS prescription form where the item has been endorsed with 'FS' for free supply by the prescriber (see paragraph 10.2).
- 5.5. Patients are not required to sign the declaration where their exemption from prescription charges has been confirmed by Real Time Exemption Checking (RTEC).
- 5.6. Patients are not required to sign the declaration where a smaller quantity to the amount prescribed is supplied in accordance with a Serious Shortage Protocol (SSP).

## NOTES ON CHARGES

### 6. PEOPLE ENTITLED TO REMISSION

- 6.1 People, who are included in an award of Income Support, Income based Jobseeker's Allowance, Income Related Employment and Support Allowance or Pension Credit Guarantee Credit (PCGC);
- 6.2 Universal Credit. From 1 November 2015, people who are included in an award of Universal Credit and:
- (i) Have no earnings or net earnings\*\* not exceeding £435 in the Universal Credit assessment period\*\*\*;
  - (ii) Have no earnings or net earnings\*\* not exceeding £935 in the Universal Credit assessment period\*\*\*, and also have a child element included in their Universal Credit award or have been assessed as having limited capability for work, or limited capability for work related activity.

People who are getting Universal Credit and who meet the criteria above, should tick box K (\*get income based Jobseekers Allowance) on the reverse of the prescription form, unless a box for Universal Credit is available on the form. The new suite of FP10 forms (version 1219 and 0522), have a dedicated Universal Credit tick box, box 'U'.

**\*\* Earnings of a couple.** From 1 December 2016, the relevant earnings to be considered, in respect of a person who is a member of a couple, are the combined earnings of the couple.

**\*\*\* Eligibility for remission of a charge at the point of dispensing is based on the claimant's last complete assessment period.** Universal Credit is assessed monthly, based on the date of claim of an individual. The assessment period will run for a calendar month from the effective date of claim for Universal Credit (which will be shown on the award notice), and between the same dates each month, thereafter.

Recipients of Universal Credit will be given an award notice that can be used as evidence of entitlement to remission of charges. It should be noted that whether a person has limited capability for work may not be identified on the Universal Credit award notice. A patient may not receive/have access to an updated award notice where there has been a relevant change in circumstances (e.g. change in amount of earnings). It is the patient's responsibility to consider whether they meet the criteria, including having limited capability for work and whether they meet the relevant earnings threshold.

- 6.3 People, whose family income for tax credits is £15,276 or less (the limit is valid from 6 April 2009) and:
- 6.3.1 they get Working Tax Credit (WTC) and Child Tax Credit (CTC); or
  - 6.3.2 they get WTC with a disability or severe disability element; or
  - 6.3.3 they are not eligible for WTC but get CTC.
- 6.4 HM Revenue & Customs send information to the NHSBSA, Help with Health Costs about people getting tax credits who are entitled to remission from charges. Help with Health Costs send exemption certificates to these people. The certificate can be used as evidence of their entitlement to remission.
- 6.5 From 27 October 2008 people who are included in an award of Income Related Employment and Support Allowance should tick box H \*gets Income Support or Income-related Employment and Support Allowance, on the reverse of the prescription form to claim free prescriptions.
- Evidence should be provided in the form of an Employment and Support Allowance award notice. Note: receipt of the contribution based Employment and Support Allowance alone does not entitle a person to free prescriptions.
- 6.6 People and their partners who are named on an NHS Charges certificate HC2 because they are entitled to full help through the NHS Low Income Scheme.
- 6.7 Leaflet HC11 and the equivalent HC11W in Wales provides information for patients about help with health costs within the respective countries. HC11 is on the NHSBSA website at [www.nhsbsa.nhs.uk/help-nhs-prescription-costs](http://www.nhsbsa.nhs.uk/help-nhs-prescription-costs).
- 6.8 Leaflet HC12 and the equivalent HC12W in Wales provides information for patients about NHS charges and optical voucher values within the respective countries. HC12 is on the NHSBSA website at [www.nhsbsa.nhs.uk/help-nhs-prescription-costs](http://www.nhsbsa.nhs.uk/help-nhs-prescription-costs).
- 6.9 Copies of the HC12 (HC12W and HC11W in Wales) should be made available to patients. They may be ordered free of charge directly from:

In England

Xerox (UK) Ltd

- web: [www.nhsforms.co.uk](http://www.nhsforms.co.uk);
- 0300 123 0849 by telephone

## NOTES ON CHARGES

### In Wales

- 0845 603 1108 by telephone;
- welshassembly@prolog.co.uk by email

## 7. PRESCRIPTION CHARGE REFUND PROCEDURE

- 7.1. This guidance applies to refunds of prescription charges in England only. Patients enquiring about getting a refund paid in Scotland should call the following number  
 Scotland - 0131 275 6076  
 Or they can write to: Practitioner Services (Pharmacy Repayments), 1 South Gyle Crescent, Edinburgh, EH12 9EB, Scotland

### Security of FP57 Prescription receipt and refund forms

- 7.2. FP57 Prescription Receipt and Refund forms are secure items and should not be left in locations where they may be accessed by the public. They should be locked away when not required. Only authorised staff may process prescription refunds. If a pad or a form disappears, or cannot be accounted for, report this urgently to your local Integrated Care Board (ICB) Area Team (in England) or Business Services Centre (in Wales). Pharmacists should be alert to the possibility of misuse of the forms.

### When to issue FP57 Prescription receipt and refund forms

- 7.3. Only issue a FP57 Prescription Receipt and Refund claim form when the patient (or their representative) requests this (but see section 8 below) or is in genuine doubt about whether they might be exempt from prescription charges, or they have applied (or are thinking about applying) for a prescription charge exemption certificate or pre-payment certificate (3-month PPC, 12-month PPC or HRT only PPC).
- 7.4. When a patient (or their representative) states they do not have to pay prescription charges because they are in an exempted group or hold a prescription pre-payment certificate (3-month PPC, 12-month PPC or HRT only PPC), they are not required to pay a charge simply because they do not have any evidence of entitlement. If they are prepared to sign to say they are exempt, they should complete and sign the declaration on the reverse of the prescription form. The "Evidence Not Seen" box should be crossed, as per normal Point of Dispensing check procedures.
- 7.5. Only issue a FP57 Prescription Receipt and Refund claim form at the time the prescription charge is paid. If the patient or their representative is persistent in their request and they have grounds why they do not have a prescription refund and receipt, they should be advised to write to NHSBSA, Help with Health Costs, Bridge House, 152 Pilgrim Street, Newcastle Upon Tyne, NE1 6SN or ring 0300 330 1343, to explain why they were unable to obtain an FP57. Their Review Section will examine the claim and will either send a payment directly to the patient or advise the patient why they do not qualify.
- 7.6. If a receipt is required by a carer or representative, for example to show that the charge was paid, a till receipt may be sufficient proof. Only if a refund may be required should the patient be issued with a FP57 Prescription Receipt and Refund form.

### Issuing FP57 Prescription receipt and refund forms

- 7.7. Part A or Part 1 on the new FP57 must be fully completed by the dispenser or an authorised member of staff. There must be no alterations to the amounts or the quantities in Part A/Part 1. If a mistake is made, then start again with a new form and cross through the discarded form in such a way that it cannot be used and write, "CANCELLED" diagonally across it. The dispenser can initial any other alterations elsewhere on the form. Any forms which have been discarded due to alterations or mistakes in Part A/Part 1 should be kept for audit purposes.

The FP57 has been updated. There will be a period of transition where old stock is used up, prior to use of new stock being available. Old stock should continue to be used until stocks of it run out. The new FP57 now includes an additional row in Part 1 in which to record charges for items on the HRT medicines list (see paragraph 10.3) and to align more closely with the letters used on the FP10 NHS prescription form. Where a patient may be claiming a refund for listed HRT items on

## NOTES ON CHARGES

the grounds that they held a valid HRT only PPC at the point of dispensing or they are considering applying for a backdated HRT only PPC, the new FP57 should be used [version FP570423].

If a patient plans to claim a refund for a HRT item on the grounds that they held a valid HRT only PPC that applied at the point of dispensing, or they were considering applying for a backdated HRT only PPC and the new FP57 is not available, the pharmacist should issue a separate 'old' FP57 (version 1008) for HRT items listed in paragraph 10.3 and annotate part A of the form with 'Listed HRT' and initial the annotation to confirm the charges paid were for listed HRT items. A separate 'old' FP57 (version 1008) form should be issued for items that are not listed in paragraph 10.3.

- 7.8. The dispenser's stamp and date of payment must be on the form with the patient's name and address, the rate of prescription charge paid per item, the number of charges paid and the total paid.

### Pharmacies processing forms for refunds

- 7.9. Patients should preferably return the prescription refund and receipt form to the community pharmacy that issued it. However, if this is not possible they may take the form to the most convenient pharmacy (normally in the country where the charge was paid.)
- 7.10. Community pharmacists should accept the claim even if the form was issued by a hospital or other NHS organisation. If a dispensing doctor or appliance contractor has taken a payment and the patient requires a refund, the dispensing doctor or appliance contractor must provide the patient with a FP57 Prescription Receipt and Refund form. The patient should go to a community pharmacy or their dispensing doctor to obtain the refund.
- 7.11. Pharmacists in England may make refunds for prescription refund and receipt forms issued in England, Scotland or Wales. The paid form will be sent to the NHSBSA, NHS Prescription Services (in England). Pharmacists in Wales may make prescription refunds on Welsh receipt and refund forms (WP57) only. The paid form should be sent to Powys LHB via the Business Services Centre local offices (in Wales) in the normal way.
- 7.12. When a patient presents a prescription refund and receipt form for payment, the pharmacist (or any member of staff who would normally collect a prescription charge) should check the following:
- serial number on the form to ensure it is in the same format as the forms held by that pharmacy;
  - that there are no alterations to the amounts or quantities in Part A/Part 1 and the form appears genuine, e.g. there is no white border indicating that it is a "home produced" copy.
- 7.13. If the form is not in order the pharmacist should phone the NHS Counter Fraud Authority (NHSCFA) fraud line number 0800 028 4060 (in England) and CFS Wales on 01495 745844 (in Wales).
- 7.14. If the form is in order, take the following steps:

- For patients claiming a refund based on the Universal Credit exemption arrangements:
  - (i) Where the prescription charge was paid on or after 1 December 2016, check if the patient was included in an award of Universal Credit and, on the day the charge was paid:
    - had no earnings or net earnings\*\* not exceeding £435 in the relevant Universal Credit assessment period\*\*\*. Or
    - had no earnings or net earnings\*\* not exceeding £935 in the relevant Universal Credit assessment period\*\*\* and had a child element included in the Universal Credit award or if they have been assessed as having limited capability for work, or limited capability for work related activity.

\*\* Earnings of a couple. From 1 December 2016, the relevant earnings to be considered, in respect of a person who is a member of a couple, are the combined earnings of the couple.

\*\*\* Universal Credit is assessed monthly, based on the date of claim of an individual. The assessment period will run for a calendar month from the effective date of claim for Universal Credit (which will be shown on the award notice), and between the same dates each month, thereafter.

## NOTES ON CHARGES

Eligibility for a refund of a charge paid is based on either the last assessment period before the charge was paid or the same assessment period in which the charge was paid. This allows a person to claim a refund of a charge paid during the period their Universal Credit was being determined, where it is subsequently confirmed that they qualify for Universal Credit and they meet the eligibility criteria.

- (ii) Where a charge was paid before 1 December 2016, the earnings threshold amounts applied to the individual earnings of either member of a couple. This treatment of earnings on an individual basis remains relevant for determining entitlement to a refund of charges paid between 1 November 2015 and 30 November 2016 only. (Examples of treatment of earnings on an individual basis, one member of a couple earns £300 in the relevant assessment period and the other earns £200, and assuming the relevant threshold is £435, each meets the criteria, even though jointly their earnings would exceed the threshold. Alternatively, one member of a couple earns £500 and the other earns £200, again assuming the relevant threshold is £435, the partner with the higher earnings would not meet the criteria (as the earnings are above the threshold) but the partner with earnings of £200 would do so.)
- Check that the claim is being made within three months of the date the charge was paid, or the patient has an authorised form (LIS04(P)) from NHSBSA, Help with Health Costs
  - Request evidence of entitlement to exemption or sight of form LIS04(P) authorising payment
  - Check that the evidence relates to the patient
  - Check that the evidence covers the date the charge was paid
  - Note on the form what was produced, e.g. tax credit exemption certificate
  - Note on the form the reference number on the exemption document (where applicable) e.g. 1234365
  - Note on the form the LIS04(P) form reference number and date
  - The person claiming the refund must print their name and address (i.e. the representative's details where appropriate)
  - Pay the amount shown in Part A/Part 1 of the form
  - Obtain signature of patient, or representative, and date for the cash
  - Ensure that you, or the member of staff authorised to make refunds sign and print their name on the FP57/WP57 form.

### Time Limit for making claims

- 7.15. A refund must be claimed within 3 months of the date on which the prescription charge was paid (e.g. if charge is paid 1 January, the refund must be claimed by 31 March). If more than 3 months have elapsed between the time the charge was paid and the prescription refund and receipt form is presented for payment, the refund may not be paid unless the patient has a form LIS04(P).
- 7.16. In the event of a late claim, patients will need to send the prescription refund and receipt form to NHSBSA, Help with Health Costs, Bridge House, 152 Pilgrim Street, Newcastle Upon Tyne, NE1 6SN and explain why they did not claim the refund within the 3 month time limit. Their Review Section will examine the claim and either authorise a refund by sending form LIS04(P) or advise the patient why they do not qualify.

### Old style forms

- 7.17. You may be presented with the FP57/WP57 (0403 or 1008) version of the form. If a patient does produce a 0403 or 1008 form, the refund may be paid as long as either the form is presented within three months of the charge being paid, or the patient has an authorised form LIS04(P).

## NOTES ON CHARGES

### 8. PRESCRIPTION PRE-PAYMENT CERTIFICATES (PPCs)

In England, a patient can buy the 3-month or 12-month PPC to cover all prescription items or the HRT only PPC to cover prescription for HRT medicines licensed to treat the menopause which are included in the list at paragraph 10.3.

Patients can buy PPCs:

- 8.1 Over the internet, using their debit or credit card, at [www.nhsbsa.nhs.uk/ppc](http://www.nhsbsa.nhs.uk/ppc);
- 8.2 Over the telephone, using their debit or credit card, by calling 0300 330 1341;
- 8.3 By post, making payment by cheque, postal order, or their debit or credit card by completing the PPC application form (FP95);
- 8.4 By 10 monthly direct debit instalments of £11.45. These PPCs are available by post, by completing the PPC application form (FP95), by telephone, by calling 0300 330 1341 or internet, at [www.nhsbsa.nhs.uk/ppc](http://www.nhsbsa.nhs.uk/ppc). **This applies for 12-month PPCs only.**
- 8.5 At a pharmacy registered to sell 3-month PPCs, 12-month PPCs and HRT only PPCs on behalf of the NHSBSA. A list of pharmacies registered to sell PPCs can be found at [www.nhsbsa.nhs.uk/ppc](http://www.nhsbsa.nhs.uk/ppc).

All types of PPC may start up to one month earlier or one month later than the date on which the application is received by the NHSBSA, apart from the HRT only PPCs which cannot be backdated prior to 1 April 2023, or prior to the date on which the Secretary of State's arrangements for the granting of HRT only PPCs have commenced, if this is later than 1 April 2023.

Doctors and pharmacists could greatly assist any patient who makes frequent payments for prescriptions by drawing attention to the availability of PPCs and HRT only PPCs.

These certificates cost:

- £114.50 (England) for a 12-month PPC.
- £32.05 (England) for a 3-month PPC.
- £19.80 for a HRT only PPC (valid for 12 months).

The 12-month PPC is worthwhile for anyone requiring 12 or more items in 12 months, the 3-month PPC is worthwhile for anyone requiring 4 or more items in three months. The HRT only PPC is worthwhile for anyone requiring 2 or more HRT prescription items in 12-months. The HRT items covered are listed at paragraph 10.3.

### 9. BULK PRESCRIPTION

Charges are not payable in respect of "bulk" prescriptions for schools or institutions supplied in accordance with the Regulations See Note 9, Part XVIII (page 281).

### 10. CONTRACEPTIVE SERVICES, SEXUAL HEALTH RELATED TREATMENT AND HRT PPC

- 10.1. No charge is payable for contraceptive substances and listed contraceptive appliances prescribed on FP10 or any of its variants. Contraceptives used in conjunction with an oestrogen as part of a hormone replacement therapy (HRT) regime should continue to be supplied free of charge regardless of whether a patient has a HRT only PPC or not.

The great majority of family planning prescriptions will be for contraceptive devices (See Part IXA) spermicidal gels, creams, films, pessaries and aerosols; or those systemic drugs promoted as contraceptives which are listed below: prescriptions for those products will not be specially marked and a prescription charge should not be levied.

Prescriptions for other drugs - If the prescription is for contraceptive purposes the prescriber should mark the item with the symbol ♀ (or endorse the item in another way which makes it clear that the prescription is for contraceptive purposes e.g. CC) and a prescription charge should not be levied for any items so marked. In the absence of such an endorsement by the prescriber, the normal prescription charge will apply to that item.

Where a dispensing doctor paid on the Drug Tariff basis supplies for contraceptive purposes a drug which is not on the list he or she should mark the item with the symbol ♀ (or endorse the item in another way which makes it clear that the prescription is for contraceptive purposes e.g. 'CC') on the prescription form before it is submitted for pricing.

---

**NOTES ON CHARGES**

- 10.2. No charge is payable for NHS treatment for Sexually Transmitted Diseases (STDs) - see section 173 of the National Health Service Act 2006 and regulation 10(2) of the Charges Regulations.

To be consistent with professional and other guidance (e.g. the National Institute for Clinical Excellence and the British Association for Sexual Health and HIV) we will refer to Sexually Transmitted Infections (STIs) rather than STDs, reflecting that many conditions are asymptomatic so an individual cannot be said to have a disease, and that an infection implies the condition is transmissible whereas a disease does not. The management of STIs in any setting, including primary care, should conform to national standards. Further guidance on STIs that may be suitable for managing in primary care can be found in the guidelines section of the British Association for Sexual Health and HIV (BASHH) website (<https://bashh.org/guidelines>) and in BASHH's Standards for the management of sexually transmitted infections (<https://www.bashh.org/about-bashh/publications/standards-for-the-management-of-stis/>).

If the prescription is for the treatment of an STI the prescriber should endorse each item with 'FS' for free supply of sexual health treatment to make it clear that the prescription is for the treatment of an STI and a prescription charge should not be levied for any items so marked. In the absence of such an endorsement by the prescriber, the normal prescription charge will apply to that item.

- 10.3. No charge is payable for the products listed below when a person has purchased a Hormone Replacement Therapy only prescription pre-payment certificate (HRT only PPC) which is valid at the point of dispensing.

Contraceptive progesterone products used in conjunction with an oestrogen as part of a HRT regimen e.g. Mirena, remain free-of-charge (see list at para 10.1).

If a patient normally pays for their prescriptions and has a valid HRT only PPC and their prescription contains a mixture of HRT items listed below and other prescription items then the

---

**NOTES ON CHARGES**

---

prescription should be returned to the prescriber and the HRT items listed below should each be prescribed on a separate prescription from other items.

For prescriptions that only contain the HRT items listed below and free of charge contraceptives separate prescriptions are not necessary from a prescription processing perspective. If a patient holds a valid HRT only PPC at the point of dispensing, then contractors should select the HRT only PPC category/code on dispensing systems.

For prescriptions that only contain the HRT items listed below and items endorsed 'FS' for free supply, if the patient is exempt on the grounds that they hold a valid HRT only PPC at the point of dispensing then the HRT only PPC category should be selected on dispensing systems.

However, if a mixed prescription is issued in error, and the patient holds a valid HRT only PPC at the point of dispensing, either the HRT items listed below, or the non-HRT items may be supplied if there is an urgent need, and the patient and pharmacist reach agreement to do so. The items not dispensed would need to be marked as such and the patient would need to obtain a new prescription for the items not dispensed, if the items that are not dispensed are HRT items, they should be prescribed on a separate prescription for each item.

If there is an urgent need for both the HRT listed below and the other non-HRT items, then the HRT only PPC exemption cannot be used (except where all the non-HRT are free of charge contraceptives or are endorsed with FS as described above). The patient would need to pay the charges for all items dispensed and be issued with a FP57 Receipt and Refund form to claim a refund for the listed HRT for which the HRT only PPC is accepted.

The FP10 prescription form, EPS token and dispensing systems are being updated to include a new exemption category 'W HRT only prescription pre-payment certificate', Electronic Reimbursement Message (EREM) code 0020. During the transition workarounds will be in place and guidance will be available on the NHSBSA website at [www.nhsbsa.nhs.uk/pharmacies-gp-practices-and-appliance-contractors/prescribing-and-dispensing](http://www.nhsbsa.nhs.uk/pharmacies-gp-practices-and-appliance-contractors/prescribing-and-dispensing).

There will be a period of transition where old stock forms are used up, prior to use of new stock being available. Old stock should continue to be used until stocks of it run out.

Where a patient holds a valid HRT only PPC and has a prescription for only the HRT items listed below, the patient should select box W 'HRT only prescription pre-payment certificate', where the prescription form or EPS token does not have box W patients should be instructed to select box F 'prescription pre-payment certificate'.

Where a patient has provided evidence of a valid HRT only PPC and the chargeable items on the prescription are for the HRT items list below, the contractor should select HRT only PPC (box W / EREM code 0020), even if the workaround has required the patient to select box F prescription pre-payment certificate in the absence of a box W.

If the dispensing system has not been updated contractors should also select the F / EREM 0007 prescription pre-payment certificate. If the dispensing system has been updated they should select W / EREM 0020 to reflect the evidence provided by the patient.

If a patient does not have a valid HRT only PPC then the mixed prescription should be processed in the normal way as charge paid unless the patient is exempt from prescription charges under one of the other grounds of exemption.

Where the patient plans to buy a HRT only PPC and backdate it to cover the date the items are dispensed and the charge is taken, a FP57 Receipt and Refund form should be given to the patient.

**List of medicines covered by the HRT PPC**

NOTE:

Contraceptives listed in paragraph 10.1 are supplied free-of-charge. Where these contraceptives are used as the progestogenic opposition of oestrogen for HRT they will remain free-of-charge. Therefore a patient should not buy a HRT only PPC for these products alone.

**Generic versions of the products listed below are also covered by the HRT only PPC, provided the prescription is written generically.**

**Only licensed versions of the products below are covered by the HRT only PPC.**

## NOTES ON CHARGES

**HRT hormones**

Hormone Replacement Therapy (HRT) is the replacement of female sex hormones oestrogen and progesterone in women to control symptoms of the menopause. Some medicines that are converted or break down into oestrogen, progestogen or androgen hormones are prescribed for relief of menopausal symptoms. For the purposes of the HRT PPC these are included within this definition of HRT. Types of HRT include:

- combined oestrogen plus progestogen HRT - for women who still have their uterus
- oestrogen only HRT - for women who have had a hysterectomy
- tibolone - acts as a combined hormone therapy.

To be included on the list below (and therefore within scope of the HRT PPC) the products must be:

(1) HRT as defined above; and

(2) licensed for the treatment of menopausal symptoms in the UK.

Please note: there can be variation in the licensing of different medicines containing the same active substance.

If a product that meets the criteria is missing from the list below please contact [hrtppcenquiries@dhsc.gov.uk](mailto:hrtppcenquiries@dhsc.gov.uk).

## 11. NOTES ON THE NUMBER OF CHARGES PAYABLE

## 11.1 SINGLE PRESCRIPTION CHARGE PAYABLE

Unless the patient claims exemption a single prescription charge is payable where:

- 11.1.1 The same drug or preparation is supplied in more than one container.
- 11.1.2 Different strengths of the same drug are ordered as separate prescriptions on the same prescription form (see also paragraph 12.4.2).
- 11.1.3 More than one appliance of the same type (other than hosiery\*) is supplied.
- 11.1.4 A set of parts making up a complete appliance is supplied.
- 11.1.5 Drugs are supplied in powder form with the solvent separate for subsequent admixing.
- 11.1.6 A drug is supplied with a dropper, throat brush, or vaginal applicator.
- 11.1.7 Several flavours of the same preparation are supplied.

## 11.2 MULTIPLE PRESCRIPTION CHARGES PAYABLE

More than one prescription charge is payable where:

- 11.2.1 Different drugs, types of dressing or appliances are supplied.
- 11.2.2 Different formulations or presentations of the same drug or preparation are prescribed (but see 12.4.2) and supplied.
- 11.2.3 Additional parts are supplied together with a complete set of apparatus or additional dressing(s) together with a dressing pack.
- 11.2.4 More than one piece of elastic hosiery\* is supplied.

\* (Anklet, legging, knee-cap, below-knee, above knee or thigh stocking).

Contractors should note there may be some exceptions where supply is made pursuant to a Serious Shortage Protocol (see further paragraph 1B).

## 12. EXAMPLES OF APPLICATION OF PRESCRIPTION CHARGE ARRANGEMENTS

## "NO CHARGE" ITEM

The number of "no charge" items (ie items which are counted as prescriptions for pricing purposes but which do not carry a prescription charge) should be included on the invoice submitted with the prescription forms to the Pricing Authority.

|      |   | Professional Fees | Number of Prescription Charges | No Charge Prescriptions |
|------|---|-------------------|--------------------------------|-------------------------|
| 12.1 | <b>LIQUIDS</b>  |                   |                                |                         |
|      | Required by the prescriber to be supplied in more than one container. |                   |                                |                         |

## DENTAL PRESCRIBING

**List of Preparations approved by the Secretary of State for Health as respects England and the Welsh Ministers as respects Wales which may be prescribed on form FP10(D) by Dentists for National Health Service patients**

|   |  |
|---|--|
| AS Saliva Orthana Spray (a medical device listed in Part IXA)   | Co-amoxiclav Oral Suspension BP 250/62 (amoxicillin 250mg as trihydrate, clavulanic acid 62.5mg as potassium salt)/5ml (includes sugar-free formulation) |
| Aciclovir Cream BP  | Co-amoxiclav Tablets BP 250/125 (amoxicillin 250mg as trihydrate, clavulanic acid 125mg as potassium salt)   |
| Aciclovir Oral Suspension BP 200mg/5ml  | Diazepam Oral Solution BP 2mg/5ml  |
| Aciclovir Tablets BP 200mg, 800mg   | Diazepam Tablets BP  |
| Amoxicillin Capsules BP   | Diclofenac Sodium Tablets Gastro-resistant BP  |
| Amoxicillin Oral Powder DPF   | Dihydrocodeine Tablets BP 30mg   |
| Amoxicillin Oral Suspension BP (includes sugar-free formulation)  | Doxycycline Capsules BP 100mg  |
| Artificial Saliva Gel DPF   | Doxycycline Tablets 20mg DPF   |
| Artificial Saliva Oral Spray DPF  | Doxycycline Tablets Dispersible BP   |
| Artificial Saliva Pastilles DPF   |  |
| Artificial Saliva Protective Spray DPF  | Ephedrine Nasal Drops BP   |
| Artificial Saliva Substitutes as listed below (to be prescribed only for indications approved by ACBS)  | Erythromycin Ethyl Succinate Oral Suspension BP (includes sugar-free formulation)  |
| # AS Saliva Orthana Lozenges  | Erythromycin Ethyl Succinate Tablets BP  |
| # Bioxtra   | Erythromycin Stearate Tablets BP   |
| # Glandosane  | Erythromycin Tablets Gastro-resistant BP   |
| # Saliveze  |  |
| Aspirin Tablets Dispersible BP  | Fluconazole Capsules 50mg DPF  |
| Azithromycin Capsules 250mg DPF   | Fluconazole Oral Suspension 50mg/5ml DPF   |
| Azithromycin Oral Suspension 200mg/5ml DPF  |  |
| Azithromycin Tablets 250mg, 500mg DPF   | Hydrocortisone Cream BP 1%   |
|   | Hydrocortisone Oromucosal Tablets BP   |
| Beclometasone Pressurised Inhalation BP 50micrograms/metered inhalation CFC-free as: Clenil Modulite  | Hydrocortisone and Miconazole Cream BP   |
| Benzylamine Mouthwash BP 0.15%  | Hydrocortisone and Miconazole Ointment BP  |
| Benzylamine Oromucosal Spray BP 0.15%   | Hydrogen Peroxide Mouthwash BP 6%  |
| Betamethasone Soluble Tablets 500microgram DPF  |  |
|   | Ibuprofen Oral Suspension BP sugar free  |
| Carbamazepine Tablets BP  | Ibuprofen Tablets BP   |
| Cefalexin Capsules BP   |  |
| Cefalexin Oral Suspension BP  | Lansoprazole Gastro-Resistant Capsules BP  |
| Cefalexin Tablets BP  | Lidocaine Ointment BP 5%   |
| Cefradine Capsules BP   | Lidocaine Spray 10% DPF  |
| Cetirizine Oral Solution 5mg/5ml BP   | Loratadine Syrup 5mg/5ml DPF   |
| Cetirizine Tablets 10mg BP  | Loratadine Tablets BP 10mg   |
| Chlorhexidine Gluconate Gel BP  |  |
| Chlorhexidine Mouthwash BP 0.2% w/v   | Menthol and Eucalyptus Inhalation BP 1980  |
| Chlorhexidine Oral Spray DPF  | Metronidazole Oral Suspension BP   |
| Chlorphenamine Oral Solution BP (includes sugar-free formulation)   | Metronidazole Tablets BP   |
| Chlorphenamine Tablets BP   | Miconazole Cream BP  |
| Choline Salicylate Dental Gel BP  | Miconazole Oromucosal Gel BP 24mg/ml   |
| Clarithromycin Oral Suspension 125mg/5ml DPF  | Mouth-wash Solution - tablets DPF  |
| Clarithromycin Oral Suspension 250mg/5ml DPF  |  |
| Clarithromycin Tablets BP   | Nystatin Oral Suspension BP (includes sugar-free formulation)  |
| Clindamycin Capsules BP   | Omeprazole Gastro-resistant Capsules BP  |
| Co-amoxiclav Oral Suspension BP 125/31 (amoxicillin 125mg as trihydrate, clavulanic acid 31.25mg as potassium salt)/5ml (includes sugar-free formulation) | Oxytetracycline Tablets BP   |

# These products have Advisory Committee on Borderline Substances approval for patients suffering dry mouth as a result of having (or having undergone) radiotherapy or sicca syndrome.

\*Paracetamol Oral Suspension BP (includes sugar-free formulation)  
Paracetamol Tablets BP  
Paracetamol Tablets Soluble BP  
Penciclovir Cream DPF  
Phenoxymethylpenicillin Oral Solution BP (includes sugar-free formulation)  
Phenoxymethylpenicillin Tablets BP  
Promethazine Hydrochloride Tablets BP  
Promethazine Oral Solution BP

Sodium Chloride Mouthwash Compound BP  
Sodium Fluoride Mouthwash BP  
Sodium Fluoride Oral Drops BP  
Sodium Fluoride Tablets BP  
Sodium Fluoride Toothpaste 0.619% DPF, 1.1% DPF  
Sodium Fusidate Ointment BP  
SST Saliva Stimulating Tablets (a medical device listed in Part IXA)

Temazepam Oral Solution BP  
Temazepam Tablets BP  
Tetracycline Tablets BP

\* The title covers strengths of 120mg/5ml and 250mg/5ml, it is therefore necessary to specify the strength required.

**NURSE PRESCRIBERS' FORMULARY FOR COMMUNITY PRACTITIONERS (IN WALES  
DISTRICT NURSES AND HEALTH VISITORS)**

**Part XVIIIB(i)**

**List of preparations as determined by the Secretary of State for Health as respects England and the Welsh Ministers as respects Wales which may be prescribed by Community Practitioner Nurse Prescribers on Form FP(10)P (Forms WP10 (CN) and WP10 (PN) in Wales) for NHS patients under Section 41(1)(d) of the National Health Service Act 1977 as respects England and under Section 80(3)(d) of the National Health Service (Wales) Act 2006 as respects Wales.**

Community Practitioner Nurse Prescribers (in Wales district nurses and health visitors) who have completed the necessary training may only prescribe items appearing in the Nurse Prescribers' Formulary for Community Practitioners list set below.

**NURSE PRESCRIBERS' FORMULARY FOR COMMUNITY PRACTITIONERS**

See Also: Drug Tariff Part 1, 2, 3; Note 7 to Part IXA, B, C and Note 1 to Part IXR

Nurses are recommended to prescribe generically, except where this would not be clinically appropriate or where there is no approved generic name.

- 1 Only in quantities up to 100
- 2 Except pack sizes that are not to be prescribed under the NHS (See Part XVIII A)
- 3 Except for indications and doses that are POM
- 4 Notes for Nurse Prescribers in Family Planning Clinics - Where it is not appropriate for nurse prescribers in family planning clinics to prescribe contraceptive devices using Form FP10(P) (forms WP10(CN) and WP10(PN) in Wales), they may prescribe using the same system as doctors in the clinic.

**Medicinal Preparations**

Almond Oil Ear Drops BP  
 Arachis Oil Enema NPF  
<sup>1</sup> Aspirin Tablets Dispersible 300mg BP  
 Bisacodyl Suppositories BP (includes 5mg and 10mg strengths)  
 Bisacodyl Tablets BP  
 Catheter Maintenance Solution Sodium Chloride NPF  
 Catheter Maintenance Solution 'Solution G' NPF  
 Catheter Maintenance Solution 'Solution R' NPF

### Appliances and Reagents (Including Wound Management Products)

All Appliances and Reagents included in this list must comply with the description, specifications, sizes, packs and quantities as specified in the relevant entry in Part IX of the Drug Tariff

**Appliances** as listed in Part IXA (including Contraceptive Devices<sup>4</sup>)

**Incontinence Appliances** as listed in Part IXB

**Stoma Appliances and Associated Products** as listed in Part IXC

**Chemical Reagents**, as listed in Part IXR

## NON-MEDICAL INDEPENDENT PRESCRIBING (NURSES, PHARMACISTS, OPTOMETRISTS, PHYSIOTHERAPISTS AND CHIROPODISTS/PODIATRISTS)

---

Nurse and Pharmacist Independent Prescribers are able to prescribe any medicine for any medical condition within their competence. This includes any controlled drug listed in Schedules 2-5, except diamorphine, cocaine and dipipanone for the treatment of addiction (Nurse and Pharmacist Independent Prescribers are able to prescribe other controlled drugs for the treatment of addiction).

Optometrist Independent Prescribers can prescribe any licensed medicine for ocular conditions affecting the eye and surrounding tissue, but cannot prescribe any controlled drug independently.

Physiotherapist Independent Prescribers can prescribe any licensed medicine within their competence within their competence within the overarching framework of human movement, performance and function. With effect from June 2015, this includes the following controlled drugs: temazepam (oral), lorazepam (oral), diazepam (oral), dihydrocodeine (oral), morphine (oral and injectable), fentanyl (transdermal) and oxycodone (oral).

Podiatrist Independent Prescribers can prescribe any licensed medicine within their competence and relevant to the treatment of disorders affecting the foot, ankle and associated structures. With effect from June 2015, this includes the following controlled drugs: temazepam (oral), lorazepam (oral), diazepam (oral), dihydrocodeine (oral).

Nurse, Pharmacist, Optometrist, Physiotherapist & Chiropodist/Podiatrist Independent Prescribers:

- must work within their own level of professional competence and expertise;
- are recommended to prescribe generically, except where this would not be clinically appropriate or where there is no approved generic name;
- can prescribe licensed medicines independently for uses outside their licensed indications (so-called 'off-licence' or 'off-label'). They must accept clinical/legal responsibility for that prescribing, and should only prescribe off-licence/off-label where it is accepted clinical practice. In general, the General Optical Council discourages optometrists from prescribing 'off-licence' or 'off-label'. Further guidance is provided in the College of Optometrists Clinical Management Guidelines;
- may prescribe any appliances/dressings that are listed in Part IX of the Drug Tariff. Optometrist, Physiotherapist and Chiropodist/Podiatrist Independent Prescribers can only prescribe appliances/dressings for the treatment of conditions relevant to their respective areas of professional practice;
- must not prescribe drugs and other substances listed in Part XVIII A of the Drug Tariff at NHS expense;
- may prescribe drugs listed in Part XVIIIB of the Drug Tariff at NHS expense, but only in the specified circumstances, for the specified patient groups listed in the Drug Tariff and where this is within their scope of professional practice;
- Nurse and Pharmacist Independent Prescribers can prescribe unlicensed medicines for their patients, on the same basis as doctors and supplementary prescribers. Optometrist, Physiotherapist and Chiropodist/Podiatrist Independent Prescribers cannot prescribe unlicensed medicines;
- may prescribe borderline substances, which have been approved by the Advisory Committee on Borderline Substances (ACBS). A list of ACBS approved products and the circumstances under which they can be prescribed, can be found in Part XV of the Drug Tariff. Although this is a non-mandatory list, Nurse and Pharmacist Independent Prescribers should normally restrict their prescribing of borderline substances to items on the ACBS approved list. Optometrist, Physiotherapist and Chiropodist/Podiatrist Independent Prescribers should not need to prescribe any items on the ACBS list.

## NATIONAL OUT-OF-HOURS FORMULARY

## THE FORMULARY CORE DRUG LIST

The following National Out-of-Hours Core Formulary contains the *minimum* list of drugs that patients should be able to access. Exact mechanisms for the provision of these drugs should be decided locally, taking into account existing treatment protocols. **(England only. At the time of going to press the Welsh Ministers had not adopted the formulary)**

Guidance and information on template PGDs can be found on the website: <http://www.pgd.nhs.uk/>

| Drug  | Comment   | Oral  |       |            |       |
|---|---|-------|-------|------------|-------|
|   |   | Child | Adult | Injectable | Other |
| <b>ANALGESIA</b>                                    |   |       |       |            |       |
| <b>Codeine or equivalent</b>                        | Oral formulations to be supplied as a full course to appropriately treat the presenting condition. Codeine preferred as it has a dual role for pain relief and diarrhoea.   |       | Y     |            |       |
| <b>Diamorphine</b>                                  | Diamorphine is preferred for its use in both cardiac pain and palliative care.  |       |       | Y          |       |
| <b>Non Steroidal Anti-Inflammatory Drug (NSAID)</b> | Oral formulations to be supplied as a full course to appropriately treat the presenting condition. The exact preparation(s) should be decided after local negotiation. Intramuscular injection of a NSAID may avoid the need for controlled drug use. | Y     | Y     | Y          |       |
| <b>Paracetamol</b>                                  | Supply as a full course to appropriately treat the presenting condition.  | Y     | Y     |            |       |
| <b>ASTHMA</b>                                       |   |       |       |            |       |
| <b>Inhaled Ipratropium</b>                          | Supply as a full course to appropriately treat the presenting condition.  |       |       |            | Y     |
| <b>Inhaled Salbutamol or equivalent</b>             | Supply as a full course to appropriately treat the presenting condition.  |       |       |            | Y     |
| <b>Prednisolone</b>                                 | Oral formulations to be supplied as a full course to appropriately treat the presenting condition. Soluble tablets may be preferable for dual use in children and adults.   | Y     | Y     |            |       |
| <b>Spacer Device</b>                                | Or nebuliser device.  |       |       |            | Y     |
| <b>CARDIAC EMERGENCIES</b>                          |   |       |       |            |       |
| <b>Adrenaline/Epinephrine</b>                       | Strength/formulation suitable for treatment of cardiac arrest.  |       |       | Y          |       |
| <b>Aspirin</b>                                      | For use in all patients with suspected Myocardial Infarction unless contraindicated or already taken.   |       | Y     |            |       |
| <b>Atropine</b>                                     | For use in cardiac emergencies.   |       |       | Y          |       |
| <b>Diamorphine</b>                                  |   |       |       | Y          |       |

## NATIONAL OUT-OF-HOURS FORMULARY

| Drug                                  | Comment  | Oral  |       |            |       |
|---------------------------------------|--|-------|-------|------------|-------|
|                                       |  | Child | Adult | Injectable | Other |
| <b>Furosemide</b>                     | Supply as a full course to appropriately treat the presenting condition. Full course of oral tablets is expected to be 7 days maximum.   |       | Y     | Y          |       |
| <b>Glyceryl Trinitrate Sublingual</b> | Supply as a full course to appropriately treat the presenting condition.   |       | Y     |            |       |
| <b>ALLERGY/ANAPHYLAXIS</b>            |  |       |       |            |       |
| <b>Adrenaline/Epinephrine</b>         | Strength/formulation suitable for treatment of anaphylaxis.  |       |       | Y          |       |
| <b>Hydrocortisone</b>                 | Hydrocortisone sodium succinate can be used for anaphylaxis, asthma and hypoadrenalism.  |       |       | Y          |       |
| <b>Chlorphenamine</b>                 | Supply as a full course to appropriately treat the presenting condition.   | Y     | Y     | Y          |       |
| <b>Non-Sedating Antihistamine</b>     | Supply as a full course to appropriately treat the presenting condition. Choice of preparation to be decided locally.  |       | Y     |            |       |
| <b>DIABETIC EMERGENCIES</b>           |  |       |       |            |       |
| <b>Glucagon Injection</b>             | Current recommendation is for both Glucose IV and Glucagon to be carried. Children may not respond to Glucagon so are more likely to need glucose. Patients not responding should be admitted. |       |       | Y          |       |
| <b>Glucose</b>                        |  |       |       | Y          |       |
| <b>OPIOID OVERDOSE</b>                |  |       |       |            |       |
| <b>Naloxone</b>                       | Any patient with an opioid overdose should be admitted to hospital, as repeated doses may be required.   |       |       | Y          |       |
| <b>GASTROINTESTINAL</b>               |  |       |       |            |       |
| <b>Antacid</b>                        | Supply as a full course to appropriately treat the presenting condition taking into account manufacturers' pack sizes.   |       | Y     |            |       |
| <b>Domperidone</b>                    | Supply as a full course to appropriately treat the presenting condition (see also metoclopramide).   |       | Y     |            |       |
| <b>Glycerol Suppositories</b>         | Included for immediate symptom relief (may be suitable for use by other healthcare professionals).   |       |       |            | Y     |
| <b>Anti-Spasmotic Agent</b>           | Supply as a full course to appropriately treat the presenting condition.   |       | Y     |            |       |
| <b>Loperamide</b>                     | Supply as a full course to appropriately treat the presenting condition.   |       | Y     |            |       |
| <b>Metoclopramide</b>                 | Included as there is no parenteral formulation of domperidone  |       |       | Y          |       |
| <b>Oral Rehydration Sachets</b>       | Supply as a full course to appropriately treat the presenting condition.   | Y     |       |            |       |

|   |  | Child | Adult | Injectable | Other |
| <b>Phosphate Enema</b>                        | Included for immediate symptom relief (may be suitable for use by other healthcare professionals).   |       |       |            | Y     |
| <b>Prochlorperazine</b>                       | Oral formulations to be supplied as a full course to appropriately treat the presenting condition.   |       | Y     | Y          | Y     |
| <b>PSYCHIATRIC EMERGENCIES/CNS</b>            |  |       |       |            |       |
| <b>Diazepam</b>                               | Supply as a full course to appropriately treat the presenting condition. Course length to be decided locally taking into account local policies and guidelines. Small quantities may be more appropriate. An appropriate rectal formulation to be included.  | Y     | Y     | Y          | Y     |
| <b>Haloperidol</b>                            | Supply as a full course to appropriately treat the presenting condition. May also be used for treatment of severe nausea and vomiting.   |       | Y     | Y          |       |
| <b>Procyclidine</b>                           | Supply as a full course to appropriately treat the presenting condition.   |       | Y     | Y          |       |
| <b>OBSTETRIC AND GYNAECOLOGY</b>              |  |       |       |            |       |
| <b>Levonorgestrel 1500</b>                    | Full course to be supplied - included as current evidence suggests early treatment is appropriate.   |       | Y     |            |       |
| <b>Syntometrine Injection</b>                 | Rarely used but essential to have available for intra or post partum obstetric emergencies. Special storage arrangements may be necessary.   |       |       | Y          |       |
| <b>PALLIATIVE CARE DRUGS</b>                  |  |       |       |            |       |
| <b>Diamorphine</b>                            |  |       |       | Y          |       |
| <b>Cyclizine</b>                              |  |       |       | Y          |       |
| <b>Dexamethasone</b>                          | It is expected that these drugs would be part of a special tamper proof palliative care pack that would be locally available. Local discussions will be necessary to determine appropriate access. The quantities supplied should be enough to allow appropriate symptom relief until formal review by palliative care team or General Practitioner. |       | Y     |            |       |
| <b>Hyoscine Butylbromide</b>                  |  |       |       | Y          |       |
| <b>Ketorolac/Diclofenac</b>                   |  |       |       | Y          |       |
| <b>Methotrimeprazine/<br/>Levomepromazine</b> |  |       |       | Y          |       |
| <b>Midazolam</b>                              |  |       |       | Y          |       |

## NATIONAL OUT-OF-HOURS FORMULARY

| Drug   | Comment  | Oral  |       |            |       |
|--|--|-------|-------|------------|-------|
|  |  | Child | Adult | Injectable | Other |
| <b>LOCAL ANTIBIOTIC CHOICE</b>   |  |       |       |            |       |
| Following local discussion, antibiotics should be made available to appropriately treat the conditions listed below.<br>Choice of preparation(s) should take into account local resistance patterns. |  |       |       |            |       |
| <b>Cellulitis and other skin infections</b>  | Supply as a full course to appropriately treat the presenting condition. Choice of preparation(s) should be made after local discussion taking into account local resistance patterns.     | Y     | Y     |            |       |
| <b>Respiratory infections</b>  |  | Y     | Y     |            |       |
| <b>Upper respiratory tract infections</b>  |  | Y     | Y     |            |       |
| <b>Urinary tract infections</b>  |  | Y     | Y     |            |       |
| <b>INFECTION</b>   |  |       |       |            |       |
| <b>Bacterial conjunctivitis</b>  | Supply as a full course to appropriately treat the presenting condition. Choice of preparation(s) should be made after local discussion taking into account local resistance patterns.     |       |       |            | Y     |
| <b>Candidiasis (Topical)</b>   | Included for immediate symptom relief.   |       |       |            | Y     |
| <b>Herpes Zoster</b>   | Supply as a full course to appropriately treat the presenting condition. Choice of preparation to be decided locally. Included as current evidence suggest early treatment is appropriate. |       | Y     |            |       |
| <b>Benzylpenicillin</b>  | For immediate treatment of meningococcal meningitis or septicaemia. Patients with suspected meningitis should be transferred to hospital urgently.   |       |       | Y          |       |
| <b>MISCELLANEOUS</b>   |  |       |       |            |       |
| <b>Sodium chloride for injection/ infusion</b>   | Also to include IV giving set and canula   |       |       | Y          |       |
| <b>Water for injection</b>   | For dissolving injectable drugs.   |       |       | Y          |       |
| <b>Blood glucose testing sticks</b>  | Use where <b>diagnosis</b> cannot safely wait e.g. to identify patients who have urgent treatment needs or who should be admitted to hospital.   |       |       |            | Y     |
| <b>Urine testing sticks</b>  | Use where <b>diagnosis</b> cannot safely wait e.g. to identify patients who have urgent treatment needs or who should be admitted to hospital.   |       |       |            | Y     |
| <b>DRUGS WHERE SPECIAL ARRANGEMENTS MAY BE APPROPRIATE</b>   |  |       |       |            |       |
| <b>Oxygen</b>  | It may be appropriate for some organisations to keep a supply of oxygen. Alternatively, local discussion and specific arrangements will need to be made for the delivery of oxygen.        |       |       |            |       |

## DRUGS, MEDICINES AND OTHER SUBSTANCES NOT TO BE ORDERED UNDER A GENERAL MEDICAL SERVICES CONTRACT

Part XVIII A informs of the drugs, medicines and other substances that may not be ordered under the National Health Service (General Medical Services Contracts) (Prescription of Drugs etc.) Regulations 2004 and the National Health Service (General Medical Services Contracts) (Prescription of Drugs etc.) (Wales) Regulations 2004. The different provisions as they apply to England and Wales are as follows:

### In England only

Food marketed as gluten-free or very low gluten may not be ordered under the National Health Service (General Medical Services Contracts) (Prescription of Drugs etc.) (Amendment) Regulations 2018, unless they are gluten-free breads or gluten-free food mixes.

### In England and Wales

Note: Some of the references to products listed in Schedule 1 to the National Health Service (General Medical Services Contracts)(Prescription of Drugs etc.) Regulations 2004, and reproduced below in Part XVIII A, are to their British Approved Name (BAN). For the purposes of this list, reference to a generic product's British Approved Name also includes any corresponding generic medicine which is now known by the recommended International Non-proprietary Name. For example, there is an entry in Part XVIII A of the Drug Tariff for Guaiphenesin Syrup (any strength), but Guaifenesin is now the rINN. Neither product should be ordered under a general medical services contract.

In England:

Part XVIII B reproduces Schedule 2 to the National Health Service (General Medical Services Contracts) (Prescription of Drugs etc.) Regulations 2004.

Drugs in Column 1 of this part may be prescribed for persons mentioned in Column 2, only for the treatment of the purpose specified in Column 3. The Prescriber must endorse the prescription with the reference "SLS".

Details of restricted availability appliances (vacuum pumps and constrictor rings for erectile dysfunction) can be found in Part IX of the Drug Tariff beside the listing for the relevant appliance.

\* "at clinical risk" means in relation to a patient, a patient who -

- (a) has chronic respiratory disease;
- (b) has asthma that requires continuous or repeated use of inhaled or systemic steroids or with previous exacerbations requiring hospital admission;
- (c) has chronic heart disease;
- (d) has chronic renal failure;
- (e) has chronic liver disease;
- (f) has chronic neurological disease;
- (g) has diabetes; or
- (h) is immunosuppressed.

| Drug  | Patient  | Purpose   |
|---|--|---|
| Clobazam  | Any patient  | Epilepsy  |
| Locabiotol Aerosol                                  | Any patient  | Treatment of infections and inflammation of the oropharynx.   |
| Niferex Elixir 30ml<br>Paediatric<br>Dropper Bottle | Infants born prematurely   | Prophylaxis in treatment of iron deficiency                   |
| Nizoral Cream                                       | Any patient  | Treatment of seborrhoeic dermatitis and pityriasis versicolor |
| Oseltamivir (Tamiflu)                               | (1) *A patient who is aged 1 year or over and who is at clinical risk or a patient who is pregnant or aged 65 years or over or who is aged under 65 years and is at risk of developing medical complications from influenza, where -<br><br>(a) the Department of Health and Social Care has notified general medical practitioners that the influenza virus is circulating in the community;<br><br>(b) the patient has an influenza-like illness; and<br><br>(c) the patient can start therapy within 48 hours of the onset of symptoms.<br><br>(1A) Any patient suffering from influenza during an outbreak of pandemic influenza (influenza caused by a new virus subtype that has an increased and sustained transmission during a global outbreak of influenza), where the drug is ordered under arrangements for the distribution of the drug free of charge which are approved by the Secretary of State or are part of an antiviral distribution service provided by the Commissioning Board, Public Health England or a Local Authority. | Treatment of influenza  |

**DRUGS, MEDICINES AND OTHER SUBSTANCES THAT MAY BE ORDERED ONLY IN CERTAIN CIRCUMSTANCES**

| Drug                | Patient   | Purpose                  |
|---------------------|---|--------------------------|
|                     | <p>(2) *A patient who is aged 1 year or over and who is at clinical risk or a patient who is pregnant or aged 65 years or over, where -</p> <p>(a) the Department of Health and Social Care has notified general medical practitioners that the influenza virus is circulating in the community;</p> <p>(b) the patient has been exposed to an influenza-like illness through being in close contact with someone with whom he lives who is or has been suffering from an influenza-like illness;</p> <p>(c) the patient is not effectively protected by vaccination against influenza because-</p> <p>(i) he has not been vaccinated because vaccination is contraindicated;</p> <p>(ii) he has not been vaccinated since the previous influenza season;</p> <p>(iii) he has been vaccinated but it has yet to take effect; or</p> <p>(iv) he has been vaccinated but the vaccine is not well matched to the strain of influenza circulating in the locality in which the patient resides or is or has been present;</p> <p>(d) the patient lives in a residential care establishment and another resident or member of staff of the establishment has an influenza-like illness; and</p> <p>(e) the patient can start prophylaxis within 48 hours of exposure to an influenza-like illness.</p> <p>(2A) Any patient at risk from influenza during an outbreak of pandemic influenza (influenza caused by a new virus subtype that has an increased and sustained transmission during a global outbreak of influenza), where the drug is ordered under arrangements for the distribution of the drug free of charge which are approved by the Secretary of State or are part of an antiviral distribution service provided by the Commissioning Board, Public Health England or a Local Authority.</p> | Prophylaxis of influenza |
| Zanamivir (Relenza) | <p>(1) *A patient who is aged 5 years or over and who is at clinical risk or a patient who is pregnant or aged 65 years or over or who is aged under 65 years and is at risk of developing medical complications from influenza, where -</p> <p>(a) the Department of Health and Social Care has notified general medical practitioners that the influenza virus is circulating in the community;</p> <p>(b) the patient has an influenza-like illness; and</p> <p>(c) In the case of a patient -</p> <p>(i) who has attained the age of 5 years but not the age of 13 years, that patient can start therapy within 36 hours of the onset of symptoms;</p> <p>(ii) who is aged 13 years or over, that patient can start therapy within 48 hours of the onset of symptoms.</p>   | Treatment of influenza   |

**DRUGS, MEDICINES AND OTHER SUBSTANCES THAT MAY BE ORDERED ONLY IN CERTAIN CIRCUMSTANCES**

In Wales:

Part XVIII B reproduces Schedule 2 to the National Health Service (General Medical Services Contracts) (Prescription of Drugs etc.) (Wales) Regulations 2004.

Drugs in Column 1 of this part may be prescribed for persons mentioned in Column 2, only for the treatment of the purpose specified in Column 3. The Prescriber must endorse the prescription with the reference "SLS".

Details of restricted availability appliances (vacuum pumps and constrictor rings for erectile dysfunction) can be found in Part IX of the Drug Tariff beside the listing for the relevant appliance.

| Drug  | Patient   | Purpose   |
|---|---|---|
| Clobazam  | Any patient   | Treatment of epilepsy   |
| Cyanocobalamin<br>Tablets                           | A patient who is a vegan or who has a proven vitamin B12 deficiency of dietary origin | Treatment or prevention of vitamin B12 deficiency             |
| Locabiotol Aerosol                                  | Any patient   | Treatment of infections and inflammation of the oropharynx.   |
| Niferex Elixir 30ml<br>Paediatric<br>Dropper Bottle | Infants born prematurely  | Prophylaxis and treatment of iron deficiency                  |
| Nizoral Cream                                       | Any patient   | Treatment of seborrhoeic dermatitis and pityriasis versicolor |

**DRUGS, MEDICINES AND OTHER SUBSTANCES THAT MAY BE ORDERED ONLY IN CERTAIN CIRCUMSTANCES**

| Drug                  | Patient   | Purpose                  |
|-----------------------|---|--------------------------|
| Oseltamivir (Tamiflu) | (1) A patient who is aged 1 year or over and who is at clinical risk or a patient who is pregnant or aged 65 years or over, or who is aged under 65 years and is at risk of developing medical complications for influenza, where -   | Treatment of influenza   |
|                       | <ul style="list-style-type: none"> <li>(a) the Welsh Ministers have notified general medical practitioners that the influenza virus is circulating in the community;</li> <li>(b) the patient has an influenza-like illness; and</li> <li>(c) the patient can start therapy within 48 hours of the onset of symptoms.</li> </ul>  |                          |
| Oseltamivir (Tamiflu) | (2) A patient who is aged 1 year or over and who is at clinical risk or a patient who is pregnant or aged 65 years or over, or who is aged under 65 years and is at risk of developing medical complications for influenza, where -   | Treatment of influenza   |
|                       | <ul style="list-style-type: none"> <li>(a) it has been determined in accordance with a community based virological surveillance scheme that influenza A or influenza B is circulating in the locality in which the patient resides or is present or was present at the time that the virus was circulating;</li> <li>(b) the patient has an influenza-like illness; and</li> <li>(c) the patient can start therapy within 48 hours of the onset of symptoms.</li> </ul>   |                          |
| Oseltamivir (Tamiflu) | (3) Any patient suffering from influenza during an outbreak of pandemic influenza (influenza caused by a new virus subtype that has an increased and sustained transmission during a global outbreak of influenza), where the drug is ordered under arrangements for the distribution of the drug free of charge which are approved by the Welsh Ministers.   | Treatment of influenza   |
|                       | (4) A patient who is aged 1 year or over and who is at clinical risk or a patient who is pregnant or aged 65 years or over, where -   |                          |
| Oseltamivir (Tamiflu) | (a) the Welsh Ministers have notified general medical practitioners that the influenza virus is circulating in the community;   | Prophylaxis of influenza |
|                       | <ul style="list-style-type: none"> <li>(b) the patient has been exposed to an influenza-like illness through being in close contact with someone with whom he lives who is or has been suffering from an influenza-like illness;</li> <li>(c) the patient is not effectively protected by vaccination against influenza because- <ul style="list-style-type: none"> <li>(i) he has not been vaccinated because vaccination is contraindicated;</li> <li>(ii) he has not been vaccinated since the previous influenza season;</li> <li>(iii) he has been vaccinated but it has yet to take effect; or</li> <li>(iv) he has been vaccinated but the vaccine is not well matched to the strain of influenza circulating in the locality in which the patient resides or is or has been present;</li> </ul> </li> <li>(d) the patient lives in a residential care establishment and another resident or member of staff of the establishment has an influenza-like illness; and</li> <li>(e) the patient can start prophylaxis within 48 hours of exposure to an influenza-like illness.</li> </ul> |                          |

**DRUGS, MEDICINES AND OTHER SUBSTANCES THAT MAY BE ORDERED ONLY IN CERTAIN CIRCUMSTANCES**

| Drug                | Patient  | Purpose                |
|---------------------|--|------------------------|
|                     | <p>(5) A patient who is aged 1 year or over and who is at clinical risk or a patient who is pregnant or aged 65 years or over, where -</p> <p>(a) it has been determined in accordance with a community based virological surveillance scheme that influenza A or influenza B is circulating in the locality in which the patient resides or is present or was present at the time that the virus was circulating;</p> <p>(b) the patient has been exposed to an influenza-like illness through being in close contact with someone with whom he lives who is or has been suffering from an influenza-like illness;</p> <p>(c) the patient is not effectively protected by vaccination against influenza because-</p> <p>(i) he has not been vaccinated because vaccination is contraindicated;</p> <p>(ii) he has not been vaccinated since the previous influenza season;</p> <p>(iii) he has been vaccinated but it has yet to take effect; or</p> <p>(iv) he has been vaccinated but the vaccine is not well matched to the strain of influenza circulating in the locality in which the patient resides or is or has been present;</p> <p>(d) the patient lives in a residential care establishment and another resident or member of staff of the establishment has an influenza-like illness; and</p> <p>(e) the patient can start prophylaxis within 48 hours of exposure to an influenza-like illness.</p> <p>(6) Any patient at risk from influenza during an outbreak of pandemic influenza (influenza caused by a new virus subtype that has an increased and sustained transmission during a global outbreak of influenza), where the drug is ordered under arrangements for the distribution of the drug free of charge which are approved by the Welsh Ministers.</p> |                        |

| Thymoxamine  | Thymoxamine Hydrochloride (Erecnos); or  |                                       |
| Hydrochloride  | a man who is a national of an EEA State who is entitled to treatment by virtue of Article 7(2) of Council Regulation 1612/68 as extended by the EEA Agreement or by virtue of any other enforceable EU right who has erectile dysfunction and was on 14 September 1998 receiving a course of treatment under a national health insurance system of an EEA State for this condition with any of the drugs listed in sub-paragraph (a); or   |                                       |
| Vardenafil   | c) a man who is not a national of an EEA State but who is the member of the family of such a national who has an enforceable EU right to be treated no less favourably than the national in the provision of medical treatment and has erectile dysfunction and was being treated for that condition on 14 September 1998 with any of the drugs listed in sub-paragraph (a); or  |                                       |

**DRUGS, MEDICINES AND OTHER SUBSTANCES THAT MAY BE ORDERED ONLY IN CERTAIN CIRCUMSTANCES**

| Drug | Patient  | Purpose   |
|------|--|---|
|      | d) a man who is suffering from any of the following -<br>diabetes<br>multiple sclerosis<br>Parkinson's disease<br>poliomyelitis<br>prostate cancer<br>severe pelvic injury<br>single gene neurological disease<br>spina bifida<br>spinal cord injury; or<br>e) a man who is receiving treatment for renal failure by dialysis; or<br>f) a man who has had the following surgery -<br>prostatectomy<br>radical pelvic surgery<br>renal failure treated by transplant.<br>g) a man who has been diagnosed as suffering severe distress resulting from erectile dysfunction where the assessment has been made by a specialist service or GP under arrangements made with a Local Health Board to provide such assessments. |   |
|      | (2) Any patient  | Treatment of a condition other than erectile dysfunction, in respect of which the drug ordered is in receipt of a UK or EU marketing authorisation for the treatment of that condition. |

In this Schedule:

*"at-risk"* means an adult or child patient or a patient aged 13 years or older who-

- (a) has chronic respiratory disease (including asthma and chronic obstructive pulmonary disease);
- (b) has significant cardiovascular disease, excluding an adult or child patient who has hypertension only;
- (c) has chronic renal disease;
- (d) is immunocompromised;
- (e) has diabetes mellitus; or
- (f) is aged 65 years or over;

*"child"* means any person under the age of 16 years;

*"EEA Agreement"* means the Agreement on the European Economic Area signed at Oporto on 2 May 1992 as adjusted by the Protocol signed at Brussels on 17 March 1993 and as amended so far as is relevant to these Regulations, by Decision of the EEA Joint Committee No 7/94 of 21 March 1994;

*"EEA State"* means a State which is a contracting party to the EEA Agreement or Switzerland.

*"Pandemic influenza"* means influenza caused by a new virus subtype that has an increased and sustained transmission during a global outbreak of influenza;

*"patient"* has the same meaning as in the National Health Services (General Medical Services Contracts)(Wales) Regulations 2004; and

*"residential care establishment"* means a place where persons reside on a long-term basis in order to receive continuing care.

---

**CRITERIA NOTIFIED UNDER THE TRANSPARENCY DIRECTIVE**

---

**Criteria notified to the European Commission under Article 7 of the Council Directive relating to the transparency of measures regulating the pricing of medicinal products for human use and their inclusion in the scope of national health insurance schemes (89/105/EEC)**

The following six criteria have been separately notified by the UK Government to the European Commission since 1989 to comply with Article 7 of the Transparency Directive.

First, under the Selected List Scheme, medicinal products in seventeen therapeutic categories which are excluded from prescription on the grounds that, on expert advice, they had no clinical or therapeutic advantage over other, cheaper, drugs in the following categories:-

- mild to moderate painkillers
- indigestion remedies
- laxatives
- cough and cold remedies
- vitamins
- tonics
- benzodiazepine sedatives and tranquillisers
- anti-diarrhoeal drugs
- drugs for allergic disorders
- hypnotics and anxiolytics
- appetite suppressants
- drugs for vaginal and vulval conditions
- contraceptives
- drugs used in anaemia
- topical anti-rheumatics
- drugs acting on the ear and nose
- drugs acting on the skin

Second, products may be considered as "borderline substances" which are not truly medicinal products with clinical or therapeutic value and are excluded from NHS prescription on that ground.

Third, as well as being freely available on sale over the counter to the general public the cost to the NHS if the product(s) were to be supplied on prescription could not be justified at any price likely to be economic to the manufacturer and that the supply of the product is not considered a priority for the use of the limited resources available to the NHS.

Fourth, that products which nonetheless may meet a legitimate clinical or therapeutic need when properly prescribed, are subject to misuse by drug misusers, and such misuse, or the manner in which the product is administered by drug misusers, gives rise to the risk of physical or mental morbidity and alternative products are available to meet all legitimate clinical or therapeutic needs.

Fifth, a medicinal product or a category of medicinal products may be excluded entirely from supply on NHS prescription. It may alternatively be excluded except in specified circumstances, or except in relation to specified conditions or categories of condition, or specified categories of patient. A medicinal product or a category of them may be so excluded where the forecast aggregate cost to the NHS of allowing the product (or category of products) to be supplied on NHS prescription, or to be supplied more widely than the permitted exceptions, could not be justified having regard to all the relevant circumstances including in particular: the Secretary of State's duties pursuant to the NHS Act 1977 and the priorities for expenditure of NHS resources.

Sixth, products which comprise an injection device prefilled with a drug may be excluded from supply on NHS prescription if the same drug is available and can be used more economically in a container which may be used in conjunction with a refillable injection device.

**THE NATIONAL HEALTH SERVICE LITIGATION AUTHORITY (PHARMACEUTICAL  
REMUNERATION - PAYMENT DISPUTES) (ENGLAND) DIRECTIONS 2022**

D I R E C T I O N S

**NATIONAL HEALTH SERVICE ACT 2006**

The National Health Service Litigation Authority  
(Pharmaceutical Remuneration – Payment Disputes) (England)  
Directions 2022

The Secretary of State for Health and Social Care gives the following Directions in exercise of the powers conferred by sections 7(1), 8 and 272(7) and (8) of the National Health Service Act 2006(a).

**Citation, commencement, application and interpretation**

1.—(1) These Directions may be cited as the National Health Service Litigation Authority (Pharmaceutical Remuneration – Payment Disputes) (England) Directions 2022 and come into force on the day after the day on which they are signed.

(2) These Directions apply in relation to England.

(3) In these Directions—

“the 2013 Regulations” means the National Health Service (Pharmaceutical and Local Pharmaceutical Services) Regulations 2013(b);

“appellant” means a person bringing an appeal of the nature described in direction 2(1);

“the Authority” means the National Health Service Litigation Authority(c) established by the National Health Service Litigation Authority (Establishment and Constitution) Order 1995(d) (or, where the context so requires, persons or a committee exercising functions on its behalf in accordance with direction 2(4) and 3(1)); and

“the decision” is to be construed in accordance with direction 2(1).

(4) In these Directions, words and expressions used in these Directions and in the 2013 Regulations bear the meanings they bear in the 2013 Regulations.

**Disputes relating to payments of pharmaceutical remuneration: delegation of functions to the Authority and to its committees and staff**

2.—(1) The Authority is directed to exercise the functions of the Secretary of State relating to receiving and determining any dispute referred to the Secretary of State under section 9(6) of the 2006 Act(e) (NHS contracts) in respect of any of the following decisions (“the decision”)—

(a) the recovery of an overpayment from an NHS pharmacist under regulation 94(1) of the 2013 Regulations (recovery of overpayments) which is in the nature of an appeal against a decision of the NHSCB that there has been an overpayment;

(a) 2006 c. 41. Section 7 has been amended by the Health and Social Care Act 2012 (c. 7) (“the 2012 Act”), section 21. Section 8 has been amended by the 2012 Act, Schedule 4, paragraph 5, and Schedule 14, paragraph 3.

(b) S.I. 2013/349.

(c) The National Health Service Litigation Authority now operates under the name “NHS Resolution”.

(d) S.I. 1995/2800, as amended.

(e) Section 9 has been amended by: the Health and Social Care Act 2008 (c. 14), Schedule 5, paragraph 82; the Health and Social Care Act 2012, Schedule 4, paragraph 6, Schedule 7, paragraph 18, Schedule 14, paragraph 4, Schedule 17, paragraph 10, Schedule 19, paragraph 9, and Schedule 21, paragraph 6; and the Care Act 2014 (c. 23), Schedule 5, paragraph 16.

---

**THE NATIONAL HEALTH SERVICE LITIGATION AUTHORITY (PHARMACEUTICAL  
REMUNERATION - PAYMENT DISPUTES) (ENGLAND) DIRECTIONS 2022**

---

- (b) a decision of the NHSCB, pursuant to a provision of the Drug Tariff, to recover a Covid 19 related uplift to a payment in advance where the uplift was paid to another NHS pharmacist; or
  - (c) a decision of the NHSCB, pursuant to a provision of the Drug Tariff, not to pay, or only to pay part of, a claim for a payment that is made by an NHS pharmacist in respect of Covid 19 related costs.
- (2) The Authority must determine the appeal itself and not appoint a person to consider and determine the appeal pursuant to section 9(8) of the 2006 Act.
- (3) The Authority is directed to exercise the powers of the Secretary of State under section 2 of the 2006 Act(a) (general power) to do anything that is calculated to facilitate, or is conducive or incidental to, the discharge of the functions of the Secretary of State that the Authority is exercising by virtue of paragraph (1), but only to the extent that it is necessary for the proper exercise of that function.
- (4) The functions that the Authority is directed to exercise by virtue of paragraphs (1) and (3) may be exercised on behalf of the Authority either by an officer or employee of the Authority or by a committee established in accordance with direction 3(1).
- (5) Reference in this direction to decisions of the NHSCB includes to decisions taken on its behalf under delegated authority.

**Membership of a committee**

3.—(1) The Authority may (and where direction 6(3)(a) applies must) make arrangements for any of the functions that it is directed to exercise by virtue of direction 2(1) and (3) to be exercised on its behalf by a committee established for the purpose and constituted in accordance with this direction.

- (2) A committee established under paragraph (1)—
- (a) may, but need not, be composed wholly or partly of officers of the Authority; and
  - (b) is to consist of no more than 5 members, of whom—
    - (i) in the case of a committee consisting of 2 members, both members must be lay persons, or
    - (ii) in the case of a committee consisting of more than 2 members, a majority or all of the members must be lay persons.
- (3) No person is to be a member of a committee established under paragraph (1) (whether or not their involvement would give rise to a reasonable suspicion of bias) who—
- (a) is a person who is included in a pharmaceutical list or is an employee of such a person;
  - (b) assists in the provision of pharmaceutical services under Chapter 1 of Part 7 of the 2006 Act (pharmaceutical services and local pharmaceutical services – provision of pharmaceutical services);
  - (c) is an LPS chemist, or provides or assists in the provision of local pharmaceutical services;
  - (d) is a provider of primary medical services;
  - (e) is a member of a provider of primary medical services that is a partnership or a shareholder in a provider of primary medical services that is a company limited by shares;
  - (f) is employed or engaged by a primary medical services provider; or
  - (g) is employed or engaged by an APMS contractor in any capacity relating to the provision of primary medical services.
- (4) No person is to be a member of a committee established under paragraph (1) which is considering any matter if, because of an interest or association they have, or because of a pressure

---

(a) Section 2 was substituted by the Health and Social Care Act 2012, Schedule 4, paragraph 1(1).

**THE NATIONAL HEALTH SERVICE LITIGATION AUTHORITY (PHARMACEUTICAL  
REMUNERATION - PAYMENT DISPUTES) (ENGLAND) DIRECTIONS 2022**

---

to which they may be subject, their involvement in that consideration would give rise to a reasonable suspicion of bias.

- (5) In paragraph (2), “lay person” means a person who is not and never has been registered by—
- (a) a body (B) mentioned in section 25(3)(a) to (ga) of the National Health Service Reform and Health Care Professions Act 2002<sup>(a)</sup> (the Professional Standards Authority for Health and Social Care); or
  - (b) a body that preceded B as the statutory regulator of any profession regulated by B.

**Dismissing appeals: preliminary matters**

4. The Authority must determine an appeal against the decision by dismissing it—

- (a) if—
  - (i) the NHSCB has advised the appellant that the appeal to the Authority must be brought within 30 days of the date on which the appellant was notified of the decision by the NHSCB, and
  - (ii) the appellant does not bring it within 30 days of that date (the day on which the notification was received being treated as day zero); or
- (b) if it is of the opinion that the notification of the appeal from the appellant to the Authority contains no valid grounds of appeal (for example, because it amounts to a challenge to the legality or reasonableness of these Directions, the 2013 Regulations or the Drug Tariff).

**Flexibility with regard to the manner of determining appeals**

5.—(1) Except in so far as these Directions provide to the contrary, the Authority is to determine the appeal against the decision in such manner (including with regard to procedures) as the Authority sees fit.

(2) Where appropriate, the Authority may, if the Authority thinks fit, consider two or more appeals together and in relation to each other, but where the Authority does so, the Authority must give notice to the appellants and the NHSCB of the Authority’s intention to do so.

**Oral hearings**

6.—(1) Subject to paragraph (2), the Authority may determine the appeal without hearing any oral representations.

(2) Before the appeal is finally decided, the appellant may ask to make oral representations, and if such a request is made, a hearing must be arranged, unless the Authority is satisfied that—

- (a) a hearing is unnecessary; or
  - (b) it must dismiss the appeal by virtue of direction 4.
- (3) If a hearing is arranged—
- (a) the hearing must be before a committee established under direction 3(1); and
  - (b) the Authority must give not less than 14 days notice of the time and place at which the oral representations are to be heard—
    - (i) the NHSCB, and
    - (ii) the appellant,
 and they (or their duly authorised representatives) are to be the only persons entitled to make oral representations at the hearing.

---

<sup>(a)</sup> 2002 c. 17; section 25(3) has been amended by: the Health and Social Care Act 2008 (c. 14), Schedule 10, paragraph 17; S.I. 2010/231; the Health and Social Care Act 2012 (c. 7), Schedule 15, paragraph 56(b); and the Children and Social Work Act 2017 (c. 16), Schedule 4, paragraph 2.

---

**THE NATIONAL HEALTH SERVICE LITIGATION AUTHORITY (PHARMACEUTICAL  
REMUNERATION - PAYMENT DISPUTES) (ENGLAND) DIRECTIONS 2022**

---

**Decisions of the Authority**

7.—(1) On deciding an appeal against a decision, the Authority may—

- (a) dismiss the appeal and confirm the decision;
- (b) substitute for the decision any decision that the NHSCB could have taken when it took the decision; or
- (c) quash the decision, with or without remitting the matter to the NHSCB for it to take the decision again subject to such directions as the Authority considers appropriate.

(2) Once the Authority has determined the appeal, the Authority must notify the following of its decision—

- (a) the NHSCB; and
- (b) the appellant,

and must include with that notification a statement of the reasons for the Authority's decision and the Authority's findings of fact.

(3) For the purposes of the 2013 Regulations and the Drug Tariff, the Authority's decision becomes the NHSCB's decision on the matter (but no further appeal to the Authority on that decision is possible), unless the Authority's decision is overruled by a court.

**Revocation**

8. The National Health Service Litigation Authority (Pharmaceutical Remuneration – Overpayments) (England) Directions 2018<sup>(a)</sup> are revoked.

Signed by authority of the Secretary of State for Health and Social Care

**STATUTORY DETERMINATIONS**

---

**THE NATIONAL HEALTH SERVICE  
(PHARMACEUTICAL AND LOCAL  
PHARMACEUTICAL SERVICES) REGULATIONS 2013****The Payments to Suspended NHS Chemists (England)  
Determination 2013**

The Secretary of State makes the following determination in exercise of the powers conferred by regulation 98(1) of the National Health Service (Pharmaceutical and Local Pharmaceutical Services) Regulations 2013(a).

Before making this determination, the Secretary of State consulted such organisations as appeared to the Secretary of State to be representative of NHS chemists.

**Citation and commencement**

1. This determination may be cited as the Payments to Suspended NHS Chemists (England) Determination 2013 and comes into force on 1st April 2013.

**Interpretation**

2.—(1) In this Determination—

“the 2005 Regulations” means the National Health Service (Pharmaceutical Services) Regulations 2005(b), as in force on 31st August 2012;

“the 2012 Regulations” means the National Health Service (Pharmaceutical Services) Regulations 2012(c), as in force on 31st March 2013;

“bank holidays” includes Christmas Day and Good Friday;

“relevant listed premises” means the premises listed in relation to a suspended contractor in the pharmaceutical list from which the contractor is suspended;

“SCMP” means a suspended contractor monthly payment, as mentioned in paragraph 3(1); and

“suspended contractor” means a person included in a pharmaceutical list who is suspended from that list.

(2) Where reference is made in this Determination to a numbered or numbered and lettered Part, it is to the numbered or numbered and lettered Part of the Drug Tariff bearing that number or number and letter.

---

(a) S.I. 2013/349. These Regulations apply, and so this determination applies, in relation to England only.

(b) S.I. 2005/641; amended by S.I. 2005/1015, 1501, 3315 and 3491, 2006/552, 562, 913, 1056, 1501 and 3373, 2007/674, 2008/683 and 1514, 2009/309, 599, 2205 and 3340, 2010/22, 231 and 914, 2011/2136 and 2012/1399. These Regulations were revoked with effect from 1st September 2012 by S.I. 2012/1909.

(c) S.I. 2012/1909; amended by S.I. 2012/2371. These Regulations were revoked with effect from 1st April 2013 by S.I. 2013/349.

**PAYMENTS TO CHEMISTS SUSPENDED BY THE NHS COMMISSIONING BOARD OR BY  
DIRECTION OF THE FIRST-TIER TRIBUNAL**

---

**Payments to a suspended contractor**

3.—(1) Subject to the following provisions of this determination, the NHSCB must pay to each contractor (SC) suspended from a pharmaceutical list in accordance with Chapter 6 of Part 7 of the National Health Service Act 2006(a) (pharmaceutical services and local pharmaceutical services – disqualification) a suspended contractor monthly payment (SCMP) of—

- (a) as regards each complete calendar month for which SC is suspended, an amount equal to SC’s reference remuneration; or
- (b) if SC is only suspended for part of a calendar month, an amount calculated by multiplying SC’s reference remuneration by the fraction produced by dividing the number of days for which SC was suspended during that month (including weekends and bank holidays) by the total number of days in that month.

(2) For the purposes of sub-paragraph (1) but subject to the following provisions of this determination, the “reference remuneration” of SC is the total of the relevant fees and allowances to which SC is entitled in respect of relevant listed premises during the relevant period, divided by the duration of the relevant period (which may differ for different elements of the reference remuneration if more than one set of premises are listed in relation to SC and those premises are listed in relation to SC for different periods).

(3) For the purposes of paragraph (2), the “relevant fees and allowances” means the following fees payable to SC during the relevant period—

- (a) fees (for pharmacy contractors) payable under clause 1 of Part IIIA;
- (b) fees (for pharmacy contractors) payable under clause 2 of Part IIIA;
- (c) fees (for appliance contractors) for dispensing appliances payable under Part IIIB;
- (d) payments (for pharmacy contractors) payable under Part VIA;
- (e) payments (for appliance contractors) payable under Part VIB;
- (f) payments for advanced services (for pharmacy and appliance contractors) payable under Part VIC;
- (g) payments for enhanced services (for pharmacy contractors) payable under Part VIE; and
- (h) payments in respect of pre-registration trainees payable under Part XIII.

(4) For the purposes of paragraphs (2) and (3), the duration of the “relevant period” is—

- (a) in the case of any relevant listed premises that have been listed in relation to SC for at least 12 complete calendar months prior to the suspension of SC, the 12 complete calendar months that preceded SC’s suspension; or
- (b) in the case of any relevant listed premises that have been listed in relation to SC for less than 12 complete calendar months prior to the suspension of SC—
  - (i) if the premises have been listed in relation to SC for at least one calendar month prior to the suspension of SC, the number of complete calendar months prior to that suspension during which the premises were listed in relation to SC, or
  - (ii) if the premises have not been listed in relation to SC for at least one calendar month prior to the suspension of SC, the portion of that month, expressed as a fraction, prior to the suspension of SC during which the premises were listed in relation to SC.

**Adjustments to suspended contractor monthly payments to take account of premises closures or changes of ownership**

4.—(1) Subject to paragraph (3), where premises cease to be listed in relation to a contractor (SC) after SC has been suspended from a pharmaceutical list, as respects the period after those premises cease to be so listed, no account is to be taken of pharmaceutical services provided by SC at those premises prior to SC’s suspension in the calculation of a SCMP.

---

(a) 2006 c. 41.

**PAYMENTS TO CHEMISTS SUSPENDED BY THE NHS COMMISSIONING BOARD OR BY  
DIRECTION OF THE FIRST-TIER TRIBUNAL**

---

(2) For these purposes, where the premises cease to be listed in relation to SC after the start of a calendar month, SC remains entitled to a proportion of—

- (a) the element of the SCMP; or
- (b) the SCMP,

that related to those premises, calculated by reference to the number of days in that month during which the premises were listed in relation to SC divided by the total number of days in that month.

(3) Paragraph (1) does not apply in circumstances where premises cease to be listed in relation to SC as a consequence of the relocation of the business at those premises to new premises.

(4) For the avoidance of doubt, no payments are payable under this Determination in respect of any period when SC no longer has any premises listed in relation to SC on a pharmaceutical list.

**Additional payments: increasing turnover**

5.—(1) If the NHSCB is satisfied that a suspended contractor (SC) to whom it is required to pay a SCMP would, but for the suspension, have been entitled to receive payments under Part VIA or VIB for a particular month in respect of particular premises that in total are higher than the amount in respect of payments under that Part that was included in the calculation of SC's SCMP for that month, it must make an additional payment to that contractor.

(2) The amount of the additional payment is to be the difference between the contractor's SCMP and the amount the SCMP would have been if the higher total referred to in sub-paragraph (1) had instead been the total of payments under Part VIA or VIB in respect of the particular premises that had been used in the appropriate place in the calculation of SC's SCMP.

**Additional payments: temporary cover**

6.—(1) If—

- (a) a person (X) other than a suspended contractor (Y) has been listed in relation to relevant listed premises; and
- (b) the NHSCB is satisfied that Y is paying X a payment (in addition to any agreed share of the payments under paragraphs 3 and 5) in respect of the provision of professional services by a chemist (Z),

the NHSCB must make an additional payment to Y in respect of that provision of professional services.

(2) The amount of the additional payment is to be the cost to X of the professional services provided by Z, up to a maximum of £150 per day.

**Arrangements for claims and making payments**

7.—(1) Payment of an SCMP, or of an additional payment under paragraph 5 or 6, is to be made in arrears as soon as is practicable after the end of the month to which the payment relates, but—

- (a) in the case of SCMPs, they are only payable if, before the first monthly payment, by the end of the month after the first month in respect of which a suspended contractor (SC) wishes to claim SCMPs, SC has notified the NHSCB that SC wishes to claim SCMPs; or
- (b) in the case of additional payments under paragraph 6, they are only payable if, by the end of the month after the month in respect of which SC wishes to claim the additional payment, SC has notified the NHSCB that it wishes to claim an additional payment.

(2) Where it is reasonable to do so, payments under this determination may be withheld, temporarily or permanently, if SC does not provide the NHSCB with the information that it reasonably requires in order to establish entitlement to, or the correct level of, payments under this determination.

(3) If SC's first SCMP is due but the NHSCB is only able to make a reasonable estimate of the amount that is due, it must pay a reasonable estimate of the amount that is due, and thereafter

---

**PAYMENTS TO CHEMISTS SUSPENDED BY THE NHS COMMISSIONING BOARD OR BY  
DIRECTION OF THE FIRST-TIER TRIBUNAL**

---

adjust (where it is able to do so) future SCMPs to take account of any underpayment or overpayment that has arisen because of the use of that estimate.

(4) For the avoidance of doubt—

- (a) sub-paragraph (3) is without prejudice to the NHSCB's powers to recover overpayments under regulation 98(6) of the 2013 Regulations (payments to suspended chemists); and
- (b) the payments to be made under this determination are the payments to be made by the NHSCB to SC and not the payments to be made by the NHSCB to any person who is providing pharmaceutical services instead of SC because of SC's suspension from a pharmaceutical list.

**Revocations and transitional arrangements**

8.—(1) The Payments to Suspended NHS Chemists (England) Determination 2012 is revoked.

(2) Paragraph 13(8)(a) of Schedule 9 to the 2013 Regulations (transitional provisions – service provision issues: NHS chemists) applies in relation to payments to a suspended contractor in respect of a period of suspension that preceded 1st September 2012 (as a consequence of which, decisions on payments in respect of the period of suspension that preceded 1st September 2012, and any appeals relating to those decisions, are to be in accordance with the 2005 Regulations and with the determinations mentioned in paragraph 8(1) of the Suspended NHS Chemists (England) Determination 2012).

(3) Paragraph 13(8)(b) of Schedule 9 to the 2013 Regulations applies in relation to payments to a suspended contractor in respect of a period of suspension between 1st September 2012 and 31st March 2013 inclusive (as a consequence of which, decisions on payments in respect of the period of suspension between 1st September 2012 and 31st March 2013 inclusive, and any appeals relating to those decisions, are to be in accordance with the 2012 Regulations and with the Suspended NHS Chemists (England) Determination 2012).

(4) Where a matter is to be dealt with in accordance with the determinations mentioned in sub-paragraphs (2) and (3) by virtue of paragraph 13(8) of Schedule 9 to the 2013 Regulations, in dealing with that matter, the NHSCB (or where appropriate on appeal the Secretary of State) is to treat those determinations as provisions of the Drug Tariff for the purposes of the continuity principles (as defined in paragraph 1(8) of Schedule 9 to the 2013 Regulations), whether or not those determinations continue to be included in the Drug Tariff.

Signed by authority of the Secretary of State for Health

*Jeannette Howe*  
Head of Pharmacy  
Department of Health

8th March 2013

**EXPLANATORY NOTE**

The following example is intended to illustrate the method of calculation of suspended contractor monthly payments under this Determination.

A pharmacy contractor is suspended by the NHSCB after close of business on 14th February 2014 and on that date has three sets of premises listed in relation to them on a particular pharmaceutical list: one (premises X) has been listed for two years; the second (premises Y) has been listed since the 15th May 2013; and the third (premises Z) has been listed since the start of February 2014.

In the 12 months prior to 1st February 2014, the contractor's income from the relevant fees and allowances at premises X was £120,000; in the eight months prior to 1st February 2014, the contractor's income from the relevant fees and allowances at premises Y was £96,000; and in the

---

**PAYMENTS TO CHEMISTS SUSPENDED BY THE NHS COMMISSIONING BOARD OR BY  
DIRECTION OF THE FIRST-TIER TRIBUNAL**

---

first two weeks of February 2014, the contractor's income from the relevant fees and allowances at premises Z was £4,000. Accordingly, the reference remuneration for the contractor is  $(£120,000 \div 12 = £10,000) + (96,000 \div 8 = £12,000) + (£4,000 \div 0.5 = £8,000) = £30,000$ . For February 2014, the amount due will be  $£30,000 \times (14 \div 28) = £15,000$ , and from March 2014 onwards, the amount will be £30,000 – unless any or all of the premises close or are sold. So for example, if, with effect from 16th June 2014, premises Z are sold to another contractor, the reference remuneration for June 2014 is adjusted to £26,000 and from July 2014 to £22,000.

---

**REQUISITIONS AND PRIVATE PRESCRIPTIONS FOR CONTROLLED DRUGS**

---

Following the Government's response to the Fourth Report of the Shipman Inquiry (Safer Management of Controlled Drugs), the requirements for requisitions and private prescriptions for controlled drugs have changed.

**For England**Private Prescriptions for Controlled Drugs

From 1 July 2006 all private prescriptions issued for controlled drugs in Schedule 2 or 3 of the Misuse of Drugs Regulations 2001 must be ordered using the prescription form designed specially for this purpose (FP10PCD).

Following dispensing, the original FP10PCD prescription forms must be submitted to the NHS Business Services Authority (NHSBSA) for audit purposes.

Requisitions for Controlled Drugs

From 30 November 2015 the supply of controlled drugs in Schedule 2 or 3 of the Misuse of Drugs Regulations 2001 (as amended) must be requisitioned using the new FP10CDF form. This can be accessed from the NHS Business Services Authority website: <http://www.nhsbsa.nhs.uk/PrescriptionServices/1120.aspx>

The requirement to use the mandatory form applies to the professionals listed at regulation 14(4), which now includes paramedics and the person in charge or acting person in charge of an organisation providing ambulance services, and only when stocks of the relevant controlled drugs are to be obtained in the community, including from wholesalers but outside settings such as hospitals.

From 1 June 2015, hospices and prisons are exempt from the requirement to use the mandatory form when requisitioning supplies of Schedule 2 and 3 controlled drugs. They can continue to use the old version of the FP10CDF form while stocks last.

Once the supply has been issued, the requisition form must be marked in accordance with the regulations before being submitted to the NHS Business Services Authority for audit purposes. Hospitals and wholesalers are exempt from this requirement.

Submission of Forms

One FP34PCD submission document must be completed and submitted with each monthly submission of original FP10PCD prescription forms/FP10CDF requisition forms. The submission document is available at <http://www.nhsbsa.nhs.uk> along with guidance on how to complete the document.

The original prescriptions/requisitions should be sorted separately, packed securely and dispatched to the NHS Business Services Authority by no later than the fifth day of the month following that in which they were supplied.

The FP34PCD submission document and original FP10PCD prescription forms/FP10CDF requisition forms must be submitted to the following address:

**NHSBSA, NHS Prescription Services  
Division 3 Newcastle  
Goods Entrance (off Dean Street)  
Bridge House  
152 Pilgrim Street  
Newcastle upon Tyne  
NE1 6SN**

Please ensure that original FP10PCD prescription forms/FP10CDF requisition forms are only sent with the relevant FP34PCD submission document and are not included in the monthly submission of NHS prescription forms.

---

**REQUISITIONS AND PRIVATE PRESCRIPTIONS FOR CONTROLLED DRUGS**

---

**For Wales**Private Prescriptions for Controlled Drugs

From 1 January 2007 all private prescriptions issued for controlled drugs in Schedule 2 or 3 of the Misuse of Drugs Regulations 2001 must be ordered using the prescription form designed specially for this purpose (WP10PCD (Pad) or WP10PCDSS (Single Sheet)).

Following dispensing, the original WP10PCD or WP10PCDSS prescription forms must be submitted to NHS Wales Shared Services Partnership (NWSSP) – Primary Care Services for audit purposes.

Requisitions for Controlled Drugs

From 30 November 2015 requisitions used for the supply of controlled drugs in Schedule 2 or 3 of the Misuse of Drugs Regulations 2001 must be ordered using a WP10CDF requisition form.

The requirement to use the mandatory form applies to the professionals listed at regulation 14(4) of the Misuse of Drugs Regulations 2001 as amended.

Since 1 June 2015, hospices and prisons have been exempt from the requirement to use the mandatory form when requisitioning supplies of Schedule 2 and 3 controlled drugs.

Once the supply has been issued the requisition must be submitted to NHS Wales Shared Services Partnership (NWSSP) – Primary Care Services for audit purposes. Supplies of the WP10CDF form can be obtained from local Business Service Centre stores. Requisitions for supplies by hospitals and wholesalers are exempt from this requirement.

Submission of Forms

The supplier must submit all CD requisitions that they have processed to NHS Wales Shared Services Partnership (NWSSP) – Primary Care Services using the WP34C form which can be downloaded from - <http://www.hsw.wales.nhs.uk/page.cfm?orgid=166&pid=9848>.

The WP34C submission document and original WP10PCD/WP10PCDSS prescription forms and WP10CDF requisition forms must be submitted to the following address:

**Primary Care Services  
4th Floor  
Crown Way  
Cardiff  
CF14 3UB**
